PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of MVC Capital, Inc. (the "Fund") for use at the annual meeting of the stockholders of the Fund (the "Meeting"), to be held at the offices of Kramer Levin Naftalis & Frankel LLP, 1177 Avenue of the Americas, New York, NY 10036, on October 31, 2017, 3:00 p.m. (Eastern time), and at any adjournment thereof. This Proxy Statement, the accompanying Notice of Annual Meeting of Stockholders, and the enclosed Proxy Card(s) are expected to be made available to stockholders on or about September 21, 2017. On or about September 21, 2017, the Fund will also begin mailing a Notice of Internet Availability of Proxy Materials for the Annual Meeting, informing stockholders that this Proxy Statement, the Fund's Annual Report on Form 10-K for the fiscal year ended October 31, 2016 (the "2016 Report") and voting instructions, are available online. As more fully described in that Notice, all stockholders may choose to access proxy materials on the Internet or may request to receive paper copies of the proxy materials.

A Proxy Card that is properly executed and returned to the Fund prior to the Meeting will be voted as provided therein at the Meeting and at any adjournment thereof. A proxy may be revoked at any time before it is exercised by the subsequent execution and submission of a revised proxy, by giving written notice of revocation to the Fund at any time before the proxy is exercised or by voting in person at the Meeting. Signing and mailing a Proxy Card will not affect your right to give a later proxy or to attend the Meeting and vote your shares in person.

The Board intends to bring before the Meeting the proposals that are set forth in the Notice of Annual Meeting of Stockholders and that are described in this Proxy Statement. The persons named as proxies on the enclosed Proxy Card will vote all shares represented by proxies in accordance with the instructions of stockholders as specified on the Proxy Card. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum. A "broker non-vote" occurs when a broker submits a proxy card with respect to shares of common stock held in a fiduciary capacity (typically referred to as being held in "street name"), but declines to vote on a particular matter because the broker has not received voting instructions from the beneficial owner nor does it have discretionary power to vote on a particular matter. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have the discretion to vote such shares on certain routine matters, but not on other matters. For example, brokers have the discretion to vote on the proposal to ratify the selection of Grant Thornton LLP as the Fund's independent registered public accounting firm, but not on the election of directors.

With respect to the proposal to ratify the selection of Grant Thornton LLP as the Fund's independent registered public accounting firm, abstentions and broker non-votes will have the same effect as a vote "against" the proposal. With respect to the election of each nominee to serve as a member of the Board, broker non-votes will have no effect on the outcome of the proposal. With respect to the shareholder proposal, abstentions will have the same effect as a vote "against" the proposal and broker non-votes will not have any effect on the outcome of the proposal.

In addition to soliciting proxies by mail, officers of the Fund may solicit proxies by telephone or in person, without special compensation. The Fund may retain a proxy solicitor to assist in the solicitation of proxies, for which the Fund would pay usual and customary fees.

Most beneficial owners whose shares are held in street name will receive voting instruction forms from their banks, brokers or other agents, rather than the Fund's Proxy Card. A number of banks and brokerage firms are participating in a program that offers a means to grant proxies to vote shares via the Internet or by

telephone. If your shares are held in an account with a bank or broker participating in this program, you may grant a proxy to vote those shares via the Internet or telephonically by using the website or telephone number shown on the instruction form provided to you by your broker or bank.

Only stockholders of record as of the close of business on September 1, 2017 (the "Record Date") are entitled to notice of, and to vote at, the Meeting. On the Record Date, 21,114,105 shares of the Fund were outstanding.

Each stockholder of record on the Record Date is entitled to one vote for each share held.

The stockholders of the Fund have no dissenter's or appraisal rights in connection with any of the proposals described herein.

In the event that a quorum is not present at the Meeting or at any adjournment thereof, or in the event that a quorum is present at the Meeting but sufficient votes to approve a proposal are not received, one or more adjournments of the Meeting may be proposed to permit further solicitation of proxies. A stockholder vote may be taken with respect to the Fund on some or all matters before any such adjournment if a quorum is present and sufficient votes have been received for approval. Any adjournment will require the affirmative vote of a majority of the shares represented at the Meeting in person or by proxy.

