JABIL CIRCUIT, INC.

PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS January 20, 2005

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The enclosed Proxy is solicited on behalf of Jabil Circuit, Inc., a Delaware corporation (“Jabil”), for use at the Annual Meeting of Stockholders to be held on Thursday, January 20, 2005, at 10:00 a.m., local time, and at any adjournment thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders. The Annual Meeting will be held in the Sunset Ballroom at the Vinoy Country Club located at 600 Snell Isle Boulevard, St. Petersburg, Florida 33704. Jabil’s principal executive office is located at 10560 Dr. Martin Luther King, Jr. Street North, St. Petersburg, Florida 33716, and its telephone number at that location is (727) 577-9749.

These Proxy solicitation materials, together with Jabil’s 2004 Annual Report to Stockholders, were mailed on or about December 16, 2004 to all stockholders entitled to vote at the Annual Meeting.

Record Date

Stockholders of record at the close of business on November 22, 2004 (the “Record Date”) are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, 201,620,786 shares of Jabil’s common stock were issued and outstanding. For information regarding security ownership by management and by the beneficial owners of more than 5% of Jabil’s common stock, see “Other Information-Share Ownership by Principal Stockholders and Management.” The closing sales price of Jabil’s common stock on the New York Stock Exchange (“NYSE”) on the Record Date was \$24.83 per share.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to Jabil’s Secretary a written notice of revocation or a duly executed proxy bearing a later date (or voting via the Internet at a later date) or by attending the Annual Meeting and voting in person.

Voting and Solicitation

Each stockholder is entitled to one vote for each share of common stock on all matters presented at the Annual Meeting. Stockholders do not have the right to cumulate their votes in the election of directors.

The cost of soliciting proxies will be borne by Jabil. In addition, Jabil may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation materials to such beneficial owners. Proxies may also be solicited by certain of Jabil’s directors, officers and regular employees, without additional compensation, personally or by telephone, telegram, letter or facsimile.

Table of Contents

Quorum; Abstentions; Broker Non-Votes

A majority of the shares of Jabil common stock outstanding on the Record Date must be present or represented at the Annual Meeting in order to have a quorum for the transaction of business. Abstentions (votes “withheld”) and broker non-votes will be counted as present for purposes of determining the presence of a quorum. If a quorum is present and voting, the eight nominees for director receiving the highest number of affirmative votes of the shares present or represented and entitled to be voted for them shall be elected as directors. Therefore, abstentions and broker non-votes will have no effect on the election of directors in Proposal 1. The approval of Proposal 2 requires the affirmative vote of a majority of the outstanding shares present or represented and entitled to vote at the Annual Meeting together with the affirmative vote of a majority of the required quorum. Abstentions and broker non-votes can have the effect of preventing approval of Proposal 2 where the number of affirmative votes, although a majority of the votes cast, does not constitute a majority of the required quorum. If you own shares through a broker, you must instruct your broker how to vote in order for your vote to be counted.

Voting Results

Votes will be tabulated by the inspector of election appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

Voting Electronically via the Internet

For Shares Directly Registered in the Name of the Stockholder. Stockholders with shares registered directly with EquiServe Trust Company, N.A. (“EquiServe”), Jabil’s transfer agent, may vote by mailing in the proxy or on the Internet at the following address on the World Wide Web: <http://www.eproxyvote.com/jbl>. Specific instructions to be followed by any registered stockholder interested in voting via the Internet are set forth on the enclosed proxy card. Votes submitted via the Internet by a registered stockholder must be received by 11:59 p.m. (Eastern Standard Time) on January 19, 2005.

For Shares Registered in the Name of a Brokerage or Bank. A number of brokerage firms and banks are participating in a program for shares held in “street name” that offers Internet voting options. This program is different from the program provided by EquiServe for shares registered in the name of the stockholder. If your shares are held in an account at a brokerage firm or bank participating in the street name program, you may have already been offered the opportunity to elect to vote using the Internet. Votes submitted via the Internet through the street name program must be received by 11:59 p.m. (Eastern Standard Time) on January 19, 2005. The giving of such a proxy will not affect your right to vote in person should you decide to attend the Annual Meeting.

These Internet voting procedures, which comply with Delaware law, are designed to authenticate stockholders’ identities, to allow stockholders to vote their shares and to confirm that stockholders’ votes have been recorded properly. Stockholders voting via the Internet through either of these voting procedures should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, that must be borne by the stockholders. Also, please be aware that Jabil is not involved in the operation of either of these Internet voting procedures and cannot take responsibility for any access or Internet service interruptions that may occur or any inaccuracies, erroneous or incomplete information that may appear.

You may elect to receive future notices of meetings, proxy materials and annual reports electronically via the Internet, if then made available by Jabil. If you have previously consented to electronic delivery, your consent will remain in effect until withdrawn. If you have not yet enrolled in Jabil’s Internet delivery program, we strongly encourage you to do so as it is a cost-effective way for Jabil to send you proxy statement and annual report materials. Participation instructions are set forth on the enclosed proxy card. When next year’s proxy statement and annual report materials are available, you will be sent an e-mail telling you how to access them electronically.

If you elect to access these materials via the Internet, you may still request paper copies by contacting your brokerage firm, bank or Jabil. Your participation in the new Internet program will remain in effect until you cancel your enrollment. You are free to cancel your enrollment at any time.

