Itron, Inc. Announces Proposed Offering of \$300 Million of Senior Notes Due 2025

LIBERTY LAKE, Wash.--(BUSINESS WIRE)-- Itron, Inc. (Nasdaq: ITRI) (the "Company") today announced the commencement of a private offering of \$300 million aggregate principal amount of senior notes due 2025 (the "Notes"), subject to market and other conditions. The offering of the Notes is part of the financing of the merger consideration for the previously announced acquisition of Silver Spring Networks, Inc. ("Silver Spring") by the Company (the "Silver Spring Acquisition"). At the closing of the Silver Spring Acquisition, Silver Spring will become a wholly-owned subsidiary of the Company.

The Company intends to use the net proceeds from the offering of the Notes, together with cash on hand and borrowings under the Company's senior credit facilities, to fund the merger consideration of the Silver Spring Acquisition, refinance existing Company indebtedness and Silver Spring indebtedness and pay fees and expenses in connection with the foregoing.

The Notes will be offered in the United States to qualified institutional buyers under Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"), and to persons outside the United States under Regulation S under the Securities Act. The Notes and, from and after the closing of the Silver Spring Acquisition, the related guarantees will not be registered under the Securities Act, or the securities laws of any state or other jurisdiction, and, unless so registered, may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.
