IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON APRIL 18, 2017

The Proxy Statement and 2016 Annual Report of M&T Bank Corporation (“M&T”) are available at <http://ir.mtb.com/proxy.cfm>.

YOUR VOTE IS IMPORTANT

It is important that your shares be represented and voted at the 2017 Annual Meeting of Shareholders. If your M&T shares of common stock are registered in your name with M&T’s transfer agent, Computershare, you are considered to be a “shareholder of record” and your proxy materials were mailed directly to you. You may vote in person at the meeting. You may also vote your shares by telephone, over the Internet or by mailing your signed proxy card in the postage-paid envelope you were provided. If your M&T shares of common stock are held by a broker, trustee, bank or other nominee, then that nominee is considered the shareholder of record and the shares are considered held in “street name” and you are the beneficial owner of the shares. M&T provided its proxy materials to that nominee for distribution to you along with its voting instruction card. As the beneficial owner of the shares, you have the right to direct your broker, trustee, bank or other nominee on how to vote and you are also invited to attend the meeting. However, if you are a beneficial owner, you are not the shareholder of record and you may not vote your street name shares in person at the meeting unless you follow the instructions from your nominee, which includes obtaining a legal proxy from the nominee that holds your shares. Please refer to the information your broker, trustee, bank or other nominee provided to you to determine what voting options are available to you. New York Stock Exchange rules do not permit brokers to vote street name shares on “non-routine” matters such as the election of directors, executive compensation and other “significant matters” unless they have received voting instructions from the beneficial owner. M&T Bank Corporation therefore encourages shareholders whose shares are held in street name to promptly direct their vote for all of the agenda items using the proxy instruction card sent by the broker, trustee, bank or other nominee.

DISCONTINUE MULTIPLE MAILINGS

If you are a shareholder of record and have more than one account in your name or at the same address as other shareholders of record, you may authorize M&T Bank Corporation to discontinue mailings of multiple annual reports and proxy statements. To discontinue multiple mailings, or to reinstate multiple mailings, please either mail your request to M&T Bank Corporation, Attention: Shareholder Relations, One M&T Plaza, Buffalo, New York 14203, or send your request to Shareholder Relations via electronic mail at ir@mtb.com.

PROXY STATEMENT

GENERAL INFORMATION – QUESTIONS AND ANSWERS

Why am I being provided this proxy statement?

M&T Bank Corporation (“we” or “M&T”) is providing this proxy statement to you because the Board of Directors is soliciting your proxy to vote your shares of M&T common stock at the 2017 Annual Meeting of Shareholders (the “Annual Meeting”), or any adjournment or adjournments thereof. This proxy statement contains information about matters to be voted upon at the Annual Meeting and certain other information required by the U.S. Securities and Exchange Commission (“SEC”) and the New York Stock Exchange (“NYSE”).

We are first mailing this proxy statement and the accompanying form of proxy to M&T common shareholders of record on or about March 8, 2017. A copy of M&T Bank Corporation’s Annual Report for 2016, including financial statements, accompanies this proxy statement, but is not part of the proxy solicitation materials.

Where will the Annual Meeting be held and when?

The Annual Meeting will be held on the 10th floor of One M&T Plaza in Buffalo, New York, on Tuesday, April 18, 2017, at 11:00 a.m., EDT. M&T’s mailing address is One M&T Plaza, Buffalo, New York 14203, and its telephone number is (716) 842-5138.

Who is entitled to receive notice of and to vote at the Annual Meeting?

Common shareholders of record at 5:00 p.m., EST, on February 28, 2017 are entitled to receive notice of and to vote at the Annual Meeting. On February 28, 2017, M&T had outstanding 153,761,794 shares of common stock, \$0.50 par value per share. Each share of common stock is entitled to one vote. Shares may not be voted at the Annual Meeting unless the owner is present or represented by proxy, as more fully explained in this proxy statement.

How can I give my proxy or vote?

You can give your proxy by completing and returning the physical proxy card accompanying this proxy statement or vote by following the telephone or Internet voting procedures described on the proxy card. The telephone and Internet voting procedures are designed to authenticate that you are a shareholder by use of a control number and allow you to confirm that your instructions have been properly recorded. If you are a shareholder of record, the method by which you vote will not limit your right to vote at the Annual Meeting if you later decide to attend in person.

May I revoke my proxy?

Depending on how you hold your shares (shareholder of record or in street name), determines how and when you may revoke your proxy. A shareholder of record may revoke a proxy that has been previously given at any time before it is exercised by giving written notice of such revocation or by delivering a later dated proxy, in either case, to the Corporate Secretary, at One M&T Plaza, Buffalo, New York 14203, or by voting in person at the Annual Meeting. A beneficial owner of shares in street name must follow the instructions from his or her broker, trustee, bank or other nominee to revoke his or her previously given proxy.

How will my proxy be voted?

Your proxy will be voted in accordance with the direction you provide. If you sign, date and return your proxy card but do not specify how you want to vote your shares, your shares will be voted FOR the election as directors of the 14 persons named under the section titled "NOMINEES FOR DIRECTOR"; FOR approving an advisory vote for the approval of the compensation of M&T Bank Corporation's Named Executive Officers every year (annually); FOR approving the compensation of M&T Bank Corporation's Named Executive Officers; and FOR ratifying the appointment of PricewaterhouseCoopers LLP as the independent registered public accounting firm of M&T for the year ending December 31, 2017.

What is required for a quorum at the Annual Meeting?

The presence in person or by proxy of the holders of a majority of the outstanding common stock constitutes a quorum for the transaction of business at the Annual Meeting. Broker non-votes will be counted as being present or represented at the Annual Meeting for purposes of establishing a quorum, but, under NYSE rules, brokers will not be permitted to vote in the election of directors, on the advisory vote for the approval of the frequency of future advisory votes on the compensation of M&T Bank Corporation's Named Executive Officers, or on the advisory vote to approve the compensation of M&T Bank Corporation's Named Executive Officers unless specific voting instructions are provided to the broker. We therefore encourage beneficial owners of shares whose shares are held in street name to direct their vote for all agenda items on the form of proxy or instruction card sent by his or her broker, trustee, bank or other nominee.

What happens if an incumbent director nominee does not receive a majority of votes in favor of his or her election?

Pursuant to M&T's Amended and Restated Bylaws, in an uncontested election of directors, the affirmative vote of a majority of the votes cast with respect to the nominee is required for the election of such nominee as a director, assuming a quorum is present or represented at the Annual Meeting. Under these circumstances, if an incumbent director does not receive the required affirmative vote, that director would be required to tender his or her resignation to the Board of Directors for consideration in accordance with the Amended and Restated Bylaws.

What approval is necessary to approve Proposals 2, 3 and 4?

For Proposal 2, the highest number of votes cast at the Annual Meeting for every one, two or three years as reflected by the votes for each of these alternatives shall be deemed to be the preferred frequency with which M&T is to hold an advisory vote to approve the compensation of M&T Bank Corporation's Named Executive Officers.

For each of Proposals 3 and 4, the affirmative vote of a majority of the votes cast at the Annual Meeting is required to approve the compensation of M&T Bank Corporation's Named Executive Officers and to ratify the appointment of PricewaterhouseCoopers LLP as the independent registered public accounting firm of M&T for the year ending December 31, 2017.

An abstention will not constitute a vote cast and therefore will not affect the outcome of the vote on the election of directors, the frequency of future advisory votes on the compensation of M&T Bank Corporation's Named Executive Officers, the advisory vote to approve the compensation of M&T Bank Corporation's Named Executive Officers, or the ratification of PricewaterhouseCoopers LLP as the independent registered public accounting firm of M&T for the year ending December 31, 2017. Broker non-votes will not constitute votes cast on the election of directors, the frequency of future advisory votes on the compensation of M&T Bank Corporation's Named Executive Officers, or the approval of the compensation of M&T Bank Corporation's Named Executive Officers, and therefore will have no effect on the outcome of any of these proposals.

Who is paying for the solicitation of proxies?

M&T will bear the cost of soliciting proxies in the accompanying form of proxy. We are making this solicitation by mail, by telephone and in person using the services of some employees of M&T or its subsidiaries at nominal cost. We will reimburse brokers, trustees, banks and other nominees for expenses they incur in mailing proxy materials to beneficial owners of M&T's common stock.

How do I propose actions for the 2018 Annual Meeting of Shareholders?

In order for a shareholder proposal for the 2018 Annual Meeting of Shareholders to be eligible for inclusion in M&T's proxy statement, we must receive it at our principal executive offices no later than November 3, 2017. You must provide your proposal to us in writing and your notice must contain the information required by M&T's Amended and Restated Bylaws.

M&T's Amended and Restated Bylaws state that no business may be brought before an annual meeting of shareholders unless it is specified in the notice of the meeting or is otherwise brought before the meeting by the Board of Directors or by a shareholder entitled to receive notice of and to vote who has delivered notice to M&T (containing the information specified in the Amended and Restated Bylaws) not less than 120 days prior to the anniversary of the date on which M&T first mailed its proxy materials for the preceding year's annual meeting of shareholders. These requirements are separate from and in addition to the SEC's requirements that a shareholder must meet in order to have a shareholder proposal included in M&T's proxy statement. A shareholder wishing to submit a proposal for consideration at the 2018 Annual Meeting of Shareholders, either under SEC Rule 14a-8 or otherwise, should do so no later than November 3, 2017.

What do I have to bring in order to attend the Annual Meeting in person?

In order to be admitted to the Annual Meeting, you will need to bring a valid photo ID or other satisfactory proof of identification. If you are a beneficial owner of shares in street name, you must also bring evidence of your M&T share ownership that can include a notice from your broker, trustee, bank or other nominee regarding the availability of these proxy materials or a recent account statement from the broker, trustee, bank, or other nominee that holds your shares and confirms your beneficial ownership of those shares.

PROPOSAL 1

ELECTION OF DIRECTORS

Upon the recommendation of the Nomination, Compensation and Governance Committee the (“NCG Committee”), the Board of Directors recommends the following 14 persons for election as directors of M&T, to hold office until the 2018 Annual Meeting of Shareholders and until their successors have been elected and qualified. Thirteen of the 14 nominees listed below were elected at the 2016 Annual Meeting of Shareholders. The Board of Directors originally recommended these 14 nominees as well as Mark J. Czarnecki for election as directors of M&T; however, subsequent to the passing of Mr. Czarnecki on February 26, 2017, the Board of Directors took action to fix the number of directors at 14 effective April 18, 2017. The Board of Directors then nominated the following 14 persons for election as directors of M&T.

If any nominee for any reason, becomes unavailable for election, or if a vacancy occurs before the election (which events are not expected), it is intended that the shares represented by the proxies will be voted for such other person, if any, as the NCG Committee shall designate.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR ELECTION OF EACH OF THE 14 NOMINEES.

Each nominee’s business experience, including occupation, current public company directorships, and public company directorships held at any time during the past five years is provided. Additionally, the specific experience, qualifications and skills, including education, of each nominee that was considered by the NCG Committee are listed. The information with respect to each nominee is as of February 28, 2017, and includes each nominee’s affiliations with M&T’s subsidiary banks, Manufacturers and Traders Trust Company (also known as “M&T Bank”) and Wilmington Trust, National Association (“Wilmington Trust, N.A.”). The information contained in this proxy statement concerning the nominees is based upon statements made or confirmed to M&T by or on behalf of such nominees, except to the extent certain information is contained in M&T’s records.

The Board of Directors believes that the experience, qualifications and skills of each of the director nominees contribute to an effective and well-functioning board providing oversight of M&T’s business and management.

The amounts listed in this column show only the amount of fees paid in cash.

(2) Reflects fees paid in the form of M&T common stock, which is paid at the end of each calendar quarter. The value of M&T common stock paid is based on the grant date fair value, which equals the value as of the last business day of each calendar quarter on which the shares of common stock are quoted on the NYSE.

- (3) Includes fees paid to directors for their service on Director Advisory Councils of M&T Bank.
- (4) Mr. Hodgson passed away on December 26, 2016.

