PROXY STATEMENT GENERAL INFORMATION

Who Can Vote

Holders of our Class A and Class B common stock, as recorded in our share register at the close of business on March 5, 2010, the record date, may vote at the meeting and any adjournment or postponement thereof. As of that date, there were 87,744,541 shares of Class A common stock outstanding (not including shares held by a subsidiary) and one share of Class B common stock outstanding.

On each matter to be voted upon, the Class A common stock and Class B common stock will vote together as a single class. As of the record date, each holder of Class A common stock is entitled to one vote per share and LAZ-MD Holdings LLC (“LAZ-MD Holdings”), as the holder of the share of Class B common stock, is entitled to 31,483,297 votes in respect of such share, or 26.4% of the voting power of our Company. With respect to matters raised at the 2010 annual general meeting, the members of LAZ-MD Holdings who are party to the LAZ-MD Holdings stockholders’ agreement may individually direct LAZ-MD Holdings how to vote their proportionate interest in Lazard Ltd’s Class B common stock. Prior to the meeting, LAZ-MD Holdings will hold a separate, preliminary vote of such members on the matters to be voted on at the meeting. For a more detailed description of the LAZ-MD Holdings stockholders’ agreement, see “Certain Relationships and Related Transactions – LAZ-MD Holdings Stockholders’ Agreement – Voting Rights.”

Voting Your Proxy

You may vote in person at the meeting or by proxy. We recommend you vote by proxy even if you plan to attend the meeting. You can always change your vote at the meeting. Most shareholders have a choice of proxy voting by using a toll free telephone number, voting through the Internet or, if they received their proxy materials by regular mail, completing the proxy card and mailing it in the postage-paid envelope provided. If you received your materials by regular mail, please refer to your proxy card or the information forwarded by your bank, broker or other holder of record to see which options are available to you. Executors, administrators, trustees, guardians, attorneys and other representatives voting on behalf of a shareholder should indicate the capacity in which they are signing and corporations should vote by an authorized officer whose title should be indicated.

How Proxies Work

Lazard’s Board of Directors is asking for your proxy. Giving us your proxy means you authorize us to vote your shares at the meeting, or at any adjournment or postponement thereof, in the manner you direct. You may vote for all, some or none of our director nominees. You may also vote for or against the other proposals or abstain from voting. If you sign and return a proxy card or otherwise vote by telephone or the Internet but do not specify how to vote, we will vote your shares: FOR each of our director nominees; FOR the amendments to our Bye-laws (the “Bye-law Amendments”, as set forth on Annex B hereto) to (i) eliminate certain procedures affecting the ability of the Board to remove our Chairman and Chief Executive Officer or otherwise reduce or limit his or her power and authority; and (ii) provide that, under certain circumstances, our lead director (the “Lead Director”), if any, may preside over meetings of our shareholders and our Board; and FOR ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2010. The enclosed proxy also confers discretionary authority with respect to amendments or variations to the matters identified in the Notice of 2010 Annual General Meeting and with respect to other matters that may be properly brought before the annual general meeting and any adjournment or postponement thereof.

As of the date of this proxy statement, we do not know of any other business that will be presented at the meeting. If other business shall properly come before the meeting, including any proposal submitted by a shareholder that was omitted from this proxy statement in accordance with applicable federal securities laws, the persons named in the proxy will vote according to their best judgment.

Revoking Your Proxy

You may revoke your proxy before it is voted by submitting a new proxy with a later date, by voting in person at the meeting or by sending written notification addressed to:

Lazard Ltd
30 Rockefeller Plaza
New York, New York 10020
Attn: Scott D. Hoffman
Secretary

Mere attendance at the meeting will not revoke a proxy that was previously submitted to us.

Quorum and Conduct of Meeting

In order to carry on the business of the meeting, we must have a quorum. This means that at least two shareholders must be present at the meeting, either in person or by proxy, and those shareholders must generally hold shares representing more than 50% of the votes that may be cast by all shareholders having the right to attend and vote at the meeting. The chairman of the annual general meeting has broad authority to conduct the annual general meeting so that the business of the meeting is carried out in an orderly and timely manner. In doing so, the chairman has broad discretion to establish reasonable rules for discussion, comments and questions during the meeting. The chairman also is entitled to rely upon applicable law regarding disruptions or disorderly conduct to ensure that the meeting is conducted in a manner that is fair to all participants.

Attendance at the Annual General Meeting

Only shareholders, their proxy holders and our guests may attend the meeting. Space is limited and admission to the meeting will be on a first-come, first-served basis. Verification of ownership may be requested at the admissions desk. If you are a holder of record and plan to attend the annual general meeting, please indicate this when you vote. When you arrive at the annual general meeting, you will be asked to present photo identification, such as a driver's license. If your shares are held in the name of your broker, bank or other nominee, you must bring to the meeting an account statement or letter from the nominee indicating that you are the beneficial owner of the shares on March 5, 2010, the record date for voting. If you want to vote your Class A common stock held in street name in person, you must get a written proxy in your name from the broker, bank, or other nominee that holds your shares. If you wish to obtain directions to attend the meeting in person, you may send an e-mail to: investorrelations@lazard.com or call (212) 632-2685.

INFORMATION ABOUT OUR ANNUAL GENERAL MEETING AND SOLICITATION OF PROXIES

Votes Needed

Directors are elected by a plurality of the votes cast. "Plurality" means that the individuals who receive the largest number of votes cast FOR are elected as directors up to the maximum number of directors to be chosen at the meeting. Votes withheld from any director nominee will not be counted in such nominee's favor. With respect to the approval of the Bye-law Amendments, the affirmative vote of a majority of the combined voting power of all of the shares of our common stock entitled to vote thereon (regardless of the actual number of shares present or represented at the meeting) is required. With respect to all other matters to be acted on at the meeting, including the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2010, the affirmative vote of a majority of the combined voting power of all of the shares of our common stock present or represented and entitled to vote is required.

Under Bermuda law, abstentions and broker "non-votes" are counted as present and entitled to vote for purposes of determining a quorum, and in accordance with our Bye-laws would be counted in the calculation for determining whether any proposal received a majority vote at the meeting. A "broker non-vote" is a proxy submitted by a broker in which the broker fails to vote on behalf of a client on a particular matter for lack of instruction when such instruction is required by the rules of the New York Stock Exchange ("NYSE"). Please note that brokers may no longer use discretionary authority to vote shares on the election of directors if they have not received specific instructions from their clients.

Important Notice Regarding the Availability of Proxy Materials for the Annual General Meeting of Shareholders to Be Held on April 27, 2010

This proxy statement and the 2009 Annual Report can be viewed on our website at www.lazard.com/investorrelations/sec-filings.aspx. Most shareholders may elect to view future proxy statements and annual reports over the Internet instead of receiving paper copies in the mail. If you are a shareholder of record, you may choose this option by following the instructions provided when you vote over the Internet. If you hold your Class A common stock through a bank, broker or other holder of record, please refer to the information provided by that entity for instructions on how to elect to view our future proxy statements and annual reports over the Internet.

Board Recommendation

The Board of Directors recommends that you vote FOR each of our director nominees, FOR the Bye-law Amendments, and FOR ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2010.

Cost of this Proxy Solicitation

We pay the expenses of preparing the proxy materials and soliciting this proxy. We also reimburse brokers and other nominees for their expenses in sending these materials to you and obtaining your voting instructions. In addition to this mailing, proxies may be solicited personally, electronically or by telephone by our directors, officers, other employees or our agents. If any of our directors, officers and other employees assist in soliciting proxies, they will not receive additional compensation for those services.

Multiple Shareholders Sharing Same Address

If you and other residents at your mailing address with the same last name own shares of Class A common stock through a bank or broker, your bank or broker may have sent you a notice that your household will receive only one annual report and proxy statement for each company in which the members of your household hold stock through that bank or broker. This practice of sending only one copy of proxy materials to holders residing at a single address is known as “householding”, and was authorized by the Securities and Exchange Commission (“SEC”) to allow multiple investors residing at the same address the convenience of receiving a single copy of annual reports, proxy statements and other disclosure documents if they consent to do so. If you did not respond that you did not want to participate in householding, you were deemed to have consented to the process. If you did not receive a householding notice from your bank or broker, you can request householding by contacting that entity. You may revoke your consent to householding at any time by calling 1-800-542-1061.

If you wish to receive a separate paper copy of the annual report or proxy statement, you may send an e-mail to: investorrelations@lazard.com or write to:

ITEM 1

ELECTION OF DIRECTORS

Our Board of Directors is divided into three classes. Members of each class serve for a three-year term. Shareholders elect one class of directors at each annual general meeting. At this annual general meeting, shareholders will vote on the election of the four nominees described below for a term ending at the 2013 annual general meeting.

The following section contains information provided by the nominees and continuing directors about their principal occupation, business experience and other matters. Each of the nominees is a current director of Lazard. Each nominee has indicated to us that he or she will serve if elected. Mr. Parr was recommended for election to the Board of Directors by our Chairman and Chief Executive Officer, Kenneth M. Jacobs, and several of our non-executive directors as part of an internal leadership restructuring following the passing of our former Chairman and Chief Executive Officer Bruce Wasserstein. Mr. Mignon was nominated to our Board of Directors pursuant to an agreement that was entered into at the time of our initial public offering (“IPO”). See “Agreements with Natixis and the Wasserstein Family Trusts.” We do not anticipate that any nominee will be unable or unwilling to stand for election, but if that happens, your proxy may be voted for another person nominated by the Board.

There were 14 meetings of the Board of Directors in 2009. The non-executive directors of the Board met in executive session 4 times in 2009. Each meeting of non-executive directors was presided over by one of the committee chairpersons.

Chairman and Chief Executive Officer

Mr. Kenneth M. Jacobs has served as Chairman of the Board of Directors and Chief Executive Officer (“CEO”) of the Company since November 16, 2009. The Board unanimously selected Mr. Jacobs to serve as Chairman and CEO after a careful and thorough selection process. As part of the selection process, the Board carefully considered a variety of governance arrangements, including the separation of the roles of Chairman and CEO.

The Board believes that the Company and its shareholders are best served by maintaining the flexibility to have either the same individual serve as Chairman and CEO or to separate those positions based on what is in the best interests of the Company and its shareholders at a given point in time. The Board believes that the members of the Board possess considerable experience, breadth of skills and unique knowledge of the challenges and the opportunities the Company faces and that it is best positioned to identify the person who has the skill and commitment to be an effective Chairman.

Table of Contents

At the present time, the Board, in its business judgment, determined that the most effective leadership structure for the Company is for Mr. Jacobs to serve as both Chairman and CEO. In making its decision, the Board considered, among other things, the composition of the Board, the role of the Lead Director, the Company's strong governance practices, the CEO's working relationship with the Board and the challenges facing Lazard. Mr. Jacobs' combined role as Chairman and CEO promotes unified leadership, vision and direction for the Board and the Company and it allows for a single clear focus for the chain of command to execute the Company's goals, strategies, objectives and business plans.

The Board believes there is no single best organizational model that is the most effective in all circumstances, and the Board retains the authority to separate the positions of Chairman and CEO if it deems it appropriate in the future.

Lead Director

Steven J. Heyer was appointed as the Lead Director for the Board, effective November 14, 2009. Mr. Heyer is a strong, independent and active Lead Director with clearly defined leadership authority and responsibilities. The responsibilities and duties of the Lead Director include the following:

- presiding at meetings of the Board in the absence of the Chairman, including the executive sessions of the non-management members of the Board, and providing feedback to the CEO, other senior executives and key managing directors, as appropriate, from such executive sessions of the non-management directors;
- for the purpose of facilitating timely communication, serving as a liaison between (1) the non-management directors (including committee chairpersons) and (2) the CEO, other senior executives and, in consultation with the CEO, key managing directors regarding significant matters (without impeding or replacing direct communication between the CEO and other directors or between or among other directors);
- with input from the other non-management directors, (1) reviewing Board meeting schedules and the agendas for such meetings with the CEO and (2) calling meetings of the non-management directors and setting the agendas in connection with such meetings;
- reviewing information to be sent to the Board in advance of Board meetings;
- together with the Board, providing oversight and advice to the CEO regarding corporate strategy, direction and implementation of initiatives;
- in consultation with the CEO, identifying and supporting talent within the Company;
- being available for consultation or direct communication with significant shareholders;
- together with the chairperson of the Compensation Committee, conducting periodic performance appraisals of the CEO;
- coordinating the activities of the chairpersons of Board committees; and
- performing such other duties as the Board may from time to time delegate to the Lead Director.

In addition to his role as the Lead Director, Mr. Heyer serves as the chairman of the Compensation Committee and is a member of the Nominating & Governance Committee of the Board.

The Board believes Mr. Jacobs serving as Chairman and CEO and Mr. Heyer serving as a separate Lead Director provides the best form of leadership for the Company at the present time and offers an appropriate balance between the roles and provides a satisfactory counterbalance to the combined role of Chairman and CEO.

Risk Oversight

Management within each of Lazard's operating locations is principally responsible for managing the risks within its respective business on a day-to-day basis. The Board has delegated the role of risk oversight to the Audit Committee. The Audit Committee undertakes a comprehensive review of the Company's risk profile and risk management strategies annually. Members of the Company's finance team, lead by the Chief Financial Officer, review with the Audit Committee the categories of risk the Company faces, including any risk concentrations, risk interrelationships and financial risk exposures, as well as the likelihood of occurrence, the potential impact of those risks and the steps management has taken to monitor, mitigate and control such exposures. Updates on risks deemed material to the Company are reviewed at each regular meeting of the Audit Committee. The Audit Committee regularly updates the Board on its risk oversight function.

Audit Committee

Ronald J. Doerfler (Chair), Philip A. Laskawy and Hal S. Scott

This committee met five times in 2009. The Audit Committee assists our Board of Directors in fulfilling its oversight responsibilities with respect to:

- monitoring the integrity of the financial statements;
- the qualifications, independence and performance of our independent auditors;
- the performance of our internal audit function;
- reviewing the Company's major financial risk exposures and the steps taken to monitor and control such exposures; and
- compliance by us with certain legal and regulatory requirements.

A detailed list of the committee's functions is included in its charter, which is available on our website at http://www.lazard.com/Investorrelations/Audit_Committee_Charter.aspx.

The Audit Committee also selects and oversees Lazard's independent auditors, and pre-approves all services to be performed by the independent auditors pursuant to the Audit Committee pre-approval policy. All members of the Audit Committee are independent as required by Lazard and the listing standards of the NYSE. All members of the Audit Committee are financially literate, as determined by the Board of Directors. The Board of Directors has determined that Mr. Doerfler and Mr. Laskawy have the requisite qualifications to satisfy the SEC definition of "audit committee financial expert" and that Mr. Laskawy's simultaneous service on the audit committees of three public companies, in addition to our Audit Committee, does not impair his ability to effectively serve on our Audit Committee.

Compensation Committee

Steven J. Heyer (Chair), Sylvia Jay and Michael J. Turner

This committee met ten times in 2009. The Compensation Committee assists the Board of Directors by overseeing our compensation plans, policies and programs and has full authority to:

- determine and approve the compensation of our Chief Executive Officer;
- review and approve the recommendations of the Chief Executive Officer with respect to compensation of our other executive officers;
- receive reports on our compensation programs as they affect all managing directors and employees; and

Table of Contents

- administer the 2005 Equity Incentive Plan, the 2005 Bonus Plan and the 2008 Incentive Compensation Plan.

A detailed list of the committee's functions is included in its charter, which is available on our website at http://www.lazard.com/Investorrelations/Comp_Comm_Charter.aspx. All members of the Compensation Committee are independent as required by Lazard and the listing standards of the NYSE.

From time to time the Compensation Committee has established special equity award pools pursuant to the 2005 Equity Incentive Plan and the 2008 Incentive Compensation Plan for the express purpose of granting awards to new hires and, under certain circumstances, retention awards to key employees (other than the named executive officers in the Summary Compensation Table). The committee granted to our Chief Executive Officer (or his designee) authority to determine the amount, terms and conditions of all awards made from these pools and required that the committee be updated on all such awards at its next scheduled meeting.

The Compensation Committee directly engaged Steven Hall & Partners, LLC, an independent compensation consulting firm, to assist it with benchmarking and compensation analyses, as well as to provide consulting on executive and non-executive compensation practices and determinations, including information on equity-based award design. The chairman of the Nominating & Governance Committee, at the invitation of the Compensation Committee, participates in year-end discussions concerning the compensation of our Chief Executive Officer. From time to time, Kenneth M. Jacobs, our Chief Executive Officer, will attend meetings of the committee and express his views on the Company's overall compensation philosophy. Following year-end, Mr. Jacobs makes recommendations to the committee as to the total compensation package (salary, bonus and equity-based awards) to be paid to each of the other named executive officers in the Summary Compensation Table. Alexander Stern, our Chief Operating Officer, serves as management's main liaison with the committee and assists the committee Chairman in setting the annual agenda and gathering the requested supporting material for each committee meeting. Scott Hoffman, our general counsel, serves as secretary to the committee.

Nominating & Governance Committee

Hal S. Scott (Chair), Steven J. Heyer, Sylvia Jay and Michael J. Turner

This committee met six times in 2009. The Nominating & Governance Committee assists our Board of Directors in promoting sound corporate governance principles and practices by:

- identifying individuals qualified to become Board members, consistent with criteria approved by the Board;
- recommending to the Board the director nominees for the next annual general meeting of shareholders;
- reviewing and reassessing the adequacy of the Corporate Governance Guidelines;
- leading the Board in an annual review of its own performance; and
- recommending to the Board director nominees for each committee.

A detailed list of the committee's functions is included in its charter, which is available on our website at http://www.lazard.com/Investorrelations/Nom_Gov_Comm_Charter.aspx.

The Nominating & Governance Committee also is responsible for recommending to the Board of Directors standards regarding the independence of outside directors and reviewing such standards on a regular basis to confirm that such standards remain consistent with sound corporate governance practices and with any legal, regulatory or NYSE requirements. All members of the Nominating & Governance Committee are independent as required by Lazard and the listing standards of the NYSE.

