PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the “Board”) of MVC Capital, Inc. (the “Fund”) for use at the annual meeting of the stockholders of the Fund (the “Meeting”), to be held at the offices of UBS, 299 Park Avenue, New York, NY 10171, on April 14, 2009, 10:00 a.m. (Eastern time), and at any adjournment thereof. This Proxy Statement, the accompanying Notice of Annual Meeting of Stockholders, and the enclosed Proxy Card(s) are expected to be mailed on or about March 6, 2009.

A Proxy Card that is properly executed and returned to the Fund prior to the Meeting will be voted as provided therein at the Meeting and at any adjournment thereof. A proxy may be revoked at any time before it is exercised by the subsequent execution and submission of a revised proxy, by giving written notice of revocation to the Fund at any time before the proxy is exercised or by voting in person at the Meeting. Signing and mailing a Proxy Card will not affect your right to give a later proxy or to attend the Meeting and vote your shares in person.

The Board intends to bring before the Meeting the proposals that are set forth in the Notice of Annual Meeting of Stockholders and that are described in this Proxy Statement. The persons named as proxies on the enclosed Proxy Card will vote all shares represented by proxies in accordance with the instructions of stockholders as specified on the Proxy Card. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum. A “broker non-vote” occurs when a broker submits a proxy card with respect to shares of common stock held in a fiduciary capacity (typically referred to as being held in “street name”), but declines to vote on a particular matter because the broker has not received voting instructions from the beneficial owner nor does it have discretionary power to vote on a particular matter. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have the discretion to vote such shares on routine matters, but not on non-routine matters. For example, the election of directors is a routine matter while the proposal to approve the Amended and Restated Investment Advisory and Management Agreement (the “Amended Agreement”) with The Tokarz Group Advisers LLC (“TTG Advisers”) is a non-routine matter.

With respect to the election of each nominee to serve as a member of the Board, abstentions and broker non-votes will not have any effect on the outcome of the proposal. With respect to the proposal to approve the Amended Agreement, abstentions and broker non-votes will have the same effect as a negative vote on the outcome of the proposal.

In addition to soliciting proxies by mail, officers of the Fund may solicit proxies by telephone or in person, without special compensation. The Fund may retain a proxy solicitor to assist in the solicitation of proxies, for which the Fund would pay usual and customary fees.

Most beneficial owners whose shares are held in street name will receive voting instruction forms from their banks, brokers or other agents, rather than the Fund’s Proxy Card. A number of banks and brokerage firms are participating in a program that offers a means to grant proxies to vote shares via the Internet or by telephone. If your shares are held in an account with a bank or broker participating in this program, you may grant a proxy to vote those shares via the Internet or telephonically by using the website or telephone number shown on the instruction form provided to you by your broker or bank.

Only stockholders of record as of the close of business on February 17, 2009 (the “Record Date”) are entitled to notice of, and to vote at, the Meeting. On the Record Date, 24,297,087 shares of the Fund were outstanding.

Each stockholder of record on the Record Date is entitled to one vote for each share held.

The stockholders of the Fund have no dissenter’s or appraisal rights in connection with any of the proposals described herein.

In the event that a quorum is not present at the Meeting or at any adjournment thereof, or in the event that a quorum is present at the Meeting but sufficient votes to approve a proposal are not received, one or more adjournments of the Meeting may be proposed to permit further solicitation of proxies. A stockholder vote may be taken with respect to the Fund on some or all matters before any such adjournment if a quorum is present and sufficient votes have been received for approval. Any adjournment will require the affirmative vote of a majority of the shares represented at the Meeting in person or by proxy.

The Fund’s Annual Report on Form 10-K for the fiscal year ended October 31, 2008 (the “Report”) is being mailed with this Proxy Statement to the stockholders of the Fund. The Report is not to be regarded as proxy-soliciting material. This Proxy Statement and the Report are available on the Fund’s website at www.mvccapital.com/proxy.cfm. The Report may be obtained without charge, by writing to the Fund at 287 Bowman Avenue, 2nd Floor, Purchase, New York 10577, or by calling toll-free 1-800-426-5523. The Fund’s next quarterly report on Form 10-Q is scheduled to be filed with the Securities and Exchange Commission (“SEC”) on or before March 12, 2009.

PROPOSAL 1

The nominees include Emilio Dominianni, Gerald Hellerman, Warren Holtsberg, Robert Knapp, William Taylor and Michael Tokarz. Each nominee is currently a member of the Board.

The persons named as proxies on the enclosed Proxy Card intend, in the absence of contrary instructions, to vote all proxies they are entitled to vote in favor of the election of the six nominees named above to serve as the Directors. Each of the nominees has consented to stand for election and to serve if elected. The Board has also adopted a Code of Ethics, which applies to, among others, all of the Fund’s officers and directors, as well as a Code of Ethics for Principal Executive and Senior Financial Executives that applies to and has been signed by the Principal Executive Officer and the Chief Financial Officer of the Fund. During the last fiscal year, each of the nominees attended 100% of the aggregate number of meetings of the Board and any committee of the Board on which such nominee served, except that one nominee did not attend a special telephonic meeting of the Board held during the fiscal year. Currently, a majority of the Directors are Independent Directors (as defined

below). Mr. Knapp has been appointed by the Independent Directors to serve as the Presiding Director over executive sessions of non-management directors.

Interested parties should communicate with the Presiding Director or with the non-management directors as a group according to the following procedures established by the Fund for stockholders' communication with the Board: any communications intended for the Board should be sent to the Fund at the Fund's address and any such communication will be forwarded to the Board (or applicable Board member) or disclosed to the Board (or applicable Board member) at its next regular meeting.

Audit Committee

The Audit Committee's primary purposes are:

- oversight responsibility with respect to: (i) the adequacy of the Fund's accounting and financial reporting processes, policies and practices; (ii) the integrity of the Fund's financial statements and the independent audit thereof; (iii) the adequacy of the Fund's overall system of internal controls and, as appropriate, the internal controls of certain service providers; (iv) the Fund's compliance with certain legal and regulatory requirements; (v) determining the qualification and independence of the Fund's independent auditors; and (vi) the Fund's internal audit function, if any; and
- oversight of the preparation of any report required to be prepared by the Committee pursuant to the rules of the SEC for inclusion in the Fund's annual proxy statement with respect to the election of directors.

Report of Audit Committee:

The most recent fiscal year of the Fund ended on October 31, 2008. During that fiscal year, the Audit Committee held four (4) meetings. In connection with the Fund's audited financial statements for the fiscal year ended October 31, 2008, the Audit Committee has: (i) reviewed and discussed with management the Fund's audited financial statements for the fiscal year ended October 31, 2008; (ii) discussed with Ernst & Young LLP ("E&Y"), the independent auditors of the Fund, the matters required to be discussed by Statements on Auditing Standards (SAS) No. 61 (Codification of Statements on Auditing Standards, AU § 380); (iii) received the written disclosures and a letter from E&Y regarding, and discussed with E&Y, its independence; and (iv) recommended to the Board that the audited financial statements of the Fund for the fiscal year ended October 31, 2008 be included in the Fund's Annual Report to Stockholders for filing with the SEC.

Audit Committee members: Emilio Dominianni, Gerald Hellerman and William Taylor.

Each of the current members of the Audit Committee, Messrs. Dominianni, Hellerman and Taylor, is considered independent under the rules promulgated by the New York Stock Exchange and is not an "interested person," as defined by the 1940 Act, of the Fund (the "Independent Directors"). Each member of the Audit Committee meets the current independence and experience requirements of Rule 10A-3 of the Securities Exchange Act of 1934, as amended (the "1934 Act"), and the Board has determined that Messrs. Hellerman and Taylor are each an "audit committee financial expert," as defined under Item 407(d)(5) of Regulation S-K of the 1934 Act. Mr. Hellerman is the Chairman of the Audit Committee.

Valuation Committee

The Valuation Committee, the principal purpose of which is to determine the fair values of securities in the Fund's portfolio for which market quotations are not readily available, is currently comprised of Messrs. Dominianni, Hellerman and Knapp. Mr. Knapp is the Chairman of the Valuation Committee. The Valuation Committee held four (4) meetings during the fiscal year ended October 31, 2008.

Nominating Committee

The Nominating/Corporate Governance/Strategy Committee (the "Nominating Committee"), the principal purposes of which are to consider and nominate persons to serve as Independent Directors and oversee the composition and governance of the Board and its committees and to provide strategic direction with respect to the

Fund, is currently comprised of Messrs. Dominianni, Hellerman, Knapp and Taylor, each of whom is an Independent Director. Mr. Dominianni is the Chairman of the Nominating Committee. The Nominating Committee was established in January 2004.

The Nominating Committee considers director candidates nominated by stockholders in accordance with procedures set forth in the Fund's By-Laws. The Fund's By-Laws provide that nominations may be made by any stockholder of record of the Fund entitled to vote for the election of directors at a meeting, provided that such nominations are made pursuant to timely notice in writing to the Secretary. The Nominating Committee then determines the eligibility of any nominated candidate based on criteria described below. To be timely, a stockholder's notice must be received at the principal executive offices of the Fund not less than 60 days nor more than 90 days prior to the scheduled date of a meeting. A stockholder's notice to the Secretary shall set forth: (a) as to each stockholder-proposed nominee, (i) the name, age, business address and residence address of the nominee, (ii) the principal occupation or employment of the nominee, (iii) the class, series and number of shares of capital stock of the Fund that are owned beneficially by the nominee, (iv) a statement as to the nominee's citizenship, and (v) any other information relating to the person that is required to be disclosed in solicitations for proxies for election of directors pursuant to Section 14 of the 1934 Act, and the rules and regulations promulgated thereunder; and (b) as to the stockholder giving the notice, (i) the name and record address of the stockholder and (ii) the class, series and number of shares of capital stock of the corporation that are owned beneficially by the stockholder. The Fund or the Nominating Committee may require a stockholder who proposes a nominee to furnish any such other information as may reasonably be required by the Fund to determine the eligibility of the proposed nominee to serve as director of the Fund. The Nominating Committee held one (1) meeting during the fiscal year ended October 31, 2008.