M&T Bank Corporation 2008 Directors' Stock Plan

Pursuant to the terms of the M&T Bank Corporation 2008 Directors' Stock Plan ("Directors' Stock Plan"), each director can elect to receive payment of his or her annual compensation in cash, in shares of M&T common stock, or in a combination of cash and shares of M&T common stock for services as a director or advisory director of M&T and its subsidiaries. The number of shares of M&T common stock paid is determined by dividing the amount of such compensation payable in shares of M&T common stock by the closing price of M&T's common stock on the NYSE on the business day immediately preceding the day the compensation is payable. Shares of M&T common stock received in payment of fees vest immediately upon grant.

M&T Bank Directors' Fees

M&T directors, who also serve as directors of M&T Bank, if not salaried officers of M&T or its subsidiaries, receive attendance fees for each M&T Bank board, council or committee meeting attended, unless any such meeting is held concurrently with a meeting of the M&T board or committee, of which they are also a member. Except as described below, such attendance fees and the cash versus stock allocations are identical to the schedule of fees paid to directors of M&T for board and committee meetings attended described above.

Mr. Baird, as a member of the Directors Advisory Council of the New York City/Long Island Division of M&T Bank, received an annual retainer of \$15,000 and a fee of \$1,750 for each meeting he attended. Mr. Cunningham, as Chairman of the Directors Advisory Council of the Hudson Valley Division of M&T Bank, received a fee of \$1,000 for each meeting he attended. Mr. Geisel, as Chairman of the Directors Advisory Council of the Baltimore-Washington Division of M&T Bank, received a fee of \$300 for each meeting he attended. Mr. Grossi, as a member of the Directors Advisory Council of the Baltimore-Washington Division of M&T Bank, received a fee of \$300 for each meeting he attended. Mr. Sadler is Chairman of the Wilmington Trust, N.A. Florida Advisory Council but does not receive fees for attending these meetings. All directors of M&T Bank are entitled to reimbursement for travel expenses incidental to their attendance at meetings.

Nonqualified Deferred Compensation Arrangements for Directors

Mr. King was a participant in the Keystone Financial Director Fee Plan that was assumed by M&T in connection with its acquisition of Keystone Financial, Inc. in 2001. The plan is a nonqualified, unfunded plan under which a Keystone director could elect to defer directors' fees in the form of phantom shares of Keystone's common stock. Upon M&T's acquisition of Keystone, the right of participants to receive Keystone common stock was converted into the right to receive M&T common stock. Mr. King's beneficiary began receiving his annual distributions from his plan account commencing in January 2017, following his death in 2016.

Corporate Governance Standards

The Board of Directors believes that the purpose of sound and effective corporate governance is to ensure that shareholder value is maximized in a manner that is consistent with legal requirements and the highest standards of business ethics and integrity. The Board has consistently adhered to corporate governance standards that the Board believes promotes this purpose. The Board initially adopted corporate governance practices in 1997 and adopted formal corporate governance standards in 2003. Annually, the Board evaluates, in light of best practices and regulatory guidance, its Corporate Governance Standards.

The Board last amended its Corporate Governance Standards in October 2016. The current Corporate Governance Standards are available on M&T's website at www.ir.mtb.com/corpgov.cfm. These standards address, among other things, director qualifications and responsibilities, board committees, director compensation and independence, director orientation and continuing education, annual performance evaluations, corporate disclosure policy, controls and procedures regarding financial reporting and disclosure, and codes of business conduct and ethics.

Pursuant to M&T's Amended and Restated Bylaws, in an uncontested election when a quorum is represented, the affirmative vote of a majority of the votes cast with respect to such director nominee is required for the election of that nominee as a director. If an incumbent director in an uncontested election does not receive the affirmative vote of a majority of the votes cast with respect to such director, that director is required to tender his or her resignation to the Board of Directors. The Board will then determine whether or not to accept such resignation, taking into account the recommendation of the NCG Committee. The Board will publicly disclose in a press release or SEC filing its decision to accept or reject such resignation within 90 days after the certification of the election results.

Availability of Corporate Governance Standards

In addition to being available on M&T's website at www.ir.mtb.com/corpgov.cfm, any shareholder can request copies of M&T's Corporate Governance Standards, the charters for each of the Audit Committee, Risk Committee, Nomination, Compensation and Governance Committee, or the Executive Committee, as well as our Code of Business Conduct and Ethics, and our Code of Ethics for CEO and Senior Financial Officers. To make a request, shareholders may either mail their request to M&T Bank Corporation, Attention: Shareholder Relations, One M&T Plaza, Buffalo, New York 14203, or send such request to Shareholder Relations via electronic mail at ir@mtb.com.

Codes of Ethics

M&T makes its policies and procedures available to all of our employees. These policies include our Code of Business Conduct and Ethics. Further, M&T requires all employees to annually certify that they have read and are familiar with the employee policies and procedures and their content, including our Code of Business Conduct and Ethics, and that they will adhere to such policies and procedures.

M&T's Code of Business Conduct and Ethics applies to our directors, officers, advisors and employees, as well as to our agents and representatives, including consultants. Our Code of Business Conduct and Ethics requires that individuals avoid conflicts of interest, comply with all laws and other legal requirements, conduct business in an honest and ethical manner, and otherwise act with integrity and in the best interests of M&T. In addition, our Code of Business Conduct and Ethics expects individuals to report any observed illegal or unethical behavior and provides a retaliation-free reporting mechanism. Our Code of Business Conduct and Ethics is a guide to help ensure that all individuals live up to the highest ethical standards.

M&T also maintains a Code of Ethics for CEO and Senior Financial Officers that applies to our Chief Executive Officer, Chief Financial Officer, Controller and all other senior financial officers designated by the Chief Financial Officer from time to time. This Code of Ethics supplements our Code of Business Conduct and Ethics and is intended to promote honest and ethical conduct, full and accurate financial reporting and compliance with laws, as well as other matters.

Our Code of Business Conduct and Ethics and the Code of Ethics for CEO and Senior Financial Officers is available on M&T's website at www.ir.mtb.com/corpgov.cfm.

In accordance with SEC rules, M&T will post on its website or file a Form 8-K to report any amendment to or waiver from any provision in the Code of Ethics for CEO and Senior Financial Officers that applies to our Chief Executive Officer, Chief Financial Officer, Controller, or persons performing similar functions.

Board Diversity

M&T strives to foster an inclusive workplace environment that respects and values individual differences. We believe that employee diversity enhances the organization's ability to innovate, and therefore to maintain a competitive advantage. Likewise, M&T values diversity among its board members for these same reasons. Our Corporate Governance Standards provide that the NCG Committee, in discharging its duties of reviewing the qualifications of director nominees, considers, among other factors, diversity, age, skills and experience in the context of the needs of the Board of Directors and regulatory obligations and guidance. In light of these guidelines, the NCG Committee endeavors to appoint a slate of nominees that represents diversity with respect to educational background, business experience, life skills, geographic representation and community involvement, as well as gender, race and national origin. The NCG Committee does not assign specific weight to any particular criteria; its goal is to identify nominees that, considered as a group, will possess the talents, skill sets and characteristics necessary for the Board of Directors to fulfill its responsibilities.

Board Independence

Pursuant to our Corporate Governance Standards, the Board conducts an annual review of director independence. As a result of the review performed in April 2016, the Board determined, based upon the recommendation of the NCG Committee, that 12 of the 16 members then serving as directors met the NYSE standard for independence. Of the 14 nominees standing for election as directors at the Annual Meeting, 13 of whom are currently serving as such, ten continue to meet the NYSE standard for independence. Mr. Scharfstein's independence was reviewed pursuant to M&T's Corporate Governance Standards prior to being nominated as a candidate for the Board of Directors. Based upon the review conducted by the NCG Committee, the Board determined that he was independent under the NYSE standards. Currently, only Messrs. Wilmers, Sadler and Salamone are not deemed to be independent.

The Board uses categorical standards to assist it in making independence determinations. Under these standards, absent other material relationships with M&T that the Board believes jeopardize a director's independence from management, a director will be deemed to be independent unless the director or any of his or her immediate family members had any of the following relationships with M&T:

- employment during any of the past three years (as an executive officer in the case of family members);
- the receipt of more than \$120,000 per year in direct compensation (other than director fees and pension or other forms of deferred compensation for prior service not contingent upon continued service and as an executive officer in the case of family members) during any 12-month period over the past three years;
- affiliation or employment with a present or former internal or external auditor during any of the past three years;
- employment with another company where any executive officers of M&T served on that company's compensation committee during any of the past three years; or
- being an executive officer of a company that makes payments to, or receives payments from, M&T for property or services in a fiscal year in an amount in excess of the greater of \$1 million or 2% of such other company's consolidated gross revenues.

Additionally, if any business relationship involving a director and M&T is a lending relationship, deposit relationship, or other banking or commercial relationship between M&T Bank on the one hand, and an entity with which the director or immediate family member is affiliated by reason of being a director, officer or a significant shareholder thereof, on the other hand, such relationship must meet the following criteria: (1) it must be made in the ordinary course of business and on substantially the same terms as those prevailing at the time for comparable transactions with non-affiliated persons; and (2) with respect to extensions of credit by M&T Bank to such person or entity: (a) such extensions of credit have been made in compliance with applicable law, including Federal Reserve Board Regulation O and Section 13(k) of the Securities Exchange Act of 1934, as amended ("Exchange Act") and (b) no event of default has occurred and is continuing beyond any cure period.

In making its determination as to the independent directors, the Board considered the following specific transactions, relationships and arrangements with directors and their immediate family members and any such person's principal business affiliations. For each of Mr. Hawke and Ms. Rich, payments by M&T to a company (in the case of Ms. Rich, a director-affiliated company and, in the case of Mr. Hawke, the law firm from which he is a retired partner and now an employee) for services in an amount that did not exceed the greater of \$1 million or 2% of such company's consolidated gross revenues.

The Board of Directors, upon the recommendation of the NCG Committee, considered these transactions, relationships and arrangements and, consistent with the applicable independence standards, determined that they do not impair the relevant director's independence as a director of M&T or as a member of any of the committees on which he or she serves.

The Board of Directors considers all relevant facts and circumstances, as well as the application of the categorical standards. Based on its review of this information, the Board affirmatively determined that, other than Messrs. Wilmers, Sadler and Salamone, each member of the Board of Directors is "independent" and does not have any material relationships with M&T or its subsidiaries. With respect to Mr. Hawke and Ms. Rich, the Board of Directors considered the fact that payments from M&T to each of these companies for services rendered were in an amount less than \$1 million. Further, the Board

considered Mr. Hawke's status with the international law firm as an employee who does not share in the profits or participate in the management of the law firm. Mr. Hawke does not perform any legal services for M&T, nor does he derive any direct compensation based upon the legal services provided by the law firm to M&T. Therefore, the Board determined that his affiliation with the law firm does not impair Mr. Hawke's independence.

Board Leadership Structure

Chairman and Lead Independent Director

Mr. Wilmers serves as M&T's Chairman of the Board and Chief Executive Officer. He has held the post of Chief Executive Officer for more than 30 years, and also served as Chairman of the Board for most of those years. In light of Mr. Wilmers' significant leadership tenure with the organization, the Board believes that this is an appropriate structure for leadership of the Board of Directors because it fosters effective decision-making and clear accountability. The Board adheres to the Corporate Governance Standards on this topic and annually elects a non-executive Vice Chairman of the Board of Directors who performs the duties of lead independent director. Mr. Brady has served as the lead independent director since June 15, 2015. The lead independent director presides over the executive sessions of the non-management directors.

Executive Sessions of the Non-Management Directors

The non-management directors meet at regularly scheduled executive sessions without management. Mr. Brady, Vice Chairman of the Board of Directors and the lead independent director, presides at these meetings. In the absence of the lead independent director, the non-management directors determine which director will preside at such meetings.

Board's Role in Risk Oversight

The Board of Directors has delegated its risk oversight duties to the Risk Committee. At each Board meeting, the Board receives separate reports from the Chairman of the Risk Committee as well as the Chair of the Audit Committee. In 2016, the Audit Committee and the Risk Committee met jointly three times. Additionally, the Management Risk Committee, which is the primary management-level risk committee, and M&T's Chief Risk Officer provide regular reports directly to the Risk Committee.

