QUESTIONS AND ANSWERS

Q. *Why did I receive an “Important Notice Regarding the Availability of Proxy Materials”?*

- A. In accordance with Securities and Exchange Commission (“SEC”) rules, instead of mailing a printed copy of our proxy materials, we may send an “Important Notice Regarding the Availability of Proxy Materials” to stockholders. All stockholders will have the ability to access the proxy materials on a website referred to in the notice or to request a printed set of these materials at no charge. You will not receive a printed copy of the proxy materials unless you specifically request one from us. Instead, the notice instructs you as to how you may access and review all of the important information contained in the proxy materials via the Internet and submit your vote via the Internet.

Q. *What is the purpose of the Annual Meeting?*

- A. At the Annual Meeting, our stockholders will act upon the matters outlined in the Notice of Annual Meeting of Stockholders accompanying this proxy statement, including (i) the election of seven directors for a term of one year, (ii) ratifying the appointment of CohnReznick LLP as our independent registered public accounting firm for the year ending December 31, 2017, and (iv) transacting any other business that may properly come before the 2017 Annual Meeting or any adjournment thereof.

Q. *Who is entitled to vote at our Annual Meeting?*

- A. The record holders of our common stock at the close of business on the record date, April 18, 2017, may vote at the Annual Meeting. Each share of common stock is entitled to one vote. There were 66,816,455 shares of common stock outstanding on the record date and entitled to vote at the Annual Meeting. A list of stockholders entitled to vote at the Annual Meeting, including the address of and number of shares held by each stockholder of record, will be available for your inspection beginning April 24, 2017, at our offices located at 2 Gansevoort Street, New York, New York 10014, between the hours of 10:00 a.m. and 5:00 p.m., local time, each business day.

Q. *How do I vote?*

- A. You may vote in person at the Annual Meeting, by use of a proxy card if you receive a printed copy of our proxy materials, via Internet as directed in our “Important Notice Regarding the Availability of Proxy Materials,” or by telephone as indicated in the proxy card.

Q. *What is a proxy?*

- A. A proxy is a person you appoint to vote your shares on your behalf. If you are unable to attend the Annual Meeting, our Board of Directors is seeking your appointment of a proxy so that your shares may be voted. If you vote by proxy, you will be designating Michael S. Weiss, our Executive Chairman, Chief Executive Officer and President, and Sean A. Power, our Chief Financial Officer, Treasurer and Corporate Secretary, as your proxies. Mr. Weiss and/or Mr. Power may act on your behalf and have the authority to appoint a substitute to act as your proxy.

Q. *How will my shares be voted if I vote by proxy?*

- A. Your proxy will be voted according to the instructions you provide. **If you complete and submit your proxy but do not otherwise provide instructions on how to vote your shares, your shares will be voted (i) “FOR” the individuals nominated to serve as members of our Board of Directors, and (ii) “FOR” the ratification of CohnReznick LLP as our independent registered public accounting firm for the year ending December 31, 2017.** Presently, our Board does not know of any other matter that may come before the Annual Meeting. However, your proxies are authorized to vote on your behalf, using their discretion, on any other business that properly comes before the Annual Meeting.

Q. *How do I revoke my proxy?*

A. You may revoke your proxy at any time before your shares are voted at the Annual Meeting by:

- delivering written notice to our Corporate Secretary, Sean A. Power, at our address above;
- submitting a later dated proxy card or voting again via the Internet as described in the “Important Notice Regarding the Availability of Proxy Materials”; or
- attending the Annual Meeting and voting in person.

Q. *Is my vote confidential?*

A. Yes. All votes remain confidential.

Q. *How are votes counted?*

A. Before the Annual Meeting, our Board of Directors will appoint one or more inspectors of election for the meeting. The inspector(s) will determine the number of shares represented at the meeting, the existence of a quorum and the validity and effect of proxies. The inspector(s) will also receive, count, and tabulate ballots and votes and determine the results of the voting on each matter that comes before the Annual Meeting.

Abstentions and votes withheld, and shares represented by proxies reflecting abstentions or votes withheld, will be treated as present for purposes of determining the existence of a quorum at the Annual Meeting. They will not be considered as votes “for” or “against” any matter for which the stockholder has indicated their intention to abstain or withhold their vote. Broker or nominee non-votes, which occur when shares held in “street name” by brokers or nominees who indicate that they do not have discretionary authority to vote on a particular matter, will not be considered as votes “for” or “against” that particular matter. Broker and nominee non-votes will be treated as present for purposes of determining the existence of a quorum, and may be entitled to vote on certain matters at the Annual Meeting.

Q. *What constitutes a quorum at the Annual Meeting?*

A. In accordance with Delaware law (the law under which we are incorporated) and our Amended and Restated Bylaws, the presence at the Annual Meeting, by proxy or in person, of the holders of a majority of the outstanding shares of the capital stock entitled to vote at the Annual Meeting constitutes a quorum, thereby permitting the stockholders to conduct business at the Annual Meeting. Abstentions, votes withheld, and broker or nominee non-votes will be included in the calculation of the number of shares considered present at the Annual Meeting for purposes of determining the existence of a quorum.

If a quorum is not present at the Annual Meeting, a majority of the stockholders present in person and by proxy may adjourn the meeting to another date. If an adjournment is for more than 30 days or a new record date is fixed for the adjourned meeting by our Board, we will provide notice of the adjourned meeting to each stockholder of record entitled to vote at the adjourned meeting. At any adjourned meeting at which a quorum is present, any business may be transacted that might have been transacted at the originally called meeting.

Q. *What vote is required to elect our directors for a one-year term?*

A. The affirmative vote of a plurality of the votes of the shares present, in person or by proxy, at the Annual Meeting is required for the election of each of the nominees for director. “Plurality” means that the nominees receiving the largest number of votes up to the number of directors to be elected at the Annual Meeting will be duly elected as directors. Abstentions, votes withheld, and broker or nominee non-votes will not affect the outcome of director elections.

Q. *What vote is required to ratify CohnReznick LLP as our independent registered public accounting firm for the year ending December 31, 2017?*

A. The affirmative vote of a majority of the shares present, in person or by proxy, and entitled to vote at the Annual Meeting is required to approve the ratification of CohnReznick LLP as our independent registered public accounting firm for the year ending December 31, 2017. Abstentions will have the same effect as a negative vote. However, broker or nominee non-votes, and shares represented by proxies reflecting broker or nominee non-votes, will not have the effect of a vote against this proposal as they are not considered to be present and entitled to vote on this matter.

Q. *What percentage of our outstanding common stock do our directors and executive officers own?*

A. As of April 18, 2017, our directors and executive officers owned, or have the right to acquire, approximately 16.7% of our outstanding common stock. See the discussion under the heading “Stock Ownership of Our Directors, Executive Officers, and 5% Beneficial Owners” on page 26 for more details.

Q. *Who was our independent public accountant for the year ending December 31, 2016? Will they be represented at the Annual Meeting?*

A. CohnReznick LLP is the independent registered public accounting firm that audited our financial statements for the year ending December 31, 2016. We expect a representative of CohnReznick LLP to be present at the Annual Meeting. The representative will have an opportunity to make a statement and will be available to answer your questions.

