TO OUR STOCKHOLDERS:

Notice is hereby given that the 2010 annual meeting of the stockholders, or the Annual Meeting, of lululemon athletica inc., a Delaware corporation, will be held on June 9, 2010, at 10:00 a.m. local time, in the Jade Ballroom at the Fairmont Pacific Rim Hotel located at 1038 Canada Place, Vancouver, British Columbia, for the following purposes:

1. To elect two Class III directors to hold office for a three-year term and until their respective successors are elected and qualified.
2. To ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending January 30, 2011.
3. To transact such other business as may properly come before the meeting.

Our board of directors, or the Board, recommends that you vote "FOR" the election of each of the nominees to the Board and "FOR" the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm.

Stockholders of record at the close of business on April 21, 2010 are entitled to notice of, and to vote at, this meeting and any adjournment or postponement thereof. In accordance with our Third Amended and Restated Bylaws, a list of those stockholders entitled to vote at the Annual Meeting will be available for examination by any stockholder, for any purpose relating to the meeting, at the office of the Secretary, lululemon athletica inc., 2285 Clark Drive, Vancouver, British Columbia, beginning May 3, 2010. The list will also be available at the Annual Meeting.

We are pleased to continue using the Securities and Exchange Commission's "Notice and Access" delivery model allowing companies to furnish proxy materials to their stockholders over the Internet. We believe that this delivery process will expedite stockholders' receipt of proxy materials and lower the costs and reduce the environmental impact of our Annual Meeting. On or about April 27, 2010, we intend to mail to our stockholders of record as of April 21, 2010 a Notice of Internet Availability of Proxy Materials, or the Notice, containing instructions on how to access our Proxy Statement and Annual Report to Stockholders for the fiscal year ended January 31, 2010. This Notice also provides instructions on how to vote online and includes instructions on how to receive a paper copy of the proxy materials by mail.

All stockholders are invited to attend the Annual Meeting. If you are a stockholder of record as of April 21, 2010, you will be admitted to the meeting if you present a form of photo identification. If you own stock beneficially through a bank, broker or otherwise, you will be admitted to the meeting if you present a form of photo identification and proof of ownership or a valid proxy signed by the record holder. A recent brokerage statement or a letter from a bank or broker are examples of proof of ownership. **Whether or not you plan to attend the Annual Meeting, please vote your shares via the Internet, as described in the accompanying materials, to assure that your shares are represented at the meeting, or, if you elect to receive a paper copy of the proxy card by mail, you may mark, sign and date the proxy card and return it in the enclosed postage-paid envelope. If you attend the meeting you will, of course, have the right to revoke the proxy and vote your shares in person.**

PROXY STATEMENT

2010 ANNUAL MEETING OF STOCKHOLDERS

WEDNESDAY, JUNE 9, 2010

GENERAL INFORMATION

This Proxy Statement is being provided to solicit proxies on behalf of the board of directors of lululemon athletica inc. for use at the 2010 annual meeting of stockholders to be held on Wednesday, June 9, 2010, at 10:00 a.m., local time, in the Jade Ballroom at the Fairmont Pacific Rim Hotel, 1038 Canada Place, Vancouver, British Columbia, and at any adjournment or postponement thereof. We expect to first make this Proxy Statement available, together with our Annual Report for the fiscal year ended January 31, 2010, to stockholders on approximately April 27, 2010.

Our principal offices are located at 2285 Clark Drive, Vancouver, British Columbia V5N 3G9.

In this Proxy Statement, we refer to lululemon athletica inc. as lululemon, we, us or the company.

Internet Availability of Annual Meeting Materials

Under rules adopted by the Securities and Exchange Commission, or SEC, we have elected to provide access to our proxy materials over the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials, or the Notice, to our stockholders of record. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or to request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice. You will not receive a printed copy of the proxy materials unless you request one in the manner set forth in the Notice. This permits us to conserve natural resources and reduces our printing costs, while giving stockholders a convenient and efficient way to access our proxy materials and vote their shares.

We intend to mail the Notice on or about April 27, 2010 to all stockholders of record entitled to vote at the Annual Meeting.

Who May Vote

Only holders of record of our Common Stock and holders of record of our Special Voting Stock, which we refer to as the Exchangeable Stock, at the close of business on April 21, 2010, or the Record Date, will be entitled to notice of, and to vote at, the Annual Meeting. On the Record Date, 51,430,555 shares of Common Stock and 19,321,328 shares of Exchangeable Stock were issued and outstanding. Each share of Common Stock is entitled to one vote at the Annual Meeting and each share of Exchangeable Stock is entitled to one vote at the Annual Meeting. Holders of Common Stock and Exchangeable Stock will vote together as a single class on all matters that come before the Annual Meeting; accordingly, throughout this Proxy Statement we refer generally to our outstanding Common Stock and Special Voting Stock as our "Common Stock."

What Constitutes a Quorum

Stockholders may not take action at the Annual Meeting unless there is a quorum present at the meeting. The presence, in person or by proxy, of a majority of the outstanding shares of Common Stock entitled to vote as of the close of business on the Record Date constitutes a quorum. Abstentions and broker non-votes will count toward establishing a quorum. Broker non-votes occur when brokers holding shares in street name for beneficial owners do not receive instructions from the beneficial owners about how to vote the shares. An abstention occurs when a stockholder withholds such stockholder's vote by checking the "abstain" box on the proxy card, or similarly elects to abstain via the Internet voting. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have the discretion to vote such shares on routine matters, including the ratification of appointment of independent registered accounting firm.

Vote Required

Under applicable law and our Third Amended and Restated Bylaws, if a quorum is present at the Annual Meeting, the two director candidates who receive the greatest number of votes cast for the election of directors by shares present in person or represented by proxy and entitled to vote shall be elected directors. The ratification of the appointment of our independent registered public accounting firm requires the affirmative vote of a majority of the votes cast at the Annual Meeting. You are not entitled to cumulative voting rights in the election of directors.