In addition, the Nominating Committee considers potential director candidates with input from various sources, which may include: current Directors, members of the management team, or an outside search firm. The Nominating Committee seeks to identify candidates that possess, in its view, strong character, judgment, business experience and acumen. As a minimum requirement, any eligible candidate who is not proposed to serve as an Interested Director (*i.e.*, a candidate who is not employed or proposed to be employed by the Fund or the Adviser) must not be an "interested person," as defined by the 1940 Act, of the Fund. The Nominating Committee also considers, among other factors, certain other relationships (beyond those delineated in the 1940 Act) that might impair the independence of a proposed Director.

Compensation Committee

The Compensation Committee, the principal purpose of which is to oversee the compensation of the Independent Directors, is currently comprised of Messrs. Hellerman and Knapp. Mr. Hellerman is the Chairman of the Compensation Committee. The Compensation Committee was established in March 2003. The Compensation Committee held one (1) meeting during the fiscal year ended October 31, 2008.

The Board has adopted a policy that encourages all Directors, to the extent reasonable and practicable, to attend the Fund's annual stockholders' meetings in person. All of the Directors, except one, attended the last annual meeting.

PROPOSAL 2

APPROVAL OF AN AMENDED AND RESTATED INVESTMENT ADVISORY AND MANAGEMENT AGREEMENT BETWEEN THE FUND AND THE TOKARZ GROUP ADVISERS LLC

Stockholders of the Fund are being asked to approve an amended and restated investment advisory and management agreement (the “Amended Agreement”) between the Fund and its investment adviser, TTG Advisers (“Proposal 2”). The Amended Agreement is attached as Exhibit C to this Proxy Statement. At an in-person meeting of the Board held on December 11, 2008, the Board, including all of the Independent Directors, unanimously voted to approve the Amended Agreement, and recommended its approval by the Fund’s stockholders.

The Amended Agreement

Currently, TTG Advisers serves as the Fund’s investment adviser pursuant to an Investment Advisory and Management Agreement with the Fund, dated October 31, 2006 (the “Existing Agreement”). That agreement has an initial term that expired on October 31, 2008 and could be renewed for additional annual periods thereafter. In anticipation of the expiration of the initial term and the desire to renew the Fund’s relationship with TTG Advisers, the Independent Directors and TTG Advisers each sought to negotiate a modification to certain terms of the arrangements to help foster a longer term relationship. That arm’s-length negotiation resulted in the terms reflected in the Amended Agreement, which was approved by the Board, including all of the Independent Directors, on December 11, 2008 and is recommended for your approval. (Because the initial term of the Existing Agreement expired on October 31, 2008, the Board, as an interim measure, approved renewal of the Existing Agreement until such time as the Amended Agreement is approved by stockholders and takes effect.)

The Amended Agreement provides for TTG Advisers’ continued management of the Fund and is identical, in all material respects, to the Existing Agreement, except for the following modifications: (i) the Amended Agreement secures Mr. Tokarz’s service as the portfolio manager of the Fund for an additional two fiscal years; (ii) the Amended Agreement extends the period for which an expense cap would apply for an additional two fiscal years, and increases the expense cap to 3.5%; and (iii) the calculation of the capital gains portion of the incentive fee (the “Capital Gains Fee”) under the Amended Agreement reflects a revision so that unrealized depreciation on an investment would not reduce the Capital Gains Fee to the extent it has already been reduced by unrealized depreciation on the same investment in prior fiscal years (the “Modified Capital Gains Fee”). All of these changes are further discussed below under “Terms of the Amended Agreement.” Certain other non-material changes are also reflected in the Amended Agreement, including a clarification that the terms of the agreement do not cover TTG Advisers’ furnishing of portfolio management or other management services to an investment vehicle other than the Fund (*e.g.* , a private equity fund, business development company (“BDC”) or managed account of an operating company) (“Third-Party Vehicle”), pursuant to a separate arrangement approved by the Independent Directors (a “Separate Agreement”).

In approving the Amended Agreement, the Independent Directors considered numerous factors discussed below under “The Board’s Consideration of the Amended Agreement.”

Terms of the Amended Agreement

Other than the modifications discussed above, all other material terms of the Amended Agreement are substantially identical to those set forth under the Existing Agreement. The following is a summary of all of the key terms of the Amended Agreement. The summary below is qualified in its entirety by reference to the Amended Agreement attached as Exhibit C.

As with the Existing Agreement, under the terms of the Amended Agreement, TTG Advisers determines the composition of our portfolio, the nature and timing of the changes to our portfolio and the manner of implementing such changes, identifies, evaluates and negotiates the structure of the investments we make (including performing due diligence on our prospective portfolio companies), closes and monitors the investments we make, determines the securities and other assets that we purchase, retain or sell and oversees the administration, recordkeeping and compliance functions of the Fund and/or third parties performing such functions for the Fund. TTG Advisers’ services under the Amended Agreement are not exclusive, and it may furnish similar services to other entities.

Pursuant to the Amended Agreement, the Fund would continue to pay TTG Advisers a fee for investment advisory and management services consisting of two components — a base management fee and an incentive fee.

As with the Existing Agreement, the base management fee is calculated at an annual rate of 2% of our total assets (excluding: (i) cash, (ii) the value of any investment in a Third-Party Vehicle covered by a Separate Agreement and (iii) the value of any investment by the Fund not made in a portfolio company (“Non-Eligible Assets”); but including assets purchased with borrowed funds that are not Non-Eligible Assets) (the “Base Management Fee”). The Base Management Fee is payable quarterly in arrears. The Base Management Fee is calculated based on the value of our total assets (excluding Non-Eligible Assets, but including assets purchased with borrowed funds that are not Non-Eligible Assets) at the end of the most recently completed fiscal quarter. Base Management Fees for any partial month or quarter will be appropriately pro rated.

The incentive fee is comprised of the following two parts:

The income portion of the incentive fee is calculated and payable quarterly in arrears based on our pre-incentive fee net operating income, which calculation is unchanged from the Existing Agreement. Pre-incentive fee net operating income means interest income, dividend income and any other income (including any other fees paid to the Fund and MVC Financial Services, Inc. (“MVCFS”), such as directors’, commitment, origination, structuring, diligence and consulting fees or other fees that we receive from portfolio companies) accrued during the fiscal quarter, minus the Fund’s and MVCFS’ operating expenses for the quarter (including the Base Management Fee and any interest expense and dividends paid on any outstanding preferred stock, but excluding the incentive fee (whether paid or accrued)). Pre-incentive fee net operating income includes, in the case of investments with a deferred interest feature (such as market discount, debt instruments with payment-in-kind interest, preferred stock with payment-in-kind dividends and zero coupon securities), accrued income that we have not yet received in cash. TTG Advisers is not under any obligation to reimburse us for any part of the incentive fee it received that was based on accrued income that we never receive as a result of a default by an entity on the obligation that resulted in the accrual of such income.

Pre-incentive fee net operating income does not include any realized capital gains, realized capital losses or unrealized capital appreciation or depreciation. Because of the structure of the incentive fee, it is possible that we may pay an incentive fee in a quarter where we incur a loss. For example, if we receive pre-incentive fee net operating income in excess of the hurdle amounts (explained below) for a quarter, we will pay the applicable incentive fee even if we have incurred a loss in that quarter due to realized and unrealized capital losses.

In calculating the income portion of the incentive fee (“Income Incentive Fee”) under the Existing Agreement and the Amended Agreement, pre-incentive fee net operating income, at the end of the immediately preceding fiscal quarter, will be compared to two “hurdle amounts”: 1.75% of the Fund’s net assets (defined as total assets less total liabilities) (“Lower Hurdle Amount”) and 2.1875% of the Fund’s net assets (“Higher Hurdle Amount”). The Fund would pay the Adviser the Income Incentive Fee with respect to the Fund’s pre-incentive fee net operating income in each fiscal quarter as follows:

- no Income Incentive Fee in any fiscal quarter in which the Fund’s pre-incentive fee net operating income does not exceed the Lower Hurdle Amount;
- 100% of the Fund’s pre-incentive fee net operating income with respect to that portion of such pre-incentive fee net operating income, if any, that exceeds the Lower Hurdle Amount but is less than the Higher Hurdle Amount in any fiscal quarter; and
- 20% of the amount of the Fund’s pre-incentive fee net operating income, if any, that exceeds the Higher Hurdle Amount in any fiscal quarter.

Under the Amended Agreement, the second part of the incentive fee, the Capital Gains Fee, is determined and payable in arrears as of the end of each fiscal year (or upon termination of the Amended Agreement, as of the termination date), commencing with the fiscal year ending October 31, 2009, and will equal 20% of: (i) the Fund’s cumulative aggregate net realized capital gains on the Fund’s investments made after November 1, 2003 (the “Fund’s New Portfolio”) (exclusive of any realized gains on an investment in a Third-Party Vehicle covered by a

Separate Agreement or that are subject to an SPV Incentive Allocation, as defined below); minus (ii) the cumulative aggregate unrealized capital depreciation of the Fund's New Portfolio calculated from November 1, 2003. If the Capital Gains Fee is positive at the end of such year, then the aggregate amount of Capital Gains Fees paid in all prior years shall be subtracted from the Capital Gains Fee for such year. For purposes of this calculation, neither the Fund's contribution of an investment to a wholly-owned subsidiary nor the Fund's distribution of an investment to the Fund's stockholders shall be deemed to be a realization event.