Attendance

The average attendance by directors at meetings of the Board and its committees was approximately 88% in 2009. The Board met 14 times in 2009 and all current directors attended at least 75% of the meetings of the Board and committees on which they served. We expect all directors to attend our annual general meetings of shareholders. In 2009, eight of our ten directors then in office attended the Annual General Meeting of Shareholders.

Codes of Business Conduct and Ethics

We have adopted the Code of Business Conduct and Ethics that is applicable to all directors, managing directors, officers and employees of Lazard and its subsidiaries and affiliates. We have also adopted a Supplement to the Code of Business Conduct and Ethics for certain other senior officers, including our Chief Executive Officer, Chief Financial Officer and principal accounting officer. Each of these codes are available on our website at <http://www.lazard.com/Investorrelations/CodeandEthics.aspx>. A print copy of each of these documents is available to any shareholder upon request. We intend to disclose amendments to, or waivers from, the Code of Business Conduct and Ethics, if any, on our website.

Policy on Director Qualifications and Nomination Process

The Board's Nominating & Governance Committee is responsible for evaluating and recommending to the Board proposed nominees for election to the Board of Directors. As part of its process, the committee will consider director candidates recommended for consideration by members of the Board, by management and by shareholders. It is the policy of the Nominating & Governance Committee to consider candidates recommended by shareholders in the same manner as other candidates. Candidates for the Board of Directors must be experienced, dedicated, and meet the highest standards of ethics and integrity. All directors represent the interests of all shareholders, not just the interests of any particular shareholder, shareholder group or other constituency. The Nominating & Governance Committee periodically reviews with the Board the requisite skills and characteristics for new directors, taking into account the needs of Lazard and the composition of the Board as a whole. A majority of our directors satisfy the independence requirements of both Lazard and the NYSE. Likewise, each member of the Audit Committee must be financially literate and at least one member must possess the requisite qualifications to satisfy the SEC definition of "audit committee financial expert". Once a candidate is identified, the Nominating & Governance Committee will consider the candidate's mix of skills and experience with businesses and other organizations of comparable size, as well as his or her reputation, background and time availability (in light of anticipated needs). The committee also will consider the interplay of the candidate's experience with the experience of other Board members, the extent to which the candidate would be a desirable addition to the Board and any committees of the Board and any other factors it deems appropriate, including, among other things, diversity. The committee views diversity broadly, encompassing differing viewpoints, professional experience, industry background, education, geographical orientation and particular skill sets, as well as race and gender. Shareholders wishing to recommend to the Nominating & Governance Committee a candidate for director at our 2011 Annual General Meeting of Shareholders may do so by submitting in writing such candidate's

name, in compliance with the procedures, and along with the other information required by our Bye-laws, to the Secretary of our Board of Directors at: Lazard Ltd, Office of the Secretary, 30 Rockefeller Plaza, 62nd Floor, New York, New York 10020 between December 28, 2010 and January 27, 2011.

Agreements with Natixis and the Wasserstein Family Trusts

As of March 5, 2010, Natixis (the successor to IXIS Corporate & Investment Bank) held 6,999,800 shares of Class A common stock, of which 2,000,000 shares of our Class A common stock were acquired in our recapitalization transactions in May 2005 and 4,999,800 shares were acquired in May 2008 upon the settlement of the purchase contracts related to \$150 million of Lazard's equity security units (which equity security units were also acquired in our recapitalization transactions in May 2005). In connection with this investment by Natixis in May 2005, we agreed that we will nominate one person designated by Natixis to our Board of Directors until such time as (1) the shares of our common stock then owned by Natixis, plus (2) the shares of our common stock issuable under the terms of any exchangeable securities issued by us then owned by Natixis, constitute less than 50% of the sum of (a) the shares of our common stock initially purchased by Natixis, plus (b) the shares of our common stock issuable under the terms of any exchangeable securities issued by us initially purchased by Natixis. Laurent Mignon is currently the Natixis nominee to our Board of Directors.

As of March 5, 2010, the Wasserstein family trusts held 7,978,859 LAZ-MD Holdings exchangeable interests that may be exchanged on a one for one basis into our Class A common stock. At the time of our IPO, we agreed that we would nominate one person designated by the Wasserstein family trusts to our Board of Directors until such time as (1) the shares of our common stock then owned directly or indirectly by the family trusts or any beneficiaries of the Wasserstein family trusts (in the aggregate), plus (2) the shares of our common stock issuable under the terms of any exchangeable interests issued by us then owned directly or indirectly by the Wasserstein family trusts or any beneficiaries of the Wasserstein family trusts (in the aggregate), constitute less than 50% of the shares of our common stock issuable under the terms of any exchangeable securities initially issued by us in connection with the separation and recapitalization transactions on May 10, 2005 and held by the Wasserstein family trusts (in the aggregate) as of the date of our IPO. On March 19, 2010, the Estate of Bruce Wasserstein and the Wasserstein family trusts sold 7,639,410 shares of Lazard Class A common stock in an underwritten public offering. In connection with such offering, pursuant to a letter agreement dated as of March 16, 2010, the trustees of one of the Wasserstein family trusts agreed that Lazard's obligation to nominate one person designated by such trust to the Lazard Board of Directors would terminate upon completion of such offering and further agreed that Ellis Jones would not stand for reelection at Lazard's 2010 Annual General Meeting of Shareholders. As of March 19, 2010, the Wasserstein family trusts held 4,000,196 LAZ-MD Holdings exchangeable interests. See "Certain Relationships and Related Transactions—Certain Relationships with our Directors, Executive Officers and Employees."

Director Independence

Pursuant to the corporate governance listing standards of the NYSE, the Board of Directors has adopted standards for determining whether directors have material relationships with Lazard. The standards are set forth on Annex A to this proxy statement. Under these standards, a director employed by Lazard cannot be deemed to be an "independent director," and consequently Messrs. Jacobs, Bhutani, Jordan and Parr are not independent directors of Lazard.

The Board has determined that Messrs. Doerfler, Heyer, Laskawy, Scott, Turner and Lady Jay do not have a material relationship with Lazard under the Board's standards for independence and accordingly each is independent under the NYSE corporate governance listing standards. In making its independence determinations the Board considered the engagement of Lazard in 2009 by The Hearst Corporation and L'Oreal USA, Inc., a sister company of L'Oreal UK. Mr. Doerfler is the Chief Financial Officer of The Hearst Corporation and Lady Jay is Vice Chairman of L'Oreal UK. In both instances Lazard provided M&A advisory services in the ordinary course of business and the engagements were deemed per se immaterial pursuant to Lazard's Standards of Director Independence, as set forth on Annex A to this proxy statement.

Table of Contents

The Board also determined that Mr. Mignon was independent, after giving careful consideration to the relationship between Lazard and Natixis, of which Mr. Mignon is the Chief Executive Officer. Natixis is the successor entity in a merger with IXIS Corporate & Investment Bank, which participated as an investor in our recapitalization transactions in May 2005, purchasing \$150 million of our equity security units and 2,000,000 shares of Class A common stock at the IPO price of \$25 per share. In May 2008, Natixis acquired 4,999,800 additional shares of Lazard's Class A common stock upon the settlement of the purchase contracts comprising a portion of our equity security units. In connection with the original investment by Natixis in May 2005, Lazard agreed to nominate one person designated by Natixis to our Board of Directors, currently Mr. Mignon. At the time of our equity public offering, Lazard also had in place a cooperation arrangement with Natixis in France. This cooperation arrangement was originally set to expire during the third quarter of 2008; however, the arrangement continues to be applied in accordance with its general terms pending the outcome of the continuing discussions regarding its formal extension. The cooperation arrangement provides that Lazard Group and Natixis will (1) place and underwrite securities on the French equity primary capital markets under a common brand, "Lazard-Natixis," and cooperate in their respective origination, syndication and placement activities, (2) form an alliance in real estate advisory work with the objective of establishing a common brand for advisory and financing operations within France, and (3) create an exclusive mutual referral cooperation arrangement, subject to the fiduciary duties of each firm, with the goal of referring clients from Lazard Group to Natixis for services relating to corporate banking, lending, securitizations and derivatives within France and from Natixis to Lazard Group for mergers and acquisitions advisory services within France. In 2009, the cooperation arrangement generated approximately \$25.5 million of gross revenue for Natixis and \$14.4 million of gross revenue for Lazard. We also received advisory fees in 2009 of \$2.1 million with respect to one transaction involving Natixis. In 2008, we received advisory fees of \$600,000 with respect to one transaction involving Natixis. In 2007, we received advisory fees of \$5.4 million with respect to several transactions involving Natixis and its affiliates. The Board determined, in its business judgment, that these relationships were not material, noting that 2009 gross revenue generated pursuant to the cooperation arrangement and other transactions referenced above were less than 1.1% of Lazard's gross revenue for 2009 and less than 1.0% of the annual gross revenue of Natixis for 2009. See "Agreement with Natixis and the Wasserstein Family Trusts" and "Certain Relationships with Our Directors, Executive Officers and Employees."

Director Compensation for 2009

Directors who are officers of Lazard do not receive any fees for their service as directors. In 2009, our directors' compensation program provided that each of our non-executive directors would receive an annual cash retainer of \$96,750 and an annual award of deferred stock units ("DSUs") with a grant date value of \$118,250. The chair of the Audit Committee is paid an additional annual retainer of \$30,000 and the chairs of each of the Nominating & Governance Committee and the Compensation Committee are paid an additional annual retainer of \$20,000, in each case 45% of which is paid in cash and 55% in DSUs. The other members of the Audit Committee are paid an additional annual retainer of \$20,000 and the other members of the Nominating & Governance Committee and the Compensation Committee are paid an additional annual retainer of \$15,000, in each case 45% of which is paid in cash and 55% in DSUs. Cash compensation is paid out on a quarterly basis (on February 15th, May 15th, August 15th, and November 15th) and the DSU awards described above are granted on an annual basis on June 1st of each year, except for initial pro-rated grants made to new directors upon their joining the Board. The number of DSUs granted is based on the closing price of our Class A common stock on the NYSE on the date of grant.

Non-executive directors may elect to receive additional DSUs in lieu of some or all of their cash compensation pursuant to the Directors Fee Deferral Unit Plan. DSUs awarded under this plan are granted on the same quarterly payment date as cash compensation would have been received and the number of DSUs is calculated based on the closing price of our Class A common stock on the NYSE on the date of grant.

All DSUs awarded under these arrangements (1) were issued under either the 2005 Equity Incentive Plan or the 2008 Incentive Compensation Plan, and (2) are converted to Class A common stock on a one-for-one basis and

distributed to the director after he or she resigns or otherwise ceases to be a member of our Board. All DSUs receive dividend equivalents at the same rate and time that dividends are paid on shares of our Class A common stock.

- The value of the DSUs reported in the table above is based on the grant date fair value of awards computed in accordance with FASB ASC Topic 718. See Note 17 of Notes to the Consolidated Financial Statements contained in Lazard's 2009 Annual Report on Form 10-K for a discussion of the assumptions used in the valuation of the DSUs. The number and grant date fair value of DSUs granted on June 1, 2009 under FAS ASC Topic 718 (based on the closing price of our Class A common stock on the NYSE at the time of the grant) were as follows: Mr. Doerfler, 4,836, valued at \$134,779; Mr. Heyer, 4,935, valued at \$137,538; Lady Jay, 4,837, valued at \$134,807; Mr. Jones, 4,243, valued at \$118,252; Mr. Laskawy, 4,638, valued at \$129,261; Mr. Mignon, 3,268, valued at \$99,870 (granted on July 28, 2009, when he joined the Board); Mr. Scott, 5,033, valued at \$140,270; and Mr. Turner, 4,837, valued at \$134,807. The total number of DSUs held by each of our non-executive directors at December 31, 2009 was as follows: Mr. Doerfler, 11,721; Mr. Heyer, 24,003; Lady Jay, 12,045; Mr. Jones, 19,268; Mr. Laskawy, 7,421; Mr. Mignon, 4,015; Mr. Scott, 12,628; and Mr. Turner, 12,045.
- Represents cash dividends paid on the DSUs to each of the directors listed in the table.
- Messrs. Ferrero, Heyer, Jones, and Mignon elected to defer their quarterly cash compensation into additional DSUs, pursuant to the terms of the Directors Fee Deferral Unit Plan, which was approved by our Board of Directors on May 9, 2006. As a result, Messrs. Ferrero, Heyer, Jones, and Mignon received 1,722, 3,457, 2,973, and 747 additional DSUs in lieu of cash, respectively, in 2009.
- Mr. Ferrero resigned from the Board on May 18, 2009 and Mr. Mignon joined the Board on July 28, 2009.

Vernon E. Jordan, Jr. is a member of our Board of Directors and is a senior managing director of Lazard. Mr. Jordan is not an executive officer of Lazard, as that term is defined in the rules and regulations promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and was therefore not included in the Summary Compensation Table. Mr. Jordan does not receive any fees for his service as director of Lazard. In connection with our recapitalization in May 2005, Mr. Jordan entered into a retention agreement in the form applicable to our named executive officers generally. See "Retention Agreements with Named Executive Officers." Mr. Jordan's total compensation as a senior managing director for 2009, as viewed by senior management and the Compensation Committee, was as follows:

	Incentive Compensation				Total Compensation
	Year	Salary	Annual Restricted		
			Annual Cash	Stock Unit Awards	
	Year	Salary	Bonus	Stock Unit Awards	Total Compensation
Vernon E. Jordan, Jr.	2009	\$500,000	\$ 922,500	\$ 1,077,500	\$ 2,500,000

This presentation differs from the presentation in the table below by (i) including the full grant date value of the restricted stock units ("RSUs") awarded on February 11, 2010, which related to 2009 performance but are not reflected in the table because they were granted after the end of our 2009 fiscal year, (ii) excluding the full grant

date value of the RSUs and deferred cash awards granted on February 10, 2009, which related to 2008 performance, and (iii) excluding the compensation related to Mr. Jordan's use of a corporate apartment in New York as described in footnote 3 below.

The following table sets forth Mr. Jordan's compensation as a senior managing director for 2009 as required under SEC rules for director compensation disclosure in proxy statements.

<u>Salary</u>	<u>Annual Cash Bonus (1)</u>	<u>Restricted Stock Unit Awards (2)</u>	<u>All Other Compensation (3)</u>	<u>Total</u>
\$500,000	\$1,847,500	\$825,000	\$537,627	\$3,710,127

- (1) As was the case for most of our senior employees, Mr. Jordan received a deferred cash award of \$925,000 on February 10, 2009, which related to 2008 performance. As required under SEC rules for compensation disclosure in proxy statements, the deferred cash awards are included in the fiscal year actually granted (2009), rather than the year to which they relate (2008). During the fourth quarter of 2009, the Compensation Committee approved the acceleration of the deferred cash awards to be paid out in February 2010 for all recipients, including Mr. Jordan. See "Compensation Discussion and Analysis—Design of Our Compensation Programs."
- (2) The value of the RSUs is based on the grant date fair value of awards computed in accordance with FASB ASC Topic 718 for the 2009 fiscal year. The total number of RSUs held by Mr. Jordan at December 31, 2009 was 83,477. See the narrative discussion under the heading "Grants of Plan Based Awards" for a description of the terms and conditions of the January 2009 RSU grants. On February 11, 2010, Mr. Jordan received an RSU award with a grant date value of \$1,077,500, which related to 2009 performance. See the narrative discussion under the heading "Compensation Discussion and Analysis—Design of Our Compensation Programs—Incentive Compensation" for a description of the terms and conditions of the February 2010 RSU grants.
- (3) Pursuant to a letter agreement entered into with Mr. Jordan in 1999 and subsequently amended on January 1, 2004, Mr. Jordan is entitled to benefits on the same basis as other managing directors and to use, on a priority basis, a corporate apartment in New York. The incremental cost to Lazard of providing Mr. Jordan with use of this apartment was \$288,000 in 2009. Mr. Jordan also received a tax gross-up payment of \$217,356 as reimbursement for taxes paid on the imputed income from the use of the apartment. In connection with the deferred cash award granted to Mr. Jordan on February 10, 2009, he received an interest payment of \$28,125 for the period from the date of the grant through December 31, 2009. Mr. Jordan is also the beneficiary of a Company provided life insurance and excess liability insurance policy, and beginning on August 1, 2009, the Company began to provide long-term disability insurance to Mr. Jordan. In addition, beginning on August 1, 2009, the firm began paying a portion of his health insurance premiums, as it does for all U.S. employees.

BENEFICIAL OWNERS OF MORE THAN FIVE PERCENT

Based on filings made under Section 13(d) and Section 13(g) of the Exchange Act, as of March 5, 2010, the only persons known by us to be beneficial owners of more than 5% of our Class A and Class B Common Stock were as follows (except for the persons whose beneficial share ownership is noted in the subsequent table):

Name and Address of Beneficial Owner	Number of Shares of Class B Common Stock Beneficially Owned	Number of Shares of Class A Common Stock Beneficially Owned	Percentage of Shares	Percentage
			of Class A Common Stock Beneficially Owned	of Voting Power (a)

- (a) The percentage of voting power includes both the voting power of Class A common stock and Class B common stock in the aggregate.
- (b) Represents 100% of the Class B common stock.
- (c) The Lazard Group common membership interests issued to LAZ-MD Holdings are exchangeable for shares of our Class A common stock on a one-for-one basis. As each of these Lazard Group common membership interests is associated with an outstanding exchangeable interest issued by LAZ-MD Holdings to its members, LAZ-MD Holdings disclaims beneficial ownership of the shares of Class A common stock into which the Lazard Group common membership interests are exchangeable.
- (d) LAZ-MD Holdings holds the single outstanding share of Class B common stock, which as of March 5, 2010 represents approximately 26.4% of the voting stock of all shares of our voting stock. This single share generally will entitle our managing directors holding LAZ-MD Holdings exchangeable interests who are party to the LAZ-MD Holdings stockholders' agreement to one vote for each LAZ-MD Holdings exchangeable interest held by them on a pass through basis.

BENEFICIAL OWNERSHIP OF DIRECTORS, DIRECTOR NOMINEES AND EXECUTIVE OFFICERS

The following table shows the number of shares of Class A common stock that each director, each executive officer named in the summary compensation table and all directors and executive officers as a group have reported as owning beneficially or otherwise having a pecuniary interest in, as of March 5, 2010 (including any RSUs which are scheduled to vest within 60 days of that date). To our knowledge, except as indicated in the footnotes to this table and pursuant to applicable community property laws, the persons named in the table have sole voting and investment power with respect to all shares of common stock beneficially owned by them. The address for each listed person is c/o Lazard Group LLC, 30 Rockefeller Plaza, New York, New York 10020.