Q. *How can I obtain a copy of our annual report on Form 10-K?*

A. We have filed our annual report on Form 10-K for the year ended December 31, 2016, with the SEC. The annual report on Form 10-K is also included in the 2016 Annual Report to Stockholders. **You may obtain, free of charge, a copy of our annual report on Form 10-K, including financial statements and exhibits, by writing to our corporate secretary, Sean A. Power, or by email at info@tgtxinc.com. Upon request, we will also furnish any exhibits to the annual report on Form 10-K as filed with the SEC.**

CORPORATE GOVERNANCE

Our Board of Directors

Our amended and restated bylaws provide that the Board shall consist of one or more members, as determined from time to time by resolution of the Board. Currently, our Board consists of seven members. The following individuals are being nominated to serve on our Board (See “Proposal 1 – Election of Directors; Nominees”):

Name	Age	Position	Director Since
Michael S. Weiss	51	Executive Chairman, Chief Executive Officer and President	2011
Laurence N. Charney	70	Director	2012
William J. Kennedy	72	Director	2012
Mark Schoenebaum, M.D.	44	Director	2012
Yann Echelard	53	Director	2012
Kenneth Hoberman	52	Director	2014
Daniel Hume	50	Director	2015

The Board does not have a formal policy regarding the separation of the roles of Chief Executive Officer and Executive Chairman, as the Board believes that it is in the best interests of the Company to make that determination based on the direction of the Company and the current membership of the Board. The Board has determined that having a director who is an executive officer serve as the Chairman is in the best interest of the Company’s stockholders at this time.

TG has a risk management program overseen by Michael S. Weiss, our Executive Chairman, Chief Executive Officer and President and the Board. Mr. Weiss and management identify material risks and prioritize them for our Board. Our Board regularly reviews information regarding our credit, liquidity, operations, and compliance as well as the risks associated with each.

The following biographies set forth the names of our directors and director nominees, their ages, the year in which they first became directors, their positions with us, their principal occupations and employers for at least the past five years, any other directorships held by them during the past five years in companies that are subject to the reporting requirements of the Securities Exchange Act of 1934 (the “Exchange Act”), or any company registered as an investment company under the Investment Company Act of 1940, as well as additional information, all of which we believe sets forth each director nominee’s qualifications to serve on the Board. There is no family relationship between and among any of our executive officers or directors. There are no arrangements or understandings between any of our executive officers or directors and any other person pursuant to which any of them are elected as an officer or director, except as disclosed below.

On December 29, 2011, Opus Point Partners, LLC, (“Opus”), TG Biologics, Inc. (“TG Biologics”) and the Company (and collectively with Opus and TG Biologics, the “Parties”) entered into an Exchange Transaction Agreement (the “Agreement”). On August 2, 2012, the Parties executed an amendment to the Agreement (“Amendment No. 1”) which set the number of members of the board of directors of the Company (the “Board of Directors”) at six, and required the consent of Opus for any increase. Opus has consented to the increase to seven. Amendment No. 1 also granted Opus the right to nominate three members of the Board of Directors until the later of (x) two years from the Closing Date of the Agreement (as defined therein), or (y) the date on which Opus beneficially owns less than 10% of the Company’s common stock as calculated pursuant to the rules and regulations under Section 13 of the Exchange Act. Accordingly, Opus has nominated Mr. Charney, Dr. Kennedy, and Dr. Schoenebaum to the Company’s Board of Directors.

In connection with the Securities Exchange Agreement between the Company and LFB Biotechnologies (“LFB Group”) dated November 9, 2012, LFB Group maintains the right to nominate one member to the Company’s Board of Directors. LFB has nominated Dr. Echelard as its appointee to the Company’s Board of Directors.

TG adheres to the corporate governance standards adopted by The Nasdaq Stock Market ("Nasdaq"). Nasdaq rules require our Board to make an affirmative determination as to the independence of each director. Consistent with these rules, our Board undertook its annual review of director independence on March 3, 2017. During the review, our Board considered relationships and transactions during 2016 and during the past three fiscal years between each director or any member of his immediate family, on the one hand, and the Company and our subsidiaries and affiliates, on the other hand. The purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent. Based on this review, our Board determined that Yann Echelard, Laurence Charney, William Kennedy, Mark Schoenebaum, Kenneth Hoberman, and Daniel Hume are independent under the criteria established by Nasdaq and our Board.

He also led the team that originated, in-licensed, and developed Auryxia™ which gained FDA approval in 2014. He received a B.S.B.A. in Finance from Boston University and completed post-baccalaureate studies at Columbia University.

Daniel Hume, 50, has served on our Board since June 2015. Mr. Hume is currently a partner in Kirby McInerney, LLP's New York office and is a member of the firm's management committee. Mr. Hume's law practice focuses on securities, structured finance, and antitrust litigation and regulation. He joined Kirby McInerney, LLP in 1995. Since then, Mr. Hume has advised corporate, public, and individual clients, including some of the largest institutional investors in the world, and helped them recover billions of dollars in losses throughout the course of his career. His work has earned him assorted honors and recognition, including most recently being named to both the National Law Journal "hot" list and law360 "most feared" list for 2013. Mr. Hume is admitted to the New York State Bar and federal courts around the country, including the United States District Courts for the Southern and Eastern Districts of New York, the United States Court of Appeals for the Second, Fourth, and Fifth Circuits, the Appellate Division of the Supreme Court of the State of New York, First Judicial Department, and the United States Supreme Court. He graduated from the State University of New York at Albany *magna cum laude* (B.A. Philosophy, 1988) and from Columbia Law School, where he served as Notes Editor for the Columbia Journal of Environmental Law (J.D., 1991).

During 2016, our Board held four meetings and took two actions by unanimous written consent. With the exception of Mr. Schoenebaum, during 2016, each incumbent director who served their full term and are standing for election attended at least 75% of the meetings of the Board of Directors and the meetings of those committees on which each incumbent director served, in each case during the period that such person was a director. The permanent committees established by our Board of Directors are the Audit Committee and the Compensation Committee, descriptions of which are set forth in more detail below. Our directors are expected to attend each Annual Meeting of Stockholders, and it is our expectation that all of the directors standing for election will attend this year's Annual Meeting. Last year, all of our directors attended the 2016 Annual Meeting of Stockholders.

Communicating with the Board of Directors

Our Board has established a process by which stockholders can send communications to the Board. You may communicate with the Board as a group, or to specific directors, by writing to Sean A. Power, our Corporate Secretary, at our offices located at 2 Gansevoort Street, 9th Floor, New York, New York 10014. The Corporate Secretary will review all such correspondence and regularly forward to the Board a summary of all correspondence and copies of all correspondence that deals with the functions of the Board or committees thereof or that otherwise requires their attention. Directors may at any time review a log of all correspondence we receive that is addressed to members of our Board and request copies of any such correspondence. Concerns relating to accounting, internal controls, or auditing matters may be communicated in this manner, or may be submitted on an anonymous basis via e-mail at info@igtinc.com. These concerns will be immediately brought to the attention of our Audit Committee and resolved in accordance with procedures established by our Audit Committee.

Audit Committee

The Audit Committee currently consists of Laurence N. Charney (Chairman), William Kennedy and Kenneth Hoberman.

