Yield10 Bioscience to Host Webcast of its Second Quarter 2017 Conference Call

WOBURN, Mass., July 27, 2017 (GLOBE NEWSWIRE) -- Yield10 Bioscience, Inc. (NASDAQ:YTEN) announced today that the Company plans to release its second quarter 2017 financial results and host a conference call with management after market close on Thursday, August 10, 2017.

Shareholders will participate in the call in listen-only mode. The Company invites shareholders to submit questions for consideration by August 7, 2017 to IR@yield10bio.com with the subject line: "Questions for Second Quarter 2017 Conference Call." Questions submitted in advance of the call will be reviewed and some will be addressed in management's prepared remarks or in the Q&A portion of the call.

Interested participants can join the conference call using the following numbers:

U.S. Toll-free dial-in: 1-877-709-8150

International dial-in: 201-689-8354

Event Date/Time: Thursday, August 10 at 4:30 p.m. ET

A live webcast of the call including the slide deck can be accessed through the investor relations section of the Company's website at www.yield10bio.com. The webcast will be archived on the Company's website in the investor relations section.

To listen to a telephonic replay of the conference call, dial 877-660-6853 (toll-free) or 201-612-7415 (international) and enter passcode 13665015. The replay will be available for 14 days.

About Yield10

Yield10 Bioscience, Inc. is focused on developing new technologies to achieve step-change improvements in crop yield to enhance global food security. Yield10 has an extensive track record of innovation based around optimizing the flow of carbon in living systems. Yield10 is leveraging its technology platforms and unique knowledge base to design precise alterations to gene activity and the flow of carbon in plants to produce higher yields with lower inputs of land, water or fertilizer. Yield10 is advancing several yield traits it has developed in crops such as Camelina, canola, soybean and corn. Yield10 is headquartered in Woburn, MA and has an Oilseeds center of excellence in Saskatoon, Canada.