This Proxy Statement and the 2016 Report are available on the Fund's website at www.mvccapital.com. The 2016 Report is not to be regarded as proxy-soliciting material. The 2016 Report may be obtained without charge, by writing to the Fund at 287 Bowman Avenue, 2nd Floor, Purchase, New York 10577, or by calling toll-free 1-800-426-5523. The Fund's Annual Report on Form 10-K for the fiscal year ended October 31, 2016 is available on our website at the address above.

(1) Other than the Fund.

(2) Mr. Holtsberg is an "interested person," as defined in the 1940 Act, of the Fund (an "Interested Director") because of his employment with the Adviser.

(3) Mr. Tokarz is an Interested Director because he serves as an officer of the Fund.

Corporate Governance

The Board has adopted a charter for each of its Audit, Nominating/Corporate Governance/Strategy and Compensation Committees, as well as a Corporate Governance Policy. The Audit Committee's charter is annexed hereto as Exhibit B. The Board has also adopted a Code of Ethics, which applies to, among others, all of the Fund's officers and directors, as well as a Code of Ethics for Principal Executive and Senior Financial Executives that applies to and has been signed by the Principal Executive Officer and the Chief Financial Officer of the Fund. These materials can be found on the Fund's website at www.mvccapital.com. Waivers, if any, of the Fund's Code of Ethics or Code of Ethics for Principal Executive and Senior Financial Executives will be promptly disclosed on the Fund's website.

During the fiscal year ended October 31, 2016, the Board held six (6) meetings. During the last fiscal year, each of the nominees then serving as Directors attended more than 75% of the aggregate total number of meetings of the Board and the total number of meetings of any committee of the Board on which such nominee served. In fact, during fiscal 2016, the Directors attended 100% of the meetings of the Board. Currently, a majority of the Directors are not "interested persons", as defined in the Investment Company Act of 1940 (the "1940 Act"), of the Fund (the "Independent Directors"). Mr. Knapp has been appointed by the Independent Directors to serve as the "Lead" Independent Director and, in that role, serves as the Presiding Director over executive sessions of non-management directors. Mr. Tokarz, the Portfolio Manager and principal executive officer of the Fund and the Adviser, serves as Chairman of the Board. Although he is an Interested Director (*i.e.*, not independent), the Board believes that by having the principal executive serve as Chairman, it can more effectively conduct the regular business of the Fund and that through its regularly-scheduled executive sessions,

the Independent Directors have adequate opportunity to serve as an independent, effective check on management and protect stockholders' interests. Furthermore, as described below, the Board has three committees performing critical functions for the Fund's governance and operations: the Audit, Valuation and Nominating/Corporate Governance/Strategy Committees, and all three are comprised exclusively of Independent Directors.

Interested parties should communicate with the Lead Independent Director or with the non-management directors as a group according to the following procedures established by the Fund for stockholders' communication with the Board: any communications intended for the Board should be sent to the Fund at the Fund's address and any such communication will be forwarded to the Board (or applicable Board member) or disclosed to the Board (or applicable Board member) at its next regular meeting.

Audit Committee

The Audit Committee's primary purposes are:

- oversight responsibility with respect to: (i) the adequacy of the Fund's accounting and financial reporting processes, policies and practices; (ii) the integrity of the Fund's financial statements and the independent audit thereof; (iii) the adequacy of the Fund's overall system of internal controls and risk management processes (to the extent not separately evaluated and monitored by the full Board) and, as appropriate, the internal controls of certain service providers; (iv) the Fund's compliance with certain legal and regulatory requirements; (v) determining the qualification and independence of the Fund's independent auditors; and (vi) the Fund's internal audit function, if any; and
- oversight of the preparation of any report required to be prepared by the Committee pursuant to the rules of the SEC for inclusion in the Fund's annual proxy statement with respect to the election of directors.