The Amended Agreement provides for a cumulative calculation of net realized gains (see clause (i) above), which has the effect of eliminating double counting of unrealized depreciation (*i.e.* , it does not reduce the Capital Gains Fee to the extent it already has been reduced in prior years by the same unrealized depreciation on the same investment). It should be noted that the Existing Agreement's Cap (as defined and described below) on the Capital Gains Fee remains intact and unaffected by this modification. As further discussed below in "The Board's Consideration of the Amended Agreement," the Board considered numerous factors in approving the Amended Agreement, including, in relation to the Modified Capital Gains Fee, that a compensation mechanism should be provided that fairly reflects the actual performance of the Fund. The Board considered, in this regard, that under the Existing Agreement, the incentive fee paid to TTG Advisers could be reduced year after year by the same aggregate unrealized depreciation on the same investment, even if the value of the investment has not changed during that time. In addition, the Board considered that the Capital Gains Fee formula under the Existing Agreement could have the effect of incentivizing management to sell prematurely an investment that has depreciated, rather than further managing the investment. Please see "The Board's Consideration of the Amended Agreement" for a further discussion.

In addition, as with the Existing Agreement, under the Amended Agreement, the Fund has authorized TTG Advisers to create or arrange for the creation of one or more special purpose vehicles for which it may serve as the general partner or managing member for purposes of making investments on behalf of the Fund (each, an "SPV"). It is proposed that TTG Advisers, in its role as the general partner or managing member of an SPV, receive an incentive allocation equal to 20% of the net profits of the SPV (the "SPV Incentive Allocation"). In no event would any SPV Incentive Allocation received by TTG Advisers cause the total compensation received by TTG Advisers under the Amended Agreement to exceed the limits imposed by the Investment Advisers Act of 1940, as amended.

Both the Existing Agreement and Amended Agreement provide for the following cap on Capital Gains Fees: in no event shall the sum of the Capital Gains Fee and the SPV Incentive Allocation, if any, for any fiscal year exceed:

(i) 20% of (a) the Fund's cumulative aggregate realized capital gains on the Fund's investments (the "Fund's Total Portfolio") (including any realized gains attributable to an SPV Incentive Allocation), minus (b) the sum of the Fund's cumulative aggregate realized capital losses on, and aggregate unrealized capital depreciation of, the Fund's Total Portfolio; minus (ii) the aggregate amount of Capital Gains Fees paid and the value of SPV Incentive Allocations made in all prior years (the "Cap"). For purposes of calculating the Cap: (i) the initial value of any investment held by the Fund on November 1, 2003 shall equal the fair value of such investment on November 1, 2003; and (ii) the initial value of any investment made by the Fund after November 1, 2003 shall equal the accreted or amortized cost basis of such investment. Furthermore, in the event that the Capital Gains Fee for any fiscal year exceeds the Cap ("Uncollected Capital Gains Fees"), all or a portion of such amount shall be accrued and payable to TTG Advisers following any subsequent fiscal year in which the Amended Agreement is in effect, *but only* to the extent the Capital Gains Fee, plus the amount of Uncollected Capital Gains Fees, each calculated as of the end of such subsequent fiscal year, do not exceed the Cap. Any remaining Uncollected Capital Gains Fees shall be paid following subsequent fiscal years in accordance with the same process, provided the Amended Agreement is in effect during such fiscal year.

Payment of our expenses

As with the Existing Agreement, under the Amended Agreement, all investment professionals of TTG Advisers and its staff, when and to the extent engaged in providing services required to be provided by TTG

Advisers under the Amended Agreement, and the compensation and routine overhead expenses of such personnel allocable to such services, are provided and paid for by TTG Advisers and not by the Fund, except that costs or expenses relating to the following items are borne by the Fund: (i) the cost and expenses of any independent valuation firm; (ii) expenses incurred by TTG Advisers payable to third parties, including agents, consultants or other advisors, in monitoring financial and legal affairs for the Fund and in monitoring the Fund's investments and performing due diligence on its prospective portfolio companies, *provided, however*, the retention by TTG Advisers of any third party to perform such services shall require the advance approval of the Board (which approval shall not be unreasonably withheld) if the fees for such services are expected to exceed \$30,000; once the third party is approved, any expenditure to such third party will not require additional approval from the Board; (iii) interest payable on debt and other direct borrowing costs, if any, incurred to finance the Fund's investments or to maintain its tax status; (iv) offerings of the Fund's common stock and other securities; (v) investment advisory and management fees; (vi) fees and payments due under any administration agreement between the Fund and its administrator; (vii) transfer agent and custodial fees; (viii) federal and state registration fees; (ix) all costs of registration and listing the Fund's shares on any securities exchange; (x) federal, state and local taxes; (xi) Independent Directors' fees and expenses; (xii) costs of preparing and filing reports or other documents required by governmental bodies (including the SEC); (xiii) costs of any reports, proxy statements or other notices to stockholders, including printing and mailing costs; (xiv) the cost of the Fund's fidelity bond, directors and officers/errors and omissions liability insurance, and any other insurance premiums; (xv) direct costs and expenses of administration, including printing, mailing, long distance telephone, copying, independent auditors and outside legal costs; (xvi) the costs and expenses associated with the establishment of an SPV; (xvii) the allocable portion of the cost (excluding office space) of the Fund's Chief Financial Officer, Chief Compliance Officer and Secretary in an amount not to exceed \$200,000, per year, in the aggregate (an increase of \$100,000 from the Existing Agreement); (xviii) subject to a cap of \$150,000 in any fiscal year of the Fund, fifty percent of the unreimbursed travel and other related (*e.g.* , meals) out-of-pocket expenses (subject to item (ii) above) incurred by TTG Advisers in sourcing investments for the Fund; *provided that* , if the investment is sourced for multiple clients of TTG Advisers, then the Fund shall only reimburse fifty percent of its allocable pro rata portion of such expenses; and (xix) all other expenses incurred by the Fund in connection with administering the Fund's business (including travel and other out-of-pocket expenses (subject to item (ii) above) incurred in providing significant managerial assistance to a portfolio company). Additionally, any unsatisfied payment obligation to TTG Advisers of a wholly-owned subsidiary of the Fund, which arises under the Amended Agreement, will be the sole responsibility of the Fund and not the subsidiary. Notwithstanding the foregoing, absent the consent of the Board, any fees or income earned, on the Fund's behalf, by any officer, director, employee or agent of the Adviser in connection with the monitoring or closing of an investment or disposition by the Fund or for providing managerial assistance to a portfolio company (which includes, for example, service on the board of directors of a portfolio company but does not include the Advisers' furnishing of portfolio management or other management services to a Third-Party Vehicle) will inure to the Fund.

The Expense Cap

Under the Existing Agreement, for each of the 2007 and 2008 fiscal years, TTG Advisers agreed to absorb or reimburse operating expenses of the Fund (promptly following the completion of such year), to the extent necessary to limit the Fund's Expense Ratio for such year to 3.25% (the "Expense Cap"). As noted above, under the Amended Agreement, an expense cap of 3.5% would apply to fiscal years 2009 and 2010. For purposes of the calculation of the expense cap, the Fund's "Expense Ratio" is calculated, under both the Amended Agreement and the Existing Agreement, as of October 31 of any such year and means: (i) the consolidated expenses of the Fund (which expenses include any amounts payable to TTG Advisers under the Base Management Fee, but exclude the amount of any interest, taxes, incentive compensation, and extraordinary expenses (including, but not limited to, any legal claims and liabilities and litigation costs and any indemnification related thereto, and the costs of any spin-off or other similar type transaction contemplated by the Amended Agreement)), as a percentage of (ii) the average net assets of the Fund (i.e., average consolidated assets less average consolidated liabilities) during such fiscal year as set forth in the Fund's financial statements contained in the Fund's annual report on Form 10-K.

Indemnification

As with the Existing Agreement, the Amended Agreement provides that, absent willful misfeasance, bad faith or gross negligence in the performance of its duties or by reason of the reckless disregard of its duties and obligations, TTG Advisers, its members and their respective officers, managers, partners, agents, employees, controlling persons, members and any other person or entity affiliated with it (collectively, the “Indemnified Parties”) are entitled to indemnification from the Fund for any damages, liabilities, costs and expenses (including reasonable attorneys’ fees and amounts reasonably paid in settlement) arising from the rendering of TTG Advisers’ services under the Amended Agreement or otherwise as an investment adviser of the Fund. In addition, TTG Advisers has agreed to indemnify the Fund for losses or damages arising out of the willful misfeasance, bad faith or gross negligence in the performance of an Indemnified Party’s duties or by reason of the reckless disregard of its duties and obligations under the Amended Agreement.

2008 Fees Paid to Our Investment Adviser

Under the Existing Agreement, during the 2008 fiscal year, the Fund paid TTG Advisers an aggregate of \$8.5 million in fees for services provided to the Fund. If the Amended Agreement were in effect for the 2008 fiscal year, it is estimated that the Fund would have paid an identical amount of fees to TTG Advisers for the 2008 fiscal year. However, if the Amended Agreement were in effect for the 2008 fiscal year, the Fund’s other expenses would have been increased immaterially, as a result of a \$100,000 increase in the compensation payable by the Fund to officers of the Fund under the Amended Agreement.

Below is a table (unaudited) depicting: (i) the Fund’s actual expense ratio for the fiscal year ended October 31, 2008; and (ii) a restated, pro forma, expense ratio for the same period that assumes implementation of the Amended Agreement at the beginning of the fiscal year (November 1, 2007).