The Board of Directors has standing Audit, Compensation and Nominating and Corporate Governance Committees, and also has a committee that administers stock option plans for non-officers and non-directors.

Audit Committee . The functions of the Audit Committee are described below under the heading “Report of the Audit Committee.” The charter of the Audit Committee was adopted on October 21, 2004 and is attached to this Proxy Statement as Exhibit A, and is available in the Investor Relations section of Jabil’s website (www.jabil.com). A copy of this charter may also be obtained upon request from Jabil’s Corporate Secretary. All of the members of the Audit Committee are independent within the meaning of the Securities and Exchange Commission (the “SEC”) regulations, the listing standards of the NYSE and Jabil’s Corporate Governance Guidelines. The Board of Directors has determined that each member of the Audit Committee is an audit committee financial expert within the meaning of the SEC regulations and that each member has accounting and related financial management expertise within the meaning of the listing standards of the NYSE. The Audit Committee met 12 times during fiscal year 2004.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is responsible for developing and implementing policies and practices relating to corporate governance, including reviewing and monitoring implementation of Jabil’s Corporate Governance Guidelines. In addition, the Committee develops and reviews background information on candidates for the Board of Directors and makes recommendations to the Board of Directors regarding such candidates. The Committee also evaluates and makes recommendations to the Board of Directors in connection with its annual review of director independence and the Board of Directors’ performance self-evaluation. The charter of the Nominating and Corporate Governance Committee was adopted on October 17, 2002, and is available in the Investor Relations section of Jabil’s website (www.jabil.com). A copy of this charter may also be obtained upon request from Jabil’s Corporate Secretary. All of the members of the Nominating and Corporate Governance Committee are independent within the meaning of the

listing standards of the NYSE and Jabil's Corporate Governance Guidelines. The Nominating and Corporate Governance Committee met five times and took action by written consent one time during fiscal year 2004.

Compensation Committee. The Compensation Committee assists the Board of Directors in discharging its responsibilities relating to the compensation of Jabil's executive officers. The Compensation Committee reviews and approves corporate goals and objectives relevant to the compensation of Jabil's Chief Executive Officer in light of those goals and objectives, and sets the compensation level of the Chief Executive Officer based on this evaluation. The Compensation Committee is also generally empowered to administer Jabil's 1992 Stock Option Plan and 2002 Stock Incentive Plan, each with respect to all individuals. The charter of the Compensation Committee was adopted on October 17, 2002, and is available in the Investor Relations section of Jabil's website (www.jabil.com). A copy of this charter may also be obtained upon request from Jabil's Corporate Secretary. All of the members of the Compensation Committee are independent within the meaning of the listing standards of the NYSE and Jabil's Corporate Governance Guidelines. The Compensation Committee met five times and took action by written consent one time during fiscal year 2004.

Committee that administers stock option plans for non-officers and non-directors. Morean and Main. This committee met four times during fiscal year 2004.

Corporate Governance Guidelines

In October 2004, the Board of Directors enhanced its Corporate Governance Guidelines which were originally adopted on July 17, 2003. The Corporate Governance Guidelines adopted by the Board of Directors exceed the new listing standards adopted during 2003 by the NYSE. The full text of the Corporate Governance Guidelines can be found in the Investor Relations section of Jabil's website (www.jabil.com). A copy of these guidelines may also be obtained upon request from Jabil's Corporate Secretary.

Selection of Nominees for the Board of Directors

One of the tasks of the Nominating and Corporate Governance Committee is to identify and recruit candidates to serve on the Board of Directors. The Committee is responsible for providing a list of nominees to the Board of Directors for nomination at the annual meeting of the stockholders. The Committee will consider nominees for board membership suggested by its members and other Board of Directors members, as well as management and stockholders. The Committee may at its discretion retain a third-party executive search firm to identify potential nominees. Jabil's Chief Executive Officer is included, on a non-voting basis, in the process of identifying candidates. The Committee will evaluate a prospective nominee against the standards and qualifications set out in Jabil's Corporate Governance Guidelines. The Committee will take into account many factors in evaluating a prospective nominee, including, among other things, having integrity and being accountable, being able to exercise informed judgment, being financially literate, and having high performance standards.

The Committee will consider nominees recommended by stockholders. The Committee will give consideration to these recommendations for positions on the Board of Directors where the Committee has not determined to re-nominate a qualified incumbent director. For each annual meeting of stockholders, the Committee will accept for consideration only one recommendation from any stockholder or affiliated group of stockholders. An affiliated group of stockholders means stockholders constituting a group under SEC Regulation 13D. While the Committee has not established a minimum number of shares that a stockholder must own in order to present a nominating recommendation for consideration, or a minimum length of time during which the stockholder must own its shares, the Committee will take into account the size and duration of a recommending stockholder's ownership interest in Jabil. The Committee will only consider recommendations of nominees who satisfy the minimum qualifications prescribed from time to time by the Committee or the full Board of Directors for board candidates, including that a director must represent the interests of all stockholders and not serve for the purpose of favoring or advancing the interests of any particular stockholder group or other constituency.

All stockholder nominating recommendations must be in writing, addressed to the Nominating and Corporate Governance Committee care of Jabil's Corporate Secretary at Jabil's principal headquarters, 10560 Dr.