- (a) For each of our named executive officers and Messrs. Bhutani, Jones, Jordan, and Parr, their share ownership in this column includes shares of our Class A common stock that are issuable upon exchange of the LAZ-MD Holdings exchangeable interests held by such person and, in the case of Mr. Jones, the Wasserstein family trusts and the estate of Bruce Wasserstein, over which he is a co-trustee and co-executor, respectively. Voting of the LAZ-MD Holdings exchangeable interests is subject to voting provisions in the LAZ-MD Holdings stockholders' agreement and is included in the 26.4% voting interest of LAZ-MD Holdings. See "Certain Relationships and Related Transactions—LAZ-MD Holdings Stockholders' Agreement." The interests are included on an as exchanged basis. In the case of the Wasserstein family trusts and the estate of Bruce Wasserstein (reflected in Mr. Jones' holdings), 66% of their interests are currently exchangeable, and absent an acceleration event, the remaining interests will become exchangeable, on May 10, 2010. In the case of our other executive officers and Messrs. Bhutani, Jordan, and Parr, their remaining LAZ-MD Holdings exchangeable interests will become exchangeable on May 10, 2010. The share ownership in this column also includes RSUs, which are scheduled to vest on March 31, 2010, as follows: Mr. Jacobs, 81,429; Mr. Bhutani, 67,851; Mr. Hoffman, 16,405; Mr. Parr, 144,870; Mr. Stern,

These DSUs convert to Class A common stock on a one-for-one basis after a director resigns or otherwise ceases to be a member of the Board. See "Director Compensation for 2009."
- (c) The percentage of voting power includes the aggregate voting power of both the Class A common stock and Class B common stock.
- (d) As of March 5, 2010, Mr. Jones' share ownership includes (i) 1,800,910 shares of our common stock and (ii) 9,958,196 shares of our common stock that are issuable upon exchange of the LAZ-MD Holdings exchangeable interests, in each case held by either a Wasserstein family trust or the estate of Bruce Wasserstein. The voting power over these shares and the LAZ-MD Holdings exchangeable interests is vested in Mr. Jones as either a co-trustee of the trusts or co-executor of the estate, along with other members of Mr. Wasserstein's family. COMPENSATION DISCUSSION AND ANALYSIS

Philosophy and Objectives of Our Compensation Programs

General. Our compensation programs are designed to attract, retain and motivate executives and professionals of the highest level of quality and effectiveness. These compensation programs focus on rewarding the types of performance that increase shareholder value, including growing revenue, retaining clients, developing new client relationships, improving operational efficiency and managing risks. A substantial portion of each executive's total compensation is intended to be variable and delivered on a pay-for-performance basis. The programs will provide compensation opportunities, contingent upon performance, that are competitive with practices of other similar financial services organizations. We target annual operating revenue, earnings and total shareholder return* as our key performance metrics. In allocating compensation to our executive officers, managing directors and other senior professionals, the primary emphasis, in addition to our performance, is on each individual's contribution to the Company, business unit performance and compensation recommendations of the individuals to whom participants report. The Compensation Committee monitors the effectiveness of our compensation programs throughout the year and performs an annual reassessment of the programs in January of each year in connection with year-end compensation decisions. The Committee directly engaged Steven Hall & Partners, LLC, an independent compensation consulting firm, to assist it with benchmarking and compensation analyses.

Competitive Compensation Considerations. Because the competition to attract and retain high performing executives and professionals in the financial services industry is intense, the amount and composition of total

* Total shareholder return reflects the share price performance of Lazard's Class A common stock, assuming the full reinvestment of any dividends, over the time period selected.

compensation paid to our executives must be considered in light of competitive compensation levels. In this regard, for our named executive officers, the Compensation Committee used as a benchmark an independently prepared survey regarding compensation levels in 2008 and, to the extent available, 2009, for comparable positions at Black Rock, Inc., Goldman Sachs Group, Inc., Greenhill & Co., Inc., Jefferies Group, Inc., Legg Mason, Inc., and Morgan Stanley. While some of the companies listed above are larger than Lazard, we chose this comparator group because we compete in the same marketplace with these companies for highly qualified and talented financial service professionals.

The unprecedented disruption and volatility in the financial markets and the consequent general economic downturn both in the U.S. and globally in the fourth quarter of 2008 and the first half of 2009 have placed additional stress on our compensation programs. During the fourth quarter of 2009, the Company revised its compensation structure in order to enhance the competitiveness of our business model and position Lazard to drive shareholder value, while still maintaining significant retention mechanisms. As part of that effort, we:

- accelerated the vesting of the deferred cash incentive compensation (which was paid out in February 2010), which was awarded as part of the 2008 compensation cycle, and would have been expensed in future periods;
- changed the mix of our incentive compensation awards granted with respect to the 2008 compensation cycle by increasing the current cash and deferred equity-based components and eliminating deferred cash awards with respect to the 2009 compensation cycle. These changes were made with the intention to: (i) be in line with the practices followed by Lazard in the 2006 and 2007 compensation cycles; (ii) reduce future compensation charges required to be amortized in future years and allow greater flexibility in the future to address competitive conditions; (iii) more closely align our current pay cycle with reported compensation and revenues; and (iv) maintain significant retention mechanisms by focusing stock grant awards at the more senior levels, where they are most effective and valued; and
- held the aggregate 2009 current cash compensation plus deferrals awarded for the 2009 compensation cycle, in line with levels of current cash compensation plus deferrals awarded for the 2008 and 2006 compensation cycles.

While we believe these changes to our current policy will enhance our competitive position over the long term, some of these changes have had an adverse effect on our operating results for 2009. As a result, our ratio of total compensation and benefits expense to annual operating revenue (excluding special charges) for fiscal 2009 was 71.8%.

Design of Our Compensation Programs

Compensation for each of our executive officers, managing directors and other senior professionals is viewed on a total compensation basis and then subdivided into two primary categories—base salary and incentive compensation. With the exception of the 2008 compensation cycle, our annual incentive compensation awards since our IPO in 2005 (including for the 2009 compensation cycle) have had two components: a cash bonus and an equity-based award. With respect to the 2008 compensation cycle, due to the unprecedented disruption and volatility in the financial services industry, we altered our historical mix of incentive compensation to add a deferred cash component. The deferred cash awards, which were granted in February 2009 and related to the 2008 compensation cycle, reduced the cash and the overall amount of equity awards granted for the 2008 compensation cycle. As described in more detail under the heading – “Philosophy and Objectives of Our Compensation Programs – Competitive Compensation Considerations”, the Compensation Committee has determined, however, for the 2009 compensation cycle, to eliminate the deferred cash award component and return to our historical mix of incentive compensation – cash bonus and equity-based awards. Decisions with regard to incentive compensation are generally made in January of each year and are based on Company and individual performance in the prior fiscal year. The Compensation Committee determines and approves the total compensation package (salary and incentive compensation award) to be paid to our chief executive officer, Mr. Jacobs. Mr. Jacobs, in turn, makes recommendations to the Compensation Committee as to the total compensation package to be paid to the other executive officers, which are then subject to the review and

Table of Contents

approval of the Compensation Committee. Before any year-end compensation decisions are made, the Compensation Committee reviews a comprehensive tally sheet of all elements of each executive officer's compensation. The tally sheets include information on cash and non-cash compensation for the past three fiscal years (including current and prior year base salaries, annual bonuses, RSUs and deferred cash awards), the value of benefits and other perquisites paid to our executive officers, the value of unrealized gains/losses on prior equity-based awards and the LAZ-MD Holdings exchangeable interests held by each of our executive officers, as well as potential amounts to be delivered under all post-employment scenarios. The tally sheets are used to ensure that each member of the Compensation Committee has a complete picture of the compensation and benefits paid to, and equity holdings of, each of our executive officers and is just one of the tools used by the Compensation Committee in making year-end compensation decisions.

Upon the recommendation of management, during the fourth quarter of 2009, the Compensation Committee approved the acceleration of the deferred cash awards that were granted to our managing directors, including our named executive officers, as part of the 2008 compensation cycle. This decision was made in an effort to reduce the need to amortize compensation charges in future years and to allow greater flexibility in the future to address competitive conditions, while still maintaining significant retention mechanisms. Under the terms of the deferred cash awards, each recipient was entitled to accrued interest from February 10, 2009 through February 24, 2010, at a rate of 5% per annum on all installments that were originally scheduled to vest after 2009. The first interest payment was made on January 28, 2010 and a final interest payment was made on February 24, 2010. The accelerated deferred cash awards were paid out on February 24, 2010 as follows: \$3.9 million to Mr. Jacobs; \$1.005 million to Mr. Castellano; \$4.56 million to Mr. Golub; \$1.395 million to Mr. Hoffman; \$1.175 million to Mr. Stern; and \$1.575 million to Mr. Ward.

Base Salary. Base salaries are intended to reflect the experience, skill and knowledge of our executive officers, managing directors and other senior professionals in their particular roles and responsibilities, while retaining the flexibility to appropriately compensate for performance, both of the firm and the individual. Base salaries for our executive officers and any subsequent adjustments thereto are reviewed and approved by the Compensation Committee annually, based on a review of relevant market data and each executive's performance for the prior year, as well as each executive's experience, expertise and position. During 2009, each of our named executive officers, other than Messrs. Jacobs and Stern, was a party to a retention or employment agreement with Lazard that provides for a minimum annual base salary during the term of those agreements. See "Retention Agreements with Named Executive Officers."

Incentive Compensation. Incentive compensation is a key component of our executive compensation strategy. Incentive compensation payouts can be highly variable from year to year and are generally based on our operating revenue, earnings and total shareholder return in the immediately preceding fiscal year, as well as each individual's contribution to revenue and to the Company's development, including business unit performance. In addition, careful attention is paid to competitive compensation practices in the financial services industry.

In January of each year a determination is made as to the total amount of incentive compensation to be awarded to our managing directors, including our executive officers, based on Company and individual performance in the prior fiscal year. This year, given the overall performance of Lazard and the competitive environment in the financial services industry, senior management recommended to the Compensation Committee that total compensation for the 2009 compensation cycle should be maintained broadly in line with the level of total compensation for the 2008 and 2006 compensation cycles. We applied a progressive formula based on total compensation for all of our managing directors and senior professionals, including the executive officers. Pursuant to this formula, as a participant's total compensation (salary, cash bonus and equity-based awards) increases, a greater percentage of his or her total compensation is composed of an equity-based award. This formula is based on a sliding scale that effectively begins at 6% for some of our vice presidents and directors and generally reaches 50% for our highest paid managing directors and is in line with our philosophy of focusing stock grant awards at the more senior levels, where they are most effective and valued. The remainder of an individual's total incentive compensation award is payable in cash.

For the 2009 compensation cycle, equity-based compensation was awarded to our executive officers in the form of RSUs granted under the 2005 Equity Incentive Plan. An RSU is a contractual right to receive a share of our Class A common stock upon vesting of the RSU. The RSUs granted to our executive officers in 2010 (which relate to 2009 performance) generally vest approximately two or three years after the date of grant, subject to the executive's continued service with the Company. See "Grant of Plan Based Awards" below for a discussion of the terms of the RSUs. The purpose of the RSU awards is to maximize shareholder value by aligning the long-term interests of our senior executives with those of our shareholders. Each individual who receives an RSU becomes, economically, a long-term shareholder of Lazard, with the same interests as our other shareholders. This economic interest results because the amount a recipient ultimately realizes from an RSU depends on the value of our Class A common stock when actual shares are delivered upon vesting. The number of RSUs that an individual was granted in 2010 as part of the 2009 compensation cycle was determined based on the average closing price of our common stock on the NYSE on the five trading days prior to the grant date. RSUs also serve as an important retention mechanism for Lazard by putting a significant portion of each recipient's compensation at risk of forfeiture if he or she leaves the firm prior to the vesting date. In addition, our executive officers each own considerable interests in Lazard through their holdings of LAZ-MD Holdings exchangeable interests and previous grants of RSUs. For additional information about the RSUs, LAZ-MD exchangeable interests and shares of our Class A common stock held by each of our named executive officers, see "Beneficial Ownership of Directors, Director Nominees and Executive Officers" and "Outstanding Equity Awards at 2009 Fiscal Year-End". As a result, we believe our executive officers have a demonstrable and significant interest in increasing shareholder value over the long term.

RSU awards are typically made in early February following our year-end earnings release. This year, RSUs were granted to each of our named executive officers on February 11, 2010, approximately one week after our public announcement of year-end earnings. The number of RSUs granted in 2010 (which relate to 2009 performance) was determined by dividing the dollar amount allocated to be granted as an equity-based award by the average closing price of our Class A common stock on the NYSE on the five trading days prior to February 11, 2010 (\$36.74). The RSUs granted on February 11, 2010 will generally vest 33% on March 1, 2012 and 67% on March 1, 2013.

In exchange for their RSU awards, our named executive officers agreed to restrictions on their ability to compete with Lazard or to solicit our clients and employees, which serves to protect the Company's intellectual and human capital. Year-end incentive compensation awards are based on Company and individual performance during the prior fiscal year, and an executive officer's total equity interest in Lazard is not factored into the Compensation Committee's decision-making process concerning future equity-based awards.

Impact of 2009 Performance on Compensation

In setting compensation levels for our employees for 2009, we primarily considered annual operating revenue, earnings and competitive conditions in the financial services industry. As we began to see a developing economic recovery in the second half of 2009, we became acutely aware of our need to continue to attract, retain and motivate executives and professionals of the highest level of quality and effectiveness. Part of our business strategy is to recruit and retain proven senior professionals who have strong client relationships and industry expertise. Because of the value they bring to the Company, these individuals command high levels of compensation. For 2009, based on management's recommendation and in light of our annual operating revenue of \$1.62 billion, the Compensation Committee determined that the target level of total compensation and benefits expense to operating revenue needed to be set at 71.8%, in order to meet our compensation and retention objectives. The Compensation Committee concluded that this ratio of total compensation and benefits expense to annual operating revenue was appropriate for us in light of its discussions with our executive officers, current economic and competitive conditions in the marketplace, information provided by Steven Hall & Partners, LLC, and our financial performance in 2009.

Compensation For Each of Our Named Executive Officers in 2009

2009 Base Salaries. Mr. Jacobs was named the Company's Chairman and Chief Executive Officer in November 2009. Prior to this appointment Mr. Jacobs served as a Deputy Chairman of Lazard and Chief Executive Officer of Lazard North America. In that position, he was receiving an annual base salary of \$1,500,000. In connection with his appointment as Chairman and Chief Executive Officer of Lazard, Mr. Jacobs agreed to a reduction in his annual base salary to \$900,000 and, as a result, his 2009 base salary reflects a blended rate having received approximately 11 months of salary at the previous rate. Mr. Stern received a base salary of \$750,000 for 2009, which was determined based on his experience, level of responsibility and the salaries for comparable positions at our core competitors. We have retention agreements with Messrs. Castellano, Golub, Hoffman and Ward that establish their respective minimum annual base salaries. These amounts were negotiated and were meant to ensure that Lazard would have the services of each of these executive officers during the term of their respective agreements. See "Retention Agreements with Named Executive Officers." The base salaries paid in 2009 to each of Messrs. Castellano, Golub, Hoffman and Ward was the minimum required under each of their retention agreements: \$500,000 to Mr. Castellano; \$900,000 to Mr. Golub; \$600,000 to Mr. Hoffman; and \$900,000 to Mr. Ward. Mr. Hoffman's annual base salary was increased to \$750,000 effective as of January 1, 2010. See the discussion of Mr. Hoffman's 2009 performance under "—2009 Incentive Compensation—Other Named Executive Officers." Furthermore, the minimum annual base salaries for Messrs. Jacobs and Stern are set forth in amendments to their retention agreements that Lazard entered into on March 23, 2010. Their base salaries have not changed from the amounts described above. See the discussion of the amendments to the retention agreements with Messrs. Jacobs and Stern under "—2010 Compensation Actions—Amended Retention Agreements with Messrs. Jacobs and Stern."

2009 Incentive Compensation.

Mr. Jacobs. In determining the amount of incentive compensation to be paid to Mr. Jacobs, the Compensation Committee considered his recent appointment as Chairman and Chief Executive Officer in November 2009 and his performance as Chief Executive Officer of Lazard North America. The performance evaluation was not based on any numerical targets. Mr. Jacobs is a highly regarded investment banker whose advice was sought in a number of high profile transactions in which Lazard was engaged in 2009, including advising the Haas Family Trusts in the \$18.8 billion sale of Rohm and Haas to Dow Chemical, and GlaxoSmithKline's acquisition of Stiefel Laboratories for up to \$3.6 billion. Mr. Jacobs' leadership of Lazard North America and attention to the needs of clients was evident in the increased business activity and improved results of operations in Lazard's financial advisory business in the second half of 2009. The Compensation Committee reviewed the specific client engagements for which Mr. Jacobs was responsible and their contribution to the Company's overall revenues in 2009. The Compensation Committee also considered Mr. Jacobs positioning on an internal pay equity scale vis-à-vis other managing directors within Lazard, and the competitive compensation practices at the other firms included in our comparator group. The tracking of revenue back to particular client relationships was an important factor considered by the Committee in determining Mr. Jacobs' incentive compensation for 2009. Based on its review, the Compensation Committee decided to grant Mr. Jacobs an incentive compensation award of \$6,072,115 payable as follows: \$2,322,115 in a cash bonus and an RSU award valued at \$3,750,000. The RSU award constituted 50% of Mr. Jacobs' total compensation for 2009. Given the increased component of current cash and the significant RSU award, the Compensation Committee believes it has struck the right balance between rewarding current achievements and the desire to keep Mr. Jacobs focused on Lazard's long-term performance.