The members of the Audit Committee are Emilio Dominianni, Gerald Hellerman and William Taylor. Gerald Hellerman is the chairman of the Audit Committee. During the fiscal year ended October 31, 2016, the Audit Committee held seven (7) meetings. The Audit Committee oversees the Fund's risk management processes, including risks relating to investments, compliance and valuations, and the Fund's Disclosure Controls and Procedures (including internal controls over financial reporting).

Valuation Committee

The Valuation Committee, the principal purpose of which is to determine the fair values of securities in the Fund's portfolio for which market quotations are not readily available, is currently comprised of Messrs. Dominianni, Hellerman and Knapp. Mr. Knapp is the Chairman of the Valuation Committee. The Valuation Committee held six (6) meetings during the fiscal year ended October 31, 2016.

Nominating Committee

The Nominating/Corporate Governance/Strategy Committee (the "Nominating Committee"), the principal purposes of which are to consider and nominate persons to serve as Independent Directors, to oversee the composition and governance of the Board and its committees and to provide strategic direction with respect to the Fund, is currently comprised of Messrs. Dominianni, Goldstein, Hellerman, Knapp and Taylor, each of whom is an Independent Director. Mr. Dominianni is the Chairman of the Nominating Committee. The Nominating Committee was established in January 2004.

The Nominating Committee considers director candidates nominated by stockholders in accordance with procedures set forth in the Fund's By-Laws. The Fund's By-Laws provide that nominations may be made by any stockholder of record of the Fund entitled to vote for the election of directors at a meeting, provided that such nominations are made pursuant to timely notice in writing to the Secretary and are submitted in accordance with other applicable laws, rules or regulations regarding director nominations. The Nominating Committee then determines the eligibility of any nominated candidate based on criteria described below. To be timely, a stockholder's notice must be received at the principal executive offices of the Fund not less than 60 days nor more than 90 days prior to the scheduled date of a meeting. A stockholder's notice to the Secretary shall set forth: (a) as to each stockholder-proposed nominee, (i) the name, age, business address and residence address of the nominee, (ii) the principal occupation or employment of the nominee, (iii) the class, series and number of shares of capital stock of the Fund that are owned beneficially by the nominee, (iv) a statement as to the nominee's citizenship, and (v) any other information relating to the person that is required to be disclosed in solicitations for proxies for election of directors pursuant to Section 14 of the Securities Exchange Act of 1934

(the "1934 Act"), and the rules and regulations promulgated thereunder; and (b) as to the stockholder giving the notice, (i) the name and record address of the stockholder and (ii) the class, series and number of shares of capital stock of the corporation that are owned beneficially by the stockholder. The Fund or the Nominating Committee may require a stockholder who proposes a nominee to furnish any such other information as may reasonably be required by the Fund to determine the eligibility of the proposed nominee to serve as director of the Fund. The Nominating Committee held one (1) meeting during the fiscal year ended October 31, 2016.

In addition, the Nominating Committee considers potential director candidates with input from various sources, which may include: current Directors, members of the management team, or an outside search firm. The Nominating Committee seeks to identify candidates that possess, in its view, strong character, judgment, business experience and acumen. As a minimum requirement, any eligible candidate who is not proposed to serve as an Interested Director (*i.e.*, a candidate who is not employed or proposed to be employed by the Fund or the Adviser) must not be an "interested person" (as defined by the 1940 Act) of the Fund. The Nominating Committee also considers, among other factors, certain other relationships (beyond those delineated in the 1940 Act) that might impair the independence of a proposed Director. Although the Board does not have a formal diversity policy, it endeavors to comprise itself of members with a variety of professional backgrounds. (Each of the nominees' different professional backgrounds is set forth above beginning on page 6.)