E-mailed submissions will not be considered. If a recommendation is submitted by a group of two or more stockholders, the information regarding recommending stockholders must be submitted with respect to each stockholder in the group. Acceptance of a recommendation for consideration does not imply that the Nominating and Corporate Governance Committee will nominate the recommended candidate.

A nominating recommendation must be accompanied by the following information concerning each recommending stockholder:

- The name and address, including telephone number, of the recommending stockholder;
- The number of Jabil’s shares owned by the recommending stockholder and the time period for which such shares have been held;
- If the recommending stockholder is not a stockholder of record, a statement from the record holder of the shares (usually a broker or bank) verifying the holdings of the stockholder and a statement from the recommending stockholder of the length of time that the shares have been held. (Alternatively, the stockholder may furnish a current Schedule 13D, Schedule 13G, Form 3, Form 4 or Form 5 filed with the SEC reflecting the holdings of the stockholder, together with a statement of the length of time that the shares have been held); and
- A statement from the stockholder as to whether the stockholder has a good faith intention to continue to hold the reported shares through the date of Jabil’s next annual meeting of stockholders.

A nominating recommendation must be accompanied by the following information concerning the proposed nominee:

- the information required by Item 401 of SEC Regulation S-K (generally providing for disclosure of the name, address, any arrangements or understanding regarding nomination and five-year business experience of the proposed nominee, as well as information regarding certain types of legal proceedings within the past five years involving the nominee);
- the information required by Item 403 of SEC Regulation S-K (generally providing for disclosure regarding the proposed nominee’s ownership of securities of Jabil);

- a description of the relationships between the proposed nominee and the recommending stockholder and any agreements or understandings between the recommending stockholder and the nominee regarding the nomination;
- a description of all relationships between the proposed nominee and any of Jabil’s competitors, customers, suppliers, labor unions or other persons with special interests regarding Jabil known to the recommending stockholder or director in Jabil’s filings with the SEC;
- a statement supporting the nominating stockholder’s view that the proposed nominee possesses the minimum qualifications prescribed by the Nominating and Corporate Governance Committee for nominees or directors from time to time, including those that may be set forth in Jabil’s Corporate Governance Guidelines, and briefly describing the contributions that the nominee would be expected to make to the Board of Directors and to the governance of Jabil;

Table of Contents

- a statement as to whether, in the view of the nominating stockholder, the nominee, if elected, would represent all stockholders and not serve for the purpose of advancing or favoring any particular stockholder or other constituency of Jabil; and
- the consent of the proposed nominee to be interviewed by the Nominating and Corporate Governance Committee, if the Nominating and Corporate Governance Committee chooses to do so in its discretion (and the recommending stockholder must furnish the proposed nominee's contact information for this purpose), and, if nominated and elected, to serve as a director of Jabil.

Determinations of Director Independence

In October 2004, the Board of Directors undertook its annual review of director independence. For a director to be considered independent, the Board of Directors must determine that the director does not have any material relationship with Jabil that falls within the eight categories below. The Board of Directors has established these categories to assist it in determining director independence, which conform to or are more exacting than the independence requirements in the NYSE listing standards. As required by the NYSE listing standards, the Board of Directors will consider all material relevant facts and circumstances known to it in making an independence determination, both from the standpoint of the director and from that of persons or organizations with which the director has an affiliation. As a result of this review, the Board of Directors determined that a majority of directors of Jabil are independent, including Lawrence S. Grafstein, Mel S. Lavitt, William D. Morean, Frank A. Newman and Steven A. Raymund.

As required by applicable law, the Board of Directors will make and publicly disclose its independence determination for each director when the director is first elected to the Board of Directors and annually thereafter for all nominees for election as directors. If the Board of Directors determines that a director who satisfies the NYSE listing standards is independent even though he or she does not satisfy all of Jabil's independence requirements, this determination will be disclosed and explained in the next proxy statement as required by applicable law.

A director will not be independent if the director falls within one of the following categories as determined by the Board of Directors or a committee thereof based on facts known to it in light of the meanings ascribed to those categories under applicable NYSE guidance where applicable and otherwise by the Board of Directors or a committee thereof within its discretion:

- the director is employed by Jabil, or an immediate family member is an executive officer of Jabil;
- the director receives more than \$100,000 per year in direct compensation from Jabil, other than Director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);
- an immediate family member of the director is employed by Jabil and receives more than \$100,000 per year in direct compensation from Jabil;
- the director is affiliated with or employed by Jabil's independent auditor, or an immediate family member is affiliated with or employed in a professional capacity by Jabil's independent auditor;
- a Jabil executive is on the compensation committee of the Board of Directors of a company which employs a Jabil director, or an immediate family member of that Jabil director, as an executive officer;
- the director is an executive officer or employee, or if an immediate family member is an executive officer, of another company that does business with Jabil and the sales by that company to Jabil or purchases by that company from Jabil, in any single fiscal year during, are more than the greater of two percent of the annual revenues of that company or \$1 million;
- the director is an executive officer or employee, or an immediate family member is an executive officer, of another company which is indebted for borrowed money to Jabil, or to which Jabil is

Table of Contents

indebted for borrowed money, and the total amount of either of such company's indebtedness to the other at the end of the last completed fiscal year is more than two percent of the other company's total consolidated assets; and

- the director serves as an officer, director or trustee of a charitable organization, and Jabil's discretionary charitable contributions to the organization are more than two percent of that organization's total annual charitable receipts during its last completed fiscal year.