Board Attendance

The Board of Directors held 12 meetings in 2016. Each of the directors attended at least 75% of the total number of meetings of the Board and each committee on which the director served, except for Ms. Rich.

M&T's Corporate Governance Standards encourage all members of the Board of Directors to attend its Annual Meeting of Shareholders, absent exigent circumstances. Of the nominees standing for election at the Annual Meeting, 13 were elected at the 2016 Annual Meeting of Shareholders and each of those directors attended that meeting.

Communications with the Board of Directors

Any shareholder or other interested party wishing to communicate with the Board of Directors or any individual director may submit his or her written correspondence to M&T Bank Corporation's

Corporate Secretary, One M&T Plaza, Buffalo, New York 14203. The Corporate Secretary may facilitate direct communications to the Board, the lead independent director, the non-management directors as a group, or individual directors, by reviewing and summarizing such communications.

Audit Committee

The Audit Committee has the authority and responsibility to engage and discharge the independent registered public accounting firm, pre-approve all audit and non-audit services to be provided by such firm, review the plan and results of the auditing engagement, review management's evaluation of the adequacy of M&T's system of internal controls over financial reporting, direct and supervise investigations into matters within the scope of its duties, and perform the duties set forth in its written charter and such other duties as are required by applicable laws or securities exchange rules. In addition, the Audit Committee serves as the Examining Committee for Wilmington Trust, N.A. and reviews the activities of the Examining Committee of M&T Bank. Ms. Bontempo (Chair) and Messrs. Grossi, Hodgson, King and Washington served as members of the Audit Committee during 2016. Mr. King passed away on September 23, 2016 and Mr. Hodgson passed away on December 26, 2016. Ms. Bontempo and Messrs. Grossi and Washington each currently serve as members. The Audit Committee held six meetings in 2016, including three joint meetings with the Risk Committee.

The Audit Committee is comprised solely of directors who are not officers or employees of M&T and who the Board has determined have the requisite financial literacy to serve on the Audit Committee. In addition, the Board of Directors has determined that at least one member of the Audit Committee meets the NYSE standard of having "accounting or related financial management expertise." The Board, based upon the recommendation of the NCG Committee, after reviewing all relevant facts and

circumstances, determined that Ms. Bontempo is an “audit committee financial expert.” Further, the Board determined that no member of the Audit Committee has any material relationship with M&T that might interfere with the exercise of the member’s independent judgment and that each member meets the standards of independence established by the SEC and the NYSE. See “Board Independence” under the section titled “CORPORATE GOVERNANCE OF M&T BANK CORPORATION.”

The Audit Committee is governed by a written charter approved by the Board of Directors. The Audit Committee Charter is available on M&T’s website at www.ir.mtb.com/corpgov.cfm.

Executive Committee

The Board of Directors has empowered its Executive Committee to act when the Board of Directors is not in session, during which time the Executive Committee possesses all of the Board’s powers in the management of the business and affairs of M&T Bank Corporation, except as otherwise limited by law. Messrs. Wilmers (Chairman), Baird and Hodgson served as members of the Executive Committee during 2016. Mr. Hodgson passed away on December 26, 2016. Messrs. Wilmers and Baird each currently serve as a member. The Executive Committee did not meet in 2016.

The Executive Committee is governed by a written charter approved by the Board of Directors. The Executive Committee Charter is available on M&T’s website at www.ir.mtb.com/corpgov.cfm.

Nomination, Compensation and Governance Committee

The Nomination, Compensation and Governance Committee is responsible for evaluating the efforts of M&T and of the Board of Directors to maintain effective corporate governance practices and identifying candidates for election to the Board of Directors. In addition, the NCG Committee is responsible for administering M&T’s equity compensation plans and awarding grants thereunder. It administers various equity and incentive plans, including the M&T Bank Corporation Annual Executive Incentive Plan, the M&T Bank Corporation 2005 Incentive Compensation Plan, the Directors’ Stock Plan, the M&T Bank Corporation 2009 Equity Incentive Compensation Plan (“Equity Incentive Compensation Plan”) and the M&T Bank Corporation Employee Stock Purchase Plan. The NCG Committee recommends the remuneration and benefits of directors and Section 16 reporting officers of M&T and its subsidiaries. It is also responsible for reviewing with management the Compensation Discussion and Analysis (“CD&A”) and providing a report recommending to the Board of Directors whether such CD&A should be included in the proxy statement. Messrs. Baird (Chairman), Brady and Geisel served as members of the NCG Committee throughout 2016, and each currently serves as a member. The NCG Committee held eight meetings in 2016.

The current Board of Directors of M&T is comprised of persons who were identified as being qualified director candidates by management and the Board of Directors. The NCG Committee considers nominees for director that are recommended by various persons or entities, including, but not limited to, non-management directors, our Chief Executive Officer and other executive officers of M&T, and shareholders. In addition, the NCG Committee takes into account any contractual rights that persons or entities have with respect to nominees for director. In evaluating all nominees for director, including those recommended by shareholders, the NCG Committee considers whether each nominee has all the requisite experience, attributes and qualifications for board membership and not just certain specific qualities or skills.

The NCG Committee will consider candidates nominated by shareholders that are properly submitted in writing to M&T's Corporate Secretary at One M&T Plaza, Buffalo, New York 14203 and received no later than 120 days prior to the anniversary of the date on which M&T first mailed its proxy materials for the preceding year's Annual Meeting of Shareholders. For the 2018 Annual Meeting of Shareholders, M&T's Corporate Secretary must receive those nominations on or before November 3, 2017.

In considering nominees for director, including those recommended by shareholders, the NCG Committee reviews the qualifications and independence of the potential nominee in light of the composition of the current Board of Directors and its various committees. This assessment includes the potential nominee's qualification as independent, as well as consideration of diversity, age, skills, experience, tenure, contribution and appropriate geographic balance in the context of the needs of the Board of Directors and its committees.

The NCG Committee is comprised solely of directors who are not officers or employees of M&T. The Board determined that no member of the NCG Committee has any material relationship with M&T that might interfere with the exercise of the member's independent judgment and that each member meets the standards of independence established by the SEC and the NYSE.

The NCG Committee is governed by a written charter approved by the Board of Directors. The NCG Committee Charter is available on M&T's website at www.ir.mtb.com/corpgov.cfm.

Risk Committee

The Risk Committee assists the Board of Directors in its oversight of M&T's risk management function, including the strategies, policies, procedures and systems established by management to identify, assess, measure and manage the major risks facing M&T. In discharging its duties of risk oversight, the Risk Committee provides input to management on risk appetite, risk profile and regulatory requirements and approves the effectiveness of M&T's risk management framework. Messrs. Hawke (Chairman), Cunningham, Geisel and Sadler served as members of the Risk Committee throughout 2016, and each currently serves as a member. The Risk Committee held 19 meetings in 2016, including three joint meetings with the Audit Committee.

Regulation YY promulgated by the Federal Reserve Board ("FRB") in February 2014, requires that publicly traded bank holding companies with total consolidated assets of \$50 billion or more must maintain a risk committee chaired by an independent director and by January 1, 2015, include at least one member with experience in identifying, assessing and managing risk exposures of large, complex financial firms commensurate with the company's structure, risk profile complexity, activities and size. Each year, each member of the Risk Committee completes a questionnaire to assess his qualifications in accordance with the FRB standards. Based upon the responses, Messrs. Cunningham and Geisel met the criteria to qualify as a "risk management expert." Upon the recommendation of the NCG Committee, the Board appointed Messrs. Cunningham and Geisel as risk management experts of the Risk Committee effective January 1, 2015. Messrs. Cunningham and Geisel were reappointed by the Board as risk management experts of the Risk Committee on April 19, 2016, and continue to serve as the risk management experts.

The Risk Committee is governed by a written charter approved by the Board of Directors. The Risk Committee Charter is available on M&T's website at www.ir.mtb.com/corpgov.cfm.

NOMINATION, COMPENSATION AND GOVERNANCE COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Messrs. Baird (Chairman), Brady and Geisel served as members of the Nomination, Compensation and Governance Committee throughout 2016, and each currently serves as a member. No individual who served as a member of the NCG Committee during 2016 was at any time an officer or employee of M&T or any of its subsidiaries.

The Board of Directors has determined that all members of the NCG Committee are independent and have no financial or personal relationships with M&T requiring disclosure pursuant to SEC rules (other than director compensation, equity ownership and transactions made in the ordinary course of business with its banking or other operating subsidiaries as described in this proxy statement).

Under Section 16(a) of the Exchange Act, M&T’s directors and our Section 16 reporting officers, and persons who beneficially own more than 10% of M&T’s outstanding shares of common stock are required to report their beneficial ownership of the common stock and any changes in that beneficial ownership to the SEC and the NYSE. M&T believes that these filing requirements were satisfied by all of its directors and Section 16 reporting officers during 2016, with the exception of one transaction each that was reported late for Messrs. Darren King, Sadler and Salamone. In making the foregoing statement, M&T relied on copies of the reporting forms received by it or on the written representations from such reporting persons that no additional forms were required to be filed under the applicable rules of the SEC.

TRANSACTIONS WITH DIRECTORS AND EXECUTIVE OFFICERS

Mr. Wilmers is the beneficial owner of a 50% interest in an entity that is unaffiliated with M&T and which owns commercial aircraft that are leased to a commercial aviation service. From time to time, M&T and its subsidiaries chartered certain aircraft from the aviation service for business use by Mr. Wilmers. M&T paid \$419,480 to the aviation service for use of the aircraft in 2016. M&T has determined that the fees paid to the aviation service for such business use of the aircraft are fair and competitive.

Mr. Sadler entered into a two-year consulting agreement with M&T effective July 1, 2016, pursuant to which he is paid a consulting fee of \$200,000 per year.

Directors and executive officers of M&T and their associates are, and have been, customers of, and have had transactions with the banking and other operating subsidiaries of M&T, and additional transactions may be expected to take place in the future between such persons and subsidiaries. Any loans from M&T's subsidiary banks to such persons and their associates outstanding at any time since January 1, 2016 were made in the ordinary course of business of the banks on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to the banks or their subsidiaries, and did not involve more than normal risk of collectability or present other unfavorable features.

In accordance with applicable NYSE listing standards, the NCG Committee reviews, approves or ratifies all related party or affiliate transactions between M&T and any of its affiliates, directors, officers and/or employees, or where such persons, directly or indirectly is interested or benefited other than for extensions of credit otherwise covered by policies and procedures governed by FRB Regulation O. The NCG Committee determines whether a particular relationship serves the best interests of M&T and its shareholders and whether the relationship should be continued. In addition, M&T's Code of Business Conduct and Ethics, which is applicable to our directors, officers, advisors and employees, as well as to our agents and representatives, including consultants, requires that individuals avoid conflicts of interest, comply with all laws and other legal requirements, conduct business in an honest and ethical manner, and otherwise act with integrity and in the best interests of M&T. The Code of Business Conduct and Ethics expects individuals to report any observed illegal or unethical behavior, and provides a retaliation-free reporting mechanism. In addition, as described in "Board Independence" under the section titled "CORPORATE GOVERNANCE OF M&T BANK CORPORATION," such related party or affiliate transactions are considered by the Board of Directors in its review of director independence.

PROPOSAL 2

ADVISORY, NON-BINDING PROPOSAL TO RECOMMEND THE FREQUENCY OF FUTURE ADVISORY VOTES ON THE COMPENSATION OF M&T BANK CORPORATION'S NAMED EXECUTIVE OFFICERS

On January 25, 2011, the SEC adopted amendments to the Exchange Act and the related regulations that require all U.S. companies to conduct a shareholder advisory vote on executive compensation and a separate shareholder vote to determine how often a company will conduct such shareholder advisory votes. Under this proposal, commonly known as a “say-on-frequency” proposal, you may vote to have a “say-on-pay” vote take place every year (annually), every two years or every three years. You may also choose to abstain.