The following table shows the base salary and incentive compensation awarded to Mr. Jacobs for his performance in 2009 in the manner it was considered by the Compensation Committee. This presentation differs from that contained in the Summary Compensation Table by (i) showing the full grant date value of the RSUs awarded on February 11, 2010, which related to 2009 performance but is not reflected in the Summary Compensation Table because they were granted after the end of our 2009 fiscal year, and (ii) excluding the full grant date value of the RSUs and deferred cash awards granted on February 10, 2009, which related to 2008

performance and is included in the Summary Compensation Table. In addition, the “Change in Pension Value” column and the “All Other Compensation” column are omitted, as they were not material elements of Mr. Jacobs’ compensation.

Other Named Executive Officers. Annual incentive compensation for each of our other named executive officers was established based on the recommendation of Mr. Jacobs and approval by the Compensation Committee. The retention agreements with Messrs. Castellano, Golub, Hoffman and Ward generally provide that each is entitled to an annual bonus to be determined under the applicable annual bonus plan of the Company on the same basis as annual bonuses are determined for other executive officers of Lazard and paid in the same ratio of cash to equity awards as is applicable to other executives. The amendment to Mr. Stern’s retention agreement that Lazard entered into on March 23, 2010, described under “—2010 Compensation Actions—Amended Retention Agreements with Messrs. Jacobs and Stern,” includes the same provision with respect to Mr. Stern. Mr. Jacobs reviewed with the Compensation Committee the performance of each of the named executive officers individually and their overall contribution to the Company in 2009, which was not based on any numerical targets.

In determining annual incentive compensation for (i) Mr. Golub, who served as interim Chief Executive Officer of Lazard following the death of Mr. Wasserstein, as well as vice chairman of Lazard and chairman of the financial advisory group, both before and after his service as interim Chief Executive Officer, (ii) Mr. Stern, as Chief Operating Officer of Lazard, and (iii) Mr. Ward, as president of Lazard and chairman of the asset management group, Mr. Jacobs considered the role that each individual plays in the Lazard organization, maintaining a balance between their leadership and administrative responsibilities within the firm, while continuing to cultivate important client relationships. In addition to the administrative role that each plays as an officer of Lazard, each of these executives also plays a significant role in the revenue generation side of our business. The client relationships cultivated by each of these executives led to specific engagements that have contributed to the Company’s overall revenues in 2009. In making a recommendation on incentive compensation for each of Messrs. Golub, Stern, and Ward, Mr. Jacobs reviewed total revenue generated from each of their particular client relationships, each executive’s positioning on an internal pay equity scale vis-à-vis other managing directors within Lazard, and the competitive compensation practices at the other firms included in our comparator group. The tracking of revenue back to particular client relationships was an important factor considered in differentiating incentive compensation among Lazard’s managing director group. Another factor that Mr. Jacobs considered was the difficulty and expense of replacing each of these executives should they decide to leave. Based on Mr. Jacobs’ recommendation, the Compensation Committee approved the following incentive compensation for each of Messrs. Golub, Stern, and Ward for their performance in 2009: Mr. Golub received a cash bonus of \$2,100,000 and an RSU award valued at \$3,000,000; Mr. Stern received a cash bonus of \$1,097,500 and an RSU award valued at \$1,652,500; and Mr. Ward received a cash bonus of \$747,500 and an RSU award valued at \$1,352,500. The RSUs awarded to Messrs. Golub, Stern, and Ward constituted approximately 50%, 47% and 45% of their total compensation for 2009 (salary, cash bonus and equity-based awards), respectively.

In determining incentive compensation for Mr. Castellano and Mr. Hoffman, Mr. Jacobs noted that each provides significant leadership to Lazard in their roles as chief financial officer and general counsel, respectively. Mr. Castellano has overall responsibility for corporate finance and accounting at Lazard on a worldwide basis, and Mr. Hoffman oversees legal and compliance, human resources and public relations and communications. Mr. Jacobs noted that both executives have been tasked with primary responsibility for establishing and implementing uniform internal policies within Lazard, so that other members of senior management can focus on

Table of Contents

building the Lazard franchise and cultivating client relationships. In making a recommendation on incentive compensation for Mr. Castellano, Mr. Jacobs noted his contribution to the overall strength of the firm and his leadership and steadiness in executing the firm's corporate finance strategy in the midst of an extremely volatile economic climate in the first half of 2009. With respect to Mr. Hoffman, Mr. Jacobs noted his wide-ranging responsibility in overseeing legal operations worldwide, human resources and public relations. Mr. Hoffman was instrumental in helping to steady the firm and providing counsel and advice to the Board of Directors in the uncertain environment that arose when our former Chairman and Chief Executive Officer became critically ill and subsequently passed away in October 2009. Mr. Hoffman was singled out by the Board of Directors for acclamation in his handling of this crisis situation and for the assistance he continued to provide throughout the succession process. Based on Mr. Jacobs' recommendation, the Compensation Committee approved the following incentive compensation for each of Mr. Castellano and Mr. Hoffman for their performance in 2009: Mr. Castellano was paid a cash bonus of \$900,000 and received an RSU award valued at \$1,050,000; Mr. Hoffman was paid a cash bonus of \$1,247,500 and received an RSU award valued at \$1,652,500. The RSUs awarded to Mr. Castellano and Mr. Hoffman constituted approximately 43% and 47% of their total compensation (salary, bonus and equity award) for 2009, respectively.

The following table shows the base salary and incentive compensation paid to Messrs. Castellano, Golub, Hoffman, Stern and Ward for their performance in 2009 in the manner it was considered by the Compensation Committee. This presentation differs from that contained in the Summary Compensation Table by (i) showing the full grant date value of the RSUs awarded on February 11, 2010, which related to 2009 performance but is not reflected in the Summary Compensation Table because they were granted after the end of our 2009 fiscal year, and (ii) excluding the full grant date value of the RSUs and deferred cash awards granted on February 10, 2009, which related to 2008 performance and is included in the Summary Compensation Table. In addition, the "Change in Pension Value" column and the "All Other Compensation" column are omitted, as they were not material elements of any of the named executives' compensation.

Perquisites. In 2009, the Company provided a limited number of perquisites, with each of our named executive officers receiving less than \$18,100 in perquisite compensation. Our named executive officers receive the same perquisite compensation provided to all of our U.S. managing directors as a group. In August of 2009, Lazard began to pay a portion of the insurance premiums for each of our U.S. managing directors on the same basis that it does for all U.S. employees. Our U.S. managing directors are the beneficiaries of a Company provided life insurance and excess liability insurance policy and beginning on August 1, 2009, the Company began to provide long-term disability insurance. None of our U.S. managing directors receive any matching contributions from the Company on their personal contributions to Lazard's 401(k) plan. Each of our U.S. managing directors is entitled to have his year-end personal tax returns prepared by our tax department. Messrs. Jacobs, Castellano, Golub, Hoffman and Stern have availed themselves of this benefit, while Mr. Ward has chosen to use and pay for his own tax advisor. This perquisite has been an historical practice of the firm, and is provided due to the complexity involved in preparing such tax returns as the Company continues to be viewed as a partnership for U.S. tax purposes.

Post-Employment Benefits. Each of Messrs. Jacobs, Golub, Hoffman and Stern has an accrued benefit under the Lazard Frères & Co. LLC Employees' Pension Plan, a qualified defined-benefit pension plan, and Mr. Hoffman and Mr. Stern have accrued additional benefits under a related supplemental defined-benefit

Table of Contents

pension plan. In each case, these benefits accrued prior to the applicable officer's becoming a managing director of Lazard. The annual benefit under such plans, payable as a single life annuity commencing at age 65, would be \$6,447 for Mr. Jacobs, \$4,328 for Mr. Golub, \$18,845 for Mr. Hoffman and \$12,421 for Mr. Stern. Under the terms of the supplemental defined-benefit pension plan, the benefits are only payable in a single lump sum payment. Benefit accruals under both of these plans were frozen for all participants effective January 31, 2005, and our named executive officers will not accrue any additional benefits. Messrs. Castellano and Ward do not participate in these plans. For the value of the benefits accrued by Messrs. Jacobs, Golub, Hoffman and Stern under these plans as of December 31, 2009, see "Pension Benefits".

The retention or employment agreement with each of our named executive officers, including pursuant to the new amendments to the retention agreements with Messrs. Jacobs and Stern described under "—2010 Compensation Actions—Amended Retention Agreements with Messrs. Jacobs and Stern," provides for certain severance benefits in the event of a termination of employment prior to March 31, 2011 (and in the case of Messrs. Jacobs and Stern, March 23, 2013) by us other than for cause or, by the executive officer for good reason (we refer to these as "qualifying terminations"). We provide for such severance payments on the condition that the departed executive not compete with us, solicit our clients or employees, or take other actions that harm our business for specified periods. The level of the severance benefits depends on whether the qualifying termination occurs prior to or following a change in control of Lazard Ltd, with qualifying terminations following a change in control triggering an enhanced benefit. In addition, the retention or employment agreement with each of our named executive officers provides that in the event that the executive officer's receipt of any payment made by us under the agreement or otherwise is subject to the excise tax imposed under Section 4999 of the Code, an additional payment will be made to restore the executive to the after-tax position that he would have been in if the excise tax had not been imposed. The events giving rise to a severance payment as well as the amount of the payments under the retention agreements were negotiated terms and based on common industry practice for agreements of this kind at the time they were negotiated. See "Retention Agreements with Named Executive Officers – Payments and Benefits Upon Certain Terminations of Service" and also see "Potential Payments Upon Termination or Change in Control" for an estimate of potential payouts, determined as of December 31, 2009, under each scenario.

In general, non-vested RSUs are forfeited by our named executive officers upon termination of employment, except in limited cases such as death, disability or a termination by the Company other than for "cause", except that Messrs. Golub and Castellano are currently eligible to retire and retain their RSUs, subject to certain limitations, pursuant to a retirement policy approved by the Compensation Committee. In the event of a change of control of Lazard Ltd, any unvested RSUs will automatically vest, without regard to whether the executive officer is terminated. In this way, our named executive officers can realize value from these awards in the same way as shareholders in connection with the change of control transaction, and thus encourage our named executive officers to consider and support transactions that might benefit shareholders.

Former Chairman and Chief Executive Officer

Bruce Wasserstein, who served as Lazard's Chairman and Chief Executive Officer, passed away on October 14, 2009. The terms of Mr. Wasserstein's employment with Lazard were governed by the amended and restated retention agreement dated as of January 29, 2008 between Mr. Wasserstein and Lazard. Pursuant to that agreement, upon Mr. Wasserstein's death, 4,420,892 RSUs vested and an equivalent number of shares of Lazard Class A common stock were delivered to his estate. In 2009, through the date of his death, Mr. Wasserstein had received a salary of \$712,500. No other payments were made to Mr. Wasserstein or his estate in 2009.

2010 Compensation Actions

Amended Retention Agreements with Messrs. Jacobs and Stern

On March 23, 2010, Lazard entered into a First Amendment to the Agreement Relating to Retention and Noncompetition and Other Covenants with each of Messrs. Jacobs and Stern. The amended agreements supersede Schedule I of each of Messrs. Jacobs' and Stern's prior retention agreements entered into with Lazard on March 18, 2005 and October 4, 2004, respectively. Prior to these amendments, the retention agreements with

Table of Contents

each of Messrs. Jacobs and Stern, which were entered into prior to our IPO and at a time when they were not executive officers, did not contain the standard provisions and definitions that are contained in our retention agreements with our executive officers, which were generally entered into at the time of our IPO. In order to bring the terms of Messrs. Jacobs' and Stern's retention agreements in line with the agreements entered into with other executive officers of the Company, ensure their retention and provide them with customary executive officer protections, the Compensation Committee felt it was important to amend each of Messrs. Jacobs' and Stern's existing retention agreement.

The amended retention agreements have a three-year term and provide for a minimum annual base salary of \$900,000 for Mr. Jacobs and \$750,000 for Mr. Stern, which is the same base salary that Messrs. Jacobs and Stern were receiving before their respective retention agreements were amended. In addition, each of Messrs. Jacobs and Stern is entitled to an annual bonus to be determined under the applicable annual bonus plan of Lazard on the same basis as annual bonuses are determined for other executive officers of Lazard. Mr. Jacobs' annual bonus is expected to be paid and Mr. Stern's annual bonus is required to be paid, in the same ratio of cash to equity awards as is applicable to other executives, in each case provided that the executive is employed by Lazard at the end of the applicable fiscal year.

The amended retention agreements for Messrs. Jacobs and Stern provide for certain severance benefits in the event of a termination prior to March 23, 2013 by us other than for cause or by the named executive officer for good reason (which we refer to below as a "qualifying termination"). The level of severance benefits provided to Messrs. Jacobs and Stern generally depends on whether the applicable termination occurs prior to or following a change in control of Lazard Ltd. The severance multiples contained in the amended retention agreements for Messrs. Jacobs and Stern generally are consistent with the severance multiples contained in the retention agreements with our other executive officers. However, the amended retention agreement for Mr. Jacobs provides that, until he receives a "qualifying award", the severance multiple in the event of a qualifying termination prior to a change in control will be three. For purposes of Mr. Jacobs' amended retention agreement, "qualifying award" means a new long-term incentive award with a grant value reasonably agreed by Lazard, Lazard Group and Mr. Jacobs in good faith and that accelerates upon a change in control or a qualifying termination.

In the event of a qualifying termination of either of Messrs. Jacobs or Stern prior to a change in control, the executive generally would be entitled to receive in a lump sum (1) any unpaid base salary accrued through the date of termination, (2) any earned but unpaid bonuses for years completed prior to the date of termination, (3) a prorated bonus for the year of termination and (4) a severance payment in the following amount: two times (three times with respect to Mr. Jacobs until he receives a qualifying award) the sum of such executive officer's base salary and average annual bonus for the two fiscal years that ended prior to the date of such executive officer's termination (or, solely in the case of a qualifying termination of Mr. Jacobs prior to January 1, 2011, average annual bonus will equal Mr. Jacobs' annual bonus for the 2009 fiscal year). Upon such a qualifying termination, each executive and his eligible dependents would generally continue to be eligible to participate in our medical and dental benefit plans, on the same basis as in effect immediately prior to the date of termination for two years (three years with respect to Mr. Jacobs until he receives a qualifying award) following such termination (which currently requires the executive officer to pay a portion of the premiums).

In the event of a qualifying termination of either of Messrs. Jacobs or Stern on or following a change in control, such executive officer would receive the severance payments and benefits described in the preceding paragraph, except that the severance payments would be in the following amount: three times the sum of such executive officer's base salary and average annual bonus for the two fiscal years that ended prior to the date of such executive officer's termination (or, solely in the case of a qualifying termination of Mr. Jacobs prior to January 1, 2011, average annual bonus will equal Mr. Jacobs' annual bonus for the 2009 fiscal year). Upon such a qualifying termination, each executive and his eligible dependents would be eligible for continued participation in our medical and dental benefits plans as described in the preceding paragraph, except that the applicable period would be three years following the date of termination of service.

Table of Contents

In addition to the post-employment medical and dental benefits described above, following a termination of Mr. Jacobs' service for any reason other than for cause, Mr. Jacobs and his eligible dependents would be eligible for continued participation in our medical and dental benefits plans for the remainder of Mr. Jacobs' life and that of his current spouse, with Mr. Jacobs or his spouse paying the full cost of all premiums associated with such coverage (other than during the periods following a qualified termination described above). In Mr. Stern's case, the period of medical and dental benefits continuation described above would generally be credited towards his credited age and service for purpose of our retiree medical program.

The amended retention agreements include changes to the definitions of "good reason" and "cause", which are intended to be consistent with the definitions in the retention agreements with the other named executive officers. The relevant definitions for the amended retention agreements are substantially similar to the definitions described below under "Potential Payments Upon Termination or Change-in-Control".

The amended retention agreements also add a gross-up payment in connection with any excise tax imposed under Section 4999 of the Code. In the event that the executive officer's receipt of any payment made by us under the amended retention agreement or otherwise is subject to the excise tax imposed under Section 4999 of the Code, an additional payment will be made to restore the executive to the after-tax position that he would have been in if the excise tax had not been imposed.

In order to facilitate Mr. Jacobs' performance of his duties, Mr. Jacobs' amended retention agreement provides that he is entitled to limited personal use of the Company's aircraft in a manner consistent with the policy adopted by the Compensation Committee and will be required to reimburse the Company for the cost of such personal usage.

The amended retention agreements do not materially modify the executive officer's restrictive covenants relating to confidential information, noncompetition, nonsolicitation of clients, no hire of employees, nondisparagement and transfer of client relationships.

RSU Retirement Policy. In January 2010, the Company amended its retirement policy with respect to RSU awards. The amended policy provides for minimum age and length of service requirements for employees to be eligible to vest in their RSU awards upon retirement. The requirements are (i) 56 years minimum age, (ii) 5 years minimum service and (iii) 70 years minimum combined age and service. Assuming such requirements are met, RSU awards will continue to vest following retirement subject to continued compliance with non-compete, non-solicit and other provisions in the RSU agreements.

Conclusion

Our compensation program is designed to permit the Company to provide our executive officers, managing directors and other senior professionals with total compensation that is linked to our performance and reinforces the alignment of employee and shareholder interests. At the same time it is intended to provide us with sufficient flexibility to assure that such compensation is appropriate to attract and retain these employees who are vital to the continued success of Lazard and to drive outstanding individual and institutional performance. We believe the program met these objectives in 2009.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Company has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

COMPENSATION OF EXECUTIVE OFFICERS

The following table contains information with respect to our Chief Executive Officer, Chief Financial Officer, and the three other most highly compensated executive officers of Lazard Ltd. Pursuant to SEC rules, we have also included information on Bruce Wasserstein, who served as Chairman and Chief Executive Officer of Lazard until his passing on October 14, 2009 and Steven Golub, who served as interim Chief Executive Officer from October 14th until November 16th, 2009. These officers are collectively referred to as the “named executive officers”. We believe that the better way to view this information is as set forth under “Compensation Discussion and Analysis—Compensation for Each of Our Named Executive Officers in 2009,” as the information set forth below (i) includes in 2009 compensation RSUs that related to 2008 performance, which were awarded on February 10, 2009 and does not include in 2009 compensation RSUs that related to 2009 performance, which were awarded on February 11, 2010, and (ii) includes in 2009 compensation deferred cash awards that related to 2008 performance, which were awarded on February 10, 2009 and were paid in February 2010. The information with respect to 2008 and 2007 compensation includes RSUs granted in the relevant calendar year, which relates to the previous year’s performance, and does not include RSUs granted with respect to the relevant calendar year’s performance.