Board of Directors Meetings During Fiscal 2004

The Board of Directors held a total of five meetings and took action by written consent five times during fiscal year 2004. All directors attended 75% or more of the aggregate number of Board of Directors meetings and committee meetings.

Policy Regarding Attendance at Annual Meeting of Stockholders

Jabil's Corporate Governance Guidelines requires all directors to endeavor to attend all annual stockholders meetings, absent unanticipated personal or professional obligations which preclude them from doing so. To facilitate such attendance, Jabil endeavors to schedule a regular meeting of the Board of Directors on the same date as the Annual Meeting. All of Jabil's directors attended the 2003 Annual Meeting.

Directors' Compensation

During the 2004 fiscal year, non-employee directors received the following annual compensation, payable quarterly: \$30,000 for serving as a member of the Board of Directors; \$10,000 for serving as a non-chair member of the Audit Committee; \$20,000 for serving as chair of the Audit Committee; \$5,000 for serving as a non-chair member of the Compensation Committee or the Nominating and Corporate Governance Committee; and \$10,000 for serving as the chair of Compensation Committee or the Nominating and Corporate Governance Committee. No director currently receives any additional cash compensation for attendance at Board of Directors or committee meetings. Directors are entitled to reimbursement for expenses incurred in connection with their attendance at Board of Directors and committee meetings. In addition, non-employee directors are also eligible to receive stock option grants pursuant to Jabil's 2002 Stock Incentive Plan. For the 2004 fiscal year, each non-employee director received an option to purchase 10,000 shares of common stock of Jabil at a price per share equal to the fair market value of the common stock on the date of grant. See "Certain Transactions" for information regarding compensation payable to Mr. Murphy for certain consulting services.

Stockholder Communication with the Board of Directors

Effective October 2004, the Nominating and Corporate Governance Committee approved a process for stockholders and other certain parties to communicate directly with non-Management members of the Board of Directors. Communications to non-Management directors must be in writing and sent Certified Mail in care of Jabil's legal department to the address of Jabil's headquarters. All communications must be accompanied by the following information:

- if the person submitting the communication is a stockholder, a statement of the type and amount of shares of Jabil that the person holds;
- if the person submitting the communication is not a stockholder and is submitting the communication to the non-Management directors as an interested party, the nature of the person's interest in Jabil;
- any special interest, meaning an interest not in the capacity of a stockholder of Jabil, of the person in the subject matter of the communication; and

Table of Contents

- the address, telephone number and e-mail address, if any, of the person submitting the communication.

Jabil's legal department reviews all such correspondence and regularly forwards to the Board of Directors copies of all correspondence that, in the opinion of Jabil's legal department, deals with the functions of the Board of Directors or committees thereof or that Jabil's legal department otherwise determines requires their attention. Concerns relating to accounting, internal controls or auditing matters are immediately brought to the attention of the Chairman of the Audit Committee and handled in accordance with procedures established by the Audit Committee with respect to such matters.

Code of Business Conduct and Ethics and Senior Code

Jabil has adopted a Code of Business Conduct and Ethics, which applies to all directors, officers and employees. In addition, Jabil has adopted a senior code of ethics entitled "Code of Ethics for the Principal Executive Officer and Senior Financial Officers of Jabil" that applies to the principal executive officer, president, principal financial officer, chief financial officer, the principal accounting officer and controller. The text of both documents can be found in the Investor Relations section of Jabil's website (www.jabil.com). A copy of both documents may also be obtained upon request from Jabil's Corporate Secretary. Jabil currently anticipates that any waivers from its Code of Ethics for the Principal Executive Officer and Senior Financial Officers will be posted on its website.

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee of the Board of Directors has selected KPMG LLP to audit the financial statements of Jabil for the fiscal year ending August 31, 2005 and to perform other appropriate services. KPMG LLP (or its predecessor firm) has audited Jabil's financial statements since the fiscal year ended August 31, 1984. A representative of KPMG LLP is expected to be present at the Annual Meeting, will have the opportunity to make a statement and is expected to be available to respond to appropriate questions.

AUDIT COMMITTEE REPORT

The Audit Committee of Jabil Circuit, Inc. ("Jabil") serves to assist Jabil's Board of Directors in fulfilling the oversight responsibilities it has under the law with respect to financial reports and other financial information provided by Jabil to the public, Jabil's systems of internal controls regarding finance and accounting that management and the Board of Directors have established and Jabil's auditing, accounting and financial reporting processes generally.

The Audit Committee is comprised solely of independent directors, as defined in recently implemented, more stringent listing standards of the New York Stock Exchange, as well as other statutory, regulatory and other requirements applicable to Jabil.

The Audit Committee operates under a written charter adopted by the Board of Directors, a copy of which is attached as Exhibit A to this Proxy Statement. The Audit Committee annually reviews and assesses the adequacy of its charter in order to insure early or timely compliance with statutory, regulatory, listing and other requirements applicable to Jabil.

