Innophos CEO Kim Ann Mink Recognized by CEO Connection as One of the Top 25 Most Influential Women of the Mid-Market

Award Recognizes Women Who Influence Change, Innovation and Standards of Excellence in Mid-Market Companies

CRANBURY, N.J., July 13, 2017 /PRNewswire/ -- [Innophos Holdings, Inc.](#) (Nasdaq: IPHS), a leading international producer of performance-critical and nutritional specialty ingredients and custom-formulated solutions, today announced that Kim Ann Mink, Ph.D., the Company's Chairman, President and Chief Executive Officer, has been recognized as one of the 2017 Top 25 Most Influential Women of the Mid-Market by CEO Connection®. This list recognizes the top 25 women in the U.S. based on their ability to influence change, innovation, and standards for excellence in companies with annual sales between \$100 million and \$3 billion. It honors mid-market CEOs who embody the highest standards of leadership in both business and society.

"I would like to thank CEO Connection for honoring me with this prestigious award," said Dr. Mink. "This is an important transformational time for our Company as we execute our strategy to position Innophos as a growing global supplier of vital ingredient solutions for the Food, Health and Nutrition markets. This recognition is a true testament to the efforts of the entire Innophos team for embracing a culture of change and committing to innovation and excellence in all that we do. I am proud to lead such a supportive and talented group of people."

The 2017 honoree list includes dedicated philanthropists and community leaders. Beyond their success in the Boardroom, each of these women have a story to tell. To view the bios of all the winners, visit <http://www.midmarketrankings.com/influential-women/>.

"We are honored to be able to recognize such a prestigious group of women who have truly made an impact on their company and have given back to their community," says Kenneth Beck, CEO of CEO Connection. "We have been recognizing CEOs through our Mid-Market 500 and Mid-Market 1000 lists as well as the Most Influential Women's List and we are pleased to share this new select group with the business community."

Honorees will be recognized at the 2017 Mid-Market Convention on September 25-27 at The Wharton School in Philadelphia, PA. Referred to as the "Davos for the Mid-Market," this exclusive global gathering brings together the leadership of the mid-market top business experts and senior government officials to help each other and change the world.

About Innophos

Innophos is a leading international producer of specialty ingredient solutions that deliver far-reaching, versatile benefits for the food, health, nutrition and industrial markets. We leverage our expertise in the science and technology of blending and formulating phosphate, mineral and botanical based ingredients to help our customers offer products that are tasty, healthy, nutritious and economical. Headquartered in Cranbury, New Jersey, Innophos has manufacturing operations across the United States, in Canada, Mexico and China. For more information, please visit www.innophos.com. 'IPHS-G'

About CEO Connection

CEO Connection is the ONLY membership organization in the world reserved exclusively for CEOs of mid-market companies - companies with between \$100 million and \$3 billion in annual revenue. Our mission is to help mid-market CEOs and their companies succeed. We accomplish this by connecting them to each other; connecting them to people, information and resources to which they would otherwise not have access; and promoting the interests, welfare, and perspective of the mid-market. Members are C-level executives with responsibility for all or significant portions of their respective company. They represent a wide variety of businesses across a broad geographic spectrum. Collectively mid-market companies account for \$10 trillion of the \$30 trillion annual U.S. private sector gross receipts. Inspired by C-level Wharton executives, CEO Connection began in 2005 and has evolved into a dynamic community with wide ranging benefits uniquely designed to help the mid-market CEO and champion the mid-market perspective.