Voting Process

Shares that are properly voted or for which proxy cards are properly executed and returned will be voted at the Annual Meeting in accordance with the directions given or, in the absence of directions, will be voted “FOR” the election of each nominee to the Board named herein, and “FOR” the ratification of the appointment of our independent registered public accounting firm. It is not expected that any other matters will be brought before the Annual Meeting. If, however, other matters are properly presented, the persons named as proxies will vote in accordance with their discretion with respect to such matters.

The manner in which your shares may be voted depends on how your shares are held. If you are the record holder of your shares, meaning you appear as the stockholder of your shares on the records of our stock transfer agent, you may vote those shares via the Internet, or, if you request a printed copy of the proxy materials, via a proxy card for voting those shares included with the printed proxy materials. If you own shares in street name, meaning you are a beneficial owner with your shares held through a bank or brokerage firm, you may instead receive a voting instruction form with this Proxy Statement that you may use to instruct your bank or brokerage firm how to vote your shares.

Voting on the Internet

You can vote your shares via the Internet by following the instructions in the Notice. The Internet voting procedures are designed to authenticate your identity and to allow you to vote your shares and confirm your voting instructions have been properly recorded. If you vote via the Internet, you do not need to complete and mail a proxy card. We encourage you to vote your shares via the Internet even if you plan to attend the Annual Meeting.

Voting by Mail

You can vote your shares by mail by requesting a printed copy of the proxy materials sent to your address. When you receive the proxy materials, you may fill out the proxy card enclosed therein and return it per the instructions on the card. By signing and returning the proxy card according to the instructions provided, you are enabling the individuals named on the proxy card, known as “proxies,” to vote your shares at the Annual Meeting in the manner you indicate. If you request a printed copy of the proxy materials, we encourage you to sign and return the proxy card even if you plan to attend the Annual Meeting.

Voting by Telephone

You may be able to vote by telephone. If so, instructions are included with your Notice. If you vote by telephone, you do not need to complete and mail your proxy card.

Attendance and Voting at the Annual Meeting

If you are the record holder of your shares, you may attend the Annual Meeting and vote in person. You will be required to present a form of photo identification for admission to the Annual Meeting. If you own your stock in street name, you may attend the Annual Meeting in person provided that you present a form of photo identification and proof of ownership, such as a recent brokerage statement or a letter from a bank or broker, but in order to vote your shares at the Annual Meeting you must obtain a “legal proxy” from the bank or brokerage firm that holds your shares. You should contact your bank or brokerage account representative to obtain a legal proxy.

Revocation

If you are the record holder of your shares, you may revoke a previously granted proxy at any time before the Annual Meeting by delivering to the Secretary of lululemon athletica inc. a written notice of revocation or a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Any stockholder owning shares in street name may change or revoke previously given voting instructions by contacting the bank or brokerage firm holding the shares or by obtaining a legal proxy from such bank or brokerage firm and voting in person at the Annual Meeting. Your personal attendance at the Annual Meeting does not revoke your proxy. Your last vote, prior to or at the Annual Meeting, is the vote that will be counted.

Householding

The SEC permits companies to send a single Notice, and for those stockholders that elect to receive a paper copy of proxy materials in the mail one copy of this Proxy Statement, together with our Annual Report for the fiscal year ended January 31, 2010, or fiscal 2009, to any household at which two or more stockholders reside, unless contrary instructions have been received, but only if we provide advance notice and follow certain procedures. In such cases, each stockholder continues to receive a separate Notice, and for those stockholders that elect to receive a paper copy of proxy materials in the mail, one copy of our fiscal 2009 Annual Report and this Proxy Statement. This householding process reduces the volume of duplicate information and reduces printing and mailing expenses. We have not instituted householding for stockholders of record; however, certain brokerage firms may have instituted householding for beneficial owners of our Common Stock held through brokerage firms. If your family has multiple accounts holding our Common Stock, you may have already received householding notification from your broker. Please contact your broker directly if you have any questions or require additional copies of the Notice, our fiscal 2009 Annual Report and this Proxy Statement. The broker will arrange for delivery of a separate copy of the Notice, and, if so requested, a separate copy of these proxy materials promptly upon your written or oral request. You may decide at any time to revoke your decision to household, and thereby receive multiple copies.

Solicitation of Proxies

We pay the cost of soliciting proxies for the Annual Meeting. We solicit by mail, telephone, personal contact and electronic means and arrangements are made with brokerage houses and other custodians, nominees and fiduciaries to send Notices, and if requested, other proxy materials, to beneficial owners. Upon request, we will reimburse them for their reasonable expenses. In addition, our directors, officers and employees may solicit proxies, either personally or by telephone, facsimile or written or electronic mail. Our transfer agent, Computershare Trust Company, N.A., will assist in the solicitation of proxies. The transfer agent does not charge a separate fee for this service. We will reimburse the transfer agent for any expenses related to proxy solicitation. Stockholders are requested to return their proxies without delay.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

At the Annual Meeting, two Class III directors are to be elected to hold office for a term of three years. One of our current Class III directors, David M. Mussafer, will resign as a Class III director of the company effective immediately prior to the Annual Meeting, and the size of the Board and the number of Class III directors will each be reduced by one. Each director will serve until his or her successor shall be elected and qualified. The Board has no reason to believe that any of the nominees listed below will be unable to serve as a director. If, however, any nominee becomes unavailable, the proxies will have discretionary authority to vote for a substitute nominee. There are no family relationships among any of the directors or executive officers.

Unless authority to do so is withheld, the persons named as proxies will vote “FOR” the election of the nominees listed below.

Rhoda M. Pitcher has been a member of our Board since December 2005. For the past 12 years, she has been the founder and CEO of Rhoda M Picher Inc., a management consulting firm providing services in organizational strategy and the building of executive capability to Fortune 500 corporations, institutions, start-ups and non-profits. From 1978 to 1997, Ms. Pitcher co-founded, built and sold two international consulting firms. Ms. Pitcher holds a Master's degree in Organization Development from University Associates. The Board selected Ms. Pitcher to serve as director because she has extensive experience in management consulting, culture development and strategic planning. The Board believes her considerable knowledge of our business gained from more than five years as a director of lululemon makes her well suited to provide advice with respect to our strategic plans, culture and marketing programs.