Jabil's management has primary responsibility for the preparation, presentation and integrity of Jabil's financial statements and its financial reporting process. Jabil's independent auditing firm, KPMG LLP, is responsible for expressing an opinion on the conformity of Jabil's audited financial statements to generally accepted accounting principles. The Audit Committee members are not professional accountants or auditors and their functions are not intended to duplicate or to certify the activities of management and the independent auditor.

The Audit Committee has the authority and responsibility to select, evaluate and, when appropriate, replace the independent auditor. The Audit Committee also has periodic discussions with management and the independent auditor with regard to the quality and adequacy of Jabil's internal controls. Management's and the independent auditor's presentations to, and discussions with, the Audit Committee also cover various topics and events that may have significant financial impact or are the subject of discussions between management and the independent auditor.

In this context, the Audit Committee reports as follows:

1. The Audit Committee has reviewed and discussed the audited financial statements with Jabil's management;
2. The Audit Committee has discussed with KPMG LLP the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU § 380);
3. The Audit Committee has received and reviewed the written disclosures and the letter from KPMG LLP required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees) and has discussed with KPMG LLP its independence from Jabil; and

Table of Contents

The Audit Committee has also appointed KPMG LLP Jabil's independent auditors for the fiscal year ending August 31, 2005.

Policy on Audit Committee Pre-Approval of Audit, Audit-Related and Permissible Non-Audit Services of the Independent Registered Public Accountants

The Audit Committee's policy is to pre-approve all audit, audit-related and permissible non-audit services provided by the independent registered public accountants in order to assure that the provision of such services does not impair the auditor's independence. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. Management is required to periodically report to the Audit Committee regarding the extent of services provided by the independent registered public accountants in accordance with this pre-approval, and the fees for the services performed to date. During fiscal year 2004, all services were pre-approved by the Audit Committee in accordance with this policy.

Recommendation of the Board of Directors

If the stockholders do not approve the selection of KPMG LLP, the appointment of the independent registered public accountants will be reconsidered by the Audit Committee of the Board of Directors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THIS PROPOSAL.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires Jabil's officers and directors, and persons who own more than ten percent of a registered class of Jabil's equity securities, to file initial reports of ownership on

Table of Contents

Form 3 and changes in ownership on Form 4 or Form 5 with the SEC. Such officers, directors and ten-percent stockholders are also required by SEC rules to furnish Jabil with copies of all such forms that they file.

Based solely on its review of the copies of such forms received by Jabil from certain reporting persons, Jabil believes that, during the fiscal year ended August 31, 2004, all Section 16(a) filing requirements applicable to its officers, directors and ten percent stockholders were met, except that John Lovato failed to timely file a Form 4 relating to the exercise of a call option.

Compensation Committee Interlocks and Insider Participation

Jabil's Compensation Committee was formed in November 1992 and is currently composed of Messrs. Lavitt, Newman and Raymund. No member of the Compensation Committee is currently or was formerly an officer or an employee of Jabil or its subsidiaries. There are no compensation committee interlocks and no insider participation in compensation decisions that are required to be reported under the rules and regulations of the Securities Exchange Act of 1934, as amended.

Options were granted at an exercise price equal to 100% of the fair market value of our common stock on the date of grant. The amounts under "Potential Realizable Value at Assumed Annual Rate of Stock Appreciation for Option Term" represent the hypothetical gains of the options granted based on assumed annual compound stock appreciation rates of 5% and 10% over their exercise price for the full ten-year term of the options. The assumed rates of appreciation are mandated by the rules of the SEC and do not represent our estimate or projection of future common stock prices.

Aggregated Option Exercises in Last Fiscal Year and Fiscal Year End Option Values

The following table sets forth certain information concerning the exercise of options during the fiscal year ended August 31, 2004, and the aggregate value of unexercised options at August 31, 2004, for each of the Named Officers. Jabil does not have any outstanding stock appreciation rights.

- (1) The closing price for Jabil's common stock as reported through the NYSE on August 31, 2004 was \$20.63. "Value Realized" is calculated on the basis of the difference between the option exercise price and \$20.63 multiplied by the number of shares of common stock to which the exercise relates.
- (2) These values, unlike the amounts set forth in the column entitled "Value Realized," have not been, and may never be, realized and are based on the positive spread between the respective exercise prices of outstanding options and the closing price of Jabil's common stock on August 31, 2004, the last day of trading for fiscal 2004.

Change in Control Arrangements

All options issued under Jabil's 1992 Stock Option Plan and the 2002 Stock Incentive Plan provide that, in the event of a change in control of Jabil, any award outstanding under the 2002 Stock Incentive Plan on the date of such change in control that is not yet vested will become fully vested on the earlier of (i) the first anniversary of the date of such change in control, if the grantee's continuous status as an employee or consultant of Jabil does not terminate prior to such anniversary, or (ii) the date of termination of the grantee's continuous status as an employee or consultant of Jabil as a result of termination by Jabil or its successor without cause or resignation by the grantee for good reason. However, an award will not become fully vested due to a change in control if the grantee's continuous status as an employee or consultant terminates as a result of termination by Jabil or its successor for cause or resignation by the grantee without good reason.

