

LINN Energy Announces First Quarter 2012 Earnings Conference Call

HOUSTON, April 10, 2012 (GLOBE NEWSWIRE) -- LINN Energy, LLC (Nasdaq:LINE) announced today that management will host a conference call Thursday, April 26, at 10 a.m. Central/11 a.m. Eastern to discuss the company's first quarter 2012 results and its outlook for the remainder of 2012. Prepared remarks by Mark E. Ellis, Chairman, President and Chief Executive Officer, and Kolja Rockov, Executive Vice President and Chief Financial Officer, will be followed by a question and answer period.

Prior to trading Thursday, April 26, LINN Energy expects to issue its earnings results for the first quarter 2012, as well as guidance for the remainder of 2012.

Investors and analysts are invited to participate in the call by phone at (877) 224-9081 (Conference ID: 11459310) or via the internet at www.linnenergy.com. A replay of the call will be available on the company's website or by phone at (855) 859-2056 (Conference ID: 11459310) for a seven-day period following the call.

ABOUT LINN ENERGY

LINN Energy's mission is to acquire, develop and maximize cash flow from a growing portfolio of long-life oil and natural gas assets. LINN Energy is a top-15 U.S. independent oil and natural gas development company, with approximately 4.3 Tcfe of proved reserves (pro forma for announced 2012 acquisitions) in producing U.S. basins as of Dec. 31, 2011. More information about LINN Energy is available at www.linnenergy.com.

This press release includes "forward-looking statements." All statements, other than statements of historical facts, included in this press release that address activities, events or developments that the Company expects, believes or anticipates will or may occur in the future are forward-looking statements. These statements include, but are not limited to forward-looking statements about acquisitions and the expectations of plans, strategies, objectives and anticipated financial and operating results of the Company, including the Company's drilling program, production, hedging activities, capital expenditure levels and other guidance included in this press release. These statements are based on certain assumptions made by the Company based on management's experience and perception of historical trends, current conditions, anticipated future developments and other factors believed to be appropriate. Such statements are subject to a number of assumptions, risks and uncertainties, many of which are beyond the control of the Company, which may cause actual results to differ materially from those implied or expressed by the forward-looking statements. These include risks relating to the Company's financial performance and results, availability of sufficient cash flow to pay distributions and execute its business plan, prices and demand for oil, natural gas and natural gas liquids, the ability to replace reserves and efficiently develop current reserves and other important factors that could cause actual results to differ materially from those projected as described in the Company's reports filed with the Securities and Exchange Commission. See "Risk Factors" in the Company's Annual Report filed on Form 10-K and other public filings and press releases.

Any forward-looking statement speaks only as of the date on which such statement is made and the Company undertakes no obligation to correct or update any forward-looking statement, whether as a result of new information, future events or otherwise.