* Calculated based on incentive fees accrued during the fiscal year, which may be paid only if a realization event occurs.

There is no assurance that the comparative unaudited results shown above would remain the same in the future. The Amended Agreement could result in higher expenses than those estimated above. Whether expenses increase in future periods depends on a number of factors that are difficult to predict including, for example: (i) the extent of net realized gains and operating income generated by the Fund; (ii) the extent of net unrealized appreciation and depreciation generated by the Fund; (iii) the amount of total assets of the Fund; (iv) the amount of assets held in cash and portfolio company investments; (v) the amount of assets that will be invested pursuant to the Fund’s investment strategy; and (vi) the amount of operating expenses (excluding advisory fees) that are incurred by the Fund.

The Board's Consideration of the Amended Agreement

At in-person meetings held on December 11, 2008 and October 23, 2008, as well as during various special telephonic meetings, the Independent Directors considered and negotiated the various terms of the Amended Agreement with TTG Advisers. (Throughout this process, the Independent Directors were represented by their independent, separate counsel and TTG Advisers was represented by its separate counsel.) At the in-person meeting held on December 11, 2008, the Board, including all of the Independent Directors, voted to approve the Amended Agreement and recommended that stockholders approve such agreement. The Independent Directors had the opportunity to consult in executive sessions with their counsel regarding the approval of the Amended Agreement. During their deliberations, the Independent Directors reviewed a significant amount of information and considered, among other things:

- (i) the nature, extent and quality of the advisory and other services provided to the Fund by TTG Advisers during the two-year period of the Existing Agreement;
- (ii) the investment performance of the Fund since Mr. Tokarz assumed his role as Portfolio Manager of the Fund in November 2003;
- (iii) the costs of the services provided by TTG Advisers (including the assessment of any impact of the modifications on the Fund's overall expense ratio);
- (iv) TTG Advisers' profitability with respect to managing the Fund; and
- (v) the modified terms reflected in the Amended Agreement, individually, and in their totality.

In particular, all of the Independent Directors considered the following:

Nature, Extent and Quality of Services. The Independent Directors considered the nature, quality and level of services provided by TTG Advisers to the Fund and reviewed various presentations from management in this regard. The Independent Directors examined the organizational structure of TTG Advisers and its financial resources. The Independent Directors considered the experience of the members of TTG Advisers' management team, their involvement with the management of the Fund and its portfolio companies and prior experience in connection with the types of investments made by the Fund. The Independent Directors also took into account that, in addition to the investment advisory services provided to the Fund under the Existing Agreement, TTG Advisers also provides certain administrative and other services necessary for the operation of the Fund, including its oversight of the Fund's day-to-day operations and Fund accounting services. The Independent Directors accorded particular weight to the provision in the Amended Agreement securing Mr. Tokarz's continued service as Portfolio Manager of the Fund for at least an additional two years (absent the occurrence of certain extraordinary events), as his prior commitment to the Fund had expired on November 1, 2008.

Investment Performance. The Independent Directors reviewed the long-term (since Mr. Tokarz and his team assumed their responsibilities in November 2003) and short-term investment performance of the Fund, as well as comparative data with respect to the long-term and short-term investment performance of other comparable BDCs and the performance of broad market indices. The Independent Directors observed that the Fund's performance, particularly the Fund's net asset value growth since 2003, compared favorably to its BDC peer group as well as the S&P 500 and Russell 2000 indices.

Additional Benefits Derived by TTG Advisers. The Independent Directors considered the potential additional benefits to be derived by TTG Advisers as a result of its relationship with the Fund. The Independent Directors considered that under the Amended Agreement, for a period of three years from November 1, 2008, TTG Advisers must provide 30 days' advance written notice to the Independent Directors before taking on any assignment of material significance (including the taking on of any new clients). The Independent Directors also considered TTG Advisers' representation in the Amended Agreement that it would not manage a BDC, a private equity fund or other similar vehicle with the investment objective of investing in certain investments described in the agreement, without the consent of the Independent Directors. They also took into account the possibility that, following the completion of current negotiations, they are likely to retain TTG Advisers to

provide portfolio management services to one or more Third Party Vehicles sponsored or managed by the Fund or a subsidiary and, in particular, they considered the potential economic benefits that could accrue to TTG Advisers as a result of those relationships.

Costs of the Services Provided to the Fund. The Independent Directors considered comparative data with respect to services rendered and the advisory fees (including the management fees and incentive fees) of other BDCs with similar investment strategies, as well as the Fund's operating expenses and expense ratio compared to other BDCs with similar investment strategies. The Independent Directors observed, in particular, that the Modified Capital Gains Fee could result in increased payments to TTG Advisers in future years. The Independent Directors considered, however, that the Capital Gains Fee formula should provide for a compensation mechanism that fairly reflects the actual performance of the Fund. In this regard, it was considered that, under the current Capital Gains Fee formula, the fee paid could be reduced year after year by the same aggregate unrealized depreciation on the same investment (even if the value of the investment has not changed during those years). This result seemed unduly punitive and potentially not reflective of the Fund's performance. In addition, the Independent Directors considered that this formula may have the effect of incentivizing management to sell prematurely an investment that has depreciated, rather than further managing the investment. The Independent Directors also accorded particular weight to the fact that under the Amended Agreement, the Capital Gains Fee would be capped in an identical manner to the Existing Agreement.

The Independent Directors also considered that had the Amended Agreement been in effect during the Fund's last fiscal year, the Fund's total expense ratio for that year would have approximated the Fund's actual expense ratio for the year. The Independent Directors also accorded particular weight to the Amended Agreement's provision for a cap on overall expenses for two additional fiscal years, which cap would have otherwise expired under the Existing Agreement. Based upon its review, the Independent Directors determined that the fees to be paid under the Amended Agreement are fair and comparable to those payable under agreements of comparable BDCs described in the market data then available.

Profitability of TTG Advisers. The profitability realized by the Adviser was also considered. The Board relied principally on information provided by management relating to the costs and profitability of TTG Advisers from its relationship with the Fund, as well as an estimate of TTG Advisers' expected profitability under the Amended Agreement. The Independent Directors observed that TTG Advisers' profitability level appeared reasonable and within the range of what would be expected.

Other Factors. Additionally, the Independent Directors accorded particular weight to the fact that the modifications reflected in the Amended Agreement were the by-product of their good faith, arm's length negotiation with TTG Advisers. The Independent Directors considered information about the potential for stockholders to experience economies of scale as the Fund grows in size. They concluded that there is limited potential for economies of scale that would inure to the benefit of our stockholders given the closed-end nature of the Fund.

Conclusions. In view of the wide variety of factors that the Independent Directors considered in connection with its evaluation of the Amended Agreement, it is not practical to assign relative weights to the specific factors they considered in reaching their decision. Rather, the Independent Directors based their approval on the totality of information presented to, and the investigation conducted by, them. In considering the factors discussed above, individual Directors may have given different weights to different factors. Based on their review of the abovementioned factors and their various deliberations concerning the Amended Agreement, the Independent Directors determined that the fees to be paid under the Amended Agreement were fair and reasonable in light of the services to be provided. The Independent Directors then approved the Amended Agreement and directed that the Amended Agreement be submitted to stockholders for approval with the Independent Directors' unanimous recommendation that stockholders of the Fund vote to approve the Amended Agreement.

If the Fund's stockholders approve Proposal 2, the Amended Agreement will remain in full force and effect for one year from the date of the annual meeting, and will automatically renew for successive annual periods thereafter, but only so long as such continuance is specifically approved at least annually by both (i) the board of directors of

the Fund or by a majority of the outstanding voting securities (as defined in the 1940 Act) of the Fund, and (ii) the vote of a majority of the Independent Directors, cast in person at a meeting called for the purpose of voting on such approval. The Existing Agreement will be amended and restated in its entirety upon the effective date of the Amended Agreement.

VOTE REQUIRED

The approval of the Amended Agreement requires the affirmative vote of a majority of the outstanding voting securities of the Fund (as defined in the 1940 Act). Such a majority means the affirmative vote of the holders of (a) 67% or more of the shares of the Fund present at the Meeting, if the holders of more than 50% of the outstanding shares of the Fund are present or represented by proxy, or (b) more than 50% of the outstanding shares of the Fund, whichever is less.

The Board recommends a vote “FOR” the approval of the Amended Agreement.

VOTING INFORMATION

A quorum is constituted by the presence in person or by proxy of the holders of a majority of the outstanding shares of the Fund entitled to vote at the Meeting. For purposes of determining the presence of a quorum for transacting business at the Meeting, abstentions and broker non-votes will be treated as shares that are present at the Meeting.

In the event that a quorum is not present at the Meeting, or in the event that a quorum is present at the Meeting but sufficient votes to approve any proposal are not received, the persons named as proxies, or their substitutes, may propose one or more adjournments of the Meeting to permit the further solicitation of proxies. Any adjourned session or sessions may be held after the date set for the Meeting without notice, except announcement at the Meeting (or any adjournment thereof); provided, that if the Meeting is adjourned to a date that is more than 30 days after the date for which the Meeting was originally called, written notice will be provided to stockholders. Any adjournment will require the affirmative vote of a majority of the shares represented at the Meeting in person or by proxy. In the event an adjournment is proposed because a quorum is not present, for Proposal 1, the persons named as proxies will vote those proxies they are entitled to vote FOR all of the nominees in favor of such adjournment, and will vote those proxies required to WITHHOLD on any nominee, against any such adjournment. In the event a quorum is present but sufficient votes to approve Proposal 2 are not received, the persons named as proxies will vote those proxies they are entitled to vote FOR Proposal 2 in favor of such adjournment, and will vote those proxies required to be voted AGAINST Proposal 2, against any such adjournment.