The 2002 Stock Incentive Plan and the 1992 Stock Option Plan provide that, in the event of a proposed dissolution or liquidation of Jabil, all outstanding awards will terminate immediately before the consummation of such proposed action. The Board of Directors may, in the exercise of its sole discretion in such instances, declare that any option awarded under the 2002 Stock Incentive Plan or the 1992 Stock Option Plan, or stock appreciation right awarded under the 2002 Stock Incentive Plan, will terminate as of a date fixed by the Board of Directors and give each grantee the right to exercise his option or stock appreciation right as to all or any part of the stock covered by such award, including shares as to which the option or stock appreciation right would not otherwise be exercisable.

In the event of a merger of Jabil with or into another corporation, or the sale of substantially all of the assets of Jabil, each outstanding option awarded under the 2002 Stock Incentive Plan and the 1992 Stock Option Plan, and each stock appreciation right awarded under the 2002 Stock Incentive Plan, will be assumed or an equivalent option and stock appreciation right will be substituted by the successor corporation, unless otherwise determined by the Board of Directors in its discretion. If such successor or purchaser refuses to assume or provide a substitute for the outstanding options or stock appreciation rights, the 2002 Stock Incentive Plan and the 1992 Stock Option Plan provide for the acceleration of the exercisability and termination of all or some outstanding and unexercisable options and stock appreciation rights, unless otherwise determined by the Board of Directors in its discretion. In the event of the acquisition by any person, other than Jabil, of 50% or more of Jabil's then outstanding securities, unless otherwise determined by the Board of Directors in its discretion, all outstanding options and stock appreciation rights which are vested and exercisable shall be terminated in exchange for a cash payment.

CERTAIN TRANSACTIONS

During 2004, Jabil was a party to an agreement with an entity (“Indigo”) controlled by William D. Morean, a director of Jabil, for Jabil’s use of Indigo’s aircraft for Jabil’s business purposes. Under the lease, Jabil paid market competitive hourly rental rates and certain ancillary costs incurred while the aircraft was being used by Jabil, such as fuel, oil, landing fees, etc. Jabil did not pay for Mr. Morean’s personal use of the aircraft. During the fiscal year ended August 31, 2004, Jabil paid approximately \$38,000 for its use of Indigo’s aircraft. Mr. Morean also had an agreement with Jabil at market competitive rates for the limited use of Jabil’s flight crew to operate a non-Jabil aircraft for non-Jabil use. During the fiscal year ended August 31, 2004, Mr. Morean paid Jabil approximately \$150,000 for such flight crew’s services and the cost of pilot training attributable to Indigo’s aircraft. Jabil and Indigo also insure their respective aircraft under a mutual policy, which enabled Jabil to take advantage of a quantity discount for aircraft insurance and pay less for its aircraft insurance than it would pay without the Indigo aircraft on the policy. During the fiscal year ended August 31, 2004, Jabil paid approximately \$89,000 for the portion of the cost of the policy attributable to Indigo’s aircraft, which was subsequently reimbursed by Indigo.

During 2004, Thomas A. Sansone, a director of Jabil, had an agreement with Jabil at market competitive rates for the limited use of Jabil’s flight crew to operate a non-Jabil aircraft for non-Jabil use. During the fiscal year ended August 31, 2004, Mr. Sansone paid Jabil approximately \$67,000 for such flight crew’s services.

Mr. Murphy, a director of Jabil, also worked for Jabil as a consultant during fiscal year 2004. His consulting agreement expired in February 2004. For the fiscal year ended August 31, 2004, Mr. Murphy received a base consulting fee of \$115,000.

Mr. Charles A. Main, a brother of Timothy L. Main, the Chief Executive Officer, President and a director of Jabil, is employed by Jabil’s Business Development division and earned an aggregate compensation of \$156,391 during fiscal year 2004, which included base salary, bonus, profit sharing, other routine employee benefits.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Committee’s Responsibilities: The Compensation Committee of the Board of Directors (the “Committee”) has responsibility for setting and administering the policies which govern executive compensation. The Committee is composed entirely of outside directors. The purpose of this report is to summarize the philosophical principles, specific program objectives and other factors considered by the Committee in reaching its determinations regarding the compensation of Jabil’s executive officers.

Compensation Philosophy: The Committee has approved principles for the management compensation program which:

- encourage the development and the achievement of strategic objectives that enhance long term stockholder value;
- attract, retain and motivate key personnel who contribute to long term success of Jabil; and
- provide a compensation package that recognizes individual contributions and company performance.

Compensation Methodology: Jabil strives to provide a comprehensive executive compensation program that is competitive and performance based in order to attract and retain superior executive talent. In making its recommendations to the Committee, management reviews market data and assesses Jabil’s competitive position for three components of executive compensation: (1) base salary; (2) annual incentives; and (3) long term incentives. To assist in benchmarking the competitiveness of its compensation programs, Jabil uses Mercer Human Resource Consulting (“Mercer”), a nationally recognized executive compensation firm. Mercer utilizes a number of national compensation surveys and provides databases for companies of similar size to Jabil, as well as specific analysis of the compensation information contained in the proxy statements of a number of companies in the same industry as Jabil.