The Audit Committee held five meetings during the fiscal year ended December 31, 2016. The duties and responsibilities of the Audit Committee are set forth in the Charter of the Audit Committee which was recently reviewed by our Audit Committee. Our Audit Committee determined that no revisions needed to be made to the charter at this time. A copy of the Charter of the Audit Committee is available on our website, located at www.tgtherapeutics.com. Among other matters, the duties and responsibilities of the Audit Committee include reviewing and monitoring our financial statements and internal accounting procedures, the selection of our independent registered public accounting firm and consulting with and reviewing the services provided by our independent registered public accounting firm. Our Audit Committee has sole discretion over the retention, compensation, evaluation and oversight of our independent registered public accounting firm.

The SEC and Nasdaq have established rules and regulations regarding the composition of audit committees and the qualifications of audit committee members. Our Board of Directors has examined the composition of our Audit Committee and the qualifications of our Audit Committee members in light of the current rules and regulations governing audit committees. Based upon this examination, our Board of Directors has determined that each member of our Audit Committee is independent and is otherwise qualified to be a member of our Audit Committee in accordance with the rules of the SEC and Nasdaq.

Additionally, the SEC requires that at least one member of the Audit Committee have a "heightened" level of financial and accounting sophistication. Such a person is known as the "audit committee financial expert" under the SEC's rules. Our Board has determined that Mr. Charney is an "audit committee financial expert," as the SEC defines that term, and is an independent member of our Board of Directors and our Audit Committee. Please see Mr. Charney's biography on page 5 for a description of his relevant experience.

The report of the Audit Committee can be found on page 10 of this proxy statement.

Compensation Committee

The Compensation Committee held one meeting during the fiscal year ended December 31, 2016. The Compensation Committee currently consists of all independent members of our Board of Directors, with Mr. Hoberman as chairman. The duties and responsibilities of the Compensation Committee are set forth in the Charter of the Compensation Committee. A copy of the Charter of the Compensation Committee is available on our website, located at www.tgtherapeutics.com. As discussed in its charter, among other things, the duties and responsibilities of the Compensation Committee include evaluating the performance of the Chief Executive Officer and our Chief Financial Officer, determining the overall compensation of the Chief Executive Officer and our Chief Financial Officer and administering all executive compensation programs, including, but not limited to, our incentive and equity-based plans. The Compensation Committee evaluates the performance of the Chief Executive Officer and our Chief Financial Officer on an annual basis and reviews and approves on an annual basis all compensation programs and awards relating to such officers. The Compensation Committee applies discretion in the determination of individual executive compensation packages to ensure compliance with the Company's compensation philosophy. The Chief Executive Officer makes recommendations to the Compensation Committee with respect to the compensation packages for officers other than himself. The Compensation Committee may delegate its authority to grant awards to certain employees, and within specified parameters under the Company's Amended and Restated 2012 Incentive Plan, to a special committee consisting of one or more directors who may but need not be officers of the Company. As of April 25, 2017, however, the Compensation Committee had not delegated any such authority.

Nasdaq has established rules and regulations regarding the composition of compensation committees and the qualifications of compensation committee members. Our Board of Directors has examined the composition of our Compensation Committee and the qualifications of our Compensation Committee members in light of the current rules and regulations governing compensation committees. Based upon this examination, our Board of Directors has determined that each member of our Compensation Committee is independent and is otherwise qualified to be a member of our Compensation Committee in accordance with such rules.

The report of the Compensation Committee can be found on page 15 of this proxy statement. Additional information regarding the Compensation Committee's processes and procedures for consideration of executive compensation can be found in the Compensation Discussion and Analysis beginning on page 12 of this proxy statement.

Nominating Process

We do not currently have a nominating committee or any other committee serving a similar function. Director nominations are approved by a vote of a majority of our independent directors as required under the Nasdaq rules and regulations. Although we do not have a written charter in place to select director nominees, our Board of Directors has adopted resolutions regarding the director nomination process. Our policy describing our director nomination process is available on our website, located at www.tgtherapeutics.com. We believe that the current process in place functions effectively to select director nominees who will be valuable members of our Board of Directors.

We identify potential nominees to serve as directors through a variety of business contacts, including current executive officers, directors, community leaders and stockholders. We may, to the extent they deem appropriate, retain a professional search firm and other advisors to identify potential nominees.

We will also consider candidates recommended by stockholders for nomination to our Board. A stockholder who wishes to recommend a candidate for nomination to our Board must submit such recommendation to our Corporate Secretary, Sean A. Power, at our offices located at 2 Gansevoort Street, 9th Floor, New York, New York 10014. Any recommendation must be received not less than 60 calendar days nor more than 90 calendar days before the anniversary date of the previous year's annual meeting. All stockholder recommendations of candidates for nomination for election to our Board must be in writing and must set forth the following: (i) the candidate's name, age, business address, and other contact information, (ii) the number of shares of common stock beneficially owned by the candidate, (iii) a complete description of the candidate's qualifications, experience, background and affiliations, as would be required to be disclosed in the proxy statement pursuant to Schedule 14A under the Exchange Act, (iv) a sworn or certified statement by the candidate in which he or she consents to being named in the proxy statement as a nominee and to serve as director if elected, and (v) the name and address of the stockholder(s) of record making such a recommendation.

We believe that our Board as a whole should encompass a range of talent, skill, and expertise enabling it to provide sound guidance with respect to our operations and interests. Our independent directors evaluate all candidates to our Board by reviewing their biographical information and qualifications. If the independent directors determine that a candidate is qualified to serve on our Board, such candidate is interviewed by at least one of the independent directors and our Chief Executive Officer. Other members of the Board also have an opportunity to interview qualified candidates. The independent directors then determine, based on the background information and the information obtained in the interviews, whether to recommend to the Board that the candidate be nominated for approval by the stockholders to fill a directorship. With respect to an incumbent director whom the independent directors are considering as a potential nominee for re-election, the independent directors review and consider the incumbent director's service during his or her term, including the number of meetings attended, level of participation, and overall contribution to the Board. The manner in which the independent directors evaluate a potential nominee will not differ based on whether the candidate is recommended by our directors or stockholders.

We consider the following qualifications, among others, when making a determination as to whether a person should be nominated to our Board: the independence of the director nominee; the nominee's character and integrity; financial literacy; level of education and business experience, including experience relating to biopharmaceutical companies; whether the nominee has sufficient time to devote to our Board; and the nominee's commitment to represent the long-term interests of our stockholders. We review candidates in the context of the current composition of the Board and the evolving needs of our business. We believe that each of the current members of our Board (who are also our director nominees) has the requisite business, biopharmaceutical, financial or managerial experience to serve as a member of the Board, as described above in their biographies under the heading "Our Board of Directors." We also believe that each of the current members of our Board has other key attributes that are important to an effective board, including integrity, high ethical standards, sound judgment, analytical skills, and the commitment to devote significant time and energy to service on the Board and its committees.