Most beneficial owners whose shares are held in street name will receive voting instruction forms from their banks, brokers or other agents, rather than the Fund's Proxy Card. A number of banks and brokerage firms are participating in a program that offers a means to grant proxies to vote shares via the Internet or by telephone. If your shares are held in an account with a bank or broker participating in this program, you may grant a proxy to vote those shares via the Internet or telephonically by using the website or telephone number shown on the instruction form received from your broker or bank.

EXPENSES OF SOLICITATION

The cost of preparing, assembling and mailing this Proxy Statement, the Notice of Annual Meeting of Stockholders and the enclosed Proxy Card, as well as the costs associated with the proxy solicitation, if necessary, will be borne by the Fund.

OTHER MATTERS AND ADDITIONAL INFORMATION

Other Business at the Meeting.

The Board does not intend to bring any matters before the Meeting other than as stated in this Proxy Statement, and is not aware that any other matters will be presented for action at the Meeting. If any other matters properly come before the Meeting, it is the intention of the persons named as proxies to vote on such matters in accordance with their best judgment, unless specific instructions have been given.

Future Stockholder Proposals.

If a stockholder intends to present a proposal at the annual meeting of stockholders of the Fund to be held in 2010 and desires to have the proposal included in the Fund's proxy statement and form of proxy for that meeting, the stockholder must deliver the proposal to the Secretary at the principal executive office of the Fund, 287 Bowman Avenue, 2nd Floor, Purchase, New York 10577, and such proposal must be received by the Secretary by November 6, 2009. The submission of a proposal does not guarantee its inclusion in the proxy statement and is subject to limitations under the 1934 Act. The proposals must be submitted in a manner consistent with applicable law and the Fund's By-Laws.

Results of Voting.

Stockholders will be informed of the voting results of the Meeting in the Fund’s quarterly report for the quarter ending April 30, 2009 on Form 10-Q, which will be filed with the SEC on or before June 9, 2009.

The Fund has procedures in place for the review, approval and monitoring of transactions involving the Fund and certain persons related to the Fund. For example, the Fund has a Code of Ethics that generally prohibits, among others, any officer or director of the Fund from engaging in any transaction where there is a conflict between such individual’s personal interest and the interests of the Fund. As a business development company, the 1940 Act also imposes regulatory restrictions on the Fund’s ability to engage in certain related party transactions. However, the Fund is permitted to co-invest in certain portfolio companies with its affiliates to the extent consistent with applicable law or regulation and, if necessary, subject to specified conditions set forth in an exemptive order obtained from the SEC. During the past five fiscal years, no transactions were effected pursuant to the exemptive order. As a matter of policy, our Board has required that any related-party transaction (as defined in Item 404 of Regulation S-K) must be subject to the advance consideration and approval of the Independent Directors, in accordance with applicable procedures set forth in Section 57(f) of the 1940 Act.

However, TTG Advisers intends to allocate investment opportunities in a fair and equitable manner. Our Board has approved a specific policy in this regard which was set forth in our Form 10-K filed on December 29, 2008.

Section 16(a) Beneficial Ownership Reporting Compliance.

Section 16(a) of the 1934 Act, and Section 30(h) of the 1940 Act, taken together, require that the Directors, officers of the Fund and beneficial owners of more than 10% of the equity securities of the Fund (collectively, "Reporting Persons") file with the SEC reports of their beneficial ownership and changes in their beneficial ownership of the Fund's securities. Based solely on its review of the copies of such reports, the Fund believes that each of the Reporting Persons who was a Reporting Person during the fiscal year ended October 31, 2008 has complied with applicable filing requirements.

Exhibit A attached hereto identifies holders of more than 5% of the shares of the Fund's common stock as of the Record Date.

EXHIBIT B
AMENDED AND RESTATED AUDIT COMMITTEE CHARTER
MVC CAPITAL, INC.

January 23, 2008

This charter sets forth the purpose, authority and responsibilities of the Audit Committee of the Board of Directors (the “Board”) of MVC Capital, Inc. (the “Fund”), a Delaware corporation.

Purposes

The Audit Committee of the Board (the “Committee”) has as its primary purposes:

(i) oversight responsibility with respect to: (a) the adequacy of the Fund’s accounting and financial reporting processes, policies and practices; (b) the integrity of the Fund’s financial statements and the independent audit thereof; (c) the adequacy of the Fund’s overall system of internal controls and, as appropriate, the internal controls of certain service providers; (d) the Fund’s compliance with certain legal and regulatory requirements; (e) determining the qualification and independence of the Fund’s independent auditors; and (f) the Fund’s internal audit function, if any; and

(ii) oversight of the preparation of any report required to be prepared by the Committee pursuant to the rules of the Securities and Exchange Commission (“SEC”) for inclusion in the Fund’s annual proxy statement with respect to the election of directors.

Authority

The Committee has been duly established by the Board and shall have the resources and authority appropriate to discharge its responsibilities, including the authority to retain counsel and other experts or consultants at the expense of the Fund. The Committee has the authority and responsibility to retain and terminate the Fund’s independent auditors. In connection therewith, the Committee must evaluate the independence of the Fund’s independent auditors and receive the auditors’ specific representations as to their independence.

Composition and Term of Committee Members

The Committee shall be comprised of a minimum of three Directors of the Board. To be eligible to serve as a member of the Committee, a Director must be an “Independent Director”, which term shall mean a Director who is not an “interested person,” as defined in the Investment Company Act of 1940, as amended, of the Fund. The members of the Committee shall designate one member to serve as Chairman of the Committee.

Each member of the Committee shall serve until a successor is appointed.

The Board must determine whether: (i) the Committee has at least one member who is an “audit committee financial expert,” (“ACFE”) as such term is defined in the rules adopted under Section 407 of the Sarbanes-Oxley Act of 2002; (ii) the Committee has at least one member who possesses “accounting and financial management expertise” (as such term is described under the New York Stock Exchange Listing Requirements) which may be based on past employment expertise, professional certification in accounting or other comparable experience or background that indicates an individual’s financial sophistication; and (iii) each member of the Committee possesses sufficient “financial literacy,” as required under the New York Stock Exchange Listing Requirements. The designation of a person as an ACFE is not intended to impose any greater responsibility or liability on that person than the responsibility and liability imposed on such person as a member of the Committee, nor does it decrease the duties and obligations of other Committee members or the Board.

Meetings

The Committee shall meet on a regular basis and no less frequently than quarterly. The Committee shall meet, at a minimum, within 90 days prior to the filing of each annual and quarterly report of the Fund on Forms 10-K and 10-Q, respectively. Periodically, the Committee shall meet to discuss with management the annual audited financial

statements and quarterly financial statements, including the Fund's disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations." Periodically, the Committee should meet separately with each of management, any personnel responsible for the internal audit function and, if deemed necessary, the Fund's administrator and independent auditors to discuss any matters that the Committee or any of these persons or firms believe should be discussed privately. The Committee may request any officer or employee of the Fund, or the Fund's legal counsel (or counsel to the Independent Directors of the Board) or the Fund's independent auditors to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

Minutes of each meeting will be taken and circulated to all members of the Committee in a timely manner.

Any action of the Committee requires the vote of a majority of the Committee members present, whether in person or otherwise, at the meeting at which such action is considered. At any meeting of the Committee, (i) any two members of the Committee or (ii) one member of the Committee if this member is the Chairman of the Committee, shall constitute a quorum for the purpose of taking any action.

The Adviser shall make available to the Fund individuals to serve as directors and/or officers of the Fund, as deemed necessary by the Board.

(b) The Adviser shall manage the Fund's day-to-day operations and oversee the administration, recordkeeping and compliance functions of the Fund and/or third parties performing such functions for the Fund. Without limiting the generality of the foregoing, the Adviser specifically shall be responsible for overseeing: (i) the preparation of periodic financial statements; (ii) the preparation of financial and accounting reports for presentation to the Fund's Board and for stockholders and governmental agencies; (iii) the preparation and filing of the Fund's tax returns (and those of any wholly-owned subsidiary involved with the Fund's operations); (iv) the preparation and providing of such reports and analyses to the Fund's Board and stockholders as may from time to time be considered necessary or appropriate by the Fund's Board; (v) the arrangement of the payment of the Fund's expenses and the performance of administrative and professional services rendered to the Fund by others; (vi) the preparation of any proxy statements and arranging and conducting meetings of stockholders of the Fund; (vii) the procurement of insurance for the Fund, its subsidiaries and/or its officers and directors, as directed by the Board; and (viii) such other operational, administrative and regulatory compliance duties as shall from time to time arise as a result of the Fund's operations and investing activities.

(c) The Adviser hereby accepts such employment and agrees during the term hereof to render the services described herein for the compensation provided herein. The parties acknowledge and agree that, subject to the approval of the directors who are not "interested persons" (as defined under the 1940 Act) of the Fund and who constitute a majority of the Board (the "Independent Board"), the Fund may retain the Adviser, under an arrangement separate from this Agreement (a "Separate Agreement"), pursuant to which the Adviser would agree to furnish portfolio management or other management services to an investment vehicle other than the Fund (*e.g.* , a private equity fund, BDC or managed account of an operating company) where that investment vehicle is comprised substantially of assets other than the Fund's assets (a "Third-Party Vehicle"). Notwithstanding anything to the contrary in this Agreement, the terms and obligations under this Agreement shall not cover the Adviser's services rendered to a Third-Party Vehicle covered under a Separate Agreement.