Table of Contents

Components of Compensation:

- *Base Salary.* Base salary for all executive officer positions is targeted to be competitive with the salaries of comparable executives at technology companies of similar size and is also intended to reflect consideration of an officer's experience, business judgment and role in developing and implementing overall business strategy for Jabil. Base salaries are based upon qualitative and subjective factors and no specific formula is applied to determine the weight of each factor.
- *Bonuses.* Bonuses for executive officers are intended to reflect Jabil's belief that a significant portion of the annual compensation of the executive should be contingent upon the performance of Jabil, as well as the individual's contribution. Bonuses are paid on an annual or quarterly basis and are based on quantitative and subjective factors, including the pre tax profitability of Jabil, business development and operational performance, earnings per share, returns on invested capital and other measures of performance appropriate to the officer compensated.
- *Long Term Incentives.* Jabil utilizes restricted stock and stock options as long term incentives to attract and retain key personnel or reward exceptional performance. Stock awards are granted periodically by the Committee and are based on both qualitative and subjective factors. Options are granted with an exercise price equal to the fair market value of Jabil's common stock on the last market trading day prior to the date of determination (determined in accordance with the option plan) and grants made during the last fiscal year generally vest over a period of 50 months. Stock awards are designed to create an incentive to increase stockholder value over the long term.

Chief Executive Officer and President Compensation: The base salary of Timothy L. Main, Chief Executive Officer and President, was increased to be competitive with the average salaries of comparable executives at technology companies of similar size, based on the findings of the Mercer report. The Committee also awarded a bonus to Mr. Main based upon the same types of factors other executive bonuses were determined upon as outlined above during fiscal year 2004. The amount of stock awards granted to Mr. Main as a long term incentive was based on the Committee's evaluation of similar awards made by comparable companies and Mr. Main's contribution to Jabil's performance.

IRS Limits on Deductibility of Compensation: Section 162(m) of the Internal Revenue Code of 1986, as amended, with certain exceptions, limits Jabil's tax deduction for compensation paid to Named Executives to \$1,000,000 per covered executive year. Jabil expects no adverse tax consequences under Section 162(m) for fiscal year 2004.

EXHIBIT A

Jabil Circuit, Inc.

AUDIT COMMITTEE CHARTER

Role and Purpose

The purpose of the audit committee of the board of directors of Jabil Circuit, Inc. (the “Company”) is to assist the board of directors in fulfilling the oversight responsibilities it has with respect to (1) integrity of the Company’s financial statements, (2) the Company’s compliance with legal and regulatory requirements, (3) the qualifications and independence of the Company’s independent auditor, and (4) the performance of the Company’s independent auditor and the Company’s internal audit function. The Company’s independent auditors, in their capacity as independent public accountants, shall be responsible to the board of directors and the audit committee as representatives of the shareholders. The audit committee is expected to maintain free and open communication (including private executive sessions at least annually) with the independent auditors and management of the Company. In discharging this oversight role, the committee is empowered to investigate any matter brought to its attention, with full power to retain outside counsel or other experts for this purpose.

Composition

Members of the audit committee shall be elected annually by the full board on the recommendation of the Nominating/Corporate Governance Committee and shall hold office until the earlier of (1) the election of their respective successors, (2) the end of their service as a director of the Company (whether through resignation, removal, expiration of term, or death), or (3) their resignation from the committee. The chairperson of the Committee may be selected by the board of directors or, if it does not do so, the committee members may elect a chairperson by vote of a majority of the full committee.

The membership of the committee shall consist of at least three directors, each of whom shall satisfy the independence, financial literacy and experience requirements of the Securities Exchange Act of 1934, the rules and regulations of the Securities and Exchange Commission and the listing standards of the New York Stock Exchange, as in effect from time to time. At least one member of the committee shall be an “audit committee financial expert” (as defined by the Securities and Exchange Commission).

No audit committee member shall serve on the audit committee of more than three public companies, unless the Company’s board of directors determines that it does not believe that such service would impair the member’s ability to effectively service on the audit committee.

Authority and Responsibilities

The committee shall have the sole authority to hire and fire the Company’s independent auditor, to approve all audit engagement fees and terms, and to approve all significant non-audit engagements with the independent auditor. The committee shall be directly responsible for the selection and appointment, retention, compensation, evaluation, termination and oversight of the work of the independent auditor, including the resolution of disagreements between management and the independent auditor regarding financial reporting, for the purpose of preparing or issuing an audit report or related work. The independent auditor shall report directly to the committee.

The committee shall review in advance, and grant any appropriate preapprovals of, (1) all auditing services to be performed by the independent auditor and (2) all non-audit services (including the material terms thereof) to be provided by the independent auditor as permitted under the Securities Exchange Act of 1934, subject to the

Table of Contents

de minimus exception for non-audit services described in Section 10A(i)(1)(B) of the Securities Exchange Act of 1934 and Rule 2-01(c)(7)(i) (C) of Regulation S-X which are approved by the committee prior to completion of the audit. The committee may form and delegate authority to subcommittees consisting of one or more members where appropriate, including the authority to grant preapprovals of audit and permitted non-audit services, provided that decisions of such subcommittee to grant preapprovals shall be presented to the committee at its next meeting.

The committee shall have the authority to obtain advice and assistance from outside legal, accounting or other advisors, as it determines necessary to carry out its duties, and shall be empowered to retain and compensate these advisors without seeking board approval. The committee shall determine the extent of funding necessary for payment of compensation to the independent auditor for the purpose of rendering or issuing an audit report and to any outside legal, accounting or other advisors retained to advise the committee. The committee may request any officer or employee of the Company or the Company's outside counsel or independent auditor to attend a meeting of the committee or to meet with any members of, or consultants to, the committee.