(a) As was the case for most of our senior employees, each of Messrs. Jacobs, Castellano, Golub, Hoffman, Stern and Ward received deferred cash awards on February 10, 2009, which related to 2008 performance. As required under SEC rules for compensation disclosure in proxy statements, the deferred cash awards are included in the fiscal year actually granted (2009), rather than the year to which they relate (2008). During the fourth quarter of 2009, the Compensation Committee approved the acceleration of the deferred cash awards to be paid out in February 2010 for all recipients, including our executive officers. Amounts reported

Table of Contents

in the Bonus column above include these accelerated deferred cash awards as follows: \$3.9 million to Mr. Jacobs; \$1.005 million to Mr. Castellano; \$4.56 million to Mr. Golub; \$1.395 million to Mr. Hoffman; \$1.175 million to Mr. Stern; and \$1.575 million to Mr. Ward. See “Compensation Discussion and Analysis—Design of Our Compensation Programs.”

- (b) Represents RSUs granted to each of the named executive officers during fiscal year 2009, which relate to 2008 performance. As required under SEC rules for compensation disclosure in proxy statements, the value of the RSUs reported in the Summary Compensation Table is based on the grant date fair value of awards in the fiscal year actually granted (rather than in the year to which it relates) and computed in accordance with FASB ASC Topic 718. See Note 17 of Notes to the Consolidated Financial Statements contained in Lazard’s 2009 Annual Report on Form 10-K for a discussion of the assumptions used in the valuation of the RSUs.
- (c) Represents the aggregate change in actuarial present value of the listed officer’s accumulated benefit under the Lazard Frères & Co. LLC Employees’ Pension Plan, and in the case of Mr. Hoffman and Mr. Stern, a related supplemental defined-benefit pension plan. With respect to Mr. Stern, the actuarial present value decreased by \$29 in 2009 compared to 2008 because benefit accruals under both of these plans were frozen for all participants effective January 31, 2005 and the discount rate used in the calculations increased from 5.80% to 6.00%.
- (d) Each of our named executive officers is the beneficiary of Company provided life insurance, and an excess liability insurance policy, and beginning on August 1, 2009, the Company began to provide long-term disability insurance. In addition, beginning on August 1, 2009, the firm began paying a portion of the health insurance premiums for our named executive officers, as it does for all U.S. employees.
- (e) Each of our named executive officers (other than Mr. Wasserstein) received interest payments on the deferred cash awards they were granted as part of the 2008 compensation cycle for the period from the date of the grant through December 31, 2009, as follows: \$175,500 to Mr. Jacobs; \$45,225 to Mr. Castellano; \$205,200 to Mr. Golub; \$62,775 to Mr. Hoffman; \$52,875 to Mr. Stern; and \$70,875 to Mr. Ward.

Perquisite compensation for Messrs. Jacobs, Castellano, Golub, Hoffman and Stern includes the incremental cost to the Company of providing U.S. tax advice and preparation of year-end personal tax returns.

Grants of Plan Based Awards

The following table provides information about RSUs granted to each of the named executive officers during fiscal year 2009, which relate to 2008 performance. For information on the grant date fair value of RSU awards made to each of our named executive officers, other than Mr. Wasserstein, during fiscal year 2010, which relate to 2009 performance, see “Compensation Discussion and Analysis—Compensation For Each of Our Named Executive Officers in 2009.”

The RSUs included in the table above were granted under our 2008 Incentive Compensation Plan and represent a contingent right to receive an equivalent number of shares of Class A common stock. The RSUs shown in the table were valued by multiplying the number of RSUs awarded to each named executive officer by the closing price-per-share of the Class A common stock on the NYSE on the day before the grant date. The

Table of Contents

closing price on February 9, 2009 was \$31.17 per share. The RSUs granted on February 10, 2009 to each of our named executive officers relate to 2008 performance and will vest on March 1, 2013. Each of our named executive officers signed an RSU agreement in connection with his award. In general, these agreements provide that non-vested RSUs are forfeited on termination of employment, except in limited cases such as death, disability or a termination by the Company other than for “cause”. In the event of a “Change in Control” (as defined in the 2008 Incentive Compensation Plan), any unvested but outstanding RSUs automatically will vest. All RSUs receive dividend equivalents at the same rate that dividends are paid on shares of Class A common stock. These dividends are credited in the form of additional RSUs with the same restrictions as the underlying RSUs to which they relate. In addition, the RSU agreements contain standard covenants, including among others, noncompetition and nonsolicitation of our clients and employees.

Bonus Plan

To align employee and shareholder interests, we adopted the 2005 Bonus Plan for purposes of determining annual bonuses for our senior executives. The Compensation Committee has full direct responsibility and authority for determining our Chief Executive Officer’s compensation under the plan. The Committee reviews and approves the recommendations of our Chief Executive Officer with regard to the compensation of our other executive officers under the plan. Subject to overall compensation limits as determined from time to time and, with respect to plan participants, the terms of the plan, our Chief Executive Officer has responsibility for determining the compensation of all employees except as provided above.

The actual size of the bonus pool is determined at the end of each fiscal year, taking into account our results of operations, shareholder return, and/or other measures of our financial performance or of the financial performance of one or more of our subsidiaries or divisions, as well as competitive compensation practices in the financial services industry. A target maximum ratio of aggregate compensation and benefits expense for the year (including annual incentive payments under the plan) to annual revenue or income (or to similar measures of corporate profitability) may also be taken into account. The bonus pool is allocated among the participants in the plan with respect to each fiscal year. This allocation may be made at any time prior to payment of bonuses for such year, and may take into account any factors deemed appropriate, including, without limitation, assessments of individual, subsidiary or division performance and input of management.

Amounts payable with respect to bonuses are satisfied in cash and through equity awards granted under either the 2008 Incentive Compensation Plan or under our 2005 Equity Incentive Plan.

Retention Agreements with Named Executive Officers

Each of the named executive officers has entered into a retention or employment agreement with Lazard. The summary below describes the retention and employment agreements with our named executive officers as of December 31, 2009. For a discussion of retention agreements that we entered into with Messrs. Jacobs and Stern after 2009 to bring them in line with the description set forth below, see “Compensation Discussion and Analysis—2010 Compensation Actions—Amended Retention Agreements with Messrs. Jacobs and Stern”. Generally, the provision of services under the retention agreements is terminable by either party upon three months notice, and the agreements also contain the following terms and conditions:

Compensation and Employee Benefits. Messrs. Castellano, Golub, Hoffman and Ward entered into amended retention agreements with Lazard on May 7, 2008. These retention agreements provide for an annual base salary of \$1,500,000 for Mr. Jacobs; \$500,000 for Mr. Castellano; \$900,000 for Mr. Golub; \$600,000 for Mr. Hoffman; \$750,000 for Mr. Stern; and \$900,000 for Mr. Ward. In connection with his appointment to Chief Executive Officer of Lazard on November 16, 2009, Mr. Jacobs agreed to reduce his annual salary to \$900,000. The term of the agreements for Messrs. Castellano, Golub, Hoffman and Ward continue until March 31, 2011, unless earlier terminated in accordance with their terms. In addition, each of Messrs. Castellano, Golub, Hoffman and Ward is entitled to an annual bonus to be determined under the applicable annual bonus plan of Lazard on the same basis

Table of Contents

as annual bonuses are determined for other executive officers of Lazard and paid in the same ratio of cash to equity awards as is applicable to other executives, provided that he is employed by Lazard at the end of the applicable fiscal year.

In addition, the retention agreements with each of Messrs. Jacobs, Castellano, Golub, Hoffman, Stern, and Ward provide that they will be entitled to participate in employee retirement and welfare benefit plans and programs of the type made available to our most senior executives.

Payments and Benefits Upon Certain Terminations of Service. Each retention agreement with our named executive officers, other than Messrs. Jacobs and Stern, provides for certain severance benefits in the event of a termination prior to March 31, 2011, by us other than for cause or by the named executive officer for good reason (which we refer to below as a “qualifying termination”). The level of the severance benefits depends on whether the applicable termination occurs prior to or following a change in control of Lazard Ltd.

In the event of a qualifying termination of any of Messrs. Castellano, Golub, Hoffman, or Ward prior to a change in control, the executive generally would be entitled to receive in a lump sum (1) any unpaid base salary accrued through the date of termination, (2) any earned but unpaid bonuses for years completed prior to the date of termination, (3) a prorated bonus for the year of termination and (4) a severance payment in the following amount: two times the sum of such executive officer’s base salary and average annual bonus for the two fiscal years that ended prior to the date of such executive officer’s termination. Upon such a qualifying termination, Messrs. Castellano, Golub, Hoffman and Ward and their eligible dependents would generally continue to be eligible to participate in our medical and dental benefit plans, on the same basis as in effect immediately prior to the date of termination (which currently requires the named executive officer to pay a portion of the premiums), for two years following such termination. The period of such medical and dental benefits continuation would generally be credited towards the named executive officer’s credited age and service for the purpose of our retiree medical program.

In the event of a qualifying termination of any of Messrs. Castellano, Golub, Hoffman or Ward on or following a change in control, such executive officer would receive the severance payments and benefits described in the preceding paragraph, except that the severance payments would be in the following amount: three times the sum of such executive officer’s base salary and average annual bonus for the two fiscal years that ended prior to the date of such executive officer’s termination. In addition, each of the named executive officers, other than Messrs. Jacobs and Stern, and their eligible dependents, would be eligible for continued participation in our medical and dental benefit plans and receive age and service credit, as described above, except that the applicable period would be 36 months following the date of termination of service.

The retention agreement with each of Messrs. Golub and Castellano provides that if the executive officer voluntarily retires after March 31, 2011, the RSUs that he currently holds, as well as any RSUs that he is granted in later years as part of ordinary annual incentive compensation will continue to vest on the original vesting dates, subject only to compliance with the applicable restrictive covenants through the applicable vesting date (without regard to the earlier expiration of the stated duration of any such restricted covenant), and will not be forfeited upon the termination of his employment. However, in January 2010, the Company amended its retirement policy with respect to RSU awards, which resulted in the acceleration of RSUs granted to Messrs. Golub and Castellano prior to December 31, 2009. The amendment provided that up to 50% of the shares received could be sold or withheld by the Company to pay applicable taxes, and the remainder would be subject to forfeiture and restrictions on transfer in accordance with the vesting schedule of the prior RSU awards. See “Compensation Discussion and Analysis—2010 Compensation Actions – RSU Retirement Policy.”

Change in Control Excise Tax Gross-up. Each retention agreement with our named executive officers, other than Messrs. Jacobs and Stern, provides that in the event that the executive officer’s receipt of any payment made by us under the retention agreement or otherwise is subject to the excise tax imposed under Section 4999 of the Code, an additional payment will be made to restore the executive to the after-tax position that he would have been in if the excise tax had not been imposed.

Noncompetition and Nonsolicitation of Clients. While providing services to us and during the three-month period following termination of the named executive officer's services to us (one-month period in the event of such a termination by us without cause), the named executive officer may not:

- perform services in a line of business that is similar to any line of business in which the named executive officer provided services to us in a capacity that is similar to the capacity in which the named executive officer acted for us while providing services to us ("competing services") for any business enterprise that engages in any activity, or owns a significant interest in any entity that engages in any activity, that competes with any activity in which we are engaged up to and including the date of termination of employment (a "competitive enterprise"),
- acquire an ownership or voting interest of 5% or more in any competitive enterprise, or
- solicit any of our clients on behalf of a competitive enterprise in connection with the performance of services that would be competing services or otherwise interfere with or disrupt any client's relationship with us.

Nonsolicitation of Employees. While providing services to us and during the six-month period following termination of the named executive officer's services, the named executive officer may not, directly or indirectly, in any manner, solicit or hire any of our employees at the associate level or above to apply for, or accept employment with, any competitive enterprise or otherwise interfere with any such employee's relationship with us.

Transfer of Client Relationships, Nondisparagement and Notice Period Restrictions. The named executive officer is required, upon termination of his services to us and during the 90-day period following termination, to take all actions and do all things reasonably requested by us to maintain for us the business, goodwill and business relationships with our clients with which he worked, provided that such actions and things do not materially interfere with other employment or professional activities of the named executive officer. In addition, while providing services to us and thereafter, the named executive officer generally may not disparage us, and before and during the three-month notice period prior to termination, the named executive officer is prohibited from entering into a written agreement to perform services for a competitive enterprise.

Provisions Relating to the Restrictive Covenants. Generally, the retention agreements with the named executive officers contain restrictive covenants and provisions that are substantially similar. However, we would treat a termination by any of Messrs. Castellano, Golub, Hoffman, or Ward for good reason as a termination by us without cause for purposes of the duration of the restrictive covenants and the provisions governing the timing of exchangeability of LAZ-MD Holdings LLC exchangeable interests into shares of our Class A common stock.

Outstanding Equity Awards at 2009 Fiscal Year-End

The following table provides information about the number and value of RSUs held by the named executive officers as of December 31, 2009. The market value of the RSUs was calculated based on the closing price of the Lazard Class A common stock on the NYSE on December 31, 2009 (\$37.97). The table does not include RSU awards that relate to 2009 performance, which were granted in February 2010.

- (1) RSU awards are typically granted to our named executive officers in February of each year under Lazard's 2005 Equity Incentive Plan or the 2008 Incentive Compensation Plan and relate to the prior year's performance. The scheduled vesting dates for RSU awards granted to each of the named executive officers are as follows: (i) RSUs granted on February 10, 2009 will vest on March 1, 2013; (ii) RSUs granted on January 30, 2008 will vest on March 31, 2011; (iii) RSUs granted on January 23, 2007 will vest 50% on March 31, 2010 and 50% on March 31, 2011; and (iv) RSUs granted on January 24, 2006 will vest on March 31, 2010.

Pension Benefits

The following table provides information with respect to Lazard Frères & Co. LLC Employees' Pension Plan, a qualified defined-benefit pension plan, and a related supplemental defined-benefit pension plan. Each of Messrs. Jacobs, Golub, Hoffman, and Stern has an accrued benefit under the Lazard Frères & Co. LLC Employees' Pension Plan, and Messrs. Hoffman and Stern have accrued additional benefits under the related supplemental defined-benefit pension plan. The annual benefit under such plans, payable as a single life annuity commencing at age 65, would be \$6,447 for Mr. Jacobs, \$4,328 for Mr. Golub, \$18,845 for Mr. Hoffman and \$12,421 for Mr. Stern. Under the terms of the supplemental defined-benefit pension plan, the benefits are only payable in a single lump sum payment. These benefits accrued in each case prior to the applicable officer's becoming a managing director of Lazard. Benefit accruals under both of these plans were frozen for all participants effective January 31, 2005. For a discussion of the valuation method and all material assumptions applied in quantifying the present value of the current accrued benefit, see Note 18 of Notes to Lazard's Consolidated Financial Statements contained in its 2009 Annual Report on Form 10-K. Messrs. Wasserstein, Castellano and Ward do not participate in any of these plans.

Named Executive Officer	Plan Name	Number of Years Credited Service (1)	Present Value	
			of Accumulated Benefit (\$) (2)	Payments During Last Fiscal Year (\$)
Kenneth M. Jacobs	Lazard Frères & Co. LLC Employees' Pension Plan	3	\$ 31,340	\$ 0
Steven J. Golub	Lazard Frères & Co. LLC Employees' Pension Plan	2	\$ 43,798	\$ 0
Scott D. Hoffman	Lazard Frères & Co. LLC Employees' Pension Plan	5	\$ 41,658	\$ 0
	Supplemental Defined- Benefit Pension	5	\$ 32,322	\$ 0
Alexander F. Stern	Lazard Frères & Co. LLC Employees' Pension Plan	6	\$ 35,753	\$ 0
	Supplemental Defined- Benefit Pension Plan	6	\$ 1,925	\$ 0

- (1) Mr. Jacobs has been employed by Lazard for 22 years, Mr. Golub 25 years, Mr. Hoffman 16 years, and Mr. Stern 14 years. Mr. Jacobs became a managing director of Lazard in 1991, Mr. Golub in 1986, Mr. Hoffman in 1999, and Mr. Stern in 2002, at which point they ceased accruing benefits under these plans.
- (2) In calculating the present value of accumulated benefits outlined above, Messrs. Jacobs, Golub, Hoffman, and Stern are assumed to live to age 65 and subsequently retire. They are also assumed to choose the single life annuity form of benefit under the Lazard Frères & Co. LLC Employees' Pension Plan and the lump sum form of benefit under the Supplemental Defined-Benefit Pension Plan (for Mr. Hoffman and Mr. Stern

Table of Contents

only). The interest rate and mortality used to determine the Employees' Pension Plan present value is 6.00% for all years and the RP-2000 Mortality Table (with 9 years improvement and adjusted for white collar workers) after retirement only. The Supplemental Defined-Benefit Pension Plan assumes that the annuity benefit will be converted to a lump sum at age 65 using a 5.75% interest rate and the mortality outlined in IRS Notice 2008-85 applicable for lump sum payments (projected to the year participant attains age 65 using Scale AA). A 6.00% discount rate is used to determine the present value of this single payment at age 65 at December 31, 2009.

Potential Payments Upon Termination or Change-in-Control

As described above, each of our named executive officers has entered into a retention or employment agreement with Lazard. However, as of December 31, 2009, the retention agreements with Messrs. Jacobs and Stern did not provide for any payments or benefits in connection with the termination of their employment. The retention agreements with Messrs. Castellano, Golub, Hoffman, and Ward provide for certain severance benefits in the event of a termination prior to March 31, 2011 by us other than for cause or by such named executive officer for good reason. The level of the severance benefits depends on whether the applicable termination occurs prior to or following a change in control of Lazard Ltd. For a discussion of the severance benefits provided pursuant to the retention agreements, see "Retention Agreements with Named Executive Officers."

Each of our named executive officers has received RSUs pursuant to Lazard's 2005 Equity Incentive Plan or the 2008 Incentive Compensation Plan. In the event of a change in control of Lazard Ltd, all RSUs granted under the 2005 Equity Incentive Plan or the 2008 Incentive Compensation Plan will automatically vest.

