**PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS
JANUARY 18, 2001**

INFORMATION CONCERNING SOLICITATION AND VOTING

GENERAL

The enclosed Proxy is solicited on behalf of Jabil Circuit, Inc., a Delaware corporation ("Jabil"), for use at the Annual Meeting of Stockholders to be held on Thursday, January 18, 2001, at 10:00 a.m., local time, and at any adjournment thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders. The Annual Meeting will be held in the Sunset Ballroom at the Vinoy Country Club located at 600 Snell Isle Boulevard, St. Petersburg, Florida 33704. Jabil's principal executive office is located at 10560 Ninth Street North, St. Petersburg, Florida 33716, and its telephone number at that location is (727) 577-9749.

These Proxy solicitation materials were mailed on or about December 21, 2000, together with Jabil's 2000 Annual Report to Stockholders, to all stockholders entitled to vote at the Annual Meeting.

RECORD DATE

Stockholders of record at the close of business on November 30, 2000 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, 190,728,457 shares of Jabil's Common Stock were issued and outstanding. For information regarding security ownership by management and by the beneficial owners of more than 5% of Jabil's Common Stock, see "Other Information-Share Ownership by Principal Stockholders and Management." The closing sales price of Jabil's Common Stock on the New York Stock Exchange ("NYSE") on the Record Date was \$31.25 per share.

REVOCABILITY OF PROXIES

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to Jabil's Secretary a written notice of revocation or a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person.

VOTING AND SOLICITATION

Each stockholder is entitled to one vote for each share of Common Stock on all matters presented at the Annual Meeting. Stockholders do not have the right to cumulate their votes in the election of directors.

The cost of soliciting proxies will be borne by Jabil. In addition, Jabil may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation materials to such beneficial owners. Proxies may also be solicited by certain of the Jabil's directors, officers, and regular employees, without additional compensation, personally or by telephone, telegram, letter or facsimile.

QUORUM; ABSTENTIONS; BROKER NON-VOTES

The required quorum for the transaction of business at the Annual Meeting is a majority of the shares of Common Stock outstanding on the Record Date. Shares that are voted "FOR," "AGAINST" or "WITH-

HELD" from a matter are treated as being present at the Annual Meeting for purposes of establishing a quorum and are also treated as entitled to vote on the subject matter (the "Votes Cast") with respect to such matter.

While abstentions (votes "withheld") will be counted for purposes of determining both the presence or absence for the transaction of business and the total number of Votes Cast with respect to a particular matter, broker non-votes with respect to proposals set forth in this Proxy Statement will not be considered Votes Cast and, accordingly, will not affect the determination as to whether the requisite majority of Votes Cast has been obtained with respect to a particular matter.

VOTING ELECTRONICALLY VIA THE INTERNET

For Shares Directly Registered in the Name of the Stockholder. Stockholders with shares registered directly with EquiServe, L.P. ("EquiServe"), Jabil's transfer agent, may vote by mailing in the proxy or on the Internet at the following address on the World Wide Web: <http://www.eproxyvote.com/jbl>.

For Shares Registered in the Name of a Brokerage or Bank. A number of brokerage firms and banks are participating in a program for shares held in "street name" that offers Internet voting options. This program is different from the program provided by EquiServe for shares registered in the name of the stockholder. If your shares are held in an account at a brokerage firm or bank participating in the street name program, you may have already been offered the opportunity to elect to vote using the Internet. Votes submitted via the Internet through the street name program must be received by 5:00 p.m. (Eastern Standard Time) on January 17, 2001. The giving of such a proxy will not affect your right to vote in person should you decide to attend the Annual Meeting.

These Internet voting procedures are designed to authenticate stockholders' identities, to allow stockholders to vote their shares and to confirm that stockholders' votes have been recorded properly. Stockholders voting via the Internet through either of these voting procedures should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, that must be borne by the stockholders. Also, please be aware that Jabil is not involved in the operation of either of these Internet voting procedures and cannot take responsibility for any access or Internet service interruptions that may occur or any inaccuracies, erroneous or incomplete information that may appear.

NOTE: Next year, Jabil plans to make the proxy statement and its annual report to stockholders available on the Internet. If you have access to the Internet, you will have the option to enroll in Internet delivery. Jabil has included instructions, on the proxy card, on how you can receive next year's proxy statement and annual report materials via the Internet at <http://www.econsent.com/jbl>. Jabil strongly encourages you to enroll in our Internet delivery program, as it is a cost effective way for Jabil to send you proxy statement and annual report materials. When next year's proxy statement and annual report materials are available, you will be sent an e-mail telling you how to access them electronically.