The audit committee, to the extent it deems necessary or appropriate, shall:

- Review and discuss the annual audited financial statements and quarterly financial statements with management and the independent auditor, including the Company's disclosures under the section in any filing with the Securities and Exchange Commission entitled "Management's Discussion and Analysis of Financial Condition and Results of Operations," and review and discuss proposed earnings press releases (including the use of any "pro forma" or "adjusted" non-GAAP information) and financial information and earnings guidance provided to analysts and rating agencies. It is anticipated that these discussions will include, as applicable:
 - major issues regarding accounting principles and financial statement presentations, including any significant changes in the Company's selection or application of accounting principles;
 - major issues as to the adequacy of the Company's internal controls, any special audit steps adopted in light of material control deficiencies and the adequacy of the disclosures about changes in internal control over financial reporting;
 - analyses prepared by management and/or the independent auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements and any significant changes in the Company's selection or application of accounting principles;
 - the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the financial statements of the Company;
 - the type and presentation of information to be included in earnings press releases;
 - quality of earnings, discussions of significant items subject to estimate, consideration of the suitability of accounting principles, audit adjustments (whether or not recorded);
 - other material written communications between the independent auditor and management, such as any management letter or schedule of unadjusted differences; and
 - such other inquiries as may be deemed appropriate by the audit committee.
- Recommend to the board whether the audited financial statements should be included in the Company's Form 10-K.

- Review with the independent auditor any audit problems or difficulties (including any restrictions on the scope of the independent auditor's activities or on access to requested information, and any significant disagreements with management) and management's response. It is anticipated that these discussions will include, as applicable:
 - any material accounting adjustments that were noted or proposed by the independent auditor but were "passed" (as immaterial or otherwise);

- Review and approve disclosures required to be included in Securities and Exchange Commission periodic reports filed under the Securities Exchange Act of 1934 with respect to non-audit services provided by the independent auditor.
- Review disclosures made to the committee by the Company's CEO and CFO during the certification process for the Form 10-K and Form 10-Q about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Company's internal controls.
- On an annual basis, review and discuss with the independent auditor all relationships between the independent auditor and the Company in order to evaluate the independent auditor's continued independence. The committee shall ensure annual receipt of a formal written statement from the independent auditor consistent with the standards set by the Independence Standards Board and shall discuss with the independent auditor all relationships or services that may affect auditor independence or objectivity.
- At least annually, obtain and review a report by the independent auditor describing (1) the independent auditor's internal quality-control procedures, (2) any material issues raised by the most recent internal quality-control review, or peer review, of the independent auditor, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the independent auditor, and any steps taken to deal with any such issues, and (3) all relationships between the independent auditor and the Company.
- Review all reports required to be submitted by the independent auditor to the committee under the Securities Exchange Act of 1934.
- Evaluate the independent auditor's qualifications, performance and independence, including the review and evaluation of the lead partner of the independent auditor, and taking into account the opinions of management and the Company's internal auditors, and present conclusions it deems appropriate with respect to the independent auditor to the full board of directors.

Table of Contents

- Confirm that the lead audit partner, or the audit partner responsible for reviewing the audit, of the independent auditor has not performed audit services for the Company for each of the five previous fiscal years, and consider whether, in order to assure continuing auditor independence, there should be regulation rotation of the independent auditing firm on a regular basis.
- Set hiring policies for employees or former employees of the independent auditor.
- Meet with the independent auditor prior to the audit to discuss the planning and staffing of the audit.
- Meet separately in person or telephonically, periodically, with management, with internal auditors and with the independent auditor, and have such other direct and independent interaction with such persons from time to time as the members of the committee deem appropriate.
- Discuss the responsibilities, budget and staffing of the Company's internal audit function.
- Obtain from the independent auditor assurance that Section 10A(b) of the Securities Exchange Act of 1934 has not been implicated.
- Establish procedures for (1) the receipt, retention and treatment of complaints from employees of the Company on accounting, internal accounting controls or auditing matters and (2) the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.
- Prepare the report required by the proxy rules of the Securities and Exchange Commission to be included in the Company's annual proxy statement (or Form 10-K) and any other committee reports required by applicable securities laws or stock exchange listing requirements or rules.
- Report regularly to the board of directors, by means of written or oral reports, submission of minutes of Committee meetings or otherwise, from time to time or whenever it shall be called upon to do so, including a review of any issues that arise with respect to the quality or integrity of the Company's financial statements, the Company's compliance with legal or regulatory requirements, the performance and independence of the Company's independent auditor, or the performance of the Company's internal audit function.
- Review this charter annually for possible revision.

Interpretations and Determinations

The committee and the board of directors shall have the power and authority to interpret this Charter and make any determinations as to whether any act taken has been taken in compliance with the terms hereof.

Evaluation

The committee shall conduct an annual performance evaluation of the committee.

Disclosure

This charter shall be made available on the Company's website.

Limitation of Audit Committee's Role

It is not the duty of the audit committee to prepare financial statements, to plan or conduct audits or to determine that the Company's financial statements and disclosure are complete and accurate and are in accordance with GAAP and applicable rules and regulations. These are the responsibilities of management and the independent auditor.
