## PCM Opens New Sales Center in Rio Rancho, New Mexico

EL SEGUNDO, Calif., June 13, 2016 (GLOBE NEWSWIRE) -- PCM, Inc. (NASDAQ:PCMI) a leading technology solutions provider of hardware, software and technology services today announced that it is planning to expand its outbound sales centers with a new location in Rio Rancho, New Mexico. PCM, named as a Tech Elite 250 Solution Provider by CRN, is planning to open the center to augment existing sales resources to support its fast growth.

PCM intends to lease approximately 29,000 square feet in a state of the art facility in Rio Rancho, a suburb of Albuquerque. The Albuquerque/Rio Rancho metro area was selected because of its business and tech-friendly environment, as well as the strong support from local colleges and universities feeding into the labor pool. The company expects to ramp up to more than 220 sales professionals when fully staffed and the office is expected to open in the summer of 2016. Easy access from the West Coast, temperate climate, and a high standard of living add to the drivers for making Rio Rancho the next location for PCM to build its sales presence. The new sales center in Rio Rancho will focus on small and mid-sized businesses and public sector clients across the US.

"The opening of the Rio Rancho Super Sales Center will signify PCM's dedication to growing its customer and sales bases. We will begin hiring for Rio Rancho shortly. PCM will bring tremendous opportunities for professionals interested in a strong career path with one of the largest and fastest growing technology solutions providers in the US," said Frank Khulusi, Chairman and CEO of PCM.