In determining to propose each of the nominees for election by stockholders as Directors, the Nominating Committee and the Board considered a variety of factors, including each of the nominees' performance as current Directors and their professional background and experience. The Board noted the Directors' collective knowledge and experience in financial services, legal and financial analysis, corporate finance, asset management, portfolio management and accounting, all of which strengthen the Board's collective qualifications. The Nominating Committee members considered that Messrs. Tokarz and Holsberg are not Independent Directors but recognized that they represent the Adviser, and, as such, help foster the Board's direct access to information regarding the Adviser, which is the Fund's most significant service provider.

Compensation Committee

The Compensation Committee, the principal purpose of which is to oversee the compensation of the Independent Directors, is currently comprised of Messrs. Hellerman and Knapp. Mr. Hellerman is the Chairman of the Compensation Committee. The Compensation Committee was established in March 2003. The Compensation Committee annually reviews the overall compensation principles of the Fund governing the compensation and benefits of the Directors and officers, including developing and recommending, for the Board's adoption, compensation for members of the Board. The Compensation Committee held one (1) meeting during the fiscal year ended October 31, 2016.

The Board has adopted a policy that encourages all Directors, to the extent reasonable and practicable, to attend the Fund's annual stockholders' meetings in person. All of the Directors then serving attended the last annual meeting in person.

Director and Executive Officer Compensation

The Fund's officers do not receive any direct compensation from the Fund. The Fund does not currently have any employees and does not expect to have any employees. Services necessary for its business are provided by individuals who are employees of the Adviser, and the Fund's administrator, U.S. Bancorp Fund Services, LLC (the "Administrator"), pursuant to the terms of the Fund's amended and restated investment advisory and management agreement (the "Advisory Agreement") and administration agreement. Each of the Fund's executive officers is an employee of the Adviser. The Fund's day-to-day investment operations are managed by the Adviser.

The following table sets forth compensation paid by the Fund in all capacities during the fiscal year ended October 31, 2016 to all of our Directors. Our Directors have been divided into two groups — Interested Directors and Independent Directors. The Interested Directors are "interested persons," as defined in the 1940 Act, of the Fund. No compensation is paid to the Interested Directors. (The Fund is not part of any Fund Complex.) No information has been provided with respect to executive officers of the Fund because the Fund's executive officers do not receive any direct compensation from the Fund.

PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee and the Board, including all of the Independent Directors, have selected Grant Thornton LLP as the independent registered public accounting firm for the Fund for the fiscal year ending October 31, 2017. On January 31, 2017, pursuant to the Audit Committee's recommendation, the Board approved Grant Thornton LLP as the independent registered public accounting firm to serve as auditors for the Fund for the fiscal year ending October 31, 2017.

Ernst & Young LLP previously served as the Fund's independent registered public accounting firm effective October 27, 2003. On June 29, 2015, Ernst & Young LLP indicated to the Fund its determination not to stand for reappointment as the independent registered public accounting firm of the Fund for the fiscal year ended October 31, 2015. The determination was accepted by the Fund's Audit Committee.

Ernst & Young has issued its audit report on the Annual Report on Form 10-K for the fiscal year ended October 31, 2014 (the "2014 Financial Statements") (which includes information regarding the Annual Report on Form 10-K for the fiscal year ended October 31, 2013 (the "2013 Financial Statements")). This report did not include an adverse opinion or a disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope, or accounting principles.

During the Fund's fiscal years ended October 31, 2015 and October 31, 2016, and during the period between October 31, 2016 and the date hereof, there were no disagreements between the Fund and Ernst & Young LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures which, if not resolved to the satisfaction of Ernst & Young LLP, would have caused Ernst & Young LLP to make reference thereto in its report nor were there any "reportable events" as that term is described in Item 304(a)(1)(v) of Regulation S-K, except as follows.

The Fund requested and received a letter from Ernst & Young LLP addressed to the U.S. Securities and Exchange Commission confirming its agreement with the above statements. A copy of such letter, dated July 6, 2015, was filed as an exhibit to the Form 8-K filed on July 6, 2015.

Grant Thornton LLP has issued its audit report on the Annual Report on Form 10-K for the fiscal year ended October 31, 2016.

