Leading the Way: ManpowerGroup Solutions Recognized for 7th Consecutive Year as a Top Performer in RPO by Everest Group

World's largest RPO provider earns high scores in scale, scope, delivery footprint and market success

MILWAUKEE, April 12, 2017 /PRNewswire/ -- ManpowerGroup Solutions has once again been recognized as a global Leader on the Everest Group PEAK Matrix™ published in the March 2017 report, "[Recruitment Process Outsourcing - Service Provider Landscape with PEAK Matrix™ Assessment](#)." The company ranked highly across multiple evaluation categories to maintain its leadership position for the seventh year in a row.

The Everest Group PEAK Matrix is a comprehensive evaluation framework based on an assessment of delivery capabilities measured along six dimensions - market success, scale, scope, technology solutions & innovation, delivery footprint and buyer satisfaction. The report categorizes the service providers as Leaders, Major Contenders or Aspirants.

"By spearheading investments in next-generation services and geographic expansion, ManpowerGroup Solutions has developed and maintained its differentiation for the past several years to emerge consistently as a leader," said Arkadev Basak, Practice Director, Business Process Services Research, Everest Group. "The company's global capacity, experience and strong leadership team have all been cited as key areas of strength. Building on its performance, momentum and innovations from last year, ManpowerGroup Solutions continues to experience great market success."

"As the RPO market grows and matures, we continue to invest and innovate to offer our clients a true competitive advantage in finding the talent they require to drive their business success," said Kate Donovan, Senior Vice President of ManpowerGroup Solutions and Global RPO President. "We are proud to have these efforts recognized by the analyst community, including the Leader designation from Everest Group, as it is testament to the excellent talent we have in our business."