This “say-on-frequency” proposal gives shareholders the opportunity to vote on the frequency of future advisory votes on the compensation of M&T Bank Corporation’s Named Executive Officers through the following resolution:

“RESOLVED, that the highest number of votes cast by the shareholders of M&T Bank Corporation for every one, two or three years as reflected by their votes for each of these alternatives shall be deemed to be the preferred frequency with which M&T Bank Corporation is to hold an advisory vote to approve the compensation of its Named Executive Officers.”

The shareholder vote on this matter is advisory, meaning that it will serve as a recommendation to the Board of Directors, but will not be binding. In addition, shareholders are not being asked to vote to approve or disapprove the Board of Directors’ recommendation, but to recommend the frequency of the say-on-pay vote described above.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR HOLDING AN ADVISORY VOTE FOR THE APPROVAL OF THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS EVERY YEAR (ANNUALLY).

PROPOSAL 3

ADVISORY, NON-BINDING PROPOSAL TO APPROVE THE COMPENSATION OF M&T BANK CORPORATION'S NAMED EXECUTIVE OFFICERS

M&T Bank Corporation believes that its 2016 compensation policies and practices are centered on a pay-for-performance culture and are strongly aligned with the long-term interests of its shareholders, while reducing incentives for unnecessary and excessive risk taking. Our executive compensation programs are described in detail in the sections titled "COMPENSATION DISCUSSION AND ANALYSIS" and "EXECUTIVE COMPENSATION."

Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act ("Dodd-Frank Act"), enacted on July 21, 2010, requires that all U.S. public companies provide their shareholders with an advisory vote on the compensation of their named executive officers. On January 25, 2011, the SEC adopted final rules implementing this requirement. Since M&T's 2011 Annual Meeting of Shareholders, the Board of Directors has provided an annual shareholder advisory vote on the compensation of M&T's NEOs.

This proposal, commonly known as a "say-on-pay" proposal, gives shareholders the opportunity to vote on the overall compensation program of M&T and specifically as it applies to the NEOs through the following resolution:

"RESOLVED, that the 2016 compensation paid to M&T Bank Corporation's Named Executive Officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion is hereby approved."

The shareholder vote on this matter is advisory, meaning that it will serve as a recommendation to the Board of Directors, but will not be binding. The NCG Committee will consider the outcome of this vote when determining future executive compensation arrangements.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL OF THE COMPENSATION OF M&T BANK CORPORATION'S NAMED EXECUTIVE OFFICERS.

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis provides information regarding the compensation of our Chief Executive Officer (“CEO”) and five other named executive officers (“NEOs”), which include, pursuant to Item 402 of Regulation S-K, all individuals who served as M&T’s principal financial officer (“CFO”) during 2016 and the three most highly compensated executive officers other than the CEO and CFOs. The NEOs are members of our executive leadership team (“Management Group”). For 2016, our NEOs were the following individuals:

Name	Title	Years of Service as of February 28, 2017
Robert G. Wilmers	Chairman Chief Executive Officer	34

Mr. King was appointed CFO effective May 2, 2016.

Dedication to the creation and preservation of shareholder value

Conservative credit standards

Disciplined but opportunistic acquisition strategy

162 consecutive quarters without posting a quarterly loss

M&T Bank Corporation is a financial holding company that through its subsidiary banks offers a wide range of retail and commercial banking, trust, wealth advisory and investment services to its customers. M&T strives to be the best company our employees work for, the best bank our customers ever do business with, and the best investment our shareholders ever make. Founded in 1856, we celebrated our 160th anniversary as a regional financial services company in 2016. M&T concluded 2016 as one of the 20 largest commercial bank holding companies in the U.S. – with over 775 domestic branches and 1,800 ATMs across our footprint.

2016 Performance Results and Executive Compensation Highlights

M&T's 2016 financial performance substantially met its business plan on several key metrics including net income, earnings per common share ("EPS"), and return on assets. Expenses, however, significantly exceeded plan primarily due to continued investments in technology and the associated increase in compensation and professional services costs. M&T's total shareholder return ("TSR") remains in the top quartile of its peer group over the long term (10-, 15- and 20-year periods). As of December 31, 2016, M&T achieved the following:

- consolidated total assets increased 0.5% to \$123.4 billion;
- total shareholders' equity rose 2% to \$16.5 billion;
- diluted earnings per share were \$7.78, an increase of 8%;
- net charge-offs totaled \$157 million for the year (equal to 0.18% of average loans);
- received a "Non-Objection" to the 2016 Capital Plan from regulators;
- completed the conversion of Hudson City Savings Bank; and
- recognized as the 6th largest Small Business Association lender in the U.S.

The executive compensation actions described on the following pages were taken in January 2017 related to 2016 performance as noted above. Notwithstanding M&T's moderately strong financial performance, in light of increased expenses, and guided by our commitment to maintain long-term sustained performance and shareholder value, a reduction to the enterprise-wide cash and equity incentive pools was made. M&T's Management Group recommended and the NCG Committee determined that M&T's most senior officers should bear the majority of these reductions.

Compensation Philosophy and Objectives

The objectives of M&T’s executive compensation programs are to attract talented staff, develop leaders and retain executive officers capable of maximizing performance for the benefit of M&T and its shareholders. Our long-standing compensation philosophy is to emphasize long-term equity-based compensation for our NEOs. This philosophy allows us to align our compensation with performance in the following important ways:

- by explicitly linking the size and type of equity awards to be granted to the NEOs to the year over year performance of M&T;
- by tying the NEOs’ ultimate realized compensation to the future value of M&T common stock, in alignment with our shareholders;
- by balancing growth with prudent risk taking, through the use of performance-based restricted stock unit awards (“PSUs”) that only vest once certain levels of performance are met; and
- through a culture of stock ownership and retention, including in accordance with M&T’s Stock Ownership Guidelines, each NEO has a substantial financial stake tied to the long-term performance of M&T.

Components of Executive Compensation

The components of executive compensation, described below, align with M&T’s philosophy to emphasize long-term equity-based compensation while providing executive compensation that will attract and retain executive officers capable of achieving M&T’s performance objectives.

Roles and Responsibilities

M&T's executive compensation programs are administered through the joint efforts of various constituents in an effort to ensure sound governance over compensation determinations.

Role of the NCG Committee

The NCG Committee is responsible for determining the compensation of the NEOs and then reviews such determinations with the full Board of Directors. As discussed below, in determining the amount and mix of compensation to be paid to each NEO, the NCG Committee reviews the compensation levels of the NEOs relative to a group of commercial banking peers and considers the financial performance of M&T relative to that peer group as well as certain other factors, including M&T's performance and relative shareholder return, compensation mix strategy, risk management and individual and corporate performance.

The NCG Committee's responsibilities include:

- annually reviewing and approving the corporate goals and objectives relevant to CEO compensation and evaluating the CEO's performance in light of those goals and objectives;
- annually reviewing and approving the base salaries and annual incentive opportunities of the NEOs;
- annually reviewing and approving equity award opportunities of the NEOs; and
- determining and approving the overall total direct compensation ("TDC") determinations for the NEOs.

Additionally, the NCG Committee receives annual reports from the CFO and CRO regarding M&T's financial performance and risk management performance, respectively, prior to finalizing TDC for the NEOs. Role of Independent Compensation Consultant

In 2016, the NCG Committee continued to retain the services of McLagan, an Aon Hewitt company. McLagan's role is to provide analysis and advice to the NCG Committee relative to the amount and form of executive compensation, attend NCG Committee meetings, as requested, and advise the NCG Committee on market trends, regulatory issues and other developments that may impact M&T's executive compensation programs. In 2016, McLagan performed the following services for the NCG Committee:

- reviewed the peer group used for compensation benchmarking for the NEOs;
- conducted detailed market analysis on executive compensation relative to our peer group, including all elements of TDC, and advised on general industry pay practices;
- advised the NCG Committee on setting NEO base salaries, annual cash incentives and long-term incentives, including the reasonableness of the levels of such compensation; and
- advised the NCG Committee on regulatory issues which primarily focused on the Dodd-Frank Act.

M&T also engaged McLagan to provide additional services. Specifically, McLagan provided compensation consulting services and compensation survey information to management during 2016 in

an amount that did not exceed \$120,000. Management engaged McLagan for these services after consultation with the NCG Committee. The NCG Committee determined that, based on an assessment of NYSE factors, McLagan was independent and that engagement of McLagan did not present any conflicts of interest. McLagan also determined that it was independent from our management and confirmed this in a written statement delivered to the NCG Committee.

Role of the Chief Executive Officer and the President

The Chief Executive Officer and the President provide a performance assessment for the members of Management Group (including the other NEOs) and make compensation recommendations to the NCG Committee in this regard. Ultimate decision-making authority for the compensation determinations for all NEOs, including the Chief Executive Officer and the President, however, lies solely with the NCG Committee.

Peer Group

On an annual basis, the NCG Committee compares compensation levels for each of the NEOs and M&T's financial performance to a group of commercial banking institutions of similar business makeup, size and geographic reach. M&T selected the nine commercial banking companies listed below using the group of U.S. based commercial bank holding companies having assets between \$50 billion and \$250 billion as of December 31, 2015, and removing those that had a significantly dissimilar business mix, or had a substantial international presence:

BB&T Corporation (BBT)
Comerica Incorporated (CMA)
Fifth Third Bancorp (FITB)
Huntington Bancshares Incorporated (HBAN)
KeyCorp (KEY)
PNC Financial Services Group, Inc. (PNC)
Regions Financial Corporation (RF)
SunTrust Banks, Inc. (STI)
Zions Bancorporation (ZION)

The 2016 peer group is unchanged from 2015 and continues to include PNC Financial Services Group, Inc., notwithstanding the fact that it is outside the asset size criterion, due to its similar business makeup and presence in many of the markets where M&T Bank conducts commercial banking activities.

Benchmarking

Based on the analysis performed by McLagan in 2016 (using compensation paid during the 2015 performance year), the TDC of the NEOs relative to comparable executives employed by members of the peer group are as follows:

- TDC for Messrs. Wilmers, King and Jones was in the bottom quartile;
- TDC for Messrs. Czarnecki and Pearson was approaching the median; and
- TDC for Mr. Gold was slightly above the 75th percentile.

We provide a brief explanation of the factors used to determine each component of the NEOs' compensation in the sections that follow.

Consideration of Shareholder Advisory Vote on Executive Compensation

The NCG Committee views the shareholder vote on executive compensation as an important expression of whether its shareholders agree with the NCG Committee’s decisions on aligning compensation with performance, particularly long-term performance. In connection with the shareholder advisory vote at the 2016 Annual Meeting of Shareholders, 97.8% of the shares that were voted on that matter approved of the compensation of the NEOs. The NCG Committee considered this to be a strong indication that other shareholders believe that the NEOs’ compensation is aligned with the performance of M&T.

2016 Compensation Determinations

Factors Considered in Making Determinations

Consistent with M&T’s philosophy of aligning NEO compensation with the interest of shareholders and in effort to align with the Interagency Guidance on Sound Incentive Compensation Policies, the NCG Committee historically tended to award a relatively higher percentage of compensation in the form of stock-based compensation than members of the peer group.

The NCG Committee has traditionally based its compensation decisions on quantitative and qualitative measures, including net income, EPS, return on assets, various capital ratios, composition of earnings, asset quality relative to the banking industry, responsiveness to the economic environment, achievement of business plans, and TSR. The NCG Committee assessed the performance of each NEO in light of the business plan and relative to the performance of the firms in the peer group, the details of which are set forth under the heading “Individual Performance Assessments.”

The NCG Committee considers a number of factors specific to each executive’s role when determining the amount and mix of compensation to be paid. These factors are briefly summarized in the table below:

Executive Officer	Factors Included Among NCG Committee Considerations
CEO	The NCG Committee, in consultation with the independent compensation consultant, determines the compensation for the CEO based upon its review of various corporate goals and objectives, consisting primarily of management’s annual business plan, which is approved by the Board of Directors.
NEOs other than the CEO	Recommendations of the CEO and the President and other applicable members of Management Group, in consultation with the independent compensation consultant, and an assessment of individual performance.
All NEOs	Financial performance of M&T (on a “net operating” basis, as defined by M&T) over the most recent fiscal year and prior years;
	Achievement of M&T, compared to its corporate, financial, strategic and operational objectives and business plans, and compared to the performance of the peer group firms;
	Cumulative shareholder return;
	Performance relative to risk management objectives; and Compensation of comparable executives at the peer group firms.