During the fiscal years ended October 31, 2015 and October 31, 2016 and the subsequent interim period prior to engaging Grant Thornton LLP, neither the Company nor anyone acting on the Company's behalf consulted Grant Thornton LLP regarding: (i) either the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements; or (ii) any matter that was either the subject of a disagreement (as defined in paragraph (a)(1)(iv) of Item 304 of Regulation S-K and the related instructions to that item) or a reportable event (as defined in paragraph (a)(1)(v) of Item 304 of Regulation S-K).

The firm of Grant Thornton LLP has extensive experience in investment company accounting and auditing. A representative of Grant Thornton LLP will attend the Meeting to respond to appropriate questions and make a statement, if he/she so desires.

Neither the Fund's Certificate of Incorporation nor the Fund's By-Laws require that the stockholders ratify the selection of Grant Thornton LLP as the Fund's independent registered public accounting firm. The Board is submitting this matter to the stockholders as a matter of common industry practice. If the stockholders do not ratify the selection, the Audit Committee will reconsider whether or not to retain Grant Thornton LLP, but may retain such independent registered public accounting firm. Even if the selection is ratified, the Audit Committee and the Board, in their discretion, may change the selection at any time during the year if they determine that such change would be in the best interests of the Fund. It is intended that the persons named in the accompanying form of proxy will vote FOR the ratification of the selection of Grant Thornton LLP.

Grant Thornton LLP, in accordance with Public Company Accounting Oversight Board Rule 3526, has confirmed to the Audit Committee that they are independent accountants with respect to the Fund.

The following are the aggregate fees billed to the Fund by Grant Thornton during each of the last two fiscal years:

Further, the foregoing pre-approval policy may be waived, with respect to the provision of any non-audit services, consistent with the exceptions provided for in the federal securities laws. All of the audit and tax services provided by Grant Thornton LLP for the fiscal years ended October 31, 2015 and October 31, 2016 were pre-approved by the Audit Committee or its Chairman. For the fiscal years ended October 31, 2015 and October 31, 2016, the Fund's Audit Committee did not waive the pre-approval requirement with respect to any non-audit services provided to the Fund by Grant Thornton LLP.

Report of Audit Committee

The information contained in this report shall not be deemed to be "soliciting material" or "filed" or incorporated by reference in future filings with the SEC, or subject to the liabilities of Section 18 of the 1934 Act, except to the extent that we specifically incorporate it by reference into a document filed under the Securities Act of 1933 or the 1934 Act.

The independent accountants are responsible for performing an independent audit of the Fund's financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and expressing an opinion as to the conformity of such financial statements with generally accepted accounting principles in the United States of America and for auditing and reporting on the effectiveness of the Fund's internal control over financial reporting.

In connection with the Fund's audited financial statements for the fiscal year ended October 31, 2016, the Audit Committee has: (i) reviewed and discussed with management the Fund's audited financial statements for the fiscal year ended October 31, 2016; (ii) discussed with the independent auditors of the Fund for the fiscal year ended October 31, 2016, the matters required to be discussed by Statements on Auditing Standards (SAS) No. 61 (Codification of Statements on Auditing Standards, AU § 380); (iii) received the written disclosures and a letter from Grant Thornton LLP regarding, and discussed with Grant Thornton LLP, its independence; and (iv) authorized the inclusion of the audited financial statements of the Fund for the fiscal year ended October 31, 2016 in the Fund's Annual Report to Stockholders for filing with the SEC.

Each of the current members of the Audit Committee, Messrs. Dominianni, Hellerman and Taylor, is considered an Independent Director. Each member of the Audit Committee meets the applicable independence and experience requirements, and the Board has determined that Mr. Hellerman is an "audit committee financial expert," as defined under Item 407(d)(5) of Regulation S-K of the 1934 Act. Mr. Hellerman is the Chairman of the Audit Committee.

The Audit Committee has approved, and recommended to the Board that it approve, Grant Thornton LLP to serve as the Fund's independent registered public accounting firm for the fiscal year ending October 31, 2017 and that the selection of Grant Thornton LLP be submitted to the Fund's stockholders for ratification.