Independence of the Board

Pursuant to the listing standards of The Nasdaq Stock Market, or NASDAQ, a majority of the members of our Board must qualify as "independent," as affirmatively determined by the Board. The Board consults with our outside legal counsel to ensure that the Board's determinations are consistent with relevant securities and other laws and regulations regarding the definition of "independent," including those set forth in the NASDAQ listing standards in effect at the time of the determination.

Consistent with these considerations, after review of all relevant transactions or relationships between each director, or any of his or her family members, and lululemon, our senior management and our independent auditors, the Board has affirmatively determined that the following seven directors are independent directors within the meaning of the applicable NASDAQ listing standards: Michael Casey, RoAnn Costin, R. Brad Martin, Martha A.M. Morfitt, David M. Mussafer, Rhoda M. Pitcher and Thomas G. Stemberg. In making this determination, the Board found that none of these directors had a material or other disqualifying relationship with the company. Dennis J. Wilson, our Chairman of the Board and our Chief Innovation and Branding Officer, and Christine M. Day, our Chief Executive Officer, are not independent directors by virtue of their current employment with lululemon.

Executive Sessions

Non-management directors meet in an executive session without management present each time the Board holds its regularly scheduled meetings. Mr. Martin has been designated by the Board to act as the Lead Director for such executive sessions of non-management directors.

Committees and Meeting Attendance

The Board has an Audit Committee, a Management Development and Compensation Committee and a Nominating and Governance Committee. Each of these committees operates under a written charter adopted by the Board. Copies of these charters are available on our website at www.lululemon.com. The Board held eight meetings during fiscal 2009. Each of the standing committees of the Board held the number of meetings indicated below. During fiscal 2009, each of our directors attended at least 75% of the total number of meetings of the Board and all of the committees of the Board on which such director served during that period. Directors are encouraged to attend our annual meetings of stockholders. Five directors attended the 2009 annual meeting of stockholders.

The following table sets forth the three standing committees of the Board, the members of each committee during fiscal 2009 and the number of meetings held by each committee:

The Nominating and Governance Committee is responsible for matters relating to the corporate governance of our company and the nomination of members of the Board and committees thereof. The current members of the Nominating and Governance Committee are R. Brad Martin (Chairman), Thomas G. Stemberg, David M. Mussafer, and Rhoda M. Pitcher. Mr. Mussafer will resign from the Board, including the Nominating and Governance Committee, effective immediately prior to the Annual Meeting. The Board has determined that all members of the Nominating and Governance Committee meet the independence requirements of NASDAQ. The Nominating and Governance Committee held four meetings during fiscal 2009.

Director Nominations

The Nominating and Governance Committee considers nominees recommended by directors, officers, employees, stockholders, and others based upon each candidate's qualifications, including whether a candidate possesses any of the specific qualities and skills desirable in certain members of the Board. Nominees for the Board must be committed to enhancing long-term stockholder value and possess a high level of personal and professional ethics, sound business judgment, appropriate experience and achievements, personal character and integrity. Board members are expected to understand our business and the industry in which we operate, regularly attend Board and committee meetings, participate in meetings and decision making processes in an objective and constructive manner and be available to advise our officers and management. Evaluations of candidates generally involve a review of background materials, internal discussions, and interviews with selected candidates, as appropriate. Upon selection of a qualified candidate, the Nominating and Governance Committee recommends the candidate to the Board. The Nominating and Governance Committee may engage consultants or third-party search firms to assist in identifying and evaluating potential nominees.

The Nominating and Governance Committee does not have a formal policy regarding the consideration of diversity in identifying nominees for directors. Once the Nominating and Governance Committee has confirmed that an individual meets the general qualifications for a director, and has further determined that such individual is appropriately qualified to serve on our Board, the Nominating and Governance Committee then considers the extent to which the membership of the candidate on the Board would promote a diversity of perspectives, backgrounds and experiences among the directors, including expertise and experience in a diversity of substantive matters pertaining to our business. However, the Board does not believe the subjective and varying nature of this nomination process lend itself to a formal policy or fixed rules with respect to the diversity of the Board.

The Nominating and Governance Committee will consider director candidates recommended by stockholders. The Nominating and Governance Committee will evaluate director candidates in light of several factors, including the general criteria set forth above. Stockholders who wish to recommend individuals for consideration by the Nominating and Governance Committee to become nominees for election to the Board at an annual meeting of stockholders must do so in accordance with the procedures set forth in "Stockholder Proposals to be Presented at the 2011 Annual Meeting of Stockholders" section of this Proxy Statement and in compliance with our bylaws. Each submission must set forth: the name and address of the stockholder on whose behalf the submission is made; the number of our shares that are owned beneficially by such stockholder as of the date of the submission and the time period for which such shares have been held; the derivative securities interests owned beneficially by such stockholder as of the date of the submission; a statement from the record holder of the shares and derivative securities interests verifying the holdings; the full name of the proposed candidate; a description of the proposed candidate's business experience for at least the previous five years; complete biographical information for the proposed candidate; a description of the proposed candidate's qualifications as a director; and any other information described in our bylaws and in our "Guidelines for Evaluating Director Candidates," which is available on our website at www.lululemon.com. To date, the Nominating and Governance Committee has not received a director nomination from a stockholder or stockholders holding more than 5% of our voting stock.

Board Leadership Structure

Our Board believes that one of its most important functions is to protect stockholders' interests through independent oversight of management, including the Chief Executive Officer. However, the Board does not believe that effective management oversight necessarily mandates a particular management structure, such as a separation

of the role and identities of the Chairman of the Board and Chief Executive Officer. The Board considers it important to retain flexibility to exercise its judgment as to the most appropriate management structure for lululemon, based on the particular circumstances facing lululemon from time to time.

Currently, the positions of Chairman of the Board and Chief Executive Officer are held by separate persons because the Board has determined that this structure aids in the oversight of management and is in the best interests of the company and its stockholders at this point in time. Dennis J. Wilson currently serves as Chairman of our Board and also serves as our Chief Innovation and Branding Officer. The Board believes that Mr. Wilson, as the original founder of lululemon, is in a unique position to support continuity in both the product vision and the cultural values of the company that have been an integral part of our success, and that his role as Chairman enables him to be more effective in this role.