If you elect to access these materials via the Internet, you can still request paper copies by contacting your brokerage firm, bank or Jabil. Your enrollment in the new Internet program will remain in effect until you cancel your enrollment. You are free to cancel your enrollment at any time.

DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS

Proposals of stockholders of Jabil that are intended to be presented by such stockholders at Jabil's 2001 Annual Meeting of Stockholders must be received by Jabil no later than August 16, 2001 in order to be considered for possible inclusion in the proxy statement and form of proxy relating to that meeting.

FISCAL YEAR END

Jabil's fiscal year ends August 31.

Votes withheld from any director are counted for purposes of determining the presence or absence of a quorum for the transaction of business, but have no other legal effect under Delaware law.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" EACH OF THE NOMINEES LISTED ABOVE.

BOARD MEETINGS AND COMMITTEES

The Board of Directors of Jabil held a total of seven meetings and took action by written consent nine times during the 2000 fiscal year. PROPOSAL NO. 2

APPROVAL OF AMENDMENT TO CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

GENERAL

Jabil's Certificate of Incorporation, as currently in effect (the "Certificate"), provides that Jabil is authorized to issue two classes of stock consisting of 250,000,000 shares of Common Stock, \$0.001 par value per share, and 10,000,000 shares of Preferred Stock, \$0.001 par value per share. In October 2000, the Board of Directors authorized an amendment to the Certificate to increase the authorized number of shares of Common Stock to 500,000,000. The stockholders are being asked to approve at the Annual Meeting such amendment to the Certificate. Under the proposed amendment, the first paragraph of the Article numbered "Fourth" of the Certificate would be amended to change the total number of shares of Common Stock from 250,000,000 to 500,000,000.

Jabil currently has 250,000,000 authorized shares of Common Stock. Of this authorized number, 190,728,457 shares of common stock were issued and outstanding as of the Record Date. In addition, as of November 30, 2000, a total of 9,059,973 shares of Common Stock were reserved for future grant or for issuance upon the exercise of outstanding options under the Option Plan and 1,660,357 shares were reserved for issuance under the 1992 Employee Stock Purchase Plan.

PURPOSE AND EFFECT OF THE AMENDMENT

The principal purpose of the proposed amendment to the Certificate is to authorize additional shares of Common Stock which will be available in the event the Board of Directors determines that it is necessary or appropriate to permit future stock dividends or stock splits, to raise additional capital through the sale of securities, to acquire another company or its business or assets, to establish strategic relationships with corporate partners, to provide equity incentives to employees, officers or directors or to pursue other matters. The Board of Directors as of the date of this Proxy has no agreement, arrangement or intention to issue any of the shares for which approval is sought. If the amendment is approved by the stockholders, the Board of Directors does not intend to solicit further stockholder approval prior to the issuance of any additional shares of Common Stock, except as may be required by applicable law.

The increase in authorized Common Stock will not have any immediate effect on the rights of existing stockholders. However, the Board will have the authority to issue authorized Common Stock without requiring future stockholder approval of such issuances, except as may be required by applicable law. To the extent that additional authorized shares are issued in the future, they may decrease the existing stockholders' percentage equity ownership and, depending on the price at which they are issued, could be dilutive to the existing stockholders. The holders of Common Stock have no preemptive rights.

POTENTIAL ANTI-TAKEOVER EFFECT

The increase in the authorized number of shares of Common Stock and the subsequent issuance of such shares could have the effect of delaying or preventing a change in control of Jabil without further action by the stockholders. Shares of authorized and unissued Common Stock could (within the limits imposed by applicable law and stock exchange policies) be issued in one or more transactions which would make a change in control of Jabil more difficult, and therefore less likely. Such shares could, for example, be privately placed with purchasers who might side with the Board of Directors in opposing a hostile takeover bid. Any such issuance of additional stock could have the effect of diluting the earnings per share and book value per share of outstanding shares of Common Stock or the stock ownership and voting rights of a person seeking to obtain control of Jabil.

Jabil is not presently aware of any pending or proposed transaction involving a change in control of Jabil. While it may be deemed to have potential anti-takeover effects, the proposed amendment to increase the authorized Common Stock is not prompted by any specific effort or takeover threat currently perceived by management.

REQUIRED VOTE; RECOMMENDATION OF THE BOARD OF DIRECTORS

The affirmative vote of the holders of a majority of the outstanding shares of Common Stock entitled to vote is required to approve the amendment to Jabil's Certificate of Incorporation. Both abstentions and broker non-votes will have the same effect as votes against this proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THIS PROPOSAL.