We do not have a formal policy in place with regard to diversity in considering candidates for our Board, but the Board strives to nominate candidates with a variety of complementary skills so that, as a group, the Board will possess the appropriate talent, skills and expertise to oversee our business.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics, or the Code, which applies to all of our directors and employees, including our principal executive officer and principal financial officer. The Code includes guidelines dealing with the ethical handling of conflicts of interest, compliance with federal and state laws, financial reporting, and our proprietary information. The Code also contains procedures for dealing with and reporting violations of the Code. We have posted our Code of Business Conduct and Ethics on our website, located at www.tgtherapeutics.com.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FEES AND OTHER MATTERS

CohnReznick LLP, the independent registered public accounting firm that audited our financial statements for the years ended December 31, 2016 and 2015 has served as our independent registered public accounting firm since 2002. We expect a representative of CohnReznick LLP to be present at the Annual Meeting. The representative will have an opportunity to make a statement and will be available to answer your questions.

Our Board has asked the stockholders to ratify the selection of CohnReznick LLP as our independent registered public accounting firm. See “Proposal Two: Ratification of Appointment of CohnReznick LLP as Our Independent Registered Public Accounting Firm” on page 29 of this proxy statement. The Board has reviewed the fees described below and concluded that the payment of such fees is compatible with maintaining CohnReznick LLP’s independence. All proposed engagements of CohnReznick LLP, whether for audit services, audit-related services, tax services, or permissible non-audit services, were pre-approved by our Audit Committee.

Audit Fees

For the fiscal years ended December 31, 2016 and 2015, CohnReznick LLP billed us an aggregate of approximately \$203,208 and \$180,901, respectively, in fees for the professional services rendered in connection with the audits of our annual financial statements included in our Annual Reports on Form 10-K for those two fiscal years, the audit of internal control over financial reporting for those two fiscal years, the review of our financial statements included in our Quarterly Reports on Form 10-Q during those two fiscal years, and other services provided in connection with registration statements.

Audit-Related Fees

During the fiscal years ended December 31, 2016 and 2015, we were not billed by CohnReznick LLP for any fees for audit-related services reasonably related to the performance of the audits and reviews for those two fiscal years, in addition to the fees described above under the heading “Audit Fees.”

Tax Fees

During the fiscal years ended December 31, 2016 and 2015, we were not billed by CohnReznick LLP for any fees for professional services rendered for tax compliance, tax advice, and tax planning services.

All Other Fees

During the fiscal years ended December 31, 2016 and 2015, we were not billed by CohnReznick LLP for any fees for services, other than those described above, rendered to us and our affiliates for those two fiscal years.

Pre-Approval of Services

Our Audit Committee has established a policy setting forth the procedures under which services provided by our independent registered public accounting firm will be pre-approved by our Audit Committee. The potential services that might be provided by our independent registered public accounting firm fall into two categories:

- Services that are permitted, including the audit of our annual financial statements, the review of our quarterly financial statements, related attestations, benefit plan audits and similar audit reports, financial and other due diligence on acquisitions, and federal, state, and non-US tax services; and
- Services that may be permitted, subject to individual pre-approval, including compliance and internal-control reviews, indirect tax services such as transfer pricing and customs and duties, and forensic auditing.

Services that our independent registered public accounting firm may not legally provide include such services as bookkeeping, certain human resources services, internal audit outsourcing, and investment or investment banking advice.

All proposed engagements of our independent registered public accounting firm, whether for audit services or permissible non-audit services, are pre-approved by the Audit Committee. We jointly prepare a schedule with our independent registered public accounting firm that outlines services which we reasonably expect we will need from our independent registered public accounting firm, and categorize them according to the classifications described above. Each service identified is reviewed and approved or rejected by the Audit Committee.

REPORT OF THE AUDIT COMMITTEE

In monitoring the preparation of our financial statements, the Audit Committee met with both management and CohnReznick LLP, our independent registered public accounting firm during the year ended December 31, 2016, to review and discuss all financial statements prior to their issuance and to discuss any and all significant accounting issues. Management and our independent registered public accounting firm advised the Audit Committee that each of the financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee's review included a discussion of the matters required to be discussed pursuant to Public Company Accounting Oversight Board (United States) Auditing Standard 1301 (Communication with Audit Committees). Auditing Standard 1301 requires our independent registered public accounting firm to discuss with the Audit Committee, among other things, the following:

- Methods used to account for significant or unusual transactions;
- The effect of any accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;
- The process used by management to formulate sensitive accounting estimates and the basis for the independent registered public accounting firm's conclusion regarding the reasonableness of any such estimates; and
- Any disagreements with management over the application of accounting principles, the basis for management's accounting estimates and the disclosures necessary in the financial statements.

The Audit Committee has discussed the independence of CohnReznick LLP, our independent registered public accounting firm for the year ended December 31, 2016, including the written disclosures made by CohnReznick LLP to the Audit Committee, as required by PCAOB Rule 3526, "Communication with Audit Committees Concerning Independence." PCAOB Rule 3526 requires the independent registered public accounting firm to (i) disclose in writing all relationships that, in the independent registered public accounting firm's professional opinion, may reasonably be thought to bear on independence, (ii) confirm their perceived independence, and (iii) engage in a discussion of independence with the Audit Committee.

Finally, the Audit Committee continues to monitor the scope and adequacy of our internal controls and other procedures, including any and all proposals for adequate staffing and for strengthening internal procedures and controls where appropriate and necessary.

On the basis of these reviews and discussions, the Audit Committee recommended to the Board that it approve the inclusion of our audited financial statements in our Annual Report on Form 10-K for the fiscal year ended December 31, 2016, for filing with the SEC.

COMPENSATION DISCUSSION AND ANALYSIS

In the paragraphs that follow, we give an overview and analysis of our executive compensation program and philosophy for 2016, the material compensation decisions we made under those programs with respect to our named executive officers, and the material factors that we considered in making those decisions. Later in this proxy statement under the heading “Executive Compensation,” you will find a series of tables containing specific information about the compensation earned by or paid to the following individuals, whom we refer to as our named executive officers, or NEOs:

- Michael S. Weiss, our Executive Chairman, Chief Executive Officer and President; and
- Sean A. Power, our Chief Financial Officer, Treasurer and Corporate Secretary.

Compensation Philosophy and Objectives

Our compensation programs are designed to motivate our employees to work toward achievement of our corporate mission to create long-term sustained stockholder value by acquiring, developing and commercializing novel treatments for B-cell malignancies and autoimmune diseases. Attaining our key business and strategic goals depends on attracting, retaining and motivating quality employees in an exceptionally competitive environment. Our industry is highly scientific, regulated, scrutinized and dynamic, and as a result, we require employees that are highly educated, dedicated and experienced. The driving philosophy and objectives behind our executive compensation programs are:

- to attract, retain, motivate and reward outstanding employees;
- to align employees’ interests with those of our stockholders by creating a strong focus on stock ownership and appreciation and basing pay on performance measures that drive long-term stockholder value;
- to incentivize our employees to achieve our business goals;
- to recognize the individual contributions of executives while fostering a shared commitment among executives; and
- to reflect our “pay for performance” culture.

Determining Executive Compensation

Role of the Compensation Committee

The Compensation Committee oversees our executive compensation programs, including approving incentive programs, granting equity awards, and determining appropriate levels of compensation for our NEOs. Information about the Compensation Committee and its composition and responsibilities can be found on page 7 under the caption “Compensation Committee.”