(d) Subject to the requirements of the Investment Company Act, the Adviser is hereby authorized to enter into one or more sub-advisory agreements with other investment advisers (each, a "Sub-Adviser") pursuant to which the Adviser may obtain the services of the Sub-Adviser(s) to assist the Adviser in providing the investment advisory services (*i.e.* , the making of investment recommendations or decisions for the Fund) required to be provided by the Adviser under Section 1(a) of this Agreement. Specifically, the Adviser may retain a Sub-Adviser to recommend specific securities or other investments based upon the Fund's investment objectives and policies. The Adviser, and not the Fund, shall be responsible for any compensation payable to any Sub-Adviser. Any sub-advisory agreement entered into by the Adviser shall be in accordance with the requirements of the Investment Company Act and other applicable federal and state law. Nothing in this subsection (d) will obligate the Adviser to pay any expenses that are the expenses of the Fund under Section 2.

(e) The Adviser, and any Sub-Adviser, shall for all purposes herein provided each be deemed to be an independent contractor and, except as expressly provided or authorized herein, shall have no authority to act for or represent the Fund in any way or otherwise be deemed an agent of the Fund.

(f) The Adviser shall keep and preserve for the period required by the Investment Company Act any books and records relevant to the provision of its investment advisory services to the Fund and shall specifically maintain all books and records with respect to the Fund's portfolio transactions and shall render to the Board such periodic and special reports as the Board may reasonably request. The Adviser agrees that all records that it maintains for the

Fund are the property of the Fund and will surrender promptly to the Fund any such records upon the Fund's request, provided that the Adviser may retain a copy of such records. Upon termination of this Agreement, the Adviser shall have no further obligations under this Section 1(f).

(g) Prior to the Effective Date (as defined in Section 10 below), the Adviser shall adopt and implement written policies and procedures reasonably designed to prevent its violation of the Federal Securities laws. Also prior to the Effective Date, the Adviser shall have provided to the Fund, and shall provide the Fund at such times in the future as the Fund shall reasonably request, a copy of such policies and procedures (and any amendments thereto) and a report of such policies and procedures. Such report shall be of sufficient scope and in sufficient detail, as may reasonably be required to comply with Rule 38a-1 under the Investment Company Act ("Rule 38a-1") and to provide reasonable assurance that any material inadequacies would be disclosed by such examination, and, if there are no such inadequacies, the report shall so state.

2. Fund's Responsibilities and Expenses Payable by the Fund.

All investment professionals of the Adviser and its staff, when and to the extent engaged in providing services required to be provided by the Adviser under Section 1(a) and (b), and the compensation and routine overhead expenses of such personnel allocable to such services, will be provided and paid for by the Adviser and not by the Fund, except that costs or expenses relating specifically to items identified in the next sentence shall be borne by the Fund, as appropriate. The Fund will bear all costs and expenses of its operations and transactions, including, without limitation, those relating to: (i) the cost and expenses of any independent valuation firm; (ii) expenses incurred by the Adviser payable to third parties, including agents, consultants or other advisors, in monitoring financial and legal affairs for the Fund and in monitoring the Fund's investments and performing due diligence on its prospective portfolio companies, *provided, however*, the retention by the Adviser of any third party to perform such services shall require the advance approval of the Board (which approval shall not be unreasonably withheld) if the fees for such services are expected to exceed \$30,000; once the third party is approved any expenditure to such third party will not require additional approval from the Board; (iii) interest payable on debt and other direct borrowing costs, if any, incurred to finance the Fund's investments or to maintain its tax status; (iv) offerings of the Fund's common stock and other securities; (v) investment advisory and management fees; (vi) fees and payments due under any administration agreement between the Fund and its administrator; (vii) transfer agent and custodial fees; (viii) federal and state registration fees; (ix) all costs of registration and listing the Fund's shares on any securities exchange; (x) federal, state and local taxes; (xi) independent directors' fees and expenses; (xii) costs of preparing and filing reports or other documents required by governmental bodies (including the SEC); (xiii) costs of any reports, proxy statements or other notices to stockholders, including printing and mailing costs; (xiv) the cost of the Fund's fidelity bond, directors and officers/errors and omissions liability insurance, and any other insurance premiums; (xv) direct costs and expenses of administration, including printing, mailing, long distance telephone, copying, independent auditors and outside legal costs; (xvi) the costs and expenses associated with the establishment of an SPV (as defined in Section 3(c) below); (xvii) the allocable portion of the cost (excluding office space) of the Fund's CFO, CCO and secretary (subject to the limit set forth in Section 1(a)); (xviii) subject to a cap of \$150,000 in any fiscal year of the Fund, fifty percent of the unreimbursed travel and other related (*e.g.* , meals) out-of-pocket expenses (subject to item (ii) above) incurred by the Adviser in sourcing investments for the Fund; *provided that* , if the investment is sourced for multiple clients of the Adviser, then the Fund shall only reimburse fifty percent of its allocable pro rata portion of such expenses; and (xix) all other expenses incurred by the Fund in connection with administering the Fund's business (including travel and other out-of-pocket expenses (subject to item (ii) above) incurred in providing significant managerial assistance to a portfolio company). Additionally, any unsatisfied payment obligation to the Adviser of a wholly-owned subsidiary of the Fund, which arises under this Agreement, shall be the sole responsibility of the Fund and not the subsidiary, and such unsatisfied payments are specifically acknowledged as neither loans nor capital contributions to the subsidiary, and the Fund will not seek reimbursement from the subsidiary of such unsatisfied payments. Notwithstanding the foregoing, absent the consent of the Board, any fees or income earned, on the Fund's behalf, by any officer, director, employee or agent of the Adviser in connection with the monitoring or closing of an investment or disposition by the Fund or for providing managerial assistance to a portfolio company (which includes, for example, service on the board of directors of a portfolio company but does not include the Adviser's furnishing of portfolio management or other management services to a Third-Party Vehicle) shall inure to the Fund.

3. Compensation of the Adviser.

The Fund agrees to pay, and the Adviser agrees to accept, as compensation for the services provided by the Adviser hereunder, a base management fee (“Base Management Fee”) and an incentive fee (“Incentive Fee”) as hereinafter set forth. The Fund shall make any payments due hereunder to the Adviser or to the Adviser’s designee as the Adviser may otherwise direct. To the extent permitted by applicable law, the Adviser may elect, or the Fund may adopt a deferred compensation plan pursuant to which the Adviser may elect, to defer all or a portion of its fees hereunder for a specified period of time.

(a) The Base Management Fee shall be 2.00% per annum of the Fund’s total assets (excluding: (i) cash, (ii) the value of any investment in a Third-Party Vehicle covered by a Separate Agreement and (iii) the value of any investment by the Fund not made in a portfolio company (“Non-Eligible Assets”); but including assets purchased with borrowed funds that are not Non-Eligible Assets). The Base Management Fee will be payable quarterly in arrears. The Base Management Fee will be calculated based on the value of the Fund’s total assets (excluding Non-Eligible Assets, but including assets purchased with borrowed funds that are not Non-Eligible Assets) at the end of the most recently completed fiscal quarter. Base Management Fees for any partial fiscal quarter will be appropriately pro rated.

(b) The Incentive Fee shall consist of two parts, as follows:

(i) One part will be calculated and payable quarterly in arrears based on the Pre-Incentive Fee net operating income for the fiscal quarter (the “Income Incentive Fee”). “Pre-Incentive Fee net operating income” means interest income, dividend income and any other income (including any other fees paid to the Fund such as directors’, commitment, origination, structuring, diligence and consulting fees or other fees that the Fund receives from portfolio companies) accrued by the Fund during the fiscal quarter, minus the Fund’s operating expenses for the fiscal quarter (including the Base Management Fee and any interest expense and dividends paid on any issued and outstanding preferred stock, but excluding the Incentive Fee (whether paid or accrued)).

Pre-Incentive Fee net operating income includes, in the case of investments with a deferred interest feature (such as market discount, debt instruments with payment-in-kind interest, preferred stock with payment-in-kind dividends and zero coupon securities), accrued income that has not yet been received in cash. Pre-Incentive Fee net operating income does not include any realized capital gains, realized and unrealized capital losses or unrealized capital appreciation or depreciation.

In calculating the amount of the Income Incentive Fee, pre-Incentive Fee net operating income, at the end of the immediately preceding fiscal quarter, will be compared to two “hurdle amounts”: 1.75% of the Fund’s net assets (defined as total assets less total liabilities) (the “Lower Hurdle Amount”) and 2.1875% of the Fund’s net assets (the “Higher Hurdle Amount”). The Fund will pay the Adviser the Income Incentive Fee with respect to the Fund’s pre-Incentive Fee net operating income in each fiscal quarter as follows:

(A) no Income Incentive Fee in any fiscal quarter in which the Fund’s pre-Incentive Fee net operating income does not exceed the Lower Hurdle Amount;

(B) 100% of the Fund’s pre-Incentive Fee net operating income with respect to that portion of such pre-Incentive Fee net operating income, if any, that exceeds the Lower Hurdle Amount but is less than the Higher Hurdle Amount in any fiscal quarter; and

(C) 20% of the amount of the Fund’s pre-Incentive Fee net operating income, if any, that exceeds the Higher Hurdle Amount in any fiscal quarter.

These calculations will be appropriately pro rated for any period of less than three months and adjusted for any share issuances or repurchases during the current fiscal quarter.