The Board has also appointed R. Brad Martin as Lead Director. Since our Chairman, Dennis J. Wilson, is employed by the company, the Board believes it is desirable also to appoint one of its independent members as Lead Director, to provide an additional level of independent oversight over management. The Lead Director, together with the Chairman, performs numerous functions, including working with the Chief Executive Officer and Board committee chairs to develop agendas for Board and committee meetings. In addition, the Lead Director presides at Board meetings when the Chairman is not present, develops agendas for executive sessions of the non-management directors, serves as a liaison between the Chairman and the Chief Executive Officer and the other non-management directors, approves information sent to the Board, approves meeting agendas and schedules for the Board, has the authority to call meetings of the non-management directors and performs such other functions and responsibilities as requested by the Chairman or the Board from time to time.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics that applies to all of the officers, directors and employees of lululemon and its subsidiaries. The most current version is available on our website at www.lululemon.com. If we make any substantive amendments to the code or grant any waiver from a provision of the code to any executive officer or director, we will promptly disclose the nature of the amendment or waiver on our website, as well as via any other means required by NASDAQ rules or applicable law.

Risk Oversight

In its governance role, and particularly in exercising its duty of care and diligence, the Board is responsible for ensuring that appropriate risk management policies and procedures are in place to protect the company's assets and business. While the Board has the ultimate oversight responsibility for the risk management process, the Board has delegated to the Audit Committee the initial responsibility of overseeing the company's risk assessment and risk management. In fulfilling its delegated responsibility, the Audit Committee has directed management to ensure that an approach to risk management is implemented as a part of the day-to-day operations of lululemon, and to design internal control systems with a view to identifying and managing material risks.

On a periodic basis (not less than quarterly), the Audit Committee reviews and discusses with our Chief Executive Officer, our Risk and Compliance Team and our internal auditors the company’s significant financial risk exposures and the steps that management has taken to monitor, control and report such risks. In addition, the Audit Committee regularly evaluates the company’s policies, procedures and practices with respect to enterprise risk assessment and risk management, including discussions with management about material risk exposures and the steps being taken to monitor, control and report such risks. The Audit Committee reports its activities to the full Board on a regular basis (not less than annually) and in that regard makes such recommendations to the Board with respect to risk assessment and management as it may deem necessary or appropriate.

Management Development and Compensation Committee Interlocks and Insider Participation

One of the current members of our Management Development and Compensation Committee, David M. Mussafer, briefly served as a corporate officer of lululemon and a subsidiary during part of fiscal 2007 prior to our initial public offering in July 2007. The other three members of the Management Development and Compensation Committee, R. Brad Martin, Thomas G. Stenberg and Rhoda M. Pitcher, have never served as one of our officers or employees. None of our executive officers currently serves, or in fiscal 2009 served, as a member of the board or compensation committee of any entity that has one or more executive officers who serve on our Board or Management Development and Compensation Committee. Mr. Mussafer will resign from the Board and the Management Development and Compensation Committee effective immediately prior to the Annual Meeting.

Director and Officer Stock Ownership Guidelines

In June 2008, we adopted our Director and Officer Stock Ownership Guidelines due to our belief that our officers and non-employee directors should have a meaningful ownership stake in lululemon to underscore the clear linkage of officer, director, and stockholder interests and to encourage a long-term perspective in managing lululemon. Accordingly, our Nominating and Governance Committee adopted formal stock ownership requirements as follows:

<u>Position</u>	<u>Minimum Ownership Requirements</u> (Dollar Value of Shares)
Directors	4 x Annual Retainer Compensation
Chief Executive Officer	3 x Base Salary
Other Executive Officers reporting to Chief Executive Officer	1 x Base Salary

Non-employee directors and executive officers subject to the guidelines are encouraged to comply with the guidelines by April 2013. New non-executive directors and executive officers who report directly to the Chief Executive Officer are encouraged to comply with these guidelines within five years after their date of hire, appointment or election. The guidelines are voluntary.

**RATIFICATION OF APPOINTMENT OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board has selected PricewaterhouseCoopers LLP, or PwC, as our independent registered public accounting firm to audit the consolidated financial statements of lululemon for the fiscal year ending January 30, 2011. PwC has acted in such capacity since its appointment in fiscal 2006. A representative of PwC is expected to be present at the Annual Meeting, with the opportunity to make a statement if the representative desires to do so, and is expected to be available to respond to appropriate questions.

The following table sets forth the aggregate fees billed to lululemon for the fiscal years ended January 31, 2010 and February 1, 2009 by PwC:

	<u>Fiscal 2009</u>	<u>Fiscal 2008</u>
Audit Fees(1)	\$632,542	\$697,614
Audit-Related Fees(2)	\$0	\$0
Tax Fees(3)	\$0	\$0
All Other Fees(4)	\$0	\$0

None of the services related to Audit-Related Fees, Tax Fees or All Other Fees described above was approved by the Audit Committee pursuant to the waiver of pre-approval provisions set forth in applicable rules of the SEC. The Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by our independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services. The independent registered public accounting firm and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval. The Chairman of the Audit Committee is also authorized, pursuant to delegated authority, to pre-approve additional services of up to \$25,000 per engagement on a case-by-case basis, and such approvals are communicated to the full Audit Committee at its next meeting.

Vote Required and Board Recommendation

Approval of this proposal requires the affirmative vote of a majority of the votes cast affirmatively or negatively on the proposal at the Annual Meeting, as well as the presence of a quorum representing a majority of all outstanding shares of our Common Stock, either in person or by proxy. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum but will not have any effect on the outcome of the proposal.

The Board unanimously recommends a vote "FOR" the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending January 30, 2011.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees lululemon's financial reporting process on behalf of the Board. Management has the primary responsibility for the financial statements and the reporting process, including internal control systems. Our independent registered public accounting firm, PricewaterhouseCoopers LLP, is responsible for expressing an opinion as to the conformity of our audited financial statements with generally accepted accounting principles. The Audit Committee also evaluates lululemon's policies, procedures and practices with respect to enterprise risk assessment and risk management, including discussions with management about material risk exposures and steps being taken to monitor, control and report such risks.