Role of the Executives

Our Chief Executive Officer develops recommendations regarding the compensation levels for our Chief Financial Officer based upon a subjective assessment of his individual performance during the prior year and overall trends in the marketplace. In addition, each year, management delivers a set of proposed corporate goals and objectives that management believes are essential to the achievement of the Company’s mission and long-term goals and objectives. The Board of Directors works with the Compensation Committee to review these recommendations and proposals, make any modifications deemed appropriate, and the Compensation Committee approves the final compensation levels and goals and objectives for the NEOs.

Elements of Compensation

Our executive compensation program for 2016 consisted of the following components:

Compensation Element	Purpose
Base Salary	Base salary represents the fixed portion of an executive's annual compensation and is intended to recognize the executive's value to the Company based on skills and experience relative to the responsibilities of his position.
Annual cash incentive awards	Annual cash incentive awards represent the portion of an executive's compensation that is intended to vary as a direct reflection of Company and individual performance for the year.
Long-term equity awards	Long-term equity awards are intended to reward performance over a multi-year period, link the interests of executives to those of the stockholders, and encourage retention. Restricted stock awards generally are issued based upon achievement of corporate goals and objectives in the prior year.
Health and welfare plans and retirement plan	We provide competitive levels of medical and disability coverage, and retirement benefits under our 401(k) plan. Our executives participate in the same programs offered to all of our eligible employees.
Severance benefits	Our named executive officers have employment agreements that provide for severance benefits in certain circumstances.

No specific formula is used in regard to the allocation of the various elements within our executive compensation program. The Compensation Committee retains the discretion to reduce or eliminate the payment that otherwise might be payable to our executives based upon unforeseen events occurring during the year or its assessment of the Company's or our executives' performance in general.

In order to maximize the incentive effect of our compensation program, we have structured our performance-based compensation to include a mix of value opportunities and performance measures.

- Our annual cash incentive awards and our annual equity awards are based principally upon the Company's performance against pre-set corporate goals and objectives and partially upon the Compensation Committee's assessment of each individual executive's contribution to the Company's performance.
- The ultimate realized value of our equity awards (stock options and restricted stock awards) is tied to our stock price, in alignment with the interests of our stockholders.

Consideration of Prior Advisory Stockholder Vote on Executive Compensation

At the 2016 Annual Meeting of Stockholders, our stockholders voted to approve the compensation of the Company's named executive officers, as discussed and disclosed in the 2016 Proxy Statement. In considering the results of this advisory vote on executive compensation, the Compensation Committee concluded that the compensation paid to our named executive officers and the Company's executive pay practices enjoyed stockholder support.

In light of this support, the Compensation Committee decided to retain the core design of our executive compensation program, with an emphasis on short and long-term incentive compensation that rewards our executives when they successfully achieve our corporate goals and objectives and, in turn, deliver value for our shareholders. The advisory vote on executive compensation at the Annual Meeting, and at future meetings, will serve as an additional tool to guide the Board of Directors and the Compensation Committee in evaluating the alignment of the Company's executive compensation program with the interests of the Company and its stockholders.

At the 2016 Annual Meeting of Stockholders, our stockholders expressed a preference that advisory votes on executive compensation be held every three years. Consistent with this preference, the Board of Directors determined to implement an advisory vote on executive compensation every three years until the next required vote on the frequency of stockholder votes on the compensation of executive officers, which is scheduled to occur at the 2019 annual meeting.

2016 Executive Compensation

Benchmarking and Peer Group

In December 2015, we conducted a comparative analysis of our executive compensation program, which was utilized for 2015 incentive compensation and 2016 base salary assessments. The review of executive compensation included a comparison of salary, bonus and other forms of compensation, including stock based compensation, for a peer group of 20 publicly-traded companies in the biotechnology industry that we identified as being comparable to the Company in size (ranging in market capitalization from approximately \$550 million to \$1 billion) and operation.

The peer group members included:

Array BioPharma, Inc.	Otonomy Inc.	Supernus Pharmaceuticals Inc.
Enanta Pharmaceuticals, Inc.	BioCryst Pharmaceuticals Inc.	MannKind Corp
Loxo Oncology Inc.	Synergy Pharmaceuticals Inc.	Dermira Inc
PDL BioPharma Inc.	Retrophin Inc.	Repligen Corp
Karyopharm Therapeutics Inc.	Pacific Biosciences of California	Insmed Inc.
Geron Corp	Sucampo Pharmaceuticals Inc.	Dynavax Technologies Corp
Aerie Pharmaceuticals Inc.		Heron Therapeutics Inc.

Based on the peer group analysis, the Compensation Committee concluded that certain components of cash compensation for the NEOs were below the 25th percentile for the peer group examined. After considering this analysis, the Compensation Committee approved the following changes to Mr. Weiss' and Mr. Power's base salaries for 2016, which were intended to make their total cash compensation more competitive with the peer group:

- Effective January 1, 2016, Mr. Weiss' base salary was increased from \$325,000 to \$375,000; and
- Effective January 1, 2016, Mr. Power's base salary was increased from \$225,000 to \$300,000.

Cash Incentive Awards

In 2016, Mr. Weiss was eligible to earn a target annual cash incentive equal to 100% of his base salary, and Mr. Power was eligible to earn a target annual cash incentive equal to 33% of his base salary, per the terms of their respective employment agreements. Both executives' annual cash incentive awards were based upon the Company's performance against pre-established corporate goals and objectives, which included a combination of clinical and regulatory goals related to our products as well as other corporate goals, and each executive's individual performance based upon subjective performance reviews.

The corporate performance goals and objectives used to determine annual incentive awards in 2016 were as follows:

- Various clinical and pre-clinical goals – 64% maximum potential weighting (48% achieved, 14% deferred);
- Various goals related to manufacturing, non-clinical and regulatory – 31% maximum potential weighting (22% achieved);
- Various goals related to business development operations – 5% maximum potential weighting (3% achieved).

These goals and objectives were achieved at an aggregate level of approximately 73%, with approximately 14% deferred into 2017 based on the outcomes of various clinical and regulatory discussions. Accordingly the executives were paid 73% of their target bonus amounts. The actual amounts paid to the executives pursuant to their annual cash incentive awards are reported in the “Summary Compensation Table” as non-equity incentive plan compensation.

Long-Term Equity Incentive Awards

Mr. Weiss’ employment agreement provides that each year the Company will grant Mr. Weiss a number of shares of restricted common stock equal to 1.25% of the shares of common stock outstanding on the date of grant on a fully-diluted basis. Each of these annual grants of restricted stock will vest and become non-forfeitable as to 25% of the shares on the first anniversary of the respective date of grant, as to 25% of the shares on the second anniversary of the respective date of grant and as to 50% of the shares on the date that the “market capitalization” (as defined in the employment agreement) is \$100 million greater than the market capitalization on the respective date of grant, provided that Mr. Weiss remains an employee, director and/or consultant of the Company through each vesting date. Accordingly, on December 30, 2016 the Compensation Committee granted Mr. Weiss an award of 693,750 shares of restricted stock.

After consideration of our 2016 corporate goals and objectives, and a subjective consideration of Mr. Power’s individual performance during 2016, on December 30, 2016 the Compensation Committee granted Mr. Power an award of 100,000 shares of restricted stock.

For additional information regarding our named executive officers’ stock grants, see the “Summary Compensation Table,” the “Grants of Plan-Based Awards Table” and the “Outstanding Equity Awards at 2016 Fiscal Year End” table.

