MILWAUKEE, May 7, 2018 /PRNewswire/ -- ManpowerGroup (NYSE:MAN) has been named a 2018 Top Workplace in Southeast Wisconsin by *The Milwaukee Journal Sentinel*. The award is based solely on employee feedback and recognizes ManpowerGroup for its workplace culture including its commitment to employee engagement, attracting and developing talent and fostering an effective workplace.

"We're committed to helping people develop successful careers in Wisconsin and across the U.S.," said Becky Frankiewicz, President, ManpowerGroup North America. "It's great to receive this recognition in our home town. People tell us they choose to work here for skills development and clear career paths, as well as our commitment to fostering an inclusive and diverse workplace. Everyone deserves to go to work in an environment where they can be their true selves and feel empowered to reach their potential. That's true for our people as well as the 270,000 people in this U.S. we put to work every year."

The Milwaukee Journal Sentinel Top Workplace Awards facilitated by research firm Energage surveyed Southeast Wisconsin's leading small, medium and large employers to measure work environments.

"Top Workplaces is more than just recognition," said [Doug Claffey](#), CEO of Energage. "Our research shows organizations that earn the award attract better talent, experience lower turnover, and are better equipped to deliver bottom-line results. Their leaders prioritize and carefully craft a healthy workplace culture that supports employee engagement. Becoming a Top Workplace isn't something organizations can buy. It's an achievement organizations have worked for and a distinction that gives them a competitive advantage. It's a big deal."