Individual Performance Assessments

Robert G. Wilmers

**Chairman
Chief Executive Officer**

As Chairman and Chief Executive Officer, Mr. Wilmers is responsible for M&T's overall financial performance. M&T substantially achieved its annual business plan for 2016 despite a difficult expense environment. Mr. Wilmers' continued focus on, and accountability to M&T's key priorities has allowed M&T to continue to strengthen its risk management program, optimize its business model and to grow across its expanding footprint.

Mark J. Czarnecki

**President
Chief Operating Officer**

While serving as President and Chief Operating Officer, Mr. Czarnecki was responsible for the day-to-day management of M&T. He shared accountability with Mr. Wilmers for the overall financial results of M&T as well as achievement of the key priorities. M&T substantially achieved its annual business plan for 2016 despite a difficult expense environment. Mr. Czarnecki passed away on February 26, 2017.

Darren J. King

**Executive Vice President
Chief Financial Officer**

Effective May 2, 2016, Mr. King assumed the role of Chief Financial Officer. Mr. King was instrumental in maintaining M&T's strong (compared to the peer group) net income growth and EPS growth. He was also instrumental in maintaining the strong expense management focus at M&T.

René F. Jones

**Executive Vice President
Vice Chairman – M&T Bank**

While serving as Chief Financial Officer, Mr. Jones continued to lead M&T's efforts to strengthen its capital planning practices in response to regulatory changes. He also continued to provide strategic oversight of the Wealth and Institutional Services Division and M&T Bank's Treasury Division. Effective May 2, 2016, Mr. Jones ceased serving as CFO and expanded his oversight role to include M&T Bank's Mortgage and Consumer Lending Divisions.

Kevin J. Pearson

**Executive Vice President
Vice Chairman – M&T Bank**

As Vice Chairman, Mr. Pearson provides strategic oversight of M&T Bank's Commercial Banking Division and Credit Division. Under his leadership, M&T maintained its strong credit quality in 2016 and strong credit performance relative to the peer group.

Richard S. Gold

**Executive Vice President
Chief Risk Officer
Vice Chairman – M&T Bank**

As Chief Risk Officer, Mr. Gold is responsible for overseeing M&T's governance and strategy for risk management, as well as relationships with key regulators and supervisory agencies. Under his leadership, M&T has made continuous progress in the advancement of its enterprise-wide risk management framework, including substantial enhancements to its Bank Secrecy Act, Anti-Money Laundering, and Office of Foreign Assets Control regulatory compliance program.

Base Salary

The NCG Committee made base salary determinations for 2016 for the NEOs in January 2016. At that time, given M&T's performance in 2015 compared to both that of the peer group and its business plan, the individual performance of each of the NEOs and the completion of the merger and forthcoming conversion of Hudson City Savings Bank, the NCG Committee determined that the base salaries for the NEOs should be as follows:

Named Executive Officer	2016 Base Salary	2015 Base Salary	Percentage Change
Robert G. Wilmers	\$ 950,000	\$ 950,000	0.0%
Mark J. Czarnecki	\$ 900,000	\$ 900,000	0.0%
Darren J. King	\$ 600,000	\$ - ⁽¹⁾	-
René F. Jones	\$ 725,000	\$ 700,000	3.6%
Kevin J. Pearson	\$ 725,000	\$ 675,000	7.4%
Richard S. Gold	\$ 725,000	\$ 675,000	7.4%

⁽¹⁾ Mr. King became an NEO on May 2, 2016 when he was appointed CFO.

Annual Cash Incentives

The NEOs participate in annual cash incentive plans that provide for discretionary grants of cash awards to the NEOs as determined by the NCG Committee. Due to the discretionary structure of the plans, the NEOs do not have, and historically have not had, target levels of awards or stated goals and payout levels under those plans. Consequently, the NCG Committee considered the following factors in making the award determinations in January 2017 for 2016 performance:

- the performance of M&T during 2016 relative to its business plan and relative to the peer group used for performance purposes;
- the contribution of each of the NEOs to that performance; and
- effective risk management and adherence to M&T's risk appetite statement.

Based upon these factors and the determination to reduce the cash incentive pool, the NCG Committee determined that it was appropriate to award each of the NEOs a cash incentive for 2016 performance as follows:

Named Executive Officer	Bonus Paid in 2017 for 2016 Performance	Bonus Paid in 2016 for 2015 Performance	Percentage Change
Robert G. Wilmers	\$ 340,000	\$ 425,000	(20%)
Mark J. Czarnecki	\$ 340,000	\$ 425,000	(20%)
Darren J. King	\$ 400,000	\$ - ⁽¹⁾	-
René F. Jones	\$ 380,000	\$ 475,000	(20%)
Kevin J. Pearson	\$ 400,000	\$ 500,000	(20%)
Richard S. Gold	\$ 380,000	\$ 475,000	(20%)

⁽¹⁾ Mr. King became an NEO on May 2, 2016 when he was appointed CFO.

Equity-Based Incentives

Also consistent with its philosophy of linking compensation to M&T's performance for the benefit of M&T's shareholders, M&T provides long-term incentive opportunities to its executive officers through discretionary grants of equity-based compensation under the Equity Incentive Compensation Plan. The NCG Committee determines the dollar value of equity awards to be made to the NEOs at its meeting in January of each year. Following that meeting, the equity awards are granted on the last business day of January. In making grants of equity awards, the NCG Committee generally assesses the following factors over a three-year period or longer:

- the performance of M&T relative to prior years; and
- the performance of M&T for the immediately preceding year relative to its business plan and the peer group used for performance purposes.

The equity awards were in the form of PSUs to be settled in stock and were granted on January 31, 2017, January 29, 2016 and January 30, 2015, respectively, in accordance with the Equity Incentive Compensation Plan.

Named Executive Officer	2017 Equity Awards	2016 Equity Awards	Percentage Change 2017 vs. 2016	2015 Equity Awards	Percentage Change 2016 vs. 2015
Robert G. Wilmers	\$ 1,457,000	\$ 1,675,000	(13.0%)	\$ 1,675,000	0.0%
Mark J. Czarnecki	\$ 1,457,000	\$ 1,675,000	(13.0%)	\$ 1,675,000	0.0%
Darren J. King	\$ 750,000	\$ 750,000	0.0%	\$ -	- ⁽¹⁾
René F. Jones	\$ 1,044,000	\$ 1,200,000	(13.0%)	\$ 1,175,000	2.1%
Kevin J. Pearson	\$ 1,109,000	\$ 1,275,000	(13.0%)	\$ 1,175,000	8.5%
Richard S. Gold	\$ 1,044,000	\$ 1,200,000	(13.0%)	\$ 1,175,000	2.1%

⁽¹⁾ Mr. King became an NEO on May 2, 2016 when he was appointed CFO.

Perquisites

Generally, M&T provides limited perquisites to its NEOs. The perquisites that are provided are designed to assist NEOs in being productive and are limited to those that management and the NCG Committee believe are consistent with M&T's overall compensation philosophy. Given the importance of developing business relationships for M&T's success, the NEOs are reimbursed for certain initiation fees and dues they incur for club memberships deemed advisable for business purposes, tax preparation, parking and meals.

Retirement and Other Benefits

M&T maintains two tax-qualified retirement plans for its employees, one a defined benefit plan and the other a defined contribution plan. Each of the NEOs participates in the defined benefit plan, except for Messrs. Jones and King, who have elected to have their benefit under the defined contribution plan. Messrs. Jones and King made this election pursuant to a one-time election that was offered to all participants in the defined benefit plan in late 2005 to remain in the defined benefit plan and earn future benefits under a new reduced benefit formula or to retain the frozen benefit in the defined benefit plan and earn future benefits under a new defined contribution plan beginning January 1, 2006.

In addition, M&T maintains nonqualified defined benefit and defined contribution retirement plans to supplement retirement benefits for the NEOs in order to make up for benefits that cannot

otherwise be provided in the qualified plan due to Internal Revenue Service limits; however, total compensation recognized for this purpose is capped at \$350,000. The nonqualified plans are not funded, except as benefits are actually paid to executive officers upon retirement. Additional information regarding these retirement plans and arrangements is provided in the sections titled “Pension Benefits” and “Nonqualified Deferred Compensation.”

M&T does not believe it is appropriate to provide the NEOs with severance packages beyond what is provided to employees of M&T, generally. Consequently, the NEOs have historically participated in the M&T Bank Corporation Severance Pay Plan (“Severance Pay Plan”), which provides for post-employment severance payments that are tiered based upon an employee’s position and years of service, and the continuation of certain employee benefits. Upon a “Qualifying Event” (defined in the Severance Pay Plan as any permanent, involuntary termination of a participant’s active employment as a result of a reduction in force, restructuring, outsourcing or elimination of position), a NEO would be entitled to benefits under the Severance Pay Plan.

Other than benefits that are generally available to employees, M&T does not maintain any individual severance or change-in-control arrangements. M&T’s compensation plans do not contain payments or benefits to NEOs that are specifically triggered by a change-in-control, except that M&T’s Equity Incentive Compensation Plan provides that, upon a change-in-control, all employees, including the NEOs, would become fully vested in any outstanding awards that were not already vested. M&T has elected to provide such acceleration because of a belief that the principal purpose of providing executive officers and other employees with equity incentives is to align their interests with those of M&T’s shareholders and that this alignment should be enhanced, not weakened, in the context of a change-in-control. Accelerating the vesting of equity-based compensation upon a change-in-control allows employees the same opportunity as other shareholders to sell shares freely following the completion of the transaction and realize the economic benefits of such transaction, without forcing them to be exposed to the post-closing performance of the acquirer.

Summary of Executive Compensation Determinations Made in January 2017

The supplemental chart below shows the mix of annual base salary, annual cash incentive and equity awards approved by the NCG Committee for each NEO in January 2017:

2017 Total Direct Compensation (\$000)

The NCG Committee made base salary determinations for 2017 for the NEOs in January 2017. Given M&T's performance in 2016, compared to both that of the peer group and its business plan, the salaries of M&T's NEOs relative to our peer group and the individual performance of each of the NEOs as discussed above, the NCG Committee determined that the salaries for the CEO and other NEOs should be increased for 2017 as follows:

Named Executive Officer	2017 Base Salary	2016 Base Salary	Change	Percentage Change
Robert G. Wilmers	\$ 975,000	\$ 950,000	\$ 25,000	2.6%
Mark J. Czarnecki	\$ 925,000	\$ 900,000	\$ 25,000	2.8%
Darren J. King	\$ 650,000	\$ 600,000	\$ 50,000	8.3%
René F. Jones	\$ 745,000	\$ 725,000	\$ 20,000	2.8%
Kevin J. Pearson	\$ 745,000	\$ 725,000	\$ 20,000	2.8%
Richard S. Gold	\$ 745,000	\$ 725,000	\$ 20,000	2.8%

Notwithstanding M&T's moderately strong financial performance and the achievements of the NEOs as described above, incentive compensation pools for 2016 were reduced due to elevated expenses. The decision was made to have executives bear the burden of these reductions. Therefore, TDC for each NEO in 2017, when compared to TDC in 2016, resulted in a decrease of 9.1% and 9.3% for Messrs. Wilmers and Czarnecki, respectively, a decrease of 9.8% for Mr. Pearson and a decrease of 9.6% for each of Messrs. Jones and Gold.

Sound Compensation and Governance Practices

M&T's executive compensation programs are managed in consideration of the Interagency Guidance on Sound Incentive Compensation Policies and other regulatory requirements. In light of these requirements, M&T has adopted certain governance practices, which are more fully described below.

Stock Ownership Guidelines

M&T's philosophy has been to foster a culture for its NEOs to acquire and retain M&T common stock. However, M&T implemented formal Stock Ownership Guidelines for our Management Group in order to further align the interests of our executive officers with those of our shareholders. The Stock Ownership Guidelines mandate that executive officers own a significant amount of common stock measured as a multiple of base salary as follows (see table set forth above titled "Directors and Named Executive Officers Stock Ownership" for the actual number of shares owned by the NEOs, which far exceed these guidelines):

- Chairman and Chief Executive Officer – five times annualized base salary;
- other NEOs – three times annualized base salary; and
- other members of Management Group – two times annualized base salary.