Perquisites and Other Executive Benefits

We do not offer our NEOs any perquisites or other executive benefits.

Severance Benefits

We have employment agreements with our NEOs that provide, among other things, payment and benefits upon certain terminations of employment. We believe the severance benefits components of these agreements is an important component to recruiting and retaining high quality executive officers.

For more information on Mr. Weiss’ and Mr. Power’s employment agreements see the “Potential Payments upon Termination or Change-in-Control” section beginning on page 21 of this proxy statement.

Report of the Compensation Committee

The Compensation Committee of the Board of Directors has reviewed and discussed with management the Compensation Discussion and Analysis set forth above. Based on the review and discussions noted above, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement and incorporated by reference in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2016, for filing with the SEC.

	2014			--			

(1) Reflects the aggregate grant date fair value of stock awards granted by the Company as computed under FASB ASC Topic 718. The grant date fair value of the time-based restricted stock awards is based on the fair market value of the underlying shares on the date of grant and does not take into account any estimated forfeitures. Because the “measurement date” for accounting purposes has not yet occurred for the milestone-based restricted stock awards, the grant date for those awards has not yet occurred and the grant date fair value is uncertain. For such awards, stock-based compensation will be measured and recorded if and when a milestone occurs. The grant date value for such awards reflected in the table is based on the fair market value of the shares on the date the milestones were established and does not take into account any potential forfeitures.

Grants of Plan-Based Awards For Fiscal Year 2016

The following table below sets forth the individual grants of awards made to each of our NEOs during 2016. For a description of the individual amounts indicated below, please see our Compensation Discussion and Analysis beginning on page 12 of this proxy statement.

(2) Award of time and milestone based vesting restricted stock under the 2012 Incentive Plan.

(3) Reflects the aggregate grant date fair value of stock awards granted by the Company during 2016 as computed under FASB ASC Topic 718. The grant date fair value of the stock awards is based on the fair market value of the underlying shares on the date of grant and does not take into account any estimated forfeitures. Because the “measurement date” for accounting purposes has not yet occurred the grant date for those awards has not yet occurred and the grant date fair value is uncertain. The grant date value for such awards reflected in the tables is based on the fair market value of the shares on the date the milestones were established and does not take into account any potential forfeitures.

For a description of the vesting schedules of the equity awards, please see the Outstanding Equity Awards at 2016 Fiscal Year End Table below.

Employment Agreements

Michael S. Weiss. Mr. Weiss was appointed Executive Chairman, Chief Executive Officer and President of the Company, effective December 29, 2011. Under Mr. Weiss' employment agreement, Mr. Weiss is to serve as the Company's Executive Chairman, Chief Executive Officer and President until such employment is terminated pursuant to the terms of the agreement. Mr. Weiss' base salary for 2015 was \$325,000 (which will automatically be reduced by 50% when Mr. Weiss resigns from his interim roles). Mr. Weiss is also eligible to earn an annual cash performance bonus, based upon achievement of annual performance goals and objectives set by agreement between Mr. Weiss and the Board each year, with a target bonus of 100% of his base salary.

The Company will also grant Mr. Weiss a number of shares of restricted common stock equal to 1.25% of the shares of common stock outstanding on the date of grant on a fully-diluted basis. Each of these annual grants of restricted stock will vest and become non-forfeitable as to 25% of the shares on the first anniversary of the respective date of grant, as to 25% of the shares on the second anniversary of the respective date of grant and as to 50% of the shares on the date that the "market capitalization" (as defined in the employment agreement) is \$100 million greater than the market capitalization on the respective date of grant, provided that Mr. Weiss remains an employee, director and/or consultant of the Company through each vesting date.

Pursuant to his employment agreement, if Mr. Weiss' employment is terminated by the Company without Cause (as defined therein) or if Mr. Weiss resigns for Good Reason (as defined therein), then, in addition to his accrued obligations, if within 45 days after the date of termination, he executes and does not revoke a general release of claims and covenant not to sue, he will receive the following severance benefits: (i) a lump sum severance payment equal to 1.5 times the sum of his base salary and target bonus (or 2 times the sum of his base salary and target bonus if his employment is terminated upon or following a change in control); (ii) continuation of group health benefits for 18 months (or 24 months if his employment is terminated upon or following a change in control); (iii) a prorated target bonus; (iv) any shares of restricted stock outstanding on the date of his termination will become fully-vested and non-forfeitable as of his date of termination; and (v) any stock options outstanding on the date of his termination will become fully-vested and will remain exercisable for a period of 24 months following the date of his termination (or, if earlier, the normal expiration date of such stock options).

If Mr. Weiss' employment is terminated by reason of his death or disability, he will be entitled to his accrued obligations and a prorated target bonus. In addition, (i) any shares of restricted stock outstanding on the date of his termination will become fully vested and non-forfeitable as of his date of termination; and (ii) the vested portion of any stock options outstanding on the date of his termination will remain exercisable for a period of 24 months following the date of his termination (or, if earlier, the normal expiration date of such stock options), and any unvested portion of outstanding stock options will lapse as of the date of termination.

If Mr. Weiss' employment is terminated by the Company for Cause or by Mr. Weiss without Good Reason, Mr. Weiss will receive his accrued obligations but no additional benefits. Any shares of restricted stock outstanding on the date of his termination will be forfeited. The vested portion of any stock options outstanding on the date of his termination will remain exercisable for a period of thirty (30) days following the date of his termination (or, if earlier, the normal expiration date of such stock options), and any unvested portion of outstanding stock options will lapse as of the date of termination.

During his employment and for 12 months following the termination of his employment for any reason, Mr. Weiss is prohibited from engaging in any business that develops anti-CD20 monoclonal antibodies within the geographic area in which the Company does business, which is deemed to be worldwide, and he is subject to a non-disparagement clause. He is also subject to certain covenants related to confidential information, trade secrets, return of property, and invention assignment.

Effective as of January 1, 2017, we entered into an amendment (the "Amendment") to Mr. Weiss' employment agreement. Under the Amendment, Mr. Weiss will remain as Chief Executive Officer and President, removing the interim status. Simultaneously, we entered into a Strategic Advisory Agreement (the "Advisory Agreement") with Caribe BioAdvisors, LLC (the "Advisor") owned by Mr. Weiss to provide the services of Mr. Weiss as Chairman of the Board and as Executive Chairman. Pursuant to the Advisory Agreement, the Advisor will be paid an annual cash advisory fee initially of \$100,000. The annual cash advisory fee under the Advisory Agreement will be directly tied to our market capitalization, providing for an escalating annual cash advisory fee when our market capitalization is greater than \$500 million up to a maximum annual fee of \$1.5 million if our market capitalization reaches \$3 billion. The cash compensation due to Mr. Weiss and the Advisor will be less than the potential cash compensation due to Mr. Weiss prior to the Amendment and Advisory Agreement until the time the market capitalization of the Company exceeds \$750 million, with the initial cash savings to us being up to \$275,000 annually.

As part of the Amendment, Mr. Weiss also agreed to forfeit 3,381,866 restricted shares previously granted under his employment agreement that were predominantly subject to time-based vesting over three years. Simultaneously, (i) Mr. Weiss is being issued 418,371 restricted shares under his employment agreement that vest in 2018 and 2019 and (ii) the Advisor is being issued 2,960,000 restricted shares under the Advisory Agreement that vest on market capitalization thresholds that range from \$375 million to \$750 million. Collectively, Mr. Weiss and the Advisor will be granted fewer shares than Mr. Weiss forfeited.