7
10

PROPOSAL NO. 3

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors has selected KPMG LLP to audit the financial statements of Jabil for the fiscal year ending August 31, 2001. KPMG LLP (or its predecessor firm) has audited Jabil's financial statements since the fiscal year ended August 31, 1984. A representative of KPMG LLP is expected to be present at the Annual Meeting, will have the opportunity to make a statement, and is expected to be available to respond to appropriate questions.

REQUIRED VOTE; RECOMMENDATION OF THE BOARD OF DIRECTORS

Ratification of the appointment of Jabil's independent auditors requires the affirmative vote of a majority of the Votes Cast. In the event that the stockholders do not approve the selection of KPMG LLP, the appointment of the independent auditors will be reconsidered by the Board of Directors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THIS PROPOSAL.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires Jabil's officers and directors, and persons who own more than ten percent of a registered class of Jabil's equity securities, to file initial reports of ownership on Form 3 and changes in ownership on Form 4 or Form 5 with the SEC. Such officers, directors and ten-percent stockholders are also required by SEC rules to furnish Jabil with copies of all such forms that they file.

10

13

Based solely on its review of the copies of such forms received by Jabil from certain reporting persons, Jabil believes that, during the fiscal year ended August 31, 2000, all Section 16(a) filing requirements applicable to its officers, directors and ten percent stockholders were complied with except with respect to Mr. Chris A. Lewis who did not timely file one Form 4 that included six transactions that were reported late.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Jabil's Compensation Committee was formed in November 1992 and is currently composed of Messrs. Newman and Raymund. No member of the Compensation Committee is currently or was formerly an officer or an employee of Jabil or its subsidiaries.

(1) Compensation deferred at the election of executive is included in the year earned.

(2) Represents payments pursuant to Jabil's Profit Sharing Plan. The Board of Directors determines the aggregate amount of payments under the plan based on quarterly financial results. The actual amount paid to individual participants is based on the participant's salary and bonus actually paid (not necessarily earned) during such quarter.

(3) Mr. Morean was the Chief Executive Officer of Jabil during Fiscal Year 2000 and as of September 2000 Mr. Main was promoted to Chief Executive Officer. Mr. Morean will continue with Jabil as Chairman of the Board.

During the last three fiscal years, Jabil has not provided to the Named Officers any compensation disclosable as "Other Annual Compensation" (except for perquisites that, for any Named Officer, were less than the lesser of \$50,000 or 10% of such Named Officer's total salary and bonus), nor has it granted any restricted stock awards or options to Named Officers. Jabil does not have any long-term incentive plans within the meaning of SEC rules.

OPTION GRANTS IN LAST FISCAL YEAR

The following table sets forth information as to stock options granted to all Named Officers during the fiscal year ended August 31, 2000. These options were granted under our 1992 Stock Option Plan and, unless otherwise indicated, provide for vesting as to 12% of the underlying common stock six months after the date of grant, then 2% per month thereafter. Options were granted at an exercise price equal to 100% of the fair market value of our common stock on the date of grant. The amounts under "Potential Realizable Value at Assumed Annual Rate of Stock Appreciation for Option Term" represent the hypothetical gains of the options granted based on assumed annual compound stock appreciation rates of 5% and 10% over their exercise price for the full ten-year term of the options. The assumed rates of appreciation are mandated by the rules of the Securities and Exchange Commission and do not represent our estimate or projection of future common stock prices.

(1) The closing price for Jabil's common stock as reported through the NYSE on August 31, 2000 was \$63.7812. "Value Realized" is calculated on the basis of the difference between the option exercise price and \$63.7812 multiplied by the number of shares of Common Stock to which the exercise relates.

(2) These values, unlike the amounts set forth in the column entitled "Value Realized," have not been, and may never be, realized and are based on the positive spread between the respective exercise prices of outstanding options and the closing price of Jabil's Common Stock on August 31, 2000, the last day of trading for fiscal 2000.

CERTAIN TRANSACTIONS

C.E. Unterberg, Towbin (or its predecessors) has performed certain investment banking services for Jabil in the past and may be asked to perform investment banking services for Jabil in the future. Mel S. Lavitt, a director of Jabil, is a Managing Director of C.E. Unterberg, Towbin.

