

Louise Mehrotra
Vice President, Investor Relations

Louise Mehrotra is vice president, Investor Relations, at Johnson & Johnson World Headquarters in New Brunswick, N.J. She is responsible for all communications with the investment community including securities analysts, portfolio managers and individual investors. In this role, she directs the dissemination of the Company's financial and business information and interprets operating trends to Wall Street. Mehrotra assumed her current position in September 2005.

Mehrotra began her career at Johnson & Johnson in Canada in 1980. During her 29 years with the Company, she has held various positions of increasing responsibility in the areas of Finance and Compliance. She has held assignments at several Johnson & Johnson operating companies and Johnson & Johnson World Headquarters. Her experience includes four years at Janssen Pharmaceutica, N.V., in Belgium, where she supported the finances of the International Marketing group, as well as pharmaceutical and chemical manufacturing management.

In 2001, Mehrotra was appointed vice president of Finance, chief financial officer and a member of the management board at Janssen Pharmaceutica Products, L.P., in Titusville, N.J. She also served as the Chief Compliance Officer for Janssen Pharmaceutica Products, L.P.

Most recently, Mehrotra served as vice president, Worldwide Health Care Compliance, where she was responsible for the implementation and oversight of the Worldwide Health Care Compliance Program throughout the Johnson & Johnson Family of Companies.

Mehrotra is a graduate of Sir Sanford Fleming College and is a Certified Management Accountant. She is a member of the Financial Women's Association of New Jersey, the Conference Board's Council for Division Leaders (Finance). She was a past member of the Mercer County Board of Trustees for National Alliance for the Mentally Ill and served on the board of the Nature Conservancy of New Jersey. She is also the recipient of the Tribute to Women – YWCA Princeton Award.
