KB Home Announces the Grand Opening of Two Ocean View Neighborhoods in Daly City

The Vista and The Row at Wellington Heights offer Bay Area buyers exquisite master-plan living overlooking the Pacific Ocean

DALY CITY, Calif.--(BUSINESS WIRE)-- KB Home (NYSE: KBH) today announced the grand opening of The Vista and The Row at Wellington Heights, a hilltop master-plan community featuring stunning views of Lake Merced, the Pacific Ocean, and the Farallon Islands. Located near Interstate 280 and the Daly City BART station, the two neighborhoods are within 15 miles of both downtown San Francisco and San Francisco International Airport, and are just minutes from San Francisco State University.

The Wellington Heights master-plan community includes two distinct styles of homes —The Vista and The Row—featuring desirable price points and design features such as open floor plans, spacious kitchens, large game rooms and attached secure garages with interior access. The three-story homes at The Row range in size from 2,209 to 2,781 square feet, with up to four bedrooms, and three-and-a-half baths. Pricing begins from the low-\$1,000,000s.

The Vista features two- and three-story townhome-style condominiums ranging in size from 1,234 to 2,052 square feet, with up to five bedrooms and four baths. Pricing begins from the high-\$900,000s.

Residents at Wellington Heights will find themselves a short drive away from excellent shopping at Stonestown Galleria, Westlake Shopping Center and Serramonte Center. Additionally, the recently improved Crocker Amazon Park, where residents can enjoy sport courts and fields, playground equipment, dog-friendly areas and a community garden, is less than two miles away. Golf aficionados can tee off at several nearby golf clubs, including The Olympic Club, San Francisco Golf Club and Lake Merced Golf Club.

Like all KB homes, those offered at The Vista and The Row at Wellington Heights will be built to ENERGY STAR® guidelines and include WaterSense® labeled faucets and fixtures, meaning they are designed to be more energy- and water-efficient than most other typical new and resale homes. The water- and energy-saving features built into every new KB home can help homeowners save on their monthly utility bills.

The Vista and The Row at Wellington Heights are now open at the intersection of Wellington Ave. and Lausanne Avenue in Daly City. For more information, visit www.kbhome.com or call 888-KB-HOMES.

About KB Home

KB Home (NYSE: KBH) is one of the largest and most recognized homebuilders in the United States and an industry leader in sustainability, building innovative and highly energy- and water-efficient new homes.