The Audit Committee consists of three directors, each of whom, in the judgment of the Board, is an "independent director" as defined in the listing standards for The Nasdaq Stock Market. The Audit Committee acts pursuant to a written charter that has been adopted by the Board. A copy of this charter is available on our website at www.lululemon.com.

The Audit Committee has reviewed and discussed the audited financial statements with management. The Audit Committee has discussed and reviewed with the auditors all matters required to be discussed Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees). The Audit Committee has met with PricewaterhouseCoopers LLP, with and without management present, to discuss the overall scope of PricewaterhouseCoopers LLP's audit, the results of its examinations, and the overall quality of its financial reporting.

The Audit Committee has received from the auditors a formal written statement describing all relationships between the auditors and lululemon that might bear on the auditors' independence consistent with Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), discussed with the auditors any relationships that may impact their objectivity and independence, and satisfied itself as to the auditors' independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board that lululemon's audited financial statements be included in lululemon's Annual Report on Form 10-K for the fiscal year ended January 31, 2010.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Compensation Philosophy and Objectives

The primary goals of our executive compensation program are to:

- attract, retain, motivate and reward talented executives;
- tie annual and long-term compensation incentives to achievement of specified performance objectives inherent in our business strategy;
- create long-term value for our stockholders by aligning the interests of our executives with those of our stockholders; and
- provide our executives with a total compensation package that recognizes individual contributions, as well as overall business results.

To achieve these goals, we intend to maintain compensation plans that tie a substantial portion of our executives' overall compensation to the achievement of key strategic, operational and financial goals.

Our Management Development and Compensation Committee and Board evaluate individual executive performance with the goal of setting compensation at levels that they believe are comparable with executives in other companies of similar size and stage of development operating in the retail apparel industry. In connection with setting appropriate levels of compensation, our Management Development and Compensation Committee and Board base their decisions on their general business and industry knowledge and experience and publicly available information of high growth retailers, branded athletic apparel companies, and other comparable companies, while also taking into account our relative performance and strategic goals. We intend to continue to conduct an annual review of the aggregate level of our executive compensation as part of our annual budget review and annual performance review processes. As part of this review, we will determine the operating metrics and non-financial elements used to measure our performance and to compensate our executive officers. This review is based on our knowledge of how other retail apparel companies measure their executives' performance and on the key operating metrics that are critical in our effort to increase the value of our company.

Role of Executive Officers in Executive Compensation

Our Management Development and Compensation Committee determines the compensation for our executive officers, based in part on recommendations from our Chief Executive Officer.

Elements of Compensation

Our executive officer compensation consists of the following components:

- base salary;
- annual cash incentives linked to corporate and individual performance;
- long-term incentive awards in the form of equity-based compensation; and
- other executive benefits such as reimbursement of relocation and moving expenses, temporary housing, health benefits, life insurance, and tax consulting services.

Our Management Development and Compensation Committee's policies with respect to each of these elements, including the basis for the compensation awarded to our executive officers, are discussed below. In addition, while each element of compensation described below is considered separately, our Management Development and Compensation Committee takes into account the full compensation package for each individual in determining total compensation.

Base Salary

The base salary established for each of our executive officers is intended to reflect each individual’s responsibilities, experience, prior performance and other discretionary factors deemed relevant by our Management Development and Compensation Committee and Board. Base salary is also designed to provide our executive officers with steady cash flow during the course of the fiscal year that is not contingent on short-term variations in our operating performance. We believe that executive base salaries targeted at, or slightly above, the midpoint of the market is a key factor in attracting and retaining the services of qualified executives. Our Management Development and Compensation Committee determines market level based on our executives’ experience in the industry with reference to the base salaries of similarly situated executives in other companies of similar size and stage of development operating in the retail apparel industry, as provided in publicly available documents.

In considering whether to adjust base salary from year to year, our Management Development and Compensation Committee considers the following:

- corporate performance and the performance of each individual executive officer;
- new responsibilities delegated to each executive officer during the year;
- any contractual agreements with our executive officers; and
- the competitive marketplace for executive talent, including a comparison of base salaries for comparable positions at other similarly situated companies operating in the retail apparel industry.

To help guide the components and levels of our executive compensation, the Management Development and Compensation Committee engaged the Hay Group in January 2008. The Hay Group assisted the Management Development and Compensation Committee with development of a peer group of companies, such as Bon Ton Stores, Charlotte Russe, Columbia Sportswear, Dress Barn, Guess, Hanes Brands, Jaclyn, Jones Apparel, Movado Group, Retail Ventures, Show Carnival, Syms, Timberland and Zumiez, and reviewed compensation practices of this peer group to assist the Management Development and Compensation Committee with development of the primary elements of our executive compensation program. The Management Development and Compensation Committee has based fiscal 2009 and fiscal 2010 executive compensation in part on the analysis conducted by the Hay Group.

With these principles in mind, base salaries are reviewed at least annually by our Management Development and Compensation Committee and the Board, and may be adjusted from time to time based on the results of this review.

Fiscal 2010, 2009, and 2008 Base Salaries

The following table sets forth the fiscal 2010, 2009 and 2008 base salaries (in Canadian dollars) for each of our executive officers:

<u>Name</u>	<u>Fiscal 2010 Base Salary (\$)</u>	<u>Fiscal 2009 Base Salary (\$)</u>	<u>Fiscal 2008 Base Salary (\$)</u>
Christine M. Day(1)	600,000	550,000	550,000
John E. Currie	400,000	375,000	375,000
Dennis J. Wilson	302,500	275,000	250,000
Sheree Waterson(2)	385,000	350,000	350,000
Delaney Schweitzer(3)	250,000	200,000	175,000

(1) Ms. Day became Chief Executive Officer of the company effective June 30, 2008.

(2) Ms. Waterson became Executive Vice President, General Merchandise Management and Sourcing effective June 16, 2008.

(3) Ms. Schweitzer was promoted to the position of Executive Vice President, Retail Operations North America effective March 2010.