The following table shows the potential payments that would be made by Lazard to each of the named executive officers assuming that such officers' employment with Lazard terminated, or a change in control occurred, on December 31, 2009 under the circumstances outlined in the table. As a result, the RSU awards granted in February 2010 (which relate to 2009 performance) are not reflected in the table. In the case of Mr. Wasserstein, the table reports the value of the Lazard Class A common stock to which his estate became entitled upon his passing on October 14, 2009. For purposes of this table (other than with respect to shares delivered to the estate of Mr. Wasserstein), the price of Lazard Class A common stock is assumed to be \$37.97, which was the closing price on December 31, 2009.

- (1) As of December 31, 2009, Messrs. Jacobs and Stern were not entitled to any severance payment or any payments upon a resignation for "Good Reason." However, under the amended retention agreements effective as of March 23, 2010, they would be so entitled on a going forward basis.
- (2) Valuation of all RSU awards is based upon the full value of the underlying Lazard Class A common stock at the close of business on December 31, 2009, without taking into account any discount for the present value of such awards. Upon a Change in Control, all RSU awards immediately vest in full.
- (3) Upon death, all RSU awards vest upon the earlier of 30 days or the scheduled vesting date. Upon disability, or a termination without "cause," the executive may be immediately taxed on 100% of the shares underlying the

Table of Contents

RSUs. Accordingly, 50% of the shares underlying the RSUs will be delivered to the executive immediately upon termination to allow payment of taxes, and the remaining 50% will be delivered on the original vesting dates, provided that the executive does not violate his restrictive covenants. The scheduled vesting date for our various RSU awards are as follows: (i) RSUs granted on February 10, 2009 will vest on March 31, 2013; (ii) RSUs granted on January 30, 2008 will vest on March 31, 2011; (iii) RSUs granted on January 23, 2007 will vest 50% on March 31, 2010 and 50% on March 31, 2011; and (iv) RSUs granted on January 24, 2006 will vest on March 31, 2010. See Footnote (1) to the “Outstanding Equity Awards at 2009 Fiscal Year-End” table.

- (4) Under the terms of the 2005 Bonus Plan, upon death or disability, each named executive officer may receive a pro-rated portion of the annual incentive compensation that he would have received in the absence of such termination. Assuming a December 31, 2009 death or disability, all named executive officers were assumed to have received their full incentive compensation award for 2009 (annual cash bonus plus value of RSU award).
- Pursuant to their retention agreements, in the event of an involuntary termination without “Cause” or resignation for “Good Reason”, each of Messrs. Castellano, Golub, Hoffman and Ward is entitled to a pro-rated portion of the bonus payment that he would have received in the absence of such termination. Under such circumstances, we have assumed that each named executive officer would receive his full incentive compensation award for 2009 (annual cash bonus plus value of RSU award).
- (5) Upon death, all deferred cash awards would have vested upon the earlier of 30 days or the scheduled vesting date. Upon disability, or a termination without “cause,” the executive may have been immediately taxed on 100% of the value of the deferred cash awards. Accordingly, 50% of the unpaid installments under the deferred cash awards were to be paid out to the executive immediately upon termination to allow payment of taxes, and the remaining 50% were to be paid out in equal installments on each of the subsequent original vesting dates, provided that the executive did not violate his restrictive covenants. All payments to be made with respect to the deferred cash awards upon a termination due to disability or without cause or in the event of death prior to the final vesting date of the deferred cash awards but subsequent to a termination of employment were conditioned on the named executive officer signing an irrevocable release of claims in favor of the Company and its affiliates. Prior to the acceleration of vesting of the deferred cash awards, the deferred cash awards were scheduled to vest in three equal installments on November 30, 2010, February 28, 2012 and February 28, 2013. During the fourth quarter of 2009, the Compensation Committee approved the acceleration of the deferred cash awards to be paid out in February 2010 for all recipients including our executive officers. See “Compensation Discussion and Analysis—Design of Our Compensation Programs.”
- (6) Amounts represent the amount needed to pay each named executive officer in order to provide them with a gross up for their excise tax obligations under Section 4999 of the Code, which imposes an excise tax on certain payments made in connection with a change in control of the Company, and any additional tax cost related to the gross-up payment, assuming that a change in control of the Company and a qualifying termination of employment occurred on December 31, 2009. Amounts were determined in accordance with Section 280G of the Code and the regulations issued thereunder, assuming a regular income tax rate ranging from 43.7% to 44.6% based on each named executive officer’s work location and personal residence, each named executive officer’s Lazard compensation for the period from 2004-2008 and an interest rate equal to 0.83%.
- (7) Mr. Wasserstein passed away on October 14, 2009. At the time of his death he held 4,406,440 RSUs, which were converted into shares of Lazard Class A common stock and delivered to his estate on November 13, 2009. The closing price of the Lazard Class A common stock on the NYSE on October 14, 2009 was \$43.27 per share. In addition, his estate became entitled to receive an additional 14,452 RSUs pursuant to the dividend equivalent provisions of the underlying award based on a Lazard dividend declared on October 27, 2009 to shareholders of record on November 6, 2009 and payable on November 27, 2009. These additional RSUs were immediately converted into shares of Lazard Class A common stock and delivered to Mr. Wasserstein’s estate. The closing price of the Lazard Class A common stock on the NYSE on November 27, 2009 was \$38.12 per share.

Table of Contents

If a named executive officer had voluntarily resigned or retired from Lazard on December 31, 2009 without “good reason” or was terminated by Lazard for cause, he would not have been entitled to receive any severance payments from Lazard and any unvested RSUs and deferred cash awards would have been forfeited.

With respect to a termination for Cause of a named executive officer, the term Cause shall mean: (A) conviction of, or a guilty plea to, a felony, or of any other crime that legally prohibits the named executive officer from working for Lazard; (B) a breach of a regulatory rule that materially adversely affects the named executive officer’s ability to perform his duties for Lazard; (C) willful and deliberate failure on the part of the named executive officer (i) to perform his employment duties in any material respect or (ii) to follow specific reasonable directions received from Lazard; or (D) a breach of the covenants contained in the retention agreements that is (individually or combined with other such breaches) demonstrably and materially injurious to Lazard or any of its affiliates. Notwithstanding the foregoing, with respect to the events described in clauses (B) and (C)(i) of the prior sentence, the named executive officer’s acts or failure to act shall not constitute cause to the extent taken (or not taken) based upon the direct instructions of the Chief Executive Officer of Lazard or the Board of Directors of Lazard or a more senior executive officer of Lazard.

With respect to a termination of any of Messrs. Castellano, Golub, Hoffman or Ward for Good Reason, their retention agreements define Good Reason as: (i) the assignment of the named executive officer to any duties inconsistent in any material respect with his position (including status, offices, titles and reporting requirements), authority, duties or responsibilities as in effect as of May 7, 2008, or any other action by Lazard which results in a material diminution in such position, authority, duties or responsibilities from the level in effect as of May 7, 2008; (ii) a material breach by Lazard of the terms of the retention agreement, or (iii) any requirement that the named executive officer’s principal place of employment be relocated to a location that increases the executive’s commute from his primary residence by more than 30 miles.

The term Change in Control, as used in the retention agreements and in the 2005 Equity Incentive Plan and the 2008 Incentive Compensation Plan, shall mean any of the following events: (i) an acquisition (other than directly from the Company) by an individual, entity or a group (excluding the Company or an employee benefit plan of the Company or a corporation controlled by the Company’s shareholders) of 20% (30% for purposes of the 2008 Incentive Compensation Plan) or more of either (A) the then-outstanding shares of Common Stock (treating, for this purpose, the then-outstanding Class II interests of LAZ-MD Holdings (“Class II interests”) as shares of Common Stock on an as-if fully exchanged basis in accordance with the Master Separation Agreement) (the “Outstanding Company Common Stock”), assuming the full exchange of all of the then-outstanding Class II interests for shares of Common Stock in accordance with the Master Separation Agreement or (B) the combined voting power of the then-outstanding voting securities of the Company entitled to vote generally in the election of directors (the “Outstanding Company Voting Securities”); (ii) a change in a majority of the current Board of Directors (the “Incumbent Board”) (excluding any persons approved by a vote of at least a majority of the Incumbent Board other than in connection with an actual or threatened proxy contest); (iii) consummation of a merger, consolidation or sale of all or substantially all of the Company’s assets (collectively, a “Business Combination”) other than a Business Combination in which all or substantially all of the individuals and entities who are the beneficial owners, respectively, of the Outstanding Company Common Stock and Outstanding Company Voting Securities immediately prior to such Business Combination (assuming in each case the full exchange of the Class II Interests for shares of Company Common Stock in accordance with the Master Separation Agreement) will beneficially own, directly or indirectly, more than 50% of, respectively, the outstanding shares of common stock, and the combined voting power of the then outstanding voting securities entitled to vote generally in the election of directors, as the case may be, of the corporation resulting from such Business Combination, at least a majority of the Board of Directors of the resulting corporation were members of the Incumbent Board, and after which no Person owns 20% (30% for purposes of the 2008 Incentive Compensation Plan) or more of the stock of the resulting corporation, who did not own such stock immediately before the Business Combination or (iv) shareholder approval of a complete liquidation or dissolution of the Company.

Section 16(a) Beneficial Ownership Reporting Compliance

Our directors and executive officers file reports with the SEC indicating the number of shares of any class of our equity securities they owned when they became a director or executive officer and, after that, any changes in

Table of Contents

their ownership of our equity securities. They must also provide us with copies of these reports. These reports are required by Section 16(a) of the Exchange Act. We have reviewed the copies of the reports that we have received and written representations from the individuals required to file the reports. Based on this review, we believe that during 2009 each of our directors and executive officers has complied with applicable reporting requirements for transactions in our equity securities.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Policy on Related Party Transactions

Our Board of Directors has adopted a written policy requiring that all “Interested Transactions” (as defined below) be approved or ratified by either the Nominating & Governance Committee or, under certain circumstances, the Chair of the Nominating & Governance Committee. The Nominating & Governance Committee is required to review the material facts of all Interested Transactions that require the Committee’s approval or ratification and either approve or disapprove of the entry into the Interested Transaction. In determining whether to approve or ratify an Interested Transaction, the Nominating & Governance Committee takes into account, among other factors it deems appropriate, whether the Interested Transaction is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the interest of the “Related Party” (as defined below) in the transaction. In addition, the Board of Directors has delegated to the Chair of the Nominating & Governance Committee the authority to pre-approve or ratify (as applicable) any Interested Transaction with a Related Party in which the aggregate amount involved is expected to be less than \$1 million. A report is then made to the Nominating & Governance Committee at its next regularly scheduled meeting of each new Interested Transaction pre-approved by the Chair of the Nominating & Governance Committee. Any director who is a Related Party with respect to an Interested Transaction may not participate in any discussion or approval of such Interested Transaction. An “Interested Transaction” is one in which (i) we are a participant, (ii) the aggregate amount involved will or may be expected to exceed \$120,000, (iii) one of our executive officers, directors, director nominees, 5% shareholders, or their family members (each a “Related Party”) has a direct or indirect material interest in the transaction and (iv) the transaction is required to be disclosed in our Proxy Statement or Annual Report on Form 10-K pursuant to the rules and regulations promulgated by the SEC.

Related Party Transactions

On May 10, 2005, as part of our IPO of Class A common stock, we completed a series of financing transactions the net proceeds of which were primarily used to redeem the outstanding Lazard Group membership interests of Lazard Group’s historical partners. In the discussions below, we refer to these financing transactions and the IPO, collectively, as the “recapitalization.” Concurrently, on May 10, 2005, Lazard Group transferred its capital markets business, which consisted of equity, fixed income and convertibles sales and trading, broking, research and underwriting services, its fund management activities outside of France and specified non-operating assets and liabilities, to LFCM Holdings. In the discussions below, we refer to these businesses, assets and liabilities as the “separated businesses” and these transfers collectively as the “separation.”

Relationship with LAZ-MD Holdings and LFCM Holdings

LAZ-MD Holdings is a significant stockholder of Lazard Ltd. As of March 5, 2010, LAZ-MD Holdings owned approximately 26.4% of the voting power of all shares of Lazard Ltd’s voting stock through its ownership of the Class B common stock and is thereby able to exercise significant influence in the election of Lazard Ltd’s directors. LAZ-MD Holdings’ voting power in Lazard Ltd is intended to mirror its economic interest in Lazard Group, and its voting power will decrease over time in connection with the exchange of the LAZ-MD Holdings exchangeable interests by the current and former working members of Lazard Group for shares of Lazard Ltd’s Class A common stock. The current and former working members of Lazard Group, including our managing directors who held working member interests at the time of the recapitalization, own LAZ-MD Holdings exchangeable interests and, through the LAZ-MD Holdings stockholders’ agreement, have the right to cause LAZ-MD Holdings to vote its Class B common stock on an as-if-exchanged basis.

Table of Contents

In addition, LFCM Holdings, which is the entity that owns and operates the separated businesses, ceased to be a subsidiary of Lazard Group and LAZ-MD Holdings at the time of the separation. It is owned by current and former working members of Lazard Group, including our managing directors and named executive officers, who are members of LAZ-MD Holdings. A managing director of Lazard Frères & Co LLC, a wholly owned subsidiary of Lazard Group, is the chairman of LFCM Holdings. LFCM Holdings reimbursed us \$1.5 million for a portion of his salary and bonus in 2009 for services that he rendered to LFCM Holdings as its chairman. In addition, the chairman of Lazard Alternative Investments Holdings LLC (“LAI”), a subsidiary of LFCM Holdings, is our President, Charles G. Ward, III. Mr. Ward does not receive any compensation from LAI for his services as chairman and was appointed to this position to oversee Lazard Group’s interest in LAI pursuant to the business alliance agreement. See “—Business Alliance Agreement.”

We entered into several agreements with Lazard Group, LAZ-MD Holdings and LFCM Holdings to effect the separation and recapitalization transactions and to define and regulate the relationships of the parties. Except as described in this section, we do not have any material arrangements with LAZ-MD Holdings and LFCM Holdings other than ordinary course business relationships on arm’s length terms.

Pursuant to a Prospectus Supplement dated June 2, 2009, certain holders of LAZ-MD exchangeable interests (including certain of our executive officers) exchanged their interests for Lazard Class A common stock (the “selling shareholders”) and sold 4,000,000 shares of our common stock to Goldman, Sachs & Co. (“Goldman Sachs”) at a price of \$26.00 per share. In connection with this offering, Lazard Group LLC purchased an additional 1,700,000 shares of Lazard Ltd Class A common stock from the selling shareholders through Goldman Sachs, as agent, at the price of \$26.00 per share. In the aggregate, the selling shareholders sold a total of 5,700,000 shares of Class A common stock. Lazard Ltd did not receive any net proceeds from the sale of such Class A common stock. The purchase price was agreed upon based upon negotiations between a committee for the selling shareholders and Goldman Sachs. In addition, pursuant to a Prospectus Supplement dated September 8, 2009, certain holders of LAZ-MD exchangeable interests (including certain of our executive officers) exchanged their interests for Lazard Class A common stock and sold 5,215,921 shares of our common stock to Goldman Sachs at a price of \$37.00 per share. Lazard Ltd did not receive any net proceeds from the sale of such Class A common stock. The purchase price was agreed upon based upon negotiations between a committee for the selling shareholders and Goldman Sachs. Both of these transactions were approved by our Board of Directors.

Master Separation Agreement

On May 10, 2005, Lazard Ltd entered into the master separation agreement with Lazard Group, LAZ-MD Holdings and LFCM Holdings. The master separation agreement contains key provisions relating to the separation and recapitalization transactions and the relationship among the parties after completion of the separation and recapitalization. The master separation agreement identified the assets, liabilities and businesses of Lazard Group that were transferred to LFCM Holdings in connection with the separation and recapitalization and described when and how the separation and recapitalization occurred. In addition, the master separation agreement continues to regulate aspects of the relationship among the parties, including the exchange mechanics of the LAZ-MD Holdings exchangeable interests.

Relationship Among Lazard Ltd, Lazard Group, LAZ-MD Holdings and LFCM Holdings. The master separation agreement contains various provisions governing the relationship among Lazard Ltd, Lazard Group, LAZ-MD Holdings and LFCM Holdings after the separation and recapitalization, including with respect to the following matters.

Limitation on Scope of LAZ-MD Holdings' Operations. The master separation agreement provides that LAZ-MD Holdings will not engage in any business other than to act as the holding company for the working members' interests in Lazard Group and Lazard Ltd's Class B common stock and actions incidental thereto, except as otherwise agreed by Lazard Ltd.

Parity of Lazard Group Common Membership Interests and Lazard Ltd's common stock. The master separation agreement sets forth the intention of Lazard Group and Lazard Ltd that the number of Lazard Group common membership interests held by Lazard Ltd (or its subsidiaries) will at all times be equal in number to the number of outstanding shares of Lazard Ltd's common stock, subject to customary anti-dilution adjustments.

Expenses. The master separation agreement sets forth the intention of Lazard Group to reimburse Lazard Ltd for its costs and expenses incurred in the ordinary course of business.

LAZ-MD Holdings Exchangeable Interests. The master separation agreement sets forth the terms and arrangements with respect to the LAZ-MD Holdings exchangeable interests, including the exchange rate and timing of exchangeability of those interests.

Indemnification. In general, under the master separation agreement, Lazard Group indemnifies LFCM Holdings, LAZ-MD Holdings and their respective representatives and affiliates for any and all losses (including tax losses) that such persons incur to the extent arising out of or relating to our business (both historically and in the future) and any and all losses that LFCM Holdings, LAZ-MD Holdings and their respective representatives and affiliates incur arising out of or relating to any breach of the master separation agreement by Lazard Group or Lazard Ltd.

In general, under the master separation agreement, LFCM Holdings indemnifies Lazard Ltd, Lazard Group, LAZ-MD Holdings and their respective representatives and affiliates for any and all losses (including tax losses) that such persons incur arising out of or relating to the separated businesses and the businesses conducted by LFCM Holdings (both historically and in the future) and any and all losses that Lazard Ltd, Lazard Group, LAZ-MD Holdings and their respective representatives or affiliates incur arising out of or relating to any breach of the master separation agreement by LFCM Holdings.

