Announcement Regarding the Implementation of the Tender Offer for the Shares of Hitachi Koki Co., Ltd. (Securities Code 6581) and Amendments to the Press Release titled “Announcement Regarding the Tender Offer for the Shares of Hitachi Koki Co., Ltd. (Securities Code 6581)”

1. Implementation of the Tender Offer for the Shares of Hitachi Koki Co., Ltd.

As announced in the press release issued on January 13, 2017 titled “Announcement Regarding the Tender Offer for the Shares of Hitachi Koki Co., Ltd. (Securities Code 6581)” (the “Press Release as of January 13, 2017”), HK Holdings Co., Ltd. (the “Offeror”) intends to commence a tender offer on January 30, 2017 (the “Tender Offer”) for the common shares and the share options issued based on the resolutions passed at the July 28, 2016 meeting of the Board of Directors of Hitachi Koki Co., Ltd. (Securities Code: 6581, First Section of the Tokyo Stock Exchange) (the “Target Company”), subject to the fulfillment of the Conditions Precedent to the Tender Offer (as defined on the page 1 of the Press Release as of January 13, 2017).

As it has been confirmed that the Conditions Precedent to the Tender Offer have been fulfilled as of today, the Offeror hereby announces that the Offeror has decided to commence the Tender Offer on January 30, 2017, as planned.

According to today’s press release of the Target Company titled “Announcement Concerning Opinion Regarding the Implementation of the Tender Offer for the Shares of Hitachi Koki Co., Ltd. by HK Holdings Co., Ltd. and Amendments to the Press Release titled ‘Announcement Concerning Opinion Regarding the Tender Offer for the Shares of Hitachi Koki Co., Ltd. by HK Holdings Co., Ltd.’”, as of today the Target Company’s Board of Directors has issued a resolution affirming that its opinion with regard to the Tender Offer has not changed, and that the Board of Directors of the Target Company supports the Tender Offer and leaves the decision of whether or not to tender into the Tender Offer once the Tender Offer has been commenced to the Target Company’s shareholders and Share Option holders (for details regarding the opinion, see the press release issued by the Target Company on January 13, 2017 titled “Announcement of Opinion Regarding the Tender Offer for the Shares of Hitachi Koki Co., Ltd. by HK Holdings Co., Ltd.”).

For details regarding the Tender Offer, please see the Press Release as of January 13, 2017.

2. Amendment to the Press Release as of January 13, 2017

The Offeror hereby announces that it amends the contents of the Press Release as of January 13, 2017 as follows. Amended matters are underlined.

<Pre-Amendment>

1. Purpose of the Tender Offer

<Omission of preceding paragraphs>

- (3) Measures to ensure the fairness of the Tender Offer Prices and avoid conflicts of interest, and other measures to ensure the fairness of the Tender Offer

Due to the fact that the Offeror has entered into the Tender Agreement with Hitachi, the parent of the Target Company, and Hitachi Urban Investment, Hitachi's subsidiary, the Offeror and the Target Company have implemented the following measures to ensure the fairness of the Tender Offer. Even though the Offeror has not set a minimum number of shares (the so-called "Majority of Minority") to be purchased, the Target Company believes that the interests of the Target Company's minority shareholders have been adequately considered, because the total amount of the Share Purchase Price and the Special Dividend (¥1,450 per Target Company Share) represents a discount of 4.10% on ¥1,512, the closing price of the Target Company Shares on the First Section of the Tokyo Stock Exchange on January 12, 2017, which was the business day immediately preceding the date of the announcement of the Tender Offer (today). Additionally, as stated in "② Discussions between the Offeror, the Target Company and Hitachi, and the decision-making process of the Offeror" under "(2) Background, purpose, and decision-making process leading to the implementation of the Tender Offer, and management policy following the Tender Offer", the Offeror was selected from the bidding process conducted by the Target Company, and, regarding the Tender Offer the Offeror and Target Company have implemented the measures described in items (i) through (iv) below, which are based on explanations received from the Target Company.

Due to the fact that the Offeror has entered into the Tender Agreement with Hitachi, the parent of the Target Company, and Hitachi Urban Investment, Hitachi's subsidiary, the Offeror and the Target Company have implemented the following measures to ensure the fairness of the Tender Offer. Even though the Offeror has not set a minimum number of shares (the so-called "Majority of Minority") to be purchased, the Target Company believes that the interests of the Target Company's minority shareholders have been adequately considered. between the Offeror, the Target Company and Hitachi, and the decision-making process of the Offeror” under “(2) Background, purpose, and decision-making process leading to the implementation of the Tender Offer, and management policy following the Tender Offer”, the Offeror was selected through a fair bidding process, including price competition, conducted by the Target Company, and, (iii) regarding the Tender Offer, the Offeror and Target Company have implemented the measures described in items (i) through (iv) below, which are based on explanations received from the Target Company.

(Note) The total amount of the Share Purchase Price and the Special Dividend (¥1,450 per Target Company Share) represents (x) a premium of 7.89% on ¥1,344, the one-month average closing price through January 12, 2017, the business day immediately preceding the date of the announcement of the Tender Offer (today); a premium of 35.26% on ¥1,072, the three-month average closing price through January 12, 2017; and a premium of 62.37% on ¥893, the six-month average closing price through January 12, 2017, and (y) a premium of 96.21% on ¥739, the closing price of the Target Company Shares on the First Section of the Tokyo Stock Exchange as of October 4, 2016, which was the business day immediately preceding October 5, 2016, when media reports regarding Hitachi’s sale of its Target Company Shares were released; a premium of 100.00% on ¥725, the one-month average closing price through October 4, 2016; a premium of 108.93% on ¥694, the three-month average closing price through October 4, 2016; and a premium of 108.03% on ¥697, the six-month average closing price through October 4, 2016 and (z) a premium of 15.72% on ¥1,253, the closing price of the Target Company Shares on the First Section of the Tokyo Stock Exchange as of December 27, 2016, which was the business day immediately preceding December 28, 2016, when further media reports regarding Hitachi’s sale of its Company Shares were released; a premium of 27.08% on ¥1,141, the one-month average closing price through December 27, 2016; a premium of 50.41% on ¥964, the three-month average closing price through December 27, 2016; and a premium of 76.40% on ¥822, the six-month average closing price through December 27, 2016;