Annual Cash Incentives

Annual Discretionary Cash Performance Bonus. Our Board has the authority and discretion to award annual cash performance bonuses to our executive officers. The annual performance bonuses are intended to compensate officers for achieving financial, operational and strategic goals and for achieving individual annual performance objectives. These annual bonus amounts are intended to reward both overall company and individual performance during the year and, as such, can be highly variable from year to year. Cash bonuses, as opposed to equity grants, are designed to more immediately reward annual performance against key short-term performance metrics. We believe that establishing cash bonus opportunities is an important factor in both attracting and retaining the services of qualified and highly skilled executives.

Pursuant to the terms of their employment agreements with us, each of Mr. Wilson, Ms. Day, Mr. Currie, Ms. Waterson and Ms. Schweitzer is eligible to receive an annual bonus of up to 75%, 75%, 60%, 60% and 60%, respectively, of his or her base salary, if specified corporate and individual performance goals, as established by our Management Development and Compensation Committee, are met for the year.

During the first quarter of each fiscal year, our Management Development and Compensation Committee reviews our performance relative to the achievement of our financial, operational and strategic goals established at the beginning of the preceding fiscal year and each executive's individual performance and contribution to achieving those goals in order to determine the amount of bonus, if any, payable to our executive officers. In making its determination, the Management Development and Compensation Committee may make adjustments to the corporate and individual performance goals to take into account certain extraordinary and/or non-recurring events such as acquisitions, dispositions, and other corporate transactions that could have an effect on our operating budget during the preceding fiscal year.

2009 Executive Bonus Plan. In March 2009, our Board, upon the recommendation of the Management Development and Compensation Committee, adopted our 2009 Executive Bonus Plan for our executive officers (in positions of Executive Vice President and above) with respect to performance during fiscal 2009. Taking into account the anticipated challenging global economic environment throughout fiscal 2009, the Management Development and Compensation Committee determined that the corporate performance goals under the 2009 Plan should be adjusted from those under the 2008 Executive Bonus Plan to reflect our priorities for a difficult environment during fiscal 2009. As in the 2008 Plan, the 2009 Plan weights the financial performance goals and individual performance goals for executives so that 90% of the target bonus would be based on the achievement of financial performance goals and 10% would be based on the achievement of individual performance goals.

The weighting of each financial performance goal comprising 90% of the target bonus and a range of potential payouts resulting from the achievement of each financial performance goal were approved by the Management Development and Compensation Committee in March 2009.

<u>Company Performance Measure</u>	<u>Weight</u>	<u>Minimum Company Performance to Achieve 100% Bonus</u>
Diluted Earnings Per Share	40.0%	\$0.50
Revenue	16.7%	\$351 M
Gross Margin	16.7%	47.4%
Inventory Turns	16.7%	2.2 x

In March 2010, the Management Development and Compensation Committee determined that the financial performance goals established under the 2009 Plan had been met and that, pursuant to the terms of the 2009 Plan and based on the achievement of corporate performance goals, bonus payouts under the 2009 Plan would be at the maximum level of 120% of the target bonus amounts.

2010 Executive Bonus Plan.

Administration. In April 2010, our Board, upon recommendation of the Management Development and Compensation Committee, adopted our 2010 Executive Bonus Plan for our executive officers (in positions of Executive Vice President and above) with respect to performance during fiscal 2010. The 2010 Plan will be administered by the Management Development and Compensation Committee. Among other things, the Management Development and Compensation Committee has the authority to select participants in the 2010 Plan from among the company's executive officers and to determine the performance goals, target amounts and other terms and conditions of awards under the 2010 Plan. The Management Development and Compensation Committee, in conjunction with the company's Chief Executive Officer and Chief Financial Officer, also has the authority to establish and amend rules relating to the administration of the 2010 Plan. All decisions made by the Management Development and Compensation Committee in connection with the 2010 Plan will be made in the Management Development and Compensation Committee's sole discretion and will be final and conclusive.

Eligibility. Our employees serving in positions of Executive Vice President and above, and other senior officers of the company, as designated by the Management Development and Compensation Committee, are eligible to participate in the 2010 Plan. The Chief Executive Officer has the authority to recommend participants. The Management Development and Compensation Committee has the sole authority to designate participants. Eligibility to participate in the 2010 Plan will cease upon termination of the participant's employment, withdrawal of designation by the Management Development and Compensation Committee, transfer of the participant to a position compensated otherwise than as provided in the 2010 Plan, termination of the plan by the company, or if the participant engaged, directly or indirectly, in any activity which is competitive with any company activity.

Terms of Awards. Awards under the 2010 Plan will be payable upon the achievement during fiscal 2010 of specified financial and individual performance goals. After the end of the performance period, the Management Development and Compensation Committee will certify the extent to which the performance goals are achieved and determine the amount of any bonuses that are payable, provided that the Management Development and Compensation Committee will have the discretion to determine that the actual amount paid with respect to an award will be less than (but not greater than) the amount calculated under the 2010 Plan.

Financial Performance Goals. Pursuant to the terms of the 2010 Plan, the Management Development and Compensation Committee will evaluate the company's overall financial performance against the following four financial performance goals for fiscal 2010: operating income; company revenue; gross margin; and inventory turns. The Management Development and Compensation Committee has set performance goals for each participant based on the financial performance goals, together with related target awards. The Management Development and Compensation Committee believes that the approved financial goals are reasonable in light of the company's historic growth and current business strategy, and as such the committee anticipates achievement levels consistent with those achieved historically.

Individual Performance Goals. The 2010 Plan provides further that the remaining portion of the total bonus payout available to participants will be based on achievement of individual performance goals related to the company's U.S. operating income and other performance metrics. Individual performance goals may differ from participant to participant.

Target Bonus Amounts. Pursuant to the terms of the 2010 Plan, the Management Development and Compensation Committee has determined the amount of the target bonus that will be paid to each plan participant if the financial performance goals and individual performance goals are met, and the method by which such amounts will be calculated. The terms of the 2010 Plan permit bonus payouts in excess of the target bonus amount, up to a maximum of 150% of the target bonus amount.

The Management Development and Compensation Committee approved the weighting of the financial performance goals and individual performance goals for our executive officers so that 90% of the target bonus is based on the achievement of financial performance goals and 10% is based on the achievement of individual performance goals. Any bonuses paid under the 2010 Plan will be paid within approximately 75 days after our fiscal 2010 year end.

