

KellyOCG and Eurasia Group Release Labor Risk Index

TROY, MI, Oct 29, 2009 (MARKETWIRE via COMTEX News Network) -- Eurasia Group, the world's leading global political risk research and consulting firm, and KellyOCG, the Outsourcing and Consulting Group of Kelly Services, Inc. (NASDAQ: KELYA) (NASDAQ: KELYB), a world leader in workforce management services and human resources solutions, today launched the Global Market Brief and Labor Risk Index.

The report leverages Kelly's labor market knowledge with Eurasia Group's expertise in political and socio-economic risk analysis to deliver a groundbreaking resource tool for companies as they assess scenario plans around market investments and global labor strategies. Published on a quarterly basis, the Global Market Brief and Labor Risk Index is segmented by four geographies: the Americas, Asia-Pacific, Europe and Eurasia, and the Middle East and Africa, with detailed insights on 55 countries. It is based on the detailed analysis of more than 30 metrics related to the labor market, and socio-economic, and political factors, layered with local expertise from in-country consultants. The Global Market Brief and Labor Risk Index is available on an annual subscription basis. To access a free abstract and receive subscription details, visit www.kellyocg.com/marketbrief.

"Multinational companies will benefit from an unmatched ability to 'look around the corner' into the future of possible labor-related issues across their global enterprise," said Rolf Kleiner, senior vice president and general manager, KellyOCG. "Organizations will profit from the report's comprehensive overview of key global trends and developments along with detailed insights for the countries in which they conduct business."

"This relationship is creating a valuable new resource for corporate decision makers," said Ian Bremmer, president of Eurasia Group. "The Global Market Brief and Labor Risk Index utilizes financial and economic data and then goes further to include a broad spectrum of both labor-related components and political factors to provide a comprehensive view of global trends and developments."
