HOME GALLERY

Unique to the industry, our innovative Home Galleries are reinventing the sales integration process, giving Richmond American Homes a strong competitive advantage in the marketplace while enhancing our customer's overall homebuying experience.

The Home Gallery concept is simple, but effective — provide home selection assistance through our Homebuyer Resource Center and home design options under one roof — all in an appealing, retail-inspired atmosphere. Here, our customers can find their floorplan and community and choose all of their new home's design details with ease. Our Home Gallery locations include the following unique features:

- Interactive kiosks and New Home Specialists
- Experienced Design Consultants
- Thousands of options professionally organized into Color Studios
- Convenient retail hours for browsing
