

L-1 Identity Solutions Receives \$9.6 Million in New Orders for HIIDETM and PIER

STAMFORD, Conn., Aug 17, 2009 (BUSINESS WIRE) -- L-1 Identity Solutions, Inc. (NYSE: ID), a leading provider of identity solutions and services, received new orders totaling \$9.6 million for HIIDE and PIER mobile biometric recognition systems to be deployed in areas of conflict as part of existing customer agreements. Two thirds of the HIIDE order and all of the PIERS are expected to ship in the third quarter. The remaining HIIDEs will be shipped in Q4 2009. The order was received by the Biometrics Division of L-1.

"These orders continue to reinforce our position as a premier supplier of proven technology that is unmatched in the field and critical to our troops' safety and the security of our nation," said Robert V. LaPenta, Chairman, President and CEO of L-1 Identity Solutions.

HIIDE is the world's first ruggedized tri-modal mobile biometric enrollment and recognition device providing real-time identification using iris, finger and face biometrics. First introduced in 2005, it is the most pervasive device of its kind with over 10,000 devices fielded into areas of global conflict. It is also the most widely deployed multi-modal device with defense agencies. More than 4,500 PIER devices are in the field today, used for iris-based mobile biometric enrollment and identification.