(ii) The second part of the Incentive Fee (the “Capital Gains Fee”) will be determined and payable in arrears as of the end of each fiscal year (or upon termination of this Agreement as set forth below), commencing with the fiscal year ending on October 31, 2009, and will equal 20% of: (a) the Fund’s cumulative aggregate net realized capital gains on the Fund’s investments made after November 1, 2003 (the “Fund’s New Portfolio”) (exclusive of any realized gains on an investment in a Third-Party Vehicle covered by

a Separate Agreement or that are subject to an SPV Incentive Allocation, as defined below); minus (b) the aggregate unrealized capital depreciation of the Fund's New Portfolio calculated from November 1, 2003. If the Capital Gains Fee is positive at the end of such year, then the aggregate amount of Capital Gains Fees paid in all prior years shall be subtracted from the Capital Gains Fee for such year. If the Capital Gains Fee is negative, then there will be no Capital Gains Fee payable for such year. If this Agreement shall terminate as of a date that is not a fiscal year end, the termination date shall be treated as though it were a fiscal year end for purposes of calculating and paying a Capital Gains Fee. Furthermore, upon the tender of a notice of termination of this Agreement, all unrealized capital gains on the Fund's New Portfolio shall be deemed realized at their net asset value last determined by the Valuation Committee of the Board and the Capital Gains Fee shall be determined and deemed payable as of the date of a tender of a notice of termination of this Agreement. Any Capital Gains Fee due upon the tender of a notice of termination of this Agreement shall be paid as soon as practicable after the Capital Gains Fee is permitted to be paid under applicable law. Any Capital Gains Fee to be made under this Section 3 shall be paid as soon as practicable following the completion of the audit of the financial statements of the Fund for the applicable fiscal year performed in accordance with generally accepted accounting principles.

For purposes of this Section 3(b)(ii):

"Cumulative aggregate net realized capital gains" means cumulative aggregate realized capital gains minus cumulative aggregate realized capital losses.

"Cumulative aggregate realized capital gains" are calculated as the sum of the differences, if positive, between (a) the net sales price of each investment in the Fund's New Portfolio when sold and (b) the accreted or amortized cost basis of such investment.

"Cumulative aggregate realized capital losses" are calculated as the sum of the amounts by which (a) the net sales price of each investment in the Fund's New Portfolio when sold is less than (b) the accreted or amortized cost basis of such investment.

"Aggregate unrealized capital depreciation" means the sum of the differences, if negative, between (a) the valuation of each investment in the Fund's New Portfolio, as of the applicable Capital Gains Fee calculation date and (b) the accreted or amortized cost basis of such investment.

Notwithstanding the foregoing, in no event shall either the Fund's contribution of an investment to a Subsidiary (as defined in Section 4) or the Fund's distribution of an investment to the Fund's stockholders be deemed to be a realization event.

(iii) Notwithstanding the foregoing, in no event shall the sum of the Capital Gains Fee and the SPV Incentive Allocation (as defined below), if any, for any fiscal year exceed: (a) 20% of (i) the Fund's cumulative aggregate realized capital gains on the Fund's investments (the "Fund's Total Portfolio") (including any realized gains attributable to an SPV Incentive Allocation (as defined below)), minus (ii) the sum of the cumulative aggregate realized capital losses on, and aggregate unrealized capital depreciation of, the Fund's Total Portfolio; minus (b) the aggregate amount of Capital Gains Fees paid and the value of SPV Incentive Allocations made in all prior years (the "Cap"). Furthermore, in the event that the Capital Gains Fee for any fiscal year exceeds the Cap ("Uncollected Capital Gains Fees"), all or a portion of such amount shall be accrued and payable to the Adviser following any subsequent fiscal year in which the Agreement is in effect, *but only* to the extent the Capital Gains Fee, plus the amount of Uncollected Capital Gains Fees, each calculated as of the end of such subsequent fiscal year, do not exceed the Cap. Any remaining Uncollected Capital Gains Fees shall be paid in following subsequent fiscal years in accordance with the same process, provided the Agreement is in effect during such fiscal year.

For purposes of this Section 3(b)(iii):

"Cumulative aggregate realized capital gains" are calculated as the sum of the differences, if positive, between (a) the net sales price of each investment in the Fund's portfolio when sold and (b) with respect to

investments held by the Fund on November 1, 2003, the fair value of such investment on November 1, 2003, and with respect to all other investments, the accreted or amortized cost basis of such investment.

“*Cumulative aggregate realized capital losses*” are calculated as the sum of the amounts by which (a) the net sales price of each investment in the Fund’s portfolio when sold is less than (b) with respect to investments held by the Fund on November 1, 2003, the fair value of such investment on November 1, 2003, and with respect to all other investments, the accreted or amortized cost basis of such investment.

“*Aggregate unrealized capital depreciation*” is calculated as the sum of the differences, if negative, between (a) the valuation of each investment in the Fund’s portfolio as of the applicable Capital Gains Fee calculation date and (b) with respect to investments held by the Fund on November 1, 2003, the fair value of such investment on November 1, 2003, and with respect to all other investments, the accreted or amortized cost basis of such investment.

(c) The Fund hereby authorizes the Adviser to create or arrange for the creation of one or more special purpose vehicles for which it may serve as the general partner or managing member, as applicable, for purposes of making investments on behalf of the Fund (each, an “SPV”). A Third-Party Vehicle shall not be considered an SPV. Furthermore, the Fund authorizes the Adviser, in its role as the general partner or managing member, as applicable, of an SPV, to receive an incentive allocation equal to 20% of the net profits of the SPV (the “SPV Incentive Allocation”). The Adviser acknowledges and agrees that: (i) prior to the SPV conducting any investment activities, the Board must approve the SPV’s organizational documents; and (ii) subject to the approval of the Board, the Adviser will establish procedures for every SPV to ensure that any SPV Incentive Allocation received by the Adviser will not cause the total compensation received by the Adviser under this Agreement to exceed the limits imposed by Section 205(b)(3) of the Advisers Act.

In addition, for each of fiscal years 2009 and 2010, the Adviser hereby agrees to absorb or reimburse operating expenses of the Fund (promptly following the completion of such year), to the extent necessary to limit the Fund’s Expense Ratio for any such year to 3.50% (the “Expense Cap”); *provided, however*, if on October 31, 2009, the Fund’s net assets have not increased by at least 5% from October 31, 2008, the dollar value of the Expense Cap shall increase by 5% for fiscal 2010. For purposes of this paragraph, the Fund’s “Expense Ratio” shall be calculated as of October 31 of any such year and mean: (i) the consolidated expenses of the Fund (which expenses shall include any amounts payable to the Adviser under the Base Management Fee, but shall exclude the amount of any interest and other direct borrowing costs, taxes, incentive compensation, and extraordinary expenses (including, but not limited to, any legal claims and liabilities and litigation costs and any indemnification related thereto, and the costs of any spin-off or other similar type transaction contemplated by this Agreement)), as a percentage of (ii) the average net assets of the Fund (*i.e.* , average consolidated assets less average consolidated liabilities) during such fiscal year as set forth in the Fund’s financial statements contained in the Fund’s annual report on Form 10-K.

4. The Adviser’s Management of Private Equity Funds.

As consideration for the Fund entering into this Agreement, the Adviser acknowledges the parties’ objective of having the Fund’s stockholders participate in private investment funds managed by the Adviser. During the term of this Agreement, the Adviser agrees that, absent the consent of the Board, the Adviser shall not establish a private investment fund managed by the personnel of the Adviser with the investment objective of: (a) investing in mezzanine and debt securities; or (b) making equity or other “non-debt” investments that are: (i) at the time of the formation of the private fund, expected to be equal to or less than the lesser of 10% of the Fund’s net assets or \$25 million; and (ii) issued by U.S. companies with less than \$150 million in revenues (“Targeted Investments”). If the Board approves the formation of a new private investment fund for investment in Targeted Investments, this private investment fund may have a general partner or managing member (a “Private Fund General Partner”) that is a Subsidiary (as defined below), is owned (directly or indirectly) 100% by a Subsidiary, or is jointly owned by the Adviser and a Subsidiary. In such cases, Private Fund General Partners shall be entitled to the entire portion of incentive allocations paid by the private investment funds managed by the Adviser, unless a portion thereof is allocated to a third party that is not affiliated with, and independent of, the Adviser. The Fund represents that the Independent Board resolved to establish a wholly-owned subsidiary of the Fund (a “Subsidiary”) that would, among other things, have the authority to invest (directly or indirectly) in, or serve as, a Private Fund General Partner. It is

understood that the Fund may pursue a spin-off of a Subsidiary to all stockholders (on a pro-rata basis), at such time as the Independent Board deems appropriate (*e.g.* , when suitable market conditions are deemed to exist), the specific terms of which would be subject to the due diligence of, and the consideration and approval by, the Independent Board. In addition, the Adviser will use its reasonable efforts to include the Subsidiary in opportunities to participate in other new private investment funds formed to pursue investments other than Targeted Investments.

5. Registration of the Adviser.

The Adviser covenants that it is registered as an investment adviser under the Advisers Act. The Adviser agrees that its activities will at all times be in compliance in all material respects with all applicable federal and state laws governing its operations and investments.

6. Brokerage Commissions.

The Adviser is hereby authorized, to the fullest extent now or hereafter permitted by law, to cause the Fund to pay a member of a national securities exchange, broker or dealer an amount of commission for effecting a securities transaction in excess of the amount of commission another member of such exchange, broker or dealer would have charged for effecting that transaction, if the Adviser determines in good faith, taking into account such factors as price (including the applicable brokerage commission or dealer spread), size of order, difficulty of execution, and operational facilities of the firm and the firm's risk and skill in positioning blocks of securities, that such amount of commission is reasonable in relation to the value of the brokerage and/or research services provided by such member, broker or dealer, viewed in terms of either that particular transaction or its overall responsibilities with respect to the Fund's portfolio, and constitutes the best net results for the Fund.

