Motorcar Parts of America to Present at 29th Annual Roth Conference

LOS ANGELES, March 09, 2017 (GLOBE NEWSWIRE) -- Motorcar Parts of America, Inc. (Nasdaq:MPAA) today announced it is scheduled to make a presentation on Tuesday, March 14, 2017 at 10:30 a.m. Pacific time at the 29th Annual Roth Conference in Laguna Niguel at The Ritz Carlton Hotel.

Selwyn Joffe, chairman, president and chief executive officer will discuss the company's business and industry trends in a *fireside chat* format. A live audio webcast of the discussion will be available through the link www.motorcarparts.com and archived for a period of 30 days.

An updated PowerPoint presentation will be available on Monday, March 13 via the company's website address noted above. A newly created educational video on the company's "Core Exchange Program" will be available via its website on Monday as well. The video complements management's commitment and focus on providing investors with innovative tools to better understand the dynamics of its business.

About Motorcar Parts of America

Motorcar Parts of America is a remanufacturer, manufacturer and distributor of automotive aftermarket parts -- including alternators, starters, wheel hub assembly products, brake master cylinders, brake power boosters and turbochargers utilized in imported and domestic passenger vehicles, light trucks and heavy duty applications. Motorcar Parts of America's products are sold to automotive retail outlets and the professional repair market throughout the United States and Canada, with facilities located in California, Mexico, Malaysia and China, and administrative offices located in California, Tennessee, Virginia, Mexico, Singapore, Malaysia and Toronto. Additional information is available at www.motorcarparts.com.

The Private Securities Litigation Reform Act of 1995 provides a "safe harbor" for certain forward-looking statements. The statements contained in this press release that are not historical facts are forward-looking statements based on the company's current expectations and beliefs concerning future developments and their potential effects on the company. These forward-looking statements involve significant risks and uncertainties (some of which are beyond the control of the company) and are subject to change based upon various factors. Reference is also made to the Risk Factors set forth in the company's Form 10-K Annual Report filed with the Securities and Exchange Commission (SEC) in June 2016 and in its Forms 10-Q filed with the SEC for additional risks and uncertainties facing the company. The company undertakes no obligation to publicly update or revise any forward-looking statements, whether as the result of new information, future events or otherwise.