M&T requires its executive officers to achieve the targeted stock ownership levels within five years of being promoted or named to the applicable executive officer position, or the effective date of the Stock Ownership Guidelines, whichever is later. Shares counted toward these guidelines include any shares held by the executive directly or through a broker, shares held through an M&T Retirement Savings Plan, and shares held as restricted stock, restricted stock units, or restricted stock awards, whether vested or unvested. Unexercised stock options do not count. If a Management Group member fails to meet the requirements of this policy, the individual must hold all shares acquired from stock option exercises and restricted stock grants, net of shares withheld for taxes or payment of exercise price, until they meet the holding requirement of the Stock Ownership Guidelines. As of the date of this proxy statement, all Management Group members are in compliance with the Stock Ownership Guidelines.

Forfeiture Policy

M&T's Forfeiture Policy sets forth the circumstances under which the NCG Committee may cause a downward adjustment in current year compensation as well as cause all or part of unvested equity awards to be cancelled. Such circumstances include, but are not limited to, action or inaction on the part of an employee that results in a significant loss event (either to M&T as a whole or to a significant business line), a restatement of the financial statements due to material noncompliance with applicable financial reporting requirements, or a violation of M&T's risk policies or procedures.

Discretionary Incentive Award Guidelines

Notwithstanding the discretionary nature of the incentive awards granted to the NEOs, M&T formalized guidelines that are to be considered when making incentive award determinations in order to strengthen the link between such awards and M&T's performance, including creation of shareholder value, as well as consideration of risk management metrics.

Incentive Compensation Governance

M&T works continuously to ensure effective controls are in place for its incentive compensation programs. As part of M&T's enhanced enterprise risk framework, control functions, including Human Resources, Finance, Compliance, Legal, Internal Audit, and Risk Management, are actively involved in the oversight of M&T's incentive compensation programs. In addition, M&T's CRO meets with the NCG Committee to discuss M&T's risk scorecard, which details the CRO's assessment of risk management at M&T.

Active and effective oversight of M&T's incentive compensation practices is also provided by the NCG Committee. The NCG Committee is responsible for maintaining M&T's Forfeiture Policy and determining the appropriate pay mix and total compensation for M&T's NEOs. Additionally, the NCG Committee is responsible for establishing the appropriate performance measure for PSUs. The NCG Committee shares one member with the Risk Committee which helps to ensure the prioritization of risk management matters in incentive compensation determinations.

Enhanced Ability to Adjust Compensation in the Event of an Adverse Risk Outcome

Working together, the components of the executive compensation programs continue to drive alignment of our NEOs' interests with those of our shareholders, are consistent with the safety and soundness of M&T, and provide an enhanced ability to account for the duration of risks and adjust compensation in the event of adverse risk outcomes.

Tax Matters

Internal Revenue Code Section 162(m) and related regulations generally impose a \$1 million cap on the deductibility of compensation paid to certain executive officers of a publicly held corporation, subject to certain exceptions. One exception is for "performance-based compensation" paid under shareholder approved plans. The executive officers to whom Section 162(m) applies includes M&T's Chief Executive Officer and the next three most highly compensated executive officers (other than the Chief Financial Officer). The PSUs that were awarded to Messrs. Wilmers, Czarnecki, Pearson and Gold in January 2016 and January 2017, and the PSUs that were awarded to Mr. Jones in January 2017 are intended to be deductible under Section 162(m) pursuant to the performance-based compensation exception. However, equity awards granted to Messrs. Wilmers, Czarnecki, Pearson and Gold prior to January 2014 did not meet the performance-based compensation exception under Section 162(m) such that the compensation received by these individuals related to the portion of those equity awards that vested during 2016 is non-deductible compensation. The cash incentive awards paid to the NEOs in 2016 and 2017 are also intended to be structured to provide for payments to the NEOs (except for the CFO) that would be deductible under Section 162(m) pursuant to this exception. While the NCG Committee considers the desirability of limiting M&T's non-deductible expenses as one factor when it makes compensation determinations, the NCG Committee believes in preserving its ability to award compensation to the NEOs that is not deductible under Section 162(m) for competitive purposes when it is in the best interest of M&T, although the NCG Committee has taken action in recent years to maximize the deductibility of compensation awarded to the NEOs as performance-based compensation.

NOMINATION, COMPENSATION AND GOVERNANCE COMMITTEE REPORT

The Nomination, Compensation and Governance Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of SEC Regulation S-K with management. Based on such review and discussions, the Nomination, Compensation and Governance Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement.

This report was adopted on February 22, 2017 by the Nomination, Compensation and Governance Committee of the Board of Directors:

(1) The amounts indicated represent the aggregate grant date fair value of equity awards granted to each of the NEOs. The grant date fair values are calculated in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 718, Compensation—Stock Compensation (“FASB ASC Topic 718”).

(2) This column includes the aggregate positive change in actuarial present value of each NEO's accumulated benefit under the M&T Bank Corporation Pension Plan (“Qualified Pension Plan”) and M&T Bank Corporation

Supplemental Pension Plan (“Supplemental Pension Plan”). In accordance with SEC rules, to the extent the aggregate change in present value of all defined benefit plans for a particular fiscal year would have been a negative amount, the amount has instead been reported as \$0 and the aggregate compensation for the NEO in the “Total” column has not been adjusted to reflect the negative amount. The assumptions used to calculate the present value of accumulated benefits are the same as those used for Financial Accounting Standards Board Accounting Standards Codification Topic 715, Compensation-Retirement Benefits (“FASB ASC Topic 715”) financial statement disclosure purposes, except that no pre-retirement decrements are assumed. The present value of accrued benefits as of December 31, 2016 is calculated assuming the executive commences his accrued benefit earned through December 31, 2016 at normal retirement age. For the December 31, 2015 and 2014 calculations, the mortality assumption beginning at normal retirement age is based upon the Pension Plan Mortality Table (“RP-2014”) and generational projection using Mortality Improvement Scale (“MP-2014”) that were released by the Society of Actuaries in 2014. For the December 31, 2016 calculations, the mortality assumption beginning at normal retirement age is based on RP-2014 (base year 2006) and generational projection using scale MP-2016.

The discount rate assumption is 4.00% for the December 31, 2014 calculations, 4.25% for the December 31, 2015 calculations and 4.00% for the December 31, 2016 calculations.

Normal retirement age is age 65 for all participants. Mr. Wilmers is older than age 65; therefore, he is assumed to retire at his current age. It is assumed that the participants will elect the single life annuity form.

Mr. Wilmers’ qualified benefit will need to be evaluated at his actual retirement date. His total benefit will stay the same, but the proportions of the benefit paid from the qualified and nonqualified plans may change at actual retirement.

- (3) This column includes for each NEO: (i) an \$11,925 contribution in 2016 to the M&T Bank Corporation Retirement Savings Plan (“Retirement Savings Plan”), a qualified defined contribution plan; and (ii) a \$3,825 credit under the M&T Bank Corporation Supplemental Retirement Savings Plan (“Supplemental Retirement Savings Plan”). It also includes the following insurance premiums paid in 2016 in respect of term life insurance for the benefit of each of the NEOs: Mr. Wilmers - \$10,506; Mr. King - \$810; Mr. Jones - \$2,622; Mr. Czarnecki - \$7,524; Mr. Pearson - \$4,902; and Mr. Gold - \$1,486. It further includes dividends and dividend equivalents on unvested restricted stock and restricted stock units for 2106, 2015, and 2014 as follows: Mr. Wilmers - \$107,841; Mr. King - \$36,020; Mr. Jones - \$75,610; Mr. Czarnecki - \$107,951; Mr. Pearson - \$76,848; and Mr. Gold - \$65,656.
- (4) Perquisites for Mr. Wilmers included club membership dues and expenses, parking, meals and expenses associated with an apartment in Buffalo, New York. No perquisite exceeded the greater of \$25,000 or 10% of the total perquisites provided to Mr. Wilmers.
- (5) Perquisites for Mr. King included club membership dues and expenses, tax preparation, parking and meals. No perquisite exceeded the greater of \$25,000 or 10% of the total perquisites provided to Mr. King.
- (6) Perquisites for Mr. Jones included club membership dues and expenses, tax preparation expenses, parking and meals. No perquisite exceeded the greater of \$25,000 or 10% of the total perquisites provided to Mr. Jones.
- (7) Perquisites for Mr. Czarnecki included club membership dues and expenses, tax preparation expenses, parking, meals and travel for medical care. In 2016, Mr. Czarnecki had country club membership dues paid in the amount of \$26,414; no other perquisite exceeded the greater of \$25,000 or 10% of the total perquisites provided to Mr. Czarnecki.
- (8) Perquisites for Mr. Pearson included tax preparation expenses, parking meals, and relocation expenses. In 2016 Mr. Pearson had relocation expenses and tax gross up expenses totaling \$267,000. No other perquisite exceeded the greater of \$25,000 or 10% of the total perquisites provided to Mr. Pearson.
- (9) Perquisites for Mr. Gold included club membership dues and expenses, tax preparation expenses, parking and meals. No perquisite exceeded the greater of \$25,000 or 10% of the total perquisites provided to Mr. Gold.

- (10) In 2014, the total compensation of M&T's NEOs was impacted by certain changes in the assumptions underlying the calculation of the change in pension value and nonqualified deferred compensation earnings, including new mortality tables as set forth in more detail in footnote (2).
- (11) Mr. King assumed the role of CFO from Mr. Jones on May 2, 2016.

- (1) The amounts indicated represent the aggregate grant date fair value of equity awards granted to each of the NEOs in 2016. The grant date fair values are calculated in accordance with FASB ASC Topic 718.
- (2) Vesting of the stock awards granted to Messrs. Wilmers, Czarnecki, Pearson and Gold in 2016 are scheduled to occur on a graduated basis with 33% vesting on January 29, 2017, an additional 33% vesting on January 29, 2018 and the remaining 34% vesting on January 29, 2019. Each vesting is contingent upon M&T achieving a pre-established net operating ROTCE metric ("Performance Requirement"). If the Performance Requirement is not satisfied for a given period, the portion of the stock award that is scheduled to vest on the vesting date immediately following that performance period will not vest and will be forfeited unless otherwise determined by the NCG Committee. The Equity Incentive Compensation Plan allows for accelerated vesting in cases of death, disability, retirement or a change-in-control. In the case of the stock awards granted to Messrs. Wilmers, Czarnecki, Pearson and Gold in 2016, termination of employment as a result of death, disability or change-in-control results in immediate vesting of any unvested portion of the award. As such, the portion of Mr. Czarnecki's award described above that remained unvested on the date of his death accelerated and vested as of February 27, 2017. Termination of employment as a result of retirement also results in accelerated vesting of any unvested portion of the award on the next scheduled vesting date, but only if the Performance Requirement is met for the performance period in which retirement occurs. If the Performance Requirement is not met for the performance period in which retirement occurs, the portion of the stock award that is scheduled to vest on the vesting date immediately following that performance period will not vest and will be forfeited unless otherwise determined by the NCG Committee. The portion of the stock award that is scheduled to vest in any performance period following retirement will vest if the Performance Requirement is met for that performance period, or, if the Performance Requirement is not met for that performance period, will not vest and will be forfeited unless otherwise determined by the NCG Committee.

(3) Vesting of the stock awards granted to Messrs. King and Jones in 2016 occurs on a graduated basis with 33% vesting on January 29, 2017, an additional 33% vesting on January 29, 2018 and the remaining 34% vesting on January 29, 2019. Each vesting is contingent on M&T achieving a pre-established ROTCE. If the Performance Requirement is not satisfied for a given period, the portion of the stock award that is scheduled to vest on the vesting date immediately following that performance period will not vest and will be forfeited unless otherwise determined by the NCG Committee. The Equity Incentive Compensation Plan allows for accelerated vesting in cases of death, disability, retirement or a change-in-control.