Sean A. Power. Mr. Power was appointed Chief Financial Officer, Treasurer and Secretary of the Company, effective December 29, 2011. Under Mr. Power's employment agreement, Mr. Power is to serve as the Company's Chief Financial Officer, Treasurer and Secretary until such employment is terminated pursuant to the terms of the agreement. Mr. Power's base salary for 2015 was \$225,000. Mr. Power is also eligible to earn an annual cash performance bonus, based upon achievement of annual performance goals and objectives set by agreement between Mr. Power and the board each year, with a target bonus of 33% of his base salary.

The Company will grant Mr. Power a number of shares of restricted common stock of the Company as determined by the CEO and the Board. Each of these annual grants of restricted stock will be subject to vesting terms, which will be determined at the time of grant by the CEO and the Board.

Pursuant to his employment agreement, if Mr. Power's employment is terminated by the Company without Cause (as defined therein) or if Mr. Power resigns for Good Reason (as defined therein), then, in addition to his accrued obligations, if within 45 days after the date of termination, he executes and does not revoke a general release of claims and covenant not to sue, he will receive the following severance benefits: (i) a lump sum severance payment equal to 0.5 times the sum of his base salary and target bonus (or 1 times the sum of his base salary and target bonus if his employment is terminated upon or following a change in control); (ii) continuation of group health benefits for 12 months; (iii) a prorated target bonus; (iv) any shares of restricted stock outstanding on the date of his termination will become fully-vested and non-forfeitable as of his date of termination; and (v) any stock options outstanding on the date of his termination will become fully-vested and will remain exercisable for a period of 12 months following the date of his termination (or, if earlier, the normal expiration date of such stock options).

If Mr. Power's employment is terminated by reason of his death or disability, he will be entitled to his accrued obligations and a prorated target bonus. In addition, (i) any shares of restricted stock outstanding on the date of his termination will become fully vested and non-forfeitable as of his date of termination; and (ii) the vested portion of any stock options outstanding on the date of his termination will remain exercisable for a period of 12 months following the date of his termination (or, if earlier, the normal expiration date of such stock options), and any unvested portion of outstanding stock options will lapse as of the date of termination.

If Mr. Power's employment is terminated by the Company for Cause or by Mr. Power without Good Reason, Mr. Power will receive his accrued obligations but no additional benefits. Any shares of restricted stock outstanding on the date of his termination will be forfeited. The vested portion of any stock options outstanding on the date of his termination will remain exercisable for a period of thirty (30) days following the date of his termination (or, if earlier, the normal expiration date of such stock options), and any unvested portion of outstanding stock options will lapse as of the date of termination.

During his employment and for 12 months following the termination of his employment for any reason, Mr. Power is prohibited from engaging in any business that develops anti-CD20 monoclonal antibodies within the geographic area in which the Company does business, which is deemed to be worldwide, and he is subject to a non-disparagement clause. He is also subject to certain covenants related to confidential information, trade secrets, return of property, and invention assignment.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, executive officers and persons who own more than 10% of the shares of our common stock to file an initial report of ownership on Form 3 and changes in ownership on Form 4 or Form 5 with the SEC. Such officers, directors and 10% stockholders are also required by SEC rules to furnish us with copies of any Forms 3, 4 or 5 that they file. RELATED-PERSON TRANSACTIONS

On January 30, 2012, we entered into an exclusive license agreement with LFB Biotechnologies, GTC Biotherapeutics and LFB/GTC LLC, all wholly-owned subsidiaries of LFB Group, relating to the development of ublituximab (the "LFB License Agreement"). In connection with the LFB License Agreement, LFB Group was issued 5,000,000 shares of common stock, and a warrant to purchase 2,500,000 shares of common stock at a purchase price of \$0.001 per share. In addition, under the terms of the LFB License Agreement, on November 9, 2012, we nominated Dr. Yann Echelard to our Board of Directors as LFB Group's nominee. LFB Group maintains the right to nominate a board member until such time as LFB Group owns less than 10% of our outstanding common stock.

In connection with the LFB License Agreement, LFB Group maintained the right to purchase at least \$750,000 in additional shares of common stock at a purchase price per share as defined in a November 2012 securities exchange agreement. Accordingly, in February 2015, LFB Group purchased 114,855 shares of our common stock at a price of \$6.53 per share for net proceeds of \$750,000. In May 2015, LFB Group exercised its warrant to purchase 2,500,000 shares of common stock at a purchase price of \$0.001 per share.

Under the terms of the LFB License Agreement, we utilize LFB Group for certain development and manufacturing services. We incurred approximately \$8,100,000, \$9,300,000 and \$5,200,000 in expenses for such services during the years ended December 31, 2016, 2015 and 2014, respectively. As of December 31, 2016, and 2015, we had approximately \$0.4 million and \$2.1 million, respectively, recorded in accounts payable related to the LFB License Agreement. In conjunction with the development and manufacturing services discussed above, certain agreements between us and LFB Group require payments in advance of services performed or goods delivered. Accordingly, as of December 31, 2016 and 2015, we recorded \$1.3 million and \$3.0 million, respectively, in prepaid research and development for such advance payments.

In March 2014, we entered into a shared services agreement (the "Opus Shared Services Agreement") with Opus Point Partners Management, LLC ("Opus") in which the parties agreed to share a rented facility and costs for certain other services. Michael S. Weiss, our Executive Chairman and CEO, is a Managing Member of Opus. During the years ended December 31, 2016 and 2015, we incurred expenses of approximately \$0.3 million and \$0.1 million, respectively, principally for rent, related to this Opus Shared Services Agreement. As of December 31, 2016 and 2015, we had \$0 and approximately \$0.1 million, respectively, recorded in accounts payable related to this Opus Shared Services Agreement. The Opus Shared Services Agreement is no longer in effect as we began occupying new space in April 2016.

In connection with our licensing agreement with Ligand Pharmaceuticals Incorporated, which we entered into in June 2014, Opus, who identified the opportunity and advised us on the transaction, will be entitled to receive a 1% royalty for annual sales of up to \$1 billion. During the years ended December 31, 2016 and 2015, no royalties were paid to Opus under this agreement.

In October 2014, we entered into an agreement (the "Office Agreement") with Fortress Biotech, Inc. ("FBIO") to occupy approximately 45% of the 24,000 square feet of New York City office space leased by FBIO, which is now our corporate headquarters. The Office Agreement requires us to pay our respective share of the average annual rent and other costs of the 15-year lease. We approximate an average annual rental obligation of \$1.1 million under the Office Agreement. We began to occupy this new space in April 2016, with rental payments beginning in the third quarter of 2016. During the year ended December 31, 2016, we recorded rent expense of approximately \$1.4 million and at December 31, 2016, have deferred rent of approximately \$0.8 million. Mr. Weiss, our Executive Chairman and CEO, is also Executive Vice Chairman of FBIO.

