Everest Group Names ManpowerGroup Solutions' TAPFIN Managed Service Provider as Regional Leader in the Asia Pacific Region

TAPFIN recognized for scale, scope, overall delivery capability and best-in-class market success across the Asia Pacific Region

MILWAUKEE, Feb. 8, 2018 /PRNewswire/ -- ManpowerGroup Solutions' TAPFIN, the Managed Service Provider (MSP) expert within ManpowerGroup (NYSE: MAN), has been recognized by Everest Group as both the leader and most comprehensive MSP provider of the Asia-Pacific region. TAPFIN received the highest ratings in Regional Leader and Largest Provider due to the organization's scale, scope, delivery footprint, overall delivery capability and best-in-class market success. Everest Group analyzed a total of 12 regional providers in their recent report, "Managed Service Provider (MSP) — Service Provider Landscape with PEAK Matrix™ Assessment 2018 - Asia Pacific."

"Accessing skilled talent at speed and scale across multiple markets is a top priority for companies, so we're thrilled to be recognized as a leader in Asia Pacific," said Sam Haggag, Executive Director, MSP APAC & Middle East. "TAPFIN has the largest footprint, local insight and unrivalled data. We are pleased to be named best-in-class for implementing comprehensive workforce solutions to meet the unique needs of our clients across the region."

"We're glad to announce that TAPFIN is both the regional MSP leader as well as the largest provider in the APAC region," said Arkadev Basak, RPO, MSP and HRO Research Vice President, Everest Group. "Our PEAK Matrix™ has proven that their ongoing strong leadership focus and substantial investment to expand their APAC presence, built upon the backbone of its staffing prowess, has certainly set them apart and enabled them to have a strong delivery presence in Australia, India, Japan, China and emerging markets in the region."

Everest Group assessed MSP programs using the following dimensions: Asia Pacific MSP market and service provider landscape overview, MSP PEAK Matrix 2018 and Everest Group's overall assessment of MSP service providers.
