

Multimedia Games to Participate in Bank of America Merrill Lynch Gaming Conference on Thursday January 28

AUSTIN, Texas, Jan 25, 2010 (BUSINESS WIRE) -- Multimedia Games, Inc. (Nasdaq: MGAM)(the "Company") announced today that its President and Chief Executive Officer, Anthony Sanfilippo, will participate in an audio webcast in conjunction with the Company's participation at the Bank of America Merrill Lynch Gaming Conference to be held at ARIA Resort & Casino in Las Vegas, NV on Thursday, January 28, 2010 at 3:00 p.m. PT (6:00 p.m. ET).

The audio webcast will be accessible on the Company's website at <http://ir.multimedialogames.com/events.cfm>. The webcast can also be accessed at <https://www.veracast.com/webcasts/bas/gaming2010/id47532763.cfm>. In addition, an archived replay of the webcast will be available one hour after the conclusion of the live event and will remain available for replay on the Company's website through Wednesday, February 3, 2010.

About Multimedia Games

Gaming technology developer and distributor, Multimedia Games, is a creator and supplier of comprehensive systems, content and electronic gaming units for Class III and Class II Native American gaming markets, as well as for commercial casinos and charity and international bingo markets. Multimedia Games has approximately 16,000 gaming units in operation domestically and internationally installed on revenue-sharing arrangements. Multimedia Games also supplies the central determinant system for approximately 12,500 video lottery terminals ("VLTs") installed at racetracks in the State of New York. Multimedia Games is focused on the further development of new gaming systems and products for the markets it currently serves as well as for new domestic and international market opportunities. Additional information may be found at www.multimedialogames.com.