(1) From 2009 until August 21, 2012, M&T's compensation programs were subjected to certain restrictions on executive compensation pursuant to the rules governing executive compensation applicable to financial institutions that received investments from the U.S. Department of the Treasury pursuant to the Troubled Asset Relief Program ("TARP"). Vesting of the TARP awards granted to the NEOs in 2013 occurs on a graduated basis with 30% vesting on the second anniversary of the grant date, an additional 30% vesting on the third anniversary of the grant date, and the remaining 40% vesting on the fourth anniversary of the grant date. Vesting of the non-TARP stock awards granted to the NEOs in 2013 occurs on a graduated basis with 10% vesting on the first anniversary of the grant date, an additional 20% vesting on the second anniversary of the grant date, an additional 30% vesting on the third anniversary of the grant date, and the remaining 40% vesting on the fourth anniversary of the grant date. Vesting of the stock awards granted to the NEOs in 2014 and 2015 occurs on a graduated basis with 33% of the award vesting on the first anniversary of the grant date, an additional 33% of the award vesting on the second anniversary of the grant date, and the remaining 34% of the award vesting on the third anniversary of the grant date. See footnotes (2) and (3) to the table set forth above titled "2016 Grants of Plan-Based Awards" for the vesting schedule of the stock awards granted to the NEOs in 2016. See the below chart for more detailed information concerning the number of outstanding shares from each unvested restricted stock award and their corresponding vesting dates. Note that the Equity Incentive Compensation Plan allows for accelerated vesting in cases of death, disability, retirement or a change-in-control. As such, the portion of Mr. Czarnecki's awards that remained unvested on the date of his death as described below accelerated and vested as of February 27, 2017.

⁽¹⁾ Please refer to footnote (2) set forth in the "2016 Summary Compensation Table" for the assumptions used to calculate the present value of accumulated benefits.

⁽²⁾ The Qualified Pension Plan provides tax-qualified pension benefits for a broad base of M&T employees. Effective January 1, 2006, the formula used to calculate benefits under the Qualified Pension Plan and the Supplemental Pension Plan was modified with respect to benefits earned after 2005. Benefits accrued under the prior formula as of December 31, 2005 were frozen and all Qualified Pension Plan participants, including each NEO, were given a one-time election to remain in the Qualified Pension Plan and earn future benefits under a new reduced pension benefit formula, or to retain the frozen benefit in the Qualified Pension Plan and earn future benefits under a new defined contribution program, the Qualified RAA, in which qualifying participants are credited a percentage of total pay based on length of service. Under the current formula, each participant's retirement benefit equals the sum of (a) the participant's accrued benefit as of December 31, 2005 and (b) for each year of credited service earned after December 31, 2005, the sum of (i) 1% of compensation for the plan year plus (ii) 0.35% of compensation for the plan year in excess of 50% of that year's Social Security wage base. Messrs. Wilmers, Czarnecki, Pearson and Gold elected to remain in the Qualified Pension Plan for periods on and after January 1, 2006. Messrs. Jones and King elected to discontinue their future participation in the Qualified Pension Plan and

Supplemental Pension Plan, choosing instead to participate in the Qualified RAA effective January 1, 2006. Messrs. Jones and King have an accrued benefit under the Qualified Pension Plan as of December 31, 2005, but have ceased to earn any benefit accrual service and any further benefit under the Qualified Pension Plan as of January 1, 2006.

- (3) The years of credited service for all of the NEOs are based only on their service while eligible for participation in the Qualified Pension Plan or the prior pension plan of an acquired bank. Generally, a participant must be paid for at least 1,000 hours of work during a plan year to be credited with a year of service for purposes of the Qualified Pension Plan.
- (4) As described in footnote (2) above, effective January 1, 2006, the formula used to calculate benefits under the Qualified Pension Plan and the Supplemental Pension Plan was modified with respect to benefits earned after 2005, and participants were given the opportunity to elect whether to continue participation in the Qualified Pension Plan and the Supplemental Pension Plan. Of the NEOs, Messrs. Wilmers, Czarnecki, Pearson and Gold elected to continue to participate in the revised Qualified Pension Plan and, as such, they continue to be participants in the Supplemental Pension Plan. Messrs. Jones and King elected to discontinue his future participation in the Qualified Pension Plan and Supplemental Pension Plan, choosing instead to participate in the Qualified RAA effective January 1, 2006. M&T maintains a defined contribution Supplemental RAA that is designed to provide participants with contributions that cannot be provided under the Qualified RAA because of applicable federal income tax limits. As under the Supplemental Pension Plan, creditable compensation under the Supplemental RAA is also limited to \$350,000. Messrs. Jones and King participated in the Supplemental RAA in 2016 and were credited with a contribution for 2016 as reported below under the discussion of 2016 Nonqualified Deferred Compensation Plans.

Explanation of Pension Benefits Table

The Pension Benefits Table indicates, for each of the Qualified Pension Plan and the Supplemental Pension Plan, the NEO's number of years of credited service, present value of accumulated benefit and any payments made during the year ended December 31, 2016. See footnote (2) to the table set forth above titled "2016 Summary Compensation Table."

The amounts indicated in the column titled "Present Value of Accumulated Benefit" represent the lump-sum value as of December 31, 2016 of the annual benefit that was earned by the NEOs as of December 31, 2016, assuming payment begins at each executive's normal retirement age, or their current age, if later. The normal retirement age is defined as age 65 in the Qualified Pension Plan and the Supplemental Pension Plan. Certain assumptions were used to determine the present value of accumulated benefits payable at normal retirement age. Those assumptions are described in footnote (2) set forth in the "2016 Summary Compensation Table." Certain material terms of each of the Qualified Pension Plan and the Supplemental Pension Plan are summarized in the footnotes set forth in the "2016 Pension Benefits Table" and in the narrative below.

Qualified Pension Plan

Benefits under the Qualified Pension Plan are paid over the lifetime of the NEO or the lifetimes of the NEO and a beneficiary, as elected by the NEO. If the NEO is married on the date payments are to begin under the Qualified Pension Plan, payment will be in the form of a joint and 50% survivor annuity with the spouse as beneficiary unless the NEO elects another form of payment with the consent of the spouse. None of the NEOs are eligible to elect to receive the benefit due under the Qualified Pension Plan in the form of a one-time lump sum payment. If benefits are paid in a form in which a benefit is to be paid to a beneficiary after the death of the NEO, benefits are reduced from the amount payable as a lifetime benefit solely to the NEO in accordance with the actuarial factors that apply to all participants in the Qualified Pension Plan. A participant's benefit under the Qualified Pension Plan is generally payable as an annuity with monthly benefit payments unless the present value of the normal retirement benefit is less than \$5,000. Benefits under the Qualified Pension Plan are funded by an irrevocable, tax-exempt trust. The

Qualified Pension Plan benefits of all participants, including those benefits of NEOs, are payable from the assets held by the tax-exempt trust.

Creditable compensation under the Qualified Pension Plan generally includes the compensation reported on Form W-2 in the box for wages, tips and other compensation plus pre-tax salary reduction contributions under the Retirement Savings Plan and the M&T Bank Corporation Flexible Benefits Plan. In calculating a participant's benefit, annual compensation in excess of a limit set annually by the Secretary of the Treasury may not be considered.

A participant is eligible for early retirement under the Qualified Pension Plan if the participant retires before normal retirement age but after attaining age 55 and completing 10 years of service. An early retirement benefit is reduced 4% per year for each year that the benefit commences prior to normal retirement age. At December 31, 2016, Messrs. King and Jones were not eligible for early retirement.

Benefits under the Qualified Pension Plan are 100% vested after an employee has completed at least five years of service, and each NEO is 100% vested in his benefits in the Qualified Pension Plan.

Supplemental Pension Plan

The Supplemental Pension Plan provides a benefit that is equal to the difference between the pension benefit that would be provided under the Qualified Pension Plan if that plan were not subject to certain limits imposed by the Internal Revenue Code, and the benefit actually provided under the Qualified Pension Plan. Creditable compensation that may be considered under the Supplemental Pension Plan formula is limited to \$350,000.

Generally, benefits under the Supplemental Pension Plan are paid over the lifetime of the NEO or the lifetimes of the NEO and a beneficiary, as elected by the NEO. The Supplemental Pension Plan allows a NEO to elect to receive the benefit due under the plan in the form of a one-time lump sum payment. If benefits are paid as a lump sum payment, benefits are adjusted from the amount payable as a lifetime benefit solely to the NEO in accordance with the actuarial factors that apply to all participants in the Qualified Pension Plan.

The pension benefit under the Supplemental Pension Plan is reduced in the same manner as under the Qualified Pension Plan if it begins to be paid before normal retirement age and continues to accrue in the same manner as under the Qualified Pension Plan if it begins to be paid after the normal retirement age.

Service is determined under the Supplemental Pension Plan in the same manner as under the Qualified Pension Plan, as described above. The vesting schedule in the Supplemental Pension Plan is the same as in the Qualified Pension Plan and all of the NEOs are 100% vested in their benefits in the Supplemental Pension Plan.

- (1) The Supplemental 401(k) Plan contributions were based on the NEOs' deferral elections and the salaries set forth in the "2016 Summary Compensation Table." The salaries in the "2016 Summary Compensation Table" include these contributions.
- (2) This column represents M&T matching contributions attributable to contributions made to the Supplemental 401(k) Plan during 2016 by the NEOs and contributions by M&T to the Supplemental RAA attributable to 2015 based on compensation earned and service performed during the year. The contribution by M&T to the Supplemental 401(k) Plan and the Supplemental RAA attributable to 2016 was made after December 31, 2016 and is not reflected in the aggregate year-end balance for each NEO. These values are also reflected in the "All Other Compensation" column set forth in the "2016 Summary Compensation Table."
- (3) This column reflects earnings or losses on plan balances in 2016. Earnings may increase or decrease depending on the performance of the elected investment options. Earnings on these plans are not "above-market" and thus are not reported in the "2016 Summary Compensation Table." Plan balances may be invested in various mutual funds and common stock. Investment returns on those funds and common stock ranged from -1.8% to 32.1% for the year ended December 31, 2016.
- (4) This column represents the year-end balances of the NEOs' nonqualified deferred compensation accounts. These balances include NEOs' and M&T contributions that were included in the Summary Compensation Tables in previous years. Amounts in this column include earnings that were not previously reported in the respective year's Summary Compensation Table because they were not "above-market" earnings.

Overview of Nonqualified Deferred Compensation Plans

M&T maintains two nonqualified deferred compensation plans: the Supplemental Retirement Savings Plan and the M&T Bank Corporation Deferred Bonus Plan ("Deferred Bonus Plan.") The Deferred Bonus Plan was frozen effective January 1, 2010. See footnote (3) set forth above in the "2016 Summary Compensation Table."

The Supplemental Retirement Savings Plan mirrors the tax-qualified, defined contribution Retirement Savings Plan maintained by M&T in that it consists of two parts: (i) Supplemental 401(k) Plan (“Supplemental 401(k) Plan”) and (ii) Supplemental RAA. The tax-qualified Retirement Savings Plan provides benefits under both portions up to the limit set by the Internal Revenue Code on compensation that can be recognized under a tax-qualified plan. The Supplemental Retirement Savings Plan provides unfunded, nonqualified benefits to select management based on compensation in excess of the Internal Revenue Code limit for tax-qualified plans up to a maximum creditable compensation level of \$350,000.

Under the tax-qualified 401(k) (“Qualified 401(k) Plan”) portion of the Retirement Savings Plan, a participant may elect to contribute up to 50% of creditable plan compensation, in which event, the participant will be credited with a matching employer contribution equal to 100% of contributions that do not exceed 3% of the participant’s contributions plus 50% of the contributions that exceed 3% but not 6% of the participant’s compensation under the plan. All participants are always 100% vested in all contributions in the Qualified 401(k) Plan. All NEOs participate in the Qualified 401(k) Plan.

Under the Qualified RAA of the Retirement Savings Plan, a participant will be credited with an employer contribution based on the participant’s years of service recognized under the plan for each year in which the participant is credited with at least 1,000 hours of service and is employed by M&T on December 31st of such year (or for such years where employment was terminated during the year due to retirement, death or disability). Benefits under the Qualified RAA are subject to a five-year cliff vesting schedule. As explained in the discussion of the “2016 Pension Benefits Table,” Messrs. Jones and King are the only NEOs who participate in the Qualified RAA, and they are fully vested in the benefits under the plan based on their years of service.

