MVC Capital Declares Quarterly Dividend

PURCHASE, N.Y., July 14, 2017 (GLOBE NEWSWIRE) -- MVC Capital, Inc. (NYSE:MVC), a publicly traded business development company that makes private debt and equity investments, announced today that its board of directors declared a regular dividend of \$0.135 per share. The dividend is payable on July 31, 2017 to shareholders of record on July 24, 2017. The distribution represents the forty-ninth consecutive quarterly dividend paid by the Company since implementing a dividend policy in July of 2005. The cumulative dividends issued under current management total approximately \$6.54 per share.

Forward-Looking Statements

The information contained in this press release contains forward-looking statements. These forward-looking statements are subject to the inherent uncertainties in predicting future results and conditions. Certain factors could cause actual results and conditions to differ materially from those projected in these forward-looking statements, including: MVC Capital's ability to execute its yield investment strategy; the performance of MVC Capital's investments; and changes in economic or financial market conditions and other factors that are enumerated in the company's periodic filings with the Securities and Exchange Commission. MVC Capital disclaims and does not undertake any obligation to update or revise any forward-looking statement in this press release.

The amount and specific timing of any future dividends is subject to the final determination of the Board of Directors and depends upon the actual results of the Company and applicable provisions of law. At this time, the Fund is unable to make a conclusive determination as to the characteristics of the distributions discussed herein. All or a portion of the distribution may be characterized as ordinary income, capital gains, or a return of capital. In January, a Form 1099 DIV will be sent to shareholders that will state the aggregate amount and actual tax characterization of distributions for the preceding year. There can be no assurance that future MVC dividend payments will match or exceed historic ones, or that they will be made at all.