**PROPOSAL 3 – SHAREHOLDER PROPOSAL
REGARDING CEASING NEW INVESTMENTS**

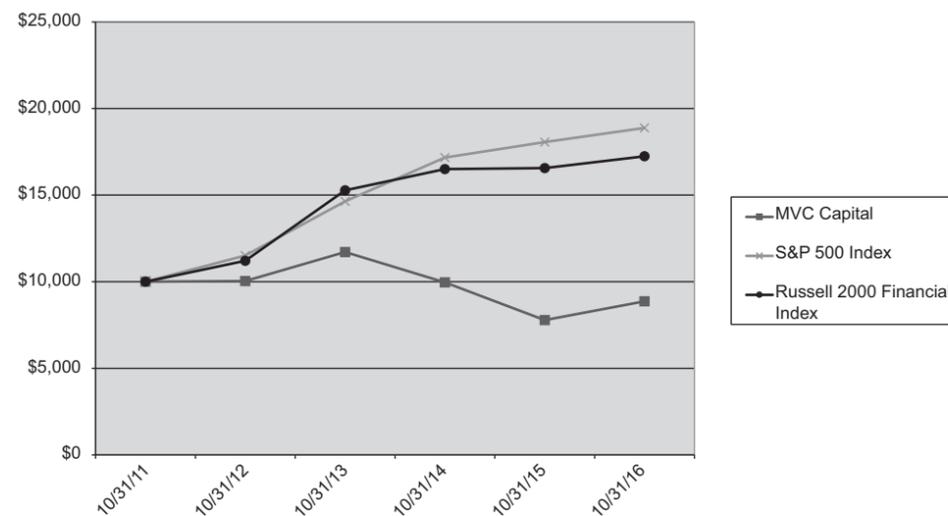

Metage Capital Limited (“Metage”), Princes House 38 Jermyn Street London SW1Y 6DN, which manages funds that own 300,582 shares of common stock, has given notice that it intends to present for action at the annual meeting the following shareholder proposal:

“BE IT RESOLVED, that the shareholders of MVC Capital, Inc. (the “Company”), request that the Board of Directors (the “Board”) direct The Tokarz Group Advisers LLC (“TTG Advisers”) to cease making any new investments, other than investments required to maintain the value of companies in the Company’s existing portfolio, for as long as the discount between the closing price per share of common stock, \$0.01 par value, of the Company (each a “Share”) on the New York Stock Exchange and the last reported net asset value (“NAV”) per Share on the Company’s Form 10-Q or Form 10-K filed with the Securities and Exchange Commission (“SEC”) exceeds 10%. For as long as this remains the case, the Board shall direct TTG Advisers to return any capital in excess of the Company’s normal working capital requirements to shareholders in the most tax-efficient manner.”

Supporting Statement

Funds managed by Metage hold approximately 1.3% of the Company’s Shares directly and have an economic interest in a further 2.1% of the Company’s Shares through equity swaps. The reported NAV per Share has fallen from \$16.63 at October 31, 2013 to \$12.39 at October 31, 2016. The Company’s performance has been poor both in absolute terms and relative to U.S. equity markets, as shown by the table below from the Company’s most recent Form 10-K filed with the SEC.

**Shareholder Return Performance Graph
Five-Year Cumulative Total Return¹
(Through October 31, 2016)**

¹ Total Return includes reinvestment of dividends through October 31, 2016. Past performance is no guarantee of future results.

The impact of the poor performance by the Company on shareholders has been compounded by the significant discount between the Share price and the reported NAV per share. This discount increased from 16.84% at October 31, 2013 to 29.86% at October 31, 2016. Despite having an “expanded share repurchase program” with the explicit aim of narrowing the market discount of its Shares, the Company repurchased only 146,409 shares in the last financial year. It is in the light of this poor performance and the disappointing lack of action to address the discount, that we present our proposal at the Company’s next annual shareholders’ meeting.