During the year ended December 31, 2016, we agreed to pay FBIO \$2.2 million for our portion of the build-out costs, which have been allocated to us at the 45% rate mentioned above. After an initial commitment period of the 45% rate for a period of three years, we and FBIO will determine actual office space utilization annually and if our utilization differs from the amount we have been billed, we will either receive credits or be assessed incremental utilization charges. Also in connection with this lease, in October 2014 we pledged \$0.6 million to secure a line of credit as a security deposit for the Office Agreement.

In July 2015, we entered into a Shared Services Agreement (the "Shared Services Agreement") with FBIO to share the cost of certain services such as facilities use, personnel costs and other overhead and administrative costs. This Shared Services Agreement requires us to pay our respective share of services utilized. In connection with the Shared Services Agreement, we incurred expenses of approximately \$0.8 million and \$0.1 million for shared services for the years ended December 31, 2016 and 2015, primarily related to shared personnel. As of December 31, 2016, we had approximately \$0.4 million recorded in accounts payable related mostly to the Shared Services Agreement, and no amounts were due at December 31, 2015.

In May 2016, as part of a broader agreement with Jubilant Biosys Limited ("Jubilant"), an India-based biotechnology company, we entered into a sub-license agreement ("JBET Agreement") with Checkpoint Therapeutics, Inc. ("Checkpoint"), a subsidiary of FBIO, for the development and commercialization of Jubilant's novel BET inhibitor program in the field of hematological malignancies. We paid Checkpoint an up-front licensing fee of \$1.0 million as part of the JBET Agreement. As of December 31, 2016, we had approximately \$0.8 million recorded in accounts payable, related to the JBET Agreement. Mr. Weiss is also the Executive Chairman of Checkpoint.

On September 1, 2015, we paid \$25,000 to Checkpoint Therapeutics, Inc. ("Checkpoint") as an option fee for the exclusive right to enter into a collaboration for certain additional compounds licensed by Checkpoint. The option has not been exercised as of December 31, 2016.

For the year ended December 31, 2016, we incurred expenses of approximately \$4,000 to AOI Communications, L.P. for manuscript services related to TG-1101. Mr. Weiss is the owner of AOI Communications, L.P.

PROPOSAL ONE

ELECTION OF DIRECTORS; NOMINEES

Our Amended and Restated Bylaws provide that the Board shall consist of one or more members, as determined from time to time by resolution of the Board. Our Board currently consists of seven members. The nominated directors are: Michael S. Weiss, Laurence N. Charney, William J. Kennedy, Mark Schoenebaum M.D., Yann Echelard, Kenneth Hoberman, and Daniel Hume. For information about each of the nominees and our Board generally, please see “Corporate Governance-Our Board of Directors” beginning on page 4. If elected, the nominees will hold office until the next annual meeting and until a respective successor is elected and has been qualified, or until such director resigns or is removed from office. Management expects that each of the nominees will be available for election, but if any of them is unable to serve at the time the election occurs, your proxy will be voted for the election of another nominee to be designated by a majority of the independent directors serving on our Board.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE ELECTION OF ALL OF THE NOMINEES FOR DIRECTOR. IF A CHOICE IS SPECIFIED ON THE PROXY BY THE STOCKHOLDER, THE SHARES WILL BE VOTED AS SPECIFIED. IF NO SPECIFICATION IS MADE, THE SHARES WILL BE VOTED “FOR” ALL OF THE NOMINEES. THE AFFIRMATIVE VOTE OF THE HOLDERS OF A PLURALITY OF THE SHARES OF COMPANY COMMON STOCK REPRESENTED AND ENTITLED TO VOTE AT THE ANNUAL MEETING AT WHICH A QUORUM IS PRESENT IS REQUIRED FOR THE ELECTION OF THE NOMINEES.

PROPOSAL TWO

**RATIFICATION OF APPOINTMENT OF COHNREZNICK LLP AS OUR
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Board is submitting the selection of CohnReznick LLP as our independent registered public accounting firm to the stockholders for ratification at our Annual Meeting. Stockholder ratification of our independent registered public accounting firm is not required by our Amended and Restated Bylaws or otherwise. If CohnReznick LLP is not ratified as our independent registered public accounting firm by a majority of the shares present or represented by proxy, the Audit Committee will review its future selection of independent registered public accounting firm. CohnReznick LLP will still serve as our independent registered public accounting firm for the year ending December 31, 2017, if it is not ratified by our stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” RATIFICATION OF THE APPOINTMENT OF COHNREZNICK LLP AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2017. THE AFFIRMATIVE VOTE OF THE MAJORITY OF SHARES PRESENT IN PERSON OR REPRESENTED BY PROXY AT THE MEETING AND ENTITLED TO VOTE ON THE SUBJECT MATTER IS REQUIRED FOR THE RATIFICATION OF THE APPOINTMENT OF COHNREZNICK LLP.

ADDITIONAL INFORMATION

Householding of Annual Meeting Materials

Some banks, brokers and other nominee record holders may be participating in the practice of “householding” proxy statements and annual reports. This means that only one copy of our proxy statement and 2016 Annual Report may have been sent to multiple stockholders in your household. We will promptly deliver a separate copy of either document to you if you contact us at: TG Therapeutics, Inc., 2 Gansevoort Street, 9th Floor, New York, New York 10014, Attn: Sean A. Power. You may also contact us at (212) 554-4484.

If you want to receive separate copies of the proxy statement and annual report in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker, or other nominee record holder, or you may contact us at the above address or phone number.

Stockholder Proposals for Our 2018 Annual Meeting

Only proper proposals under Rule 14a-8 of the Exchange Act which are timely received will be included in the proxy materials for our next annual meeting. In order to be considered timely, such proposal must be received by our Corporate Secretary, Sean A. Power, at 2 Gansevoort Street, 9th Floor, New York, New York 10014, no later than December 29, 2017. We suggest that stockholders submit any stockholder proposal by certified mail, return receipt requested.

Our Amended and Restated Bylaws require stockholders to provide advance notice to the Company of any stockholder director nomination(s) and any other matter a stockholder wishes to present for action at an annual meeting of stockholders (other than matters to be included in our proxy statement, which are discussed in the previous paragraph). In order to properly bring business before an annual meeting, our Amended and Restated Bylaws require, among other things, that the stockholder submit written notice thereof complying with our Amended and Restated Bylaws to Sean A. Power, our Corporate Secretary, at the above address, not less than 60 days nor more than 90 days prior to the anniversary of the preceding year’s annual meeting. Therefore, the Company must receive notice of a stockholder proposal submitted other than pursuant to Rule 14a-8 (as discussed above) no sooner than March 15, 2018, and no later than April 14, 2018. If a stockholder fails to provide timely notice of a proposal to be presented at our 2018 Annual Meeting of Stockholders, the proxy designated by our Board will have discretionary authority to vote on any such proposal that may come before the meeting.

Other Matters

Our Board does not know of any other matters that may come before the meeting. However, if any other matters are properly presented to the meeting, it is the intention of the person named in the accompanying proxy card to vote, or otherwise act, in accordance with their judgment on such matters.

Solicitation of Proxies

We will bear the cost of solicitation of proxies. In addition to the solicitation of proxies by mail, our officers and employees may solicit proxies in person or by telephone. We may reimburse brokers or persons holding stock in their names, or in the names of their nominees, for their expenses in sending proxies and proxy material to beneficial owners.