Equity-Based Compensation. We believe that equity awards are an important component of our executive compensation program and that providing a significant portion of our executive officers' total compensation package in equity-based compensation aligns the incentives of our executives with the interests of our stockholders and with our long-term success. Additionally, we believe that equity-based awards enable us to attract, motivate, retain and adequately compensate executive talent. To that end, we award equity-based compensation in the form of options to purchase our Common Stock, as well as performance share awards that represent the contingent right to receive shares of our Common Stock. Our Management Development and Compensation Committee believes stock options and performance share awards provide executives with a significant long-term interest in our success by rewarding the creation of stockholder value over time.

Generally, each executive officer is provided with a stock option grant and performance share award when they join our company based upon their position with us and their relevant prior experience. The stock options grants generally vest in four equal annual installments beginning on the first anniversary of the date of grant to encourage executive longevity and to compensate our executive officers for their contribution over the long-term. The performance share awards generally vest over a three-year period in accordance with performance-based criteria.

Stock options are granted with an exercise price equal to the closing price of our Common Stock on the date of grant.

Our Management Development and Compensation Committee determines the size, terms and conditions of option grants and performance share awards to our executive officers in accordance with the terms of the applicable plan. Equity grants made to our executive officers are recommended by our Management Development and Compensation Committee and approved by our Board, or may be approved directly by our Management Development and Compensation Committee.

Severance Arrangements. We have entered into employment agreements with each of Mr. Wilson, Ms. Day, Ms. Waterson and Ms. Schweitzer that provide him or her with certain severance rights. These agreements were made in order to attract and retain the services of these particular executives. The agreements were the result of negotiations between the parties, which we believe resulted in severance rights that are commercially reasonable and typical of the rights afforded to similarly situated executives in other companies of similar size and stage of development operating in the retail apparel industry.

In each case, the severance payments are contingent on the occurrence of certain termination (or constructive termination) events and require the executive to execute a release of claims in our favor. These severance arrangements are intended to provide the executives with a sense of security in making the commitment to dedicate his or her professional career to our success. These severance rights do not differ based on whether or not we experience a change in control. The specific terms of these arrangements are discussed in detail below under the heading "— Agreements with Named Executive Officers."

Other Benefits. Our executive compensation program includes limited and other benefits. The cost of providing these and other benefits to the named executive officers is included in the amounts shown in the "All Other Compensation" column of the Summary Compensation Table on page 22 and detailed in footnote 4 to such table. We believe the executive benefits we provide are representative of benefits offered by the companies with which we compete for executive talent, and therefore offering these benefits serves the objective of attracting and retaining top executive talent. A discussion and analysis of such benefits follows.

- **Relocation Package.** Under limited circumstances, we provide certain relocation benefits to executive officers who relocate to Canada from another country for work on the company's behalf. Ms. Day and Ms. Waterson both relocated to Canada from the United States for purposes of working for the company. Each of Ms. Day and Ms. Waterson received tax preparation assistance, reimbursement of moving expenses and reimbursement of temporary housing expenses.
- **Housing and Living Expenses.** We agreed to pay certain housing and living expenses to certain of our named executive officers in connection with their relocation to Canada.
- **Executive Life and Long-Term Disability Insurance.** We provide life and long-term disability insurance to our named executive officers. We believe this is a standard benefit offered to executive-level management by comparator group companies.

We have no current plans to make changes to the employment agreements of our Chief Innovation and Branding Officer, Chief Executive Officer, Chief Financial Officer, Executive Vice President, General Merchandise Management and Sourcing, or Executive Vice President, Retail Operations North America (except as required by law or as required to clarify the benefits to which our executive officers are entitled as set forth herein) or to levels of benefits and perquisites provided to our executive officers.

Risk Considerations in Determining Compensation

Our Management Development and Compensation Committee reviewed the various design elements of our compensation program to determine whether any of its aspects encourage excessive or inappropriate risk-taking. Following the risk evaluation, the Management Development and Compensation Committee concluded that our compensation policies and practices do not create risks that are reasonably likely to have a material adverse effect on the company.

Tax and Accounting Considerations Affecting Executive Compensation

We structure our compensation program in a manner that is consistent with our compensation philosophy and objectives. However, while it is our Management Development and Compensation Committee's general intention to design the components of our executive compensation program in a manner that is tax efficient for both us and our executives, there can be no assurance that our Management Development and Compensation Committee will always approve compensation that is tax advantageous for us.

Similarly, we endeavor to design our equity incentive awards conventionally, so that they are accounted for under standards governing equity-based arrangements and, more specifically, so that they are afforded fixed treatment under those standards.

SUMMARY COMPENSATION TABLE

The following table sets forth summary information concerning the compensation of our principal executive officer and principal financial officer and each of our next three most highly compensated executive officers during fiscal 2009, 2008, and 2007. We refer to these persons as our “named executive officers.” The dollar amounts shown were converted to U.S. dollars from Canadian dollars using the average of the exchange rates on the last business day of each month during the applicable fiscal year. Applying this formula to fiscal 2009, 2008, and 2007, CDN\$1.00 was equal to US\$0.895, US\$0.928, and US\$0.947, respectively.

Under the terms of the employment agreement, Ms. Schweitzer will receive an annual base salary of CDN\$250,000. Ms. Schweitzer is eligible to receive an annual bonus under our Executive Bonus Plan of 60% of her base salary, provided that specified corporate and individual performance goals are met for that year. Ms. Schweitzer will receive four weeks of paid vacation each year.

Ms. Schweitzer covenants that she will not serve as a director of more than one entity that is unrelated to the Company, and agrees to obtain the advance consent of our Chief Executive Officer prior to commencing any such service for an unrelated entity.

We will reimburse Ms. Schweitzer for all reasonable out-of-pocket expenses and she is entitled to participate in the employee benefit and fringe benefit arrangements generally available to the Company's senior executive employees.