Please vote *FOR* the Proposal.

VOTE REQUIRED

The affirmative vote of the holders of a majority of the stock having voting power present in person or represented by proxy at the Meeting is required to approve the shareholder proposal.

The Board of Directors, including a majority of the Independent Directors, recommends that shareholders vote "AGAINST" the adoption of this proposal.

The Board believes that it is in the best interest of shareholders to continue to make the investment decisions that it believes will maximize the total returns realized by the Company’s shareholders over the long term and to retain the flexibility to maintain an appropriate level of operational scale and determine when and in what amounts capital should be returned to shareholders.

The Board further believes that the proponent fails to take into account the Company’s longer-term investment strategy that has been, and continues to be, focused on delivering value to the shareholders. The Company’s current management team has grown asset value since its installation over twelve years ago, and is committed to monetizing non-yielding equity investments. With more than a \$100 million capital gain generated from the recent sale of U.S. Gas & Electric, Inc. (“USG&E”), the Company is in a position to more aggressively address the discount at which the shares trade. Toward that end, the Company conducted a fully-subscribed tender offer for up to \$15 million worth of stock within a few weeks of closing the sale of USG&E. In the future, the Board may consider additional tender offer(s) or other measures to enhance shareholder value based upon a variety of factors, including the market price of MVC’s common stock and its net asset value. The Company believes that the success of the USG&E sale is indicative of the benefits of a long-term investment approach.

In addition, shareholders should consider the following:

- **The current management team has driven long term growth in NAV.** Since taking over management of the Company in November 2003, the Fund’s NAV per share has increased from \$8.48 to an estimated NAV of \$13.38 (as of July 31, 2017), a 58% increase, in addition to distributions totaling \$6.54 per share.
- **Recent NAV performance has improved materially.** NAV per share has improved this fiscal year from \$12.39 as of October 31, 2016 to \$13.38 as of July 31, 2017, an 8% increase excluding distributions totaling \$0.405. Over the same time span, the market price has risen from \$8.69 to \$10.39 as of July 31, 2017, a 19.6% increase. Total stockholder return (dividends received and market price appreciation) for the 2017 fiscal year through July 31, 2017 is approximately 24.2%.
- **The discount has narrowed.** Likely due in part to the Company’s recent performance, the discount of the Company’s share price to NAV has been reduced from 29.9% on October 31, 2016 to 22.4% at July 31, 2017.
- **We have successfully realized gains on our equity investments.** Equity realizations (including fees, dividends, etc.) under current management have produced a gross IRR of 24% through 7/31/17². Management intends to diligently reinvest the proceeds primarily into yielding investments to

² Calculation for fully realized equity investments. If the Company retains an equity position in the portfolio company, it has been excluded for this calculation.

supplement the Company's equity performance with a view toward driving increased shareholder distributions.

- **We have significantly transitioned our portfolio to yielding securities.** As of July 31, 2017, MVC's portfolio is 59.7% yielding, up from 40% at July 31, 2016. With increased new investment activity in the pipeline from the liquidity generated from monetizations and repayments, we expect this percentage to continue to increase to enable us to achieve our goal of growing distributions to shareholders over time.
- **We have delivered significant returns to shareholders through our distributions and capital activity.** Since November 2003, starting with only \$86 million of investable cash,³ Management has delivered meaningful cash returns to shareholders, totaling \$206.4 million or \$9.15 per share⁴ as of July 31, 2017, through a combination of dividends, share repurchases and tenders, excluding the recent Dutch Tender Offer that expired on August 18, 2017. When including the Dutch Tender Offer that recently expired, these distributions increase to \$221.4 million.
- **Our MVC PE Fund is also generating value for our shareholders.** The Company's PE Fund, launched in 2010, has generated recurring net fee income and \$13.1 million in distributions thus far. MVC originally allocated a total of \$14.6 million to the PE Fund. With the sale of AccuMED Corp. during fiscal 2017, the MVC PE Fund has returned 90% of the capital allocated to the PE Fund. We continue to manage four remaining portfolio companies for the PE Fund, each of which is performing at or above expectations.
- **We have conducted a tender offer to provide shareholders additional liquidity.** The Company recently completed a \$15 million modified Dutch Auction tender offer to provide liquidity to shareholders and seek to address the NAV discount. The tender offer also increased NAV by \$0.20 per share for the benefit of long-term shareholders.