In general, under the master separation agreement, LAZ-MD Holdings indemnifies Lazard Ltd, Lazard Group, LFCM Holdings and their respective representatives and affiliates for any and all losses that such persons incur to the extent arising out of or relating to any breach of the master separation agreement by LAZ-MD Holdings.

Any indemnification amounts are reduced by any insurance proceeds and other offsetting amounts recovered by the indemnitee. The master separation agreement specifies procedures with respect to claims subject to indemnification and related matters.

Other Provisions. The master separation agreement also contains provisions governing the sharing of information between Lazard Ltd and Lazard Group, on the one hand, and LAZ-MD Holdings and LFCM Holdings, on the other hand.

On November 6, 2006, Lazard Ltd, Lazard Group and LAZ-MD Holdings entered into Amendment No. 1 to the master separation agreement (the “amendment”). The amendment modified the provisions of the master separation agreement relating to the exchange terms of the LAZ-MD Holdings exchangeable interests. The modifications included the following:

- An exchange of LAZ-MD Holdings exchangeable interests may be conditioned upon the actual sale of all or any portion (such amount designated by the holder) of the LAZ-MD Holdings exchangeable interests in connection with a registered offering.
- Holders of LAZ-MD Holdings exchangeable interests that are then exchangeable may exchange these interests not only at annual registration periods but also in connection with demand and piggy-back registration opportunities and during window periods after the filing of selected Quarterly Reports on Form 10-Q and Annual Reports on Form 10-K by Lazard Ltd.
- In addition to requiring the consent of Lazard Ltd, Lazard Group and LAZ-MD Holdings to amend the exchangeability provisions, any amendment that materially and adversely impacts the rights of any holder thereunder requires the consent of such holder or it will not apply to such person unless such amendment applies to and affects the rights of all holders equally, regardless of whether or not such person is providing services to Lazard Ltd.

Lazard License Agreement

The logo, trademarks, trade names and service marks of Lazard are currently property of various wholly-owned subsidiaries of Lazard Group. Pursuant to the master separation agreement, Lazard Group and those subsidiaries entered into a license agreement with LFCM Holdings that governs the use of the Lazard and LF names by LFCM Holdings in connection with the separated businesses.

In general, LFCM Holdings is permitted to use the Lazard and LF names to the extent that the Lazard name was being used at the time of the separation and recapitalization by the separated businesses and is permitted to use the LF name solely for the use of the name LFCM Holdings LLC in its capacity as a holding company for the separated businesses. Under the agreement, LFCM Holdings pays \$100,000 per year for the right to license the Lazard name. The license survives with respect to capital markets activities until the expiration or termination of the business alliance provided for in the business alliance agreement that LFCM Holdings entered into with Lazard Group. With respect to alternative investment (including private equity) activities, LFCM Holdings’ license survives until the earlier of the expiration, termination or closing of the options to purchase the North American and European fund management activities, granted in the business alliance agreement, as described in “—Business Alliance Agreement”, or until the business alliance agreement is terminated. The license for the LF name in LFCM Holdings LLC may be terminated by either party for any reason after the license with respect to the capital markets business and the license for the alternative investment activities have both expired or been terminated. Upon termination of either the license with respect to the capital markets business or the license for the alternative investment activities, the license fee for the calendar year following the termination and each year thereafter will be \$75,000 per year. If both of those licenses are terminated, the license fee for the calendar year following the termination and each year thereafter will be \$25,000 per year.

Administrative Services Agreement

We entered into an administrative services agreement with LAZ-MD Holdings and LFCM Holdings regarding the provision of administrative and support services after the separation and recapitalization.

Pursuant to the administrative services agreement, Lazard Group provides selected administrative and support services to LAZ-MD Holdings and LFCM Holdings, such as:

- cash management and debt service administration,
- accounting and financing activities,
- tax,
- payroll,
- human resources administration,
- financial transaction support,
- information technology,
- public communications,
- data processing,
- procurement,
- real estate management, and
- other general administrative functions.

Lazard Group charges LFCM Holdings for the above services based on Lazard Group's cost allocation methodology. Notwithstanding Lazard Group's providing data processing services, Lazard Group does not provide any security administration services, as such services were transferred to LFCM Holdings.

Pursuant to the administrative services agreement, Lazard Group also provides tax services to LAZ-MD Holdings and LFCM Holdings provides security administrative services to Lazard Group.

The services provided by Lazard Group to LFCM Holdings, and by LFCM Holdings to Lazard Group, under the administrative services agreement generally were to be provided until December 31, 2008, and were subject to automatic annual renewal, unless either party gives 180 days notice of termination. As of December 31, 2009, neither party has given notice of termination, and the agreement has been automatically renewed for an additional one year period. LFCM Holdings and Lazard Group have a right to terminate the services earlier if there is a change of control of either party or the business alliance provided in the business alliance agreement expires or is terminated. The party receiving a service may also terminate a service earlier upon 180 days' notice as long as such receiving party pays the service provider an additional 3 months of service fee for the terminated service. The services provided by Lazard Group to LAZ-MD Holdings will generally be provided until December 31, 2014, unless terminated earlier because of a change of control of either party. See Note 22 of Notes to the Consolidated Financial Statements contained in Lazard's 2009 Annual Report on Form 10-K for a discussion of payments made in 2009 under the administrative services agreement.

In addition, in connection with the various agreements entered into in connection with the CP II MgmtCo Spin-Off, Lazard Group agreed to provide certain specified services to LFCM Holdings (which, in turn, LFCM Holdings may provide to CP II MgmtCo) pursuant to the administrative services agreement and to generally not terminate such specified services until June 30, 2010. See "—Business Alliance Agreement" for a discussion of the CP II MgmtCo Spin-Off.

In the absence of gross negligence or willful misconduct, the party receiving services under the administrative services agreement waives any rights and claims it may have against the service provider in respect of any services provided under the administrative services agreement.

Business Alliance Agreement

Lazard Group and LFCM Holdings entered into a business alliance agreement that provides for the continuation of Lazard Group's and LFCM Holdings' business relationships in the areas and on the terms summarized below.

The business alliance agreement provides that Lazard Group will refer to LFCM Holdings selected opportunities for underwriting and distribution of securities. In addition, Lazard Group will provide assistance in the execution of any such referred business. In exchange for this referral obligation and assistance, Lazard Group is entitled to a referral fee from LFCM Holdings equal to approximately half of the revenue obtained by LFCM Holdings in respect of any underwriting or distribution opportunity. In addition, LFCM Holdings will refer opportunities in the Financial Advisory and Asset Management businesses to Lazard Group. In exchange for this referral, LFCM Holdings is entitled to a customary finders' fee from Lazard Group. In addition, the business alliance agreement further provides that, during the term of the business alliance, Lazard Frères & Co. LLC and LAM Securities will introduce execution and settlement transactions to newly formed broker-dealer entities affiliated with LFCM Holdings. The term of the business alliance expires on May 10, 2010, subject to periodic automatic renewal, unless either party elects to terminate in connection with any such renewal or elects to terminate on account of a change of control of either party. See Note 22 of Notes to the Consolidated Financial Statements contained in Lazard's 2009 Annual Report on Form 10-K for a discussion of payments made in 2009 under the business alliance agreement.

In addition, the business alliance agreement granted Lazard Group options to acquire the North American and European fund management activities of Lazard Alternative Investments Holdings LLC, or "LAI," the subsidiary of LFCM Holdings that owns and operates LFCM Holdings' alternative investment activities. On December 15, 2009, Lazard Group exercised its option to acquire the European fund management activities of LAI for a purchase price of \$2 million. This transaction was approved by the Nominating & Governance Committee pursuant to our policy on related party transactions.

The remaining option to purchase the North American fund management activities is currently exercisable at any time prior to May 10, 2014 for a purchase price of \$2.5 million. This reflects a reduction of \$1.5 million due to the payment of a like amount to LFCM Holdings in February 2008 in connection with the initial public offering of Sapphire Industrials Corp., a special purpose acquisition company formed by a subsidiary of Lazard Group and a reduction of \$4 million due to the payment of a like amount in February 2009 to LFCM Holdings in connection with the CP II MgmtCo Spin-Off and the amendments to the business alliance agreement described below. In addition to the option price reduction, the \$1.5 million payment was made in exchange for an agreement by LFCM Holdings not to assert certain claims that it may believe that it had under the business alliance agreement following the initial public offering of Sapphire. LAI's fund management activities initially consisted of fund management and general partner entities that were transferred to LFCM Holdings in connection with the separation. The business alliance agreement provides that, prior to the expiration, termination or exercise of the options, Lazard Group has certain governance rights with respect to LAI, and LFCM Holdings is required to support the business of LAI. Lazard Group may agree to new capital commitments and other obligations with respect to newly formed funds in its sole discretion. Lazard Group may be entitled to receive from LFCM Holdings all or a portion of payments from the incentive fees attributable to newly established LAI funds less compensation payable to investment professionals who manage these funds. In addition, Lazard Group is obligated to abide by obligations that existed as of the date of the separation and recapitalization with respect to funds existing as of such date. In February 2009, pursuant to agreements entered into by us, a subsidiary of LAI ("LAI North America"), LFCM Holdings and the investment professionals who manage Corporate Partners II Limited ("CP II"), equity ownership of the management company of CP II ("CP II MgmtCo") was transferred from LAI North America investment professionals who manage CP II (the "CP II MgmtCo Spin-Off"). In connection with the CP II MgmtCo Spin-Off, Lazard Group made a \$4 million cash payment to LFCM Holdings. In consideration for this payment, the business alliance agreement was amended to remove any restriction on Lazard Group engaging in private equity businesses in North America and to reduce the price of our option to

acquire the fund management activities of LAI in North America from \$6.5 million to \$2.5 million. See Note 10 of Notes to the Consolidated Financial Statements contained in Lazard's 2009 Annual Report on Form 10-K for a further discussion of the CP II MgmtCo Spin-Off.

Pursuant to the business alliance agreement, LFCM Holdings agreed not to compete with any existing Lazard Group businesses until the latest to occur of the termination of the license agreement, the expiration, termination or exercise of the options to purchase the North American merchant banking activities and the European merchant banking activities or the expiration or termination of the business alliance.

Tax Receivable Agreement

In connection with the separation and recapitalization, we entered into a tax receivable agreement with LFCM Holdings on May 10, 2005. The agreement was based on the mutual recognition that the redemption of the Lazard Group membership interests held by the historical partners on May 10, 2005 for cash resulted in, and the exchange from time to time of the LAZ-MD Holdings exchangeable interests for shares of our common stock may result in, an increase in the tax basis of the tangible and intangible assets of Lazard Group attributable to our subsidiaries' interest in Lazard Group that otherwise would not have been available. Although the IRS may challenge all or part of that tax basis increase, and a court could sustain such a challenge by the IRS, these increases in tax basis, if sustained, may reduce the amount of tax that our subsidiaries would otherwise be required to pay in the future.

The tax receivable agreement provides for the payment by our subsidiaries to LFCM Holdings of 85% of the amount of cash savings, if any, in U.S. federal, state and local income tax or franchise tax that we actually realize as a result of these increases in tax basis and of certain other tax benefits related to our entering into the tax receivable agreement, including tax benefits attributable to payments under the tax receivable agreement. Our subsidiaries expect to benefit from the remaining 15% of cash savings, if any, in income tax that our subsidiaries realize. Any amount paid by our subsidiaries to LFCM Holdings will generally be distributed to the working members, including our named executive officers, in proportion to their goodwill interests underlying the working member interests held by or allocated to such persons immediately prior to the separation.

In order to mitigate the risk to us of an IRS challenge to the tax basis increase, 20% of each payment that would otherwise be made by our subsidiaries will be deposited into an escrow account until the expiration of the statute of limitations for the tax year to which the payment relates. In addition, if the IRS successfully challenges the tax basis increase, any subsequent payments our subsidiaries are required to make under the tax receivable agreement will be reduced accordingly. However, under no circumstances will our subsidiaries receive any reimbursements from LFCM Holdings or any of the holders of LFCM Holdings of amounts previously paid by our subsidiaries under the tax receivable agreement. As a result, under certain circumstances, our subsidiaries could make payments to LFCM Holdings under the tax receivable agreement in excess of our subsidiaries' cash tax savings.

For purposes of the tax receivable agreement, cash savings in income and franchise tax will be computed by comparing our subsidiaries' actual income and franchise tax liability to the amount of such taxes that our subsidiaries would have been required to pay had there been no increase in the tax basis of the tangible and intangible assets of Lazard Group attributable to our subsidiaries' interest in Lazard Group as a result of the redemption and exchanges and had our subsidiaries not entered into the tax receivable agreement. The term of the tax receivable agreement commenced on May 10, 2005 and will continue until all such tax benefits have been utilized or expired, unless our subsidiaries exercise their right to terminate the tax receivable agreement for an amount based on an agreed value of payments remaining to be made under the agreement.

While the actual amount and timing of any payments under this agreement will vary depending upon a number of factors, including the timing of exchanges, the extent to which such exchanges are taxable, the allocation of the step-up among the Lazard Group assets, and the amount and timing of our subsidiaries' income,

Table of Contents

we expect that, as a result of the size of the increases in the tax basis of the tangible and intangible assets of Lazard Group attributable to our subsidiaries' interest in Lazard Group, during the 24-year term of the tax receivable agreement, the payments that our subsidiaries may make to LFCM Holdings could be substantial. If the LAZ-MD Holdings exchangeable interests had been effectively exchanged in a taxable transaction for common stock at the close of business on December 31, 2009, the aggregate increase in the tax basis attributable to our subsidiaries' interest in Lazard Group would have been approximately \$3.2 billion (based on the closing price per share of our common stock on the NYSE of \$37.97), including the increase in tax basis associated with the redemption and recapitalization. The potential future increase in tax basis will depend on the Lazard common stock price at the time of exchange. The cash savings that our subsidiaries would actually realize as a result of this increase in tax basis likely would be significantly less than this amount multiplied by our effective tax rate due to a number of factors, including sufficient taxable income to absorb the increase in tax basis, the allocation of the increase in tax basis to foreign or non-amortizable assets, the impact of the increase in the tax basis on our ability to use foreign tax credits and the rules relating to the amortization of intangible assets. The tax receivable agreement requires approximately 85% of such cash savings, if any, to be paid to LFCM Holdings. Our ability to achieve benefits from any such increase, and the payments to be made under this agreement, will depend upon a number of factors, as discussed above, including the timing and amount of our future income.

There was one payment of approximately \$20 million made under the tax receivable agreement in 2009.

LAZ-MD Holdings Stockholders' Agreement

Members of LAZ-MD Holdings, consisting of the current and former working members of Lazard Group, including our managing directors and named executive officers, have entered into a stockholders' agreement with LAZ-MD Holdings and Lazard Ltd that addresses, among other things, LAZ-MD Holdings' voting of its share of Class B common stock and registration rights in favor of the shareholders who are party to the agreement. Every working member at the time of the separation and recapitalization was offered the opportunity to become a party to the LAZ-MD Holdings stockholders' agreement.

The LAZ-MD Holdings stockholders' agreement will continue in effect until all LAZ-MD Holdings exchangeable interests have been exchanged for shares of Lazard Ltd's common stock, and individual members of LAZ-MD Holdings will cease being party to the LAZ-MD Holdings stockholders' agreement upon full exchange of his or her LAZ-MD Holdings exchangeable interests and underlying Lazard Group interests for Lazard Ltd's common stock and such common stock is capable of resale generally under Rule 144 of the Securities Act of 1933, as amended (the "Securities Act"). The LAZ-MD Holdings stockholders' agreement may be terminated on an earlier date by LAZ-MD Holdings members entitled to vote at least 66 2/3% of the aggregate voting power represented by the LAZ-MD Holdings members who are party to the LAZ-MD Holdings stockholders' agreement. The LAZ-MD Holdings stockholders' agreement generally may be amended at any time by a majority of the aggregate voting power represented by LAZ-MD Holdings members who are party to the LAZ-MD Holdings stockholders' agreement.

On November 6, 2006, Lazard Group delivered to LAZ-MD Holdings an acknowledgement letter (the "acknowledgement letter") modifying the terms of the retention agreements of persons party to the amended and restated LAZ-MD stockholders' agreement who were at that time current managing directors. The modifications include Lazard Group's agreement that, in the event that any such person shall become entitled to exchangeability immediately following the third anniversary of the initial equity public offering, or May 10, 2008, of his or her LAZ-MD Holdings exchangeable interests, that person will not forfeit the right to early exchangeability with respect to the first tranche of his or her LAZ-MD Holdings exchangeable interests if he or she breaches the restrictive covenants (*i.e.* , non-compete and non-solicitation provisions) in the retention agreement of such individual (although shares in the second and third tranches that would otherwise become exchangeable would not be exchangeable until the eighth anniversary of our equity public offering (May 10, 2013) in such an instance). The terms of the acknowledgement letter were approved by our Board of Directors.

Registration Rights. On November 6, 2006, the LAZ-MD Holdings stockholders' agreement was amended and restated. The amended and restated stockholders' agreement modified in certain respects the terms of the registration rights granted to holders of the LAZ-MD Holdings exchangeable interests who are party to that agreement.

The amended and restated LAZ-MD Holdings stockholders' agreement provides that the holders of shares of Lazard Ltd's common stock already issued or to be issued upon exchange of the LAZ-MD Holdings exchangeable interests or the Lazard Group common membership interests currently held by LAZ-MD Holdings will be granted registration rights. These shares we refer to as "registrable securities," and the holders of these registrable securities we refer to as "holders." The holders are third-party beneficiaries for that purpose under the amended and restated LAZ-MD Holdings stockholders' agreement, meaning that they will have the right to request LAZ-MD Holdings to compel Lazard Ltd to honor those obligations under the amended and restated LAZ-MD Holdings stockholders' agreement.