The Deferred Bonus Plan was frozen effective January 1, 2010 and does not allow any new deferrals of bonuses into that plan. Prior to January 1, 2010, the Deferred Bonus Plan allowed select members of management and highly compensated employees of M&T to defer all or a portion of an annual bonus they received under an M&T bonus or incentive plan.

Supplemental Retirement Savings Plan - Supplemental 401(k) Plan

The Supplemental 401(k) Plan provides unfunded, nonqualified benefits to select members of management and highly compensated employees of M&T. All of the NEOs participate in the Supplemental 401(k) Plan.

For a given year, a participant may elect to contribute up to 50% of creditable plan compensation and the participant must elect the contribution percentage before the beginning of the year. A participant who contributes to the Supplemental 401(k) Plan for a given year is credited with a matching employer contribution under the Supplemental 401(k) Plan determined under the same matching formula as in the Qualified 401(k) Plan, which generally provides for a match equal to 100% of contributions that do not exceed 3% of the participant’s compensation plus 50% of the contributions that exceed 3% but not 6% of the participant’s compensation. Creditable compensation under the Supplemental 401(k) Plan is defined in the same way as under the Qualified Pension Plan, but it includes amounts deferred by participants under the Supplemental 401(k) Plan and includes compensation credited under the tax-qualified 401(k) plan, the Retirement Savings Plan. The maximum creditable compensation for the plan in any year is \$350,000.

A participant is always 100% vested in both his or her own contributions and the employer matching contributions, and all earnings on both types of contributions under the Supplemental 401(k) Plan. The plan provides that a participant may elect to receive benefits at a specified age or date, upon separation from service, at death or disability, or at the earliest of these events. A participant may elect to receive benefits in the form of a single lump sum or in annual installments payable over 5 or 10 years. Elections are made with respect to each year's contribution to the Supplemental 401(k) Plan prior to the beginning of each year. All payments from the Supplemental 401(k) Plan are made in the form of cash.

Supplemental Retirement Savings Plan - Supplemental Retirement Accumulation Account

The Supplemental RAA portion of the Supplemental Retirement Savings Plan is designed to provide participants with benefits that cannot be provided under our qualified plans as a result of limitations imposed by the Internal Revenue Code. Messrs. Jones and King are the only NEOs who participate in the Supplemental RAA.

For a given year, the Supplemental RAA credits a contribution on behalf of a participant that is equal to the difference between (1) the contribution that would be provided on plan compensation under the Qualified RAA if the Internal Revenue Code limit did not exist up to the Supplemental Retirement Savings Plan compensation limit of \$350,000, and (2) the contribution actually provided under the Qualified RAA. Mr. Jones was credited with \$4,250 for the 2016 plan year. Mr. King was credited with \$3,613 for the 2016 plan year. The book reserve accounts attributable to Supplemental RAA contributions are subject to the same vesting schedule as the accounts in the Qualified RAA, and Messrs. Jones and King are fully vested in their Supplemental RAA account. Benefits under the Supplemental RAA and the Supplemental 401(k) Plan are payable in the first quarter of 2017. Service in the Supplemental RAA is determined in the same manner as under the Qualified RAA.

Deferred Bonus Plan

Through December 31, 2009, the Deferred Bonus Plan allowed select members of management and highly compensated employees of M&T to defer all or a portion of an annual bonus award they received under an M&T bonus or incentive plan. Deferrals under the Deferred Bonus Plan were discontinued as of December 31, 2009, although Mr. Gold has an account in the Deferred Bonus Plan as of December 31, 2016 resulting from prior years' deferrals, and he received a cash distribution under the plan in accordance with an election made under the plan in 1998.

When the Deferred Bonus Plan was active, an eligible employee could elect to defer a specific percentage or a dollar amount of the award, with a minimum deferral of \$10,000. A participant could elect to defer such amount for a period of 5 to 20 years and could elect to receive the deferred account balance in a single lump sum or in annual installments over 5 or 10 years. If the participant's employment ends prior to the time all deferrals have been distributed, the deferral period ends and payments commence in the form elected. Participants are always 100% vested in their deferred account balance.

Potential Payments Upon Termination or Change-in-Control

The following table indicates the potential post-employment payments and benefits for the NEOs in the event that either of the following had occurred on December 31, 2016: (i) an involuntary termination of employment or (ii) a change-in-control event accompanied by an involuntary termination of employment.

2016 Post-Employment Benefits⁽¹⁾

Name	Severance Pay ⁽²⁾	Health Benefit Coverage	Value of Equity Awards	Total Benefits Upon Involuntary Termination	Total Benefits Upon Involuntary Termination Preceded by Change-in-Control Event
Robert G. Wilmers	\$ 1,900,000	\$ 40,961	\$ 5,866,281	\$ 1,940,961	\$ 7,807,242
Darren J. King	\$ 1,200,000	\$ 17,665	\$ 1,990,885	\$ 1,217,665	\$ 3,208,550
René F. Jones	\$ 1,450,000	\$ 18,892	\$ 4,130,378	\$ 1,468,892	\$ 5,599,270
Mark J. Czarnecki	\$ 1,800,000	\$ 18,344	\$ 5,887,556	\$ 1,818,344	\$ 7,705,900
Kevin J. Pearson	\$ 1,450,000	\$ 26,070	\$ 4,219,543	\$ 1,476,070	\$ 5,695,613
Richard S. Gold	\$ 1,450,000	\$ 20,127	\$ 3,691,122	\$ 1,470,127	\$ 5,161,249

(1) In the event of an involuntary termination of employment, NEOs are entitled to the accelerated vesting of equity awards only if such involuntary termination is preceded by a change-in-control event.

(2) Assumes the NEO would receive the maximum potential severance of 104 weeks of cash base salary.

Severance Pay Plan

M&T maintains the Severance Pay Plan which is a broad-based, tiered severance plan that provides eligible employees with post-employment severance payments and the continuation of certain employee benefits when a “Qualifying Event” (defined as any permanent, involuntary termination of a participant’s active employment as a result of a reduction in force, restructuring, outsourcing or elimination of position) occurs. The amount of severance an employee is eligible to receive is based upon the employee’s position and years of service. Each NEO participates in the plan. Upon the occurrence of a Qualifying Event, each NEO will be entitled to:

- the continuation of his cash base salary for at least 52 weeks, but in no event more than 104 weeks as determined at the time of the Qualifying Event; and
- the continuation of certain benefits during the period in which severance payments are made, for those benefits that the NEO has elected at the time of the Qualifying Event, which may include medical, dental, vision and life insurance, and flexible spending accounts, provided the NEO continues to make contributions at the active employee rate.

Accelerated Vesting of Equity Awards

As a general matter, all employees, including the NEOs, would be immediately vested in any unvested equity awards that were granted under M&T’s various equity compensation plans at the time of change-in-control, death, disability or retirement. Unvested shares of performance-based equity awards granted to Messrs. Wilmers, Pearson and Gold will vest automatically at change-in-control, death or disability, but will not accelerate and vest after retirement until such time as the performance requirement is deemed to have been met for the year in which the retirement occurred. See also footnote (2) to the table titled “2016 Grants of Plan-Based Awards.”

PROPOSAL 4

PROPOSAL TO RATIFY THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF M&T BANK CORPORATION FOR THE YEAR ENDING DECEMBER 31, 2017

On February 21, 2017, the Audit Committee appointed PricewaterhouseCoopers LLP, certified public accountants, as the independent registered public accounting firm of M&T for the year ending December 31, 2017, a capacity in which it has served since 1984.

Although shareholder approval of the appointment of the independent registered public accounting firm is not required by law, M&T believes that it is desirable to request that the shareholders ratify the Audit Committee's appointment of PricewaterhouseCoopers LLP as M&T's independent registered public accounting firm for the year ending December 31, 2017. In the event that the shareholders fail to ratify the appointment, the Audit Committee will reconsider this appointment and make such a determination as it believes to be in M&T's and its shareholders' best interests. Even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in M&T's and its shareholders' best interests.

Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting. The representatives may, if they wish, make a statement and, it is expected, will be available to respond to appropriate questions.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF M&T BANK CORPORATION FOR THE YEAR ENDING DECEMBER 31, 2017.

In addition to the above services, for the year ended December 31, 2016, PricewaterhouseCoopers LLP billed \$57,000 for a mortgage servicing report that was reimbursed by an outside mortgage company, and directly billed certain investment funds sponsored by a subsidiary of M&T a total of \$253,964 for audit services and Form 5500 preparation fees. No fees were billed and no services were provided by PricewaterhouseCoopers LLP during 2016 and 2015 for financial information systems design and implementation.

No other fees were billed for any other services and no other services were provided by PricewaterhouseCoopers LLP for the years ended December 31, 2016 and 2015.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

Beginning with the year ended December 31, 2003, M&T instituted a policy that the Audit Committee pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally detailed as to the particular service or category of services and is generally subject to a specific budget range. The independent registered public accounting firm and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval policy, and the fees for the services performed to date. The Audit Committee may also pre-approve additional services on a case-by-case basis. In the period between meetings of the Audit Committee, the Chair of the Audit Committee is authorized to pre-approve such services on behalf of the Audit Committee provided that such pre-approval is reported to the Audit Committee at its next regularly scheduled meeting.

Before appointing PricewaterhouseCoopers LLP, the Audit Committee considered PricewaterhouseCoopers LLP's qualifications as an independent registered public accounting firm. This included a review of the qualifications of the engagement team, the quality control procedures the firm has established, any issues raised by the most recent quality control review of the firm, as well as its reputation for integrity and competence in the fields of accounting and auditing. The Audit Committee's review also included matters required to be considered under the SEC's rules on auditor independence, including the nature and extent of non-audit services, to ensure that the auditor's independence will not be impaired. The Audit Committee has considered and determined that PricewaterhouseCoopers LLP's provision of non-audit services to M&T during 2016 is compatible with and did not impair PricewaterhouseCoopers LLP's independence.

Report of the Audit Committee

The members of the Audit Committee are independent as that term is defined in the listing standards of the NYSE. The Audit Committee operates under a written charter adopted by the Board of Directors. A copy of such charter can be accessed on M&T's website at www.ir.mtb.com/corpgov.cfm. During 2016, the Audit Committee met six times, and held discussions with management and representatives of its independent registered public accounting firm consistent with its responsibilities under its charter.

Management is responsible for the preparation of M&T's consolidated financial statements and their assessment of the design and effectiveness of M&T's internal control over financial reporting. The independent registered public accounting firm is responsible for performing an independent audit of M&T's consolidated financial statements and opining on the effectiveness of those controls in accordance with the standards of the Public Company Accounting Oversight Board (United States) ("PCAOB") and

issuing its reports thereon. As provided in its charter, the Audit Committee's responsibilities include monitoring and overseeing these processes.

In discharging its oversight responsibilities, the Audit Committee has reviewed and discussed M&T's 2016 audited consolidated financial statements with management and its independent registered public accounting firm and has reviewed and discussed with the independent registered public accounting firm all communications required by standards of the PCAOB, including the matters described in PCAOB Auditing Standard No. 16, (*Communication with Audit Committees*), which include, among other items, matters related to the conduct of the audit of M&T's consolidated financial statements.

The Audit Committee has also received the written disclosures and the letter from M&T's independent registered public accounting firm as required by the PCAOB's Ethics and Independence Rule 3526 (*Communication with Audit Committees Concerning Independence*) and has discussed with the independent registered public accounting firm their independence.

Based on these reviews and discussions with management and the independent registered public accounting firm, the Audit Committee recommended to the Board that the audited consolidated financial statements and report on management's assessment of the design and effectiveness of internal control over financial reporting be included in M&T's Annual Report on Form 10-K for the year ended December 31, 2016 filed with the SEC on February 22, 2017. The Audit Committee also selected the independent registered public accounting firm.

This report was adopted on February 21, 2017 by the Audit Committee of the Board of Directors:

Richard A. Grossi
Herbert L. Washington