Ms. Schweitzer's employment may be terminated by Ms. Schweitzer or by us at any time, with or without cause. In the event Ms. Schweitzer's employment is terminated by us without cause or due to Ms. Schweitzer's permanent disability, and subject to her compliance with the surviving terms of a non-compete, non-solicitation and non-disparagement agreement, she will be entitled to receive an amount equal to her base salary for the 15-month period following such termination date. Ms. Schweitzer also agrees that during the 15-month period following her termination, she will not compete with the company or solicit for employment any company employee.

Potential Payments upon Termination of Employment and Change in Control

The following tables set forth the payments and benefits that would be due to each of Mr. Wilson, Ms. Day, Mr. Currie, Ms. Waterson and Ms. Schweitzer upon the termination of his or her employment “without cause” (as that term is defined in each named executive officer’s current employment agreement and in our 2007 Equity Incentive Plan). The amounts provided in the tables below assume that each termination was effective as of January 31, 2010 (the last day of our fiscal year). These are merely illustrative of the impact of hypothetical events, based on the terms of arrangements then in effect. The amounts to be payable upon an actual termination of employment can only be determined at the time of such event, based on the facts and circumstances then prevailing. Under the terms of our 2007 Equity Incentive Plan, the Board may, in its sole and absolute discretion, take a number of actions with respect to outstanding stock options and performance share awards, including the acceleration of the unvested portion of the stock options or performance share awards or the cancellation of such outstanding options in exchange for a substitute award. For the purpose of the tables below, we have assumed that the Board would not elect to accelerate the unvested portion of the outstanding stock options or performance share awards. Our agreements with these executives do not contain tax gross-up provisions.

Assuming that Mr. Wilson was terminated “without cause” on January 31, 2010, his payments would have had an estimated value of:

	Salary Continuation (CDN\$)
Termination Without Cause	<u>605,000(1)</u>

(1) This amount represents Mr. Wilson’s monthly base salary for a period of 24 months. Such amount will be payable over a 24-month period.

Assuming that Ms. Day was terminated “without cause” on January 31, 2010, her payments and benefits would have had an estimated value of:

	Salary Continuation (CDN\$)
Termination Without Cause	<u>650,000(1)</u>

(1) This amount represents Ms. Day’s monthly base salary for a period of 13 months. Such amount will be payable in either a lump sum or monthly at our discretion.

Assuming that Mr. Currie was terminated “without cause” on January 31, 2010, and assuming he received reasonable notice of termination in compliance with applicable Canadian employment laws, he would not be entitled to receive any other payments or benefits.

Assuming that Ms. Waterson was terminated “without cause” on January 31, 2010, her payments and benefits would have had an estimated value of:

	Salary Continuation (CDN\$)
Termination Without Cause	<u>481,250(1)</u>

(1) This amount represents Ms. Waterson’s monthly base salary for a period of 15 months. Such amount will be payable in equal payments on the Company’s regular paydays.

Assuming that Ms. Schweitzer was terminated “without cause” on January 31, 2010, her payments and benefits would have had an estimated value of:

	Salary Continuation (CDN\$)
Termination Without Cause	<u>312,500(1)</u>

(1) This amount represents Ms. Schweitzer’s monthly base salary for a period of 15 months.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Related Person Transactions for Fiscal 2009

Other than compensation agreements and other arrangements which are described under “Compensation Discussion and Analysis” and the transactions described below, since February 1, 2009, there has not been, and there is not currently proposed, any transaction or series of similar transactions to which we were or will be a party in which the amount involved exceeded or will exceed \$120,000 and in which any of our directors, executive officers, holders of more than 5% of any class of our voting securities or any member of the immediate family of the foregoing persons had or will have a direct or indirect material interest. We believe that we have executed all of the transactions set forth below on terms no less favorable to us than we could have obtained from unaffiliated third parties.

Lease of Retail Location Property to Company

Honeybee Ventures, Ltd., a British Columbia corporation owned 24% by Mr. Wilson, 26% by his wife, Shannon Wilson, and 50% by Mr. Wilson’s brother-in-law and sister-in-law, Ryan and Kimberly Smith, owns the building in which the Victoria, British Columbia lululemon store is located. Commencing on October 1, 2008, lululemon leased the space for its Victoria store from Honeybee Ventures, Ltd. at a monthly rent of CDN\$7,292. Unless earlier terminated pursuant to its terms, the lease will continue until June 30, 2012. The total monthly payments due under the lease from October 1, 2008 through the end of its term are approximately CDN\$328,125.

Procedures for Approval of Related Person Transactions

In April 2007, we adopted a written statement of policy with respect to related party transactions, which is administered by our Audit Committee. Under our related party transaction policy, a “Related Party Transaction” is any transaction, arrangement or relationship between us or any of our subsidiaries and a Related Person not including any transactions involving less than \$60,000 when aggregated with all similar transactions, or transactions that have received pre-approval of our Audit Committee. A “Related Person” is any of our executive officers, directors or director nominees, any stockholder beneficially owning in excess of 5% of our stock or securities exchangeable for our stock, any immediate family member of any of the foregoing persons, and any firm, corporation or other entity in which any of the foregoing persons is an executive officer, a partner or principal or in a similar position or in which such person has a 5% or greater beneficial ownership interest in such entity.

Pursuant to our related party transaction policy, a Related Party Transaction may only be consummated or may only continue if:

- Our Audit Committee approves or ratifies such transaction in accordance with the terms of the policy; or
- the Chairman of our Audit Committee pre-approves or ratifies such transaction and the amount involved in the transaction is less than \$100,000, provided that for the Related Party Transaction to continue it must be approved by our Audit Committee at its next regularly scheduled meeting.

If advance approval of a Related Party Transaction is not feasible, then that Related Party Transaction will be considered and, if our Audit Committee determines it to be appropriate, ratified, at its next regularly scheduled meeting. If we decide to proceed with a Related Party Transaction without advance approval, then the terms of such Related Party Transaction must permit termination by us without further material obligation in the event our Audit Committee ratification is not forthcoming at our Audit Committee’s next regularly scheduled meeting.

Transactions with Related Persons, though not classified as Related Party Transactions by our related party transaction policy and thus not subject to its review and approval requirements, may still need to be disclosed if required by the applicable securities laws, rules and regulations.