7. Limitations on the Business of the Adviser.

The services of the Adviser to the Fund are not exclusive, and the Adviser may engage in any other business or render similar or different services to others including, without limitation, the direct or indirect sponsorship or management of other investment based accounts or commingled pools of capital, however structured, having investment objectives similar to those of the Fund, and subject to compliance with applicable law and adherence to Section 4. Nothing in this Agreement shall limit or restrict the right of any member, manager, partner, officer or employee of the Adviser to engage in any other business or to devote his or her time and attention in part to any other business, whether of a similar or dissimilar nature, or to receive any fees or compensation in connection therewith. Notwithstanding the foregoing, the Adviser will not undertake any conflicting duties of loyalty which would affect its prior fiduciary duty to the Fund. In furtherance of this requirement, for a period of three years from November 1, 2008 (unless this Agreement ceases to be in effect), the Adviser shall give the Fund 30 days' advance notice in writing of any proposed undertaking by it of material significance (including the taking on of any new clients) and will provide the Fund and the Fund's independent directors with all information relevant to a determination of the effect of such undertaking on the Adviser's ability to carry out its obligations to the Fund under this Agreement. Furthermore, during the term of this Agreement, the Adviser shall not manage another business development company, a private equity fund or other similar vehicle with the investment objective of investing in Targeted Investments, without the consent of the Board. So long as this Agreement or any extension, renewal or amendment remains in effect, the Adviser shall be the only investment adviser for the Fund, subject to the Adviser's right to enter into sub-advisory agreements (in accordance with the requirements under the Investment Company Act). The Adviser assumes no responsibility under this Agreement other than to render the services called for hereunder. It is understood that directors, officers, employees and stockholders of the Fund are or may become interested in the Adviser and its affiliates, as directors, officers, employees, partners, stockholders, members, managers or otherwise, and that the Adviser and directors, officers, employees, partners, stockholders, members and managers of the Adviser and its affiliates are or may become similarly interested in the Fund as stockholders or otherwise.

8. Responsibility of Dual Directors, Officers and/or Employees.

If any person who is a manager, partner, officer, principal or employee of the Adviser is or becomes a director, officer and/or employee of the Fund and acts as such in any business of the Fund, then, when acting on behalf of the Fund, such manager, partner, officer and/or employee of the Adviser shall be deemed to be acting in such capacity

solely for the Fund, and not as a manager, partner, officer or employee of the Adviser or under the control or direction of the Adviser or the Administrator, even if paid by the Adviser.

9. Limitation of Liability of the Adviser; Indemnification.

The Adviser, its members and their respective officers, managers, partners, agents, employees, controlling persons, members and any other person affiliated with any of them (collectively, the “Indemnified Parties”), shall not be liable to the Fund for any action taken or omitted to be taken by the Adviser in connection with the performance of any of its duties or obligations under this Agreement or otherwise as an investment adviser of the Fund, except: (a) to the extent specified in Section 36(b) of the Investment Company Act concerning loss resulting from a breach of fiduciary duty (as the same is finally determined by judicial proceedings) with respect to the receipt of compensation for services; or (b) with respect to any loss by the Fund caused by the willful misfeasance, bad faith or gross negligence in the performance of any Indemnified Party’s duties under this Agreement, or the reckless disregard of the Adviser’s duties and obligations under this Agreement (as the same shall be determined in accordance with the Investment Company Act and any interpretations or guidance by the SEC or its staff thereunder). The Fund shall indemnify, defend and protect the Indemnified Parties (each of whom shall be deemed a third party beneficiary hereof) and hold them harmless from and against all damages, liabilities, costs and expenses (including reasonable attorneys’ fees and amounts reasonably paid in settlement) incurred by the Indemnified Parties in or by reason of any pending, threatened or completed action, suit, investigation or other proceeding (including an action or suit by or in the right of the Fund or its security holders) arising out of or otherwise based upon the performance of any of the Adviser’s duties or obligations under this Agreement or otherwise as an investment adviser of the Fund. Notwithstanding the foregoing provisions of this Section 9 to the contrary, nothing contained herein shall protect or be deemed to protect the Indemnified Parties against or entitle or be deemed to entitle the Indemnified Parties to indemnification in respect of, any liability to the Fund or its security holders to which the Indemnified Parties would otherwise be subject by reason of willful misfeasance, bad faith or gross negligence in the performance of any Indemnified Party’s duties or by reason of the reckless disregard of the Adviser’s duties and obligations under this Agreement (as the same shall be determined in accordance with the Investment Company Act and any interpretations or guidance by the SEC or its staff thereunder). Furthermore, the Adviser shall indemnify, defend and protect the Fund and hold it harmless in connection with losses or damages arising out of conduct identified in clauses (a) and (b) of this Section 9.

10. Effectiveness, Duration and Termination of Agreement.

This Agreement shall become effective as of the date first written above (the “Effective Date”). This Agreement shall remain in effect for one year after such date, and thereafter shall continue automatically for successive annual periods, provided that such continuance is specifically approved at least annually by: (a) the vote of the Board, or by the vote of a “majority of the outstanding voting securities” of the Fund (as such term is defined in Section 2(a)(42) of the Investment Company Act); and (b) the vote of a majority of the Fund’s directors who are not parties to this Agreement and are not “interested persons” (as such term is defined in Section 2(a)(19) of the Investment Company Act) of any party to this Agreement, in accordance with the requirements of the Investment Company Act. This Agreement may be terminated at any time without the payment of any penalty, upon 60 days’ written notice, by: (a) the Adviser, at any time, in the event (i) a majority of the current members of the Independent Board ceases to serve as directors of the Fund; or (ii) the Fund undergoes a change in “control” (as such term is defined by Section 2(a)(9) of the Investment Company Act) not caused by the Adviser; or (b) the Adviser, at any time, following October 31, 2010; or (c) the vote of the stockholders holding a “majority of the outstanding voting securities” of the Fund (as such term is defined by Section 2(a)(42) of the Investment Company Act); or (d) the action of the Fund’s directors.

This Agreement will automatically terminate in the event of its “assignment” (as such term is defined for purposes of Section 15(a)(4) of the Investment Company Act). Under no circumstances shall this agreement be assigned or transferred without the consent of the Fund’s Board. Following the termination of this Agreement, the Fund shall not have any obligation or liability to the Adviser or to the principals, officers and/or employees of the Adviser other than the obligation to pay the Adviser any outstanding amounts owed under Section 3 calculated until and through the date of termination of the Agreement. Notwithstanding anything to the contrary, the provisions of

Section 10 (Limitation of Liability of the Adviser; Indemnification) shall continue in full force and effect and apply to the Adviser and its representatives as and to the extent applicable.

This amendment and restatement of the Original Agreement shall not be treated as a termination of the Original Agreement.

11. The Fund's Portfolio Manager.

The Adviser represents that it will enter into an agreement with Mr. Tokarz pursuant to which Mr. Tokarz will agree to serve as the portfolio manager primarily responsible for the day-to-day management of the Fund's portfolio for the fiscal years 2009 and 2010 (subject to the termination of the Agreement in accordance with the provisions of Section 10). In addition, the parties hereby acknowledge that Mr. Tokarz is the current Portfolio Manager of the Fund and the Adviser covenants that throughout the term of this Agreement it will not undertake any action that would cause Mr. Tokarz to cease to serve as the Fund's primary Portfolio Manager, including, without limitation, transferring any controlling interest in the Adviser to another entity or person. Notwithstanding the foregoing, it is understood by the Fund that Mr. Tokarz is not required to devote his full business time and attention to his duties as the Fund's Portfolio Manager or to the Adviser. In addition, as of the effective date of the Original Agreement, the employment agreement between Mr. Tokarz and the Fund dated November 1, 2003, as extended on October 31, 2005 (the "Employment Agreement"), terminated and any outstanding obligations under that agreement are superseded by those under this Agreement.

12. Coordination with Code Section 409A.

This Agreement is intended to comply with the short-term deferral rule described in the final regulations promulgated under Section 409A of the U.S. Internal Revenue Code of 1986, as amended (the "Code"), and therefore to be exempt from Code Section 409A. Specifically, with respect to the Base Management Fee described in Section 3 (a) and payable quarterly in arrears, all payments made with respect to the first quarter of a fiscal year (i.e., November 1 through January 31) shall be paid no later than the later of March 15 of the fiscal year, or the last date that would enable the payment to satisfy the short-term deferral rule and maintain the Code Section 409A exemption. Similarly, with respect to the first part of the Incentive Fee (also called the "Income Incentive Fee") described in Section 3(b)(i) and payable quarterly in arrears, all such Income Incentive Fee payments made with respect to the first quarter of a fiscal year (i.e., November 1 through January 31) shall be paid no later than the later of March 15 of the fiscal year, or the last date that would enable the payment to satisfy the short-term deferral rule and maintain the Code Section 409A exemption. With respect to the second part of the Incentive Fee (also called the "Capital Gains Fee") described in Section 3(b)(ii) and payable in arrears at the end of each fiscal year, all such Capital Gains Fee payments shall be paid no later than the later of March 15 following the end of the fiscal year, or the last date that would enable the payment to satisfy the short-term deferral rule and maintain the Code Section 409A exemption.

13. Use of the Fund's Name.

The Adviser acknowledges that the name of the Fund is the Fund's property and, as such, the Adviser shall not, without the prior written consent of the Board, use, or cause to be used, the Fund's name or any derivative thereof, including, but not limited to, the term "MVC."

14. Amendments of this Agreement.

This Agreement may not be amended or modified except by an instrument in writing signed by all parties hereto, but the consent of the Fund must be obtained in conformity with the requirements of the Investment Company Act.

15. Governing Law.