The amended and restated LAZ-MD Holdings stockholders' agreement provides that, after exchange for shares of Lazard Ltd's common stock, each holder is entitled to unlimited "piggyback" registration rights, meaning that each holder can include his or her registrable securities in registration statements filed by Lazard Ltd, subject to certain limitations. Holders also have "demand" registration rights, meaning that, subject to certain limitations, after exchange for shares of Lazard Ltd's common stock, they may require us to register the registrable securities held by them, provided that the minimum number of registrable securities necessary to effect a "demand" registration is the lesser of (1) the number of shares having a market value in excess of \$50 million at such time (or \$20 million after the ninth anniversary of our equity public offering (May 10, 2014)) or (2) 2,000,000 shares of our common stock. Lazard Ltd will pay the costs associated with all such registrations. Moreover, Lazard Ltd also will use its reasonable best efforts to file and make effective a registration statement on the third through the ninth anniversaries of the separation and recapitalization, in order to register registrable securities that were issued on those anniversaries or otherwise subject to continuing volume or transfer restrictions under Rule 144 of the Securities Act upon the exchange of the LAZ-MD Holdings exchangeable interests and the Lazard Group common membership interests, provided that the amount of registrable securities subject to such registration constitutes at least \$50 million of shares of Lazard Ltd's outstanding common stock.

Shares of Lazard Ltd's common stock will cease to be registrable securities upon the consummation of any sale of such shares pursuant to an effective registration statement or under Rule 144 of the Securities Act or when they become eligible for sale under Rule 144 of the Securities Act. However, any holder who has shares that would have been registrable securities but for their eligibility for sale under Rule 144 and who holds, in the aggregate, an amount of registrable securities with a market value in excess of \$25 million of Lazard Ltd's outstanding common stock will be entitled to continued demand, annual registration and piggyback registration rights as described above.

Any amendments to the registration rights provisions of the amended and restated stockholders' agreement shall require the affirmative approval of holders holding two-thirds of the shares of Lazard Ltd common stock covered under the amended and restated stockholders' agreement in addition to the consent of Lazard Ltd and LAZ-MD Holdings, and any amendment that materially and adversely impacts the rights of any holder under the amended and restated stockholders' agreement will also require the consent of such holder or it will not apply to such person unless such amendment applies to and affects the rights of all holders equally, regardless of whether or not such person is providing services to Lazard Ltd.

Each holder of registrable securities party to the amended and restated stockholders' agreement may enforce his or her registration rights directly against Lazard Ltd, although LAZ-MD Holdings may elect to assume, seek and conduct the enforcement of any claims itself on behalf of such holder.

We expect that substantially all of Lazard Ltd's common stock to be issued upon exchange of the LAZ-MD Holdings exchangeable interests will have the foregoing registration rights.

Table of Contents

Voting Rights. Prior to any vote of the shareholders of Lazard Ltd, the LAZ-MD Holdings stockholders' agreement requires a separate, preliminary vote of the members of LAZ-MD Holdings who are party to the LAZ-MD Holdings stockholders' agreement (either by a meeting or by proxy or written instruction of the members of LAZ-MD Holdings) on each matter upon which a vote of the shareholders is proposed to be taken. Pursuant to the LAZ-MD Holdings stockholders' agreement, members of LAZ-MD Holdings holding LAZ-MD exchangeable interests who are party to that agreement are individually entitled to direct LAZ-MD Holdings how to vote their proportionate interest in Lazard Ltd's Class B common stock on an as-if-exchanged basis. For example, if a current or former working member's LAZ-MD Holdings exchangeable interests were exchangeable for 1,000 shares of Lazard Ltd's common stock, that working member would be able to instruct LAZ-MD Holdings how to vote 1,000 of the votes represented by the Class B common stock. However, the LAZ-MD Holdings Board of Directors has the ability to vote the voting interest represented by the Class B common stock in its discretion if the LAZ-MD Holdings Board of Directors determines that it is in the best interests of LAZ-MD Holdings.

The votes under the Class B common stock that are associated with any current or former working member who does not direct LAZ-MD Holdings how to vote on a particular matter will be abstained from voting. The terms of the LAZ-MD Holdings stockholders' agreement with respect to voting continue to apply to any party to the LAZ-MD Holdings stockholders' agreement who receives Lazard Group common membership interests upon exchange of his or her LAZ-MD Holdings exchangeable interests, until such time as that holder exchanges all of his or her Lazard Group common membership interests for shares of Lazard Ltd's common stock.

Certain Relationships with Our Directors, Executive Officers and Employees

On March 19, 2010, the Estate of Bruce Wasserstein and the Wasserstein family trusts sold 7,639,410 shares of Lazard Class A common stock in an underwritten public offering. In connection with such offering, pursuant to a letter agreement dated as of March 16, 2010, among Lazard, Lazard Group and a Wasserstein family trust, the trustees of the Wasserstein family trust agreed that Lazard's obligation to nominate one person designated by the trust to the Board of Directors of Lazard would terminate upon the completion of such offering and further agreed that Ellis Jones would not stand for reelection at Lazard's 2010 Annual General Meeting of Shareholders.

Laurent Mignon, a member of our Board of Directors, is the Chief Executive Officer of Natixis. In April 2004, Lazard Group and Natixis (as the successor to IXIS Corporate & Investment Bank) entered into a cooperation arrangement to place and underwrite securities on the French equity primary capital markets under a common brand, "Lazard-Natixis" (formerly "Lazard-Ixis"), and cooperate in their respective origination, syndication and placement activities. This cooperation covers French listed companies exceeding a market capitalization of €500 million. On March 15, 2005, Lazard Group and Natixis expanded this arrangement into an exclusive arrangement within France. The cooperation arrangement also provides for an alliance in real estate advisory work with the objective of establishing a common brand for advisory and financing operations within France. It also added an exclusive mutual referral cooperation arrangement, subject to the fiduciary duties of each firm, with the goal of referring clients from Lazard Group to Natixis for services relating to corporate banking, lending, securitizations and derivatives within France and from Natixis to Lazard Group for mergers and acquisitions advisory services within France. This expanded cooperation arrangement was set to expire during the third quarter of 2008, however, the arrangement continues to be applied in accordance with its general terms pending the outcome of the currently ongoing discussions regarding its formal extension. In 2009, the cooperation arrangement generated \$14.4 million of gross revenue for Lazard.

ITEM 2

APPROVAL OF THE BYE-LAW AMENDMENTS

On February 23, 2009, the Board of Directors of the Company approved, subject to the approval of our shareholders, certain amendments to the Company's Bye-laws (the "Bye-law Amendments") to (i) eliminate certain procedures affecting the ability of the Board of Directors to remove the Chairman and Chief Executive Officer of the Company or otherwise reduce or limit his or her power and authority, (ii) provide that, under certain circumstances, our Lead Director, if any, may preside over meetings of our shareholders and of our Board of Directors and (iii) make certain other technical amendments. The procedures affecting the ability of the Board of Directors to remove our Chairman and Chief Executive Officer were included in our Bye-laws at the time of our IPO pursuant to certain provisions in the employment agreement of our former Chairman and Chief Executive Officer, Bruce Wasserstein. The proposed Bye-law Amendments are designed to eliminate these legacy provisions held over from Mr. Wasserstein's employment agreement and to clarify the role of the Board's lead director (a newly created position) at certain meetings of our shareholders and of our Board of Directors. The proposed Bye-law Amendments also contain technical amendments to the Bye-laws, including to reflect the foregoing. Please see Annex B to this proxy statement for the text of the proposed Bye-law Amendments.

If the Bye-law Amendments are approved, they will have the general effect of (i) eliminating certain procedures affecting the ability of the Board of Directors to (1) revoke or terminate the appointment of, or request the resignation or retirement of, our Chairman and Chief Executive Officer and (2) revoke, reduce or limit the powers, authorities or discretions delegated or otherwise granted to our Chairman and Chief Executive Officer, (ii) authorizing our Lead Director, if any, to preside over meetings of our shareholders and our directors in certain circumstances and (iii) conforming the Bye-laws of the Company to reflect the foregoing changes.

This summary of the proposed Bye-law Amendments does not purport to be complete and is qualified in its entirety by reference to the full text of the proposed Bye-law Amendments attached to this proxy statement on Annex B.

The Bye-law Amendments will be adopted if a majority of the combined voting power of all of the shares of our common stock entitled to vote (regardless of the actual number of shares present or represented at the meeting) approve the amendments. If approved, the Bye-law Amendments will become effective promptly after shareholder approval is obtained.

The Board recommends that the shareholders vote FOR the approval of the Bye-Law Amendments.

AUDIT COMMITTEE REPORT

The primary function of the Audit Committee is to assist the Board of Directors in its oversight of Lazard's financial reporting process. The Committee operates pursuant to a charter approved by our Board of Directors. Management is responsible for Lazard's financial statements, the overall reporting process and the system of internal controls, including internal control over financial reporting. The independent registered public accounting firm ("independent auditors") is responsible for conducting annual audits and quarterly reviews of Lazard's financial statements and expressing an opinion as to the conformity of the annual financial statements with generally accepted accounting principles in the United States of America and expressing an opinion on management's annual assessment of internal control over financial reporting.

In the performance of its oversight function, the Committee has reviewed and discussed the audited financial statements as of and for the year ended December 31, 2009 with management and the independent auditors. The Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*. Finally, the Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, has considered whether the provision of other non-audit services by the independent auditors to the Company is compatible with maintaining the independent auditor's independence and has discussed with the independent auditors the auditors' independence.

It is not the duty or responsibility of the Committee to conduct auditing or accounting reviews or procedures. In performing their oversight responsibility, members of the Committee rely without independent verification on the information provided to them, and on the representations made, by management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions do not assure that the audit of Lazard's financial statements has been carried out in accordance with generally accepted auditing standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based upon the review and discussions described in this report, and subject to the limitations on the role and responsibilities of the Committee referred to above and in the charter, the Committee recommended to our Board of Directors that the audited financial statements referred to above be included in Lazard's Annual Report on Form 10-K for the year ended December 31, 2009 to be filed with the Securities and Exchange Commission.

Dated as of February 22, 2010

ITEM 3

**RATIFICATION OF APPOINTMENT OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has recommended the selection of Deloitte & Touche LLP as our independent registered public accounting firm for the 2010 fiscal year, subject to shareholder ratification. Deloitte & Touche LLP will audit our consolidated financial statements for fiscal 2010 and perform other services. Deloitte & Touche LLP acted as Lazard’s independent registered public accounting firm for the year ended December 31, 2009. In addition to this appointment, shareholders are requested to authorize the Board of Directors of the Company, acting by the Audit Committee of the Company, to set the remuneration for Deloitte & Touche LLP for their audit of the Company for the year ended December 31, 2010. A Deloitte & Touche LLP representative will be present at the meeting, and will have an opportunity to make a statement and to answer your questions. The affirmative vote of a majority of the combined voting power of all of the shares of Lazard common stock present or represented and entitled to vote at the annual general meeting is required to ratify the appointment of Deloitte & Touche LLP. Unless otherwise directed in the proxy, the persons named in the proxy will vote **FOR** the ratification of Deloitte & Touche LLP. The Board recommends you vote **FOR** this proposal. If a majority of the votes cast on this matter are not cast in favor of the appointment of Deloitte & Touche LLP, the Board of Directors of the Company, in its discretion may select another independent auditor as soon as possible.

Fees of Independent Registered Public Accounting Firm

For the fiscal years ended December 31, 2009 and 2008, fees for services provided by Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu and their respective affiliates were as follows (in thousands of dollars):

Fees	2009	2008
Audit Fees for the audit of Lazard’s annual financial statements, the audit of the effectiveness of Lazard’s controls over financial reporting and reviews of the financial statements included in Lazard’s quarterly reports on Form 10-Q, including services in connection with statutory and regulatory filings or engagements	\$6,250	\$6,310
Audit-Related Fees , including fees for audits of employee benefit plans, computer and control related audit services, agreed-upon procedures, merger and acquisition assistance and other accounting research services	\$1,120	\$ 829
Tax Fees for tax consulting and compliance services not related to the audit	\$1,223	\$1,095
All Other Fees	\$ 30	\$ 30

The Audit Committee has adopted a policy regarding pre-approval of audit and non-audit services provided by Deloitte & Touche LLP to Lazard and its subsidiaries. The policy provides the guidelines necessary to adhere to Lazard’s commitment to auditor independence and compliance with relevant laws, regulations and guidelines relating to auditor independence. The policy contains a list of prohibited non-audit services, and sets forth four categories of permitted services (Audit, Audit-Related, Tax and Other), listing the types of permitted services in each category. All of the permitted services require pre-approval by the Audit Committee. In lieu of Audit Committee pre-approval on an engagement-by-engagement basis, each category of permitted services, with reasonable detail as to the types of services contemplated, is pre-approved as part of the annual budget approval by the Audit Committee. Permitted services not contemplated during the budget process must be presented to the Audit Committee for approval prior to the commencement of the relevant engagement. The Audit Committee chair, or, if he is not available, any other member of the Committee, may grant approval for any such engagement if approval is required prior to the next scheduled meeting of the Committee. At least twice a year,

the Audit Committee is presented with a report showing amounts billed by the independent auditor compared to the budget approvals for each of the categories of permitted services. The Audit Committee reviews the suitability of the pre-approval policy at least annually.

SHAREHOLDER PROPOSALS AND NOMINATIONS FOR THE 2011 ANNUAL GENERAL MEETING

Proxy Statement Proposals. Under the rules of the SEC, proposals that shareholders seek to have included in the proxy statement for our next annual general meeting of shareholders must be received by the Secretary of Lazard not later than November 25, 2010.

Other Proposals and Nominations. Our Bye-laws govern the submission of nominations for director or other business proposals that a shareholder wishes to have considered at a meeting of shareholders, but which are not included in Lazard's proxy statement for that meeting. Under our Bye-laws, nominations for director or other business proposals to be addressed at our next annual general meeting may be made by a shareholder entitled to vote who has delivered a notice to the Secretary of Lazard no later than the close of business on January 27, 2011, and not earlier than December 28, 2010. The notice must contain the information required by the Bye-laws.

These advance notice provisions are in addition to, and separate from, the requirements that a shareholder must meet in order to have a proposal included in the proxy statement under the rules of the SEC.

A proxy granted by a shareholder will give discretionary authority to the proxies to vote on any matters introduced pursuant to the above advance notice Bye-law provisions, subject to applicable rules of the SEC.

LAZARD LTD
STANDARDS OF DIRECTOR INDEPENDENCE

The Board has established these guidelines to assist it in determining whether or not directors qualify as “independent” pursuant to the guidelines and requirements set forth in the New York Stock Exchange’s Corporate Governance Rules. In each case, the Board will broadly consider all relevant facts and circumstances and shall apply the following standards (in accordance with the guidance, and subject to the exceptions, provided by the New York Stock Exchange in its Commentary to its Corporate Governance Rules):

1. Employment and commercial relationships affecting independence.

A. Current Relationships. A director will not be independent if: (i) the director is a current partner or current employee of Lazard’s internal or external auditor; (ii) an immediate family member of the director is a current partner of Lazard’s internal or external auditor; (iii) an immediate family member of the director is (a) a current employee of Lazard’s internal or external auditor and (b) participates in the internal or external auditor’s audit, assurance or tax compliance (but not tax planning) practice; (iv) the director is a current employee, or an immediate family member of the director is a current executive officer, of an entity that has made payments to, or received payments from, Lazard for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million or 2% of such other company’s consolidated gross revenues; or (v) an immediate family member of the director is currently an executive officer of Lazard.

B. Relationships within Preceding Three Years. A director will not be independent if, within the preceding three years: (i) the director is or was an employee of Lazard; (ii) an immediate family member of the director is or was an executive officer of Lazard; (iii) the director or an immediate family member of the director was (but no longer is) a (a) partner or employee of Lazard’s internal or external auditor and (b) personally worked on Lazard’s audit within that time; (iv) the director or an immediate family member of the director received more than \$100,000 in direct compensation in any twelve-month period from Lazard, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service); or (v) a present Lazard executive officer is or was on the Compensation Committee of the Board of Directors of a company that concurrently employed the Lazard director or an immediate family member of the director as an executive officer.

2. Relationships not deemed material for purposes of director independence.

In addition to the provisions of Section 1 above, each of which must be fully satisfied with respect to each independent director, the Board must affirmatively determine that the director has no material relationship with Lazard. To assist the Board in this determination, and as permitted by the New York Stock Exchange’s Corporate Governance Rules, the Board has adopted the following categorical standards of relationships that are not considered material for purposes of determining a director’s independence. Any determination of independence for a director that does not meet these categorical standards will be based upon all relevant facts and circumstances and the Board shall disclose the basis for such determination in the Company’s proxy statement.

A. Equity Ownership. A relationship arising solely from a director’s ownership of an equity or limited partnership interest in a party that engages in a transaction with Lazard, so long as such director’s ownership interest does not exceed 5% of the total equity or partnership interests in that other party.

B. Director Status. A relationship arising solely from a director’s position as (i) director or advisory director (or similar position) of another company or for-profit corporation or organization that engages in a transaction with Lazard or (ii) director or trustee (or similar position) of a tax exempt organization that engages in a transaction with Lazard (other than a charitable contribution to that organization by Lazard).

Table of Contents

C. Ordinary Course. A relationship arising solely from financial services transactions between Lazard and a company of which a director is an executive officer, employee or owner of 5% or more of the equity of that company, if such transactions are made in the ordinary course of business and on terms and conditions and under circumstances that are substantially similar to those prevailing at the time for companies with which Lazard has a comparable relationship and that do not have a director of Lazard serving as an executive officer.

D. Indebtedness. A relationship arising solely from a director's status as an executive officer, employee or owner of 5% or more of the equity of a company to which Lazard is indebted at the end of Lazard's preceding fiscal year, so long as the aggregate amount of the indebtedness of Lazard to such company is not in excess of 5% of Lazard's total consolidated assets at the end of Lazard's preceding fiscal year.

E. Charitable Contributions. The director serves as an officer, employee, director or trustee of a tax exempt organization, and the discretionary charitable contributions by Lazard to the organization are less than the greater of \$1 million or 2% of the organization's aggregate annual charitable receipts during the organization's preceding fiscal year.

F. Personal Relationships. The director receives products or services (*e.g.* , investment products or investment management services) from Lazard in the ordinary course of business and on substantially the same terms as those prevailing at the time for comparable products or services provided to unaffiliated third parties.

G. Other. Any other relationship or transaction that is not covered by any of the standards listed above and in which the amount involved does not exceed \$10,000 in any fiscal year shall not be deemed a material relationship or transaction that would cause a director not to be independent.