Jabil entered into an agreement with an entity ("Indigo") controlled by William D. Morean, a director of Jabil, for Jabil's use of Indigo's aircraft for Jabil's business purposes. Under the lease, Jabil pays market competitive hourly rental rates and certain ancillary costs incurred while the aircraft is being used by Jabil, such as fuel, oil, landing fees, etc. Jabil does not pay for Mr. Morean's personal use of the aircraft. During the fiscal year ended August 31, 2000, Jabil paid \$157,461 for its use of Indigo's aircraft. Mr. Morean also entered into an agreement with Jabil at market competitive rates for the limited use of Jabil's flight crew to operate non-Jabil aircraft for non-Jabil use. During the fiscal year ended August 31, 2000, Mr. Morean paid Jabil \$52,872 for such flight crew's services. Jabil and Indigo also insure their respective aircraft under a mutual policy, which enables Jabil to take advantage of a quantity discount for aircraft insurance and pay significantly less for its aircraft insurance than it would pay without the Indigo aircraft on the policy. During the fiscal year ended August 31, 2000, Indigo paid Jabil \$30,755 for the portion of the cost of the policy attributable to Indigo's aircraft.

Mr. Murphy, a director of Jabil, is also currently working for Jabil as a consultant. For the fiscal year ended August 31, 2000, Mr. Murphy received a base consulting fee of \$150,000 and a \$50,000 performance fee, and was granted an option during fiscal year 2000 to purchase 40,000 shares of Jabil's Common Stock. Also, in March 2000 Mr. Murphy received a \$50,000 performance fee for consulting services provided for the fiscal year ended August 31, 1999.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Committee's Responsibilities: The Compensation Committee of the Board (the "Committee") has responsibility for setting and administering the policies which govern executive compensation. The Committee is composed entirely of outside directors. Reports of the Committee's actions are presented to the full Board. The purpose of this report is to summarize the philosophical principals, specific program objectives and other factors considered by the Committee in reaching its determinations regarding the compensation of Jabil's executive officers.

Compensation Philosophy: The Committee has approved principals for the management compensation program which:

- encourage the development and the achievement of strategic objectives that enhance long-term stockholder value,
- attract, retain and motivate key personnel who contribute to long-term success of Jabil, and
- provide a compensation package that recognizes individual contributions and company performance.

Compensation Methodology: Jabil strives to provide a comprehensive executive compensation program that is competitive and performance-based in order to attract and retain superior executive talent. The Committee reviews market data and assesses Jabil's competitive position for three components of executive compensation: (1) base salary, (2) annual incentives, and (3) long-term incentives. To assist in benchmarking the competitiveness of its compensation programs, Jabil uses William M. Mercer Incorporated ("Mercer"), a nationally recognized executive compensation firm. Mercer utilizes a number of national compensation surveys and provides databases for companies of similar size to Jabil, as well as specific analysis of the compensation information contained in the proxy statements of a number of companies in the same industry as Jabil.

13

16

Components of Compensation:

- **Base Salary.** Base salary for all executive officer positions is targeted to be competitive with the average salaries of comparable executives at technology companies of similar size and is also intended to reflect consideration of an officer's experience, business judgment, and role in developing and implementing overall business strategy for Jabil. The Committee believes that Jabil's compensation of executive officers falls within the median of industry compensation levels. Base salaries are based upon qualitative and subjective factors, and no specific formula is applied to determine the weight of each factor.
- **Bonuses.** Bonuses for executive officers are intended to reflect Jabil's belief that a significant portion of the annual compensation of the executive should be contingent upon the performance of Jabil, as well as the individual's contribution. Bonuses are paid on an annual or quarterly basis and are based on qualitative and subjective factors, including the pre-tax profitability of Jabil, business development, operational performance, earnings per share and other measures of performance appropriate to the officer compensated.
- **Long-Term Incentives.** Jabil utilizes stock options as long-term incentives to attract and retain key personnel or reward exceptional performance. Stock options are granted periodically by the Stock Option Committee and are based on both qualitative and subjective factors. Options are granted with an exercise price equal to the fair market value of Jabil's Common Stock on the last market trading day prior to the date of determination (determined in accordance with the option plan) and grants made during the last fiscal year vest over a period of 50 months. This is designed to create an incentive to increase stockholder value over the long-term since the options will provide value to the recipient only when the price of the stock increases above the exercise price.

Chief Executive Officer and President Compensation: The base salary of Mr. Main was increased to be competitive with the average salaries of comparable executives at technology companies of similar size, based on the findings of the Mercer report, and to reflect the overall operating performance of Jabil during fiscal year 2000. The Compensation Committee also awarded bonuses to Mr. Main based upon certain subjective factors and the overall operating performance of Jabil during fiscal year 2000.

IRS Limits on Deductibility of Compensation: Section 162(m) of the Internal Revenue Code of 1986, as amended, with certain exceptions, limits Jabil's tax deduction for compensation paid to Named Executives to \$1,000,000 per covered executive year. Jabil expects no adverse tax consequences under Section 162(m) for fiscal year 2000.