If implemented, however, the proposal would impede the value creation efforts of our management team:

- **Adoption of the proposal would impede our yield transition.** The Company has been successfully transitioning its portfolio by monetizing equity investments and deploying proceeds into yielding investments. The average yield at funding on loan investments made from FY 2015 through YTD 2017 is 12.5%⁵. There have been no payment defaults or reserves made against any loans originated by our Cincinnati lending team. The proponent's proposal, if implemented, would effectively require the Company to cease all new investment activity — thwarting the transition of the portfolio toward yielding investments and eliminating the potential for increased distributions.
- **Implementation of the proposal could shrink the Company's operation to subscale levels and reduce income.** For example, if loan prepayments and liquidations are not reinvested, it could cause a significant reduction in our earnings capability. The proposal to cease investment activity until the NAV discount falls below an arbitrary 10% level is also impracticable. If the Company were to enter a no-growth mode and shrink its capital base, it would lose operational scale and experience declining income, from which recovery could be difficult. Further, the proposal would diminish or eliminate any economies of scale as various fixed and contractual operating costs of the Company would be spread over a declining earning asset base.

For all of these reasons, your Board has determined that adoption of the proposal would not serve the best interest of the Company or its shareholders.

THE BOARD, INCLUDING A MAJORITY OF THE INDEPENDENT DIRECTORS, RECOMMENDS THAT SHAREHOLDERS VOTE "AGAINST" THE ADOPTION OF THIS PROPOSAL.

VOTING INFORMATION

A quorum is constituted by the presence in person or by proxy of the holders of a majority of the outstanding shares of the Fund entitled to vote at the Meeting. For purposes of determining the presence of a quorum for transacting business at the Meeting, abstentions and broker non-votes will be treated as shares that are present at the Meeting.

In the event that a quorum is not present at the Meeting, or in the event that a quorum is present at the Meeting but sufficient votes to approve any proposal are not received, the persons named as proxies, or their substitutes, may propose one or more adjournments of the Meeting to permit the further solicitation of proxies. Any adjourned session or sessions may be held after the date set for the Meeting without notice, except announcement at the Meeting (or any adjournment thereof); provided, that if the Meeting is adjourned to a date that is more than 30 days after the date for which the Meeting was originally called, written notice will be provided to stockholders. Any adjournment will require the affirmative vote of a majority of the shares represented at the Meeting in person or by proxy. In the event an adjournment is proposed because a quorum is not present for the proposals, the persons named as proxies will vote those proxies they are entitled to vote FOR all of the nominees or FOR the ratification of the selection of Grant Thornton LLP in favor of such adjournment, and will vote those proxies required to WITHHOLD on any nominee or AGAINST the ratification of the selection of Grant Thornton LLP, against any such adjournment.

Most beneficial owners whose shares are held in street name will receive voting instruction forms from their banks, brokers or other agents, rather than the Fund's Proxy Card. A number of banks and brokerage firms are participating in a program that offers a means to grant proxies to vote shares via the Internet or by telephone. If your shares are held in an account with a bank or broker participating in this program, you may grant a proxy to vote those shares via the Internet or telephonically by using the website or telephone number shown on the instruction form received from your broker or bank.

Brokerage.

During the 2016 fiscal year, the Fund paid no brokerage commissions to any broker: (i) that is an affiliated person of the Fund; (ii) that is an affiliated person of such person; or (iii) an affiliated person of which is an affiliated person of the Fund, any principal underwriter, administrator or the Adviser.

Administrator.

U.S. Bancorp Fund Services, LLC, located at 777 E. Wisconsin Avenue, Milwaukee, WI 53202, serves as the administrator, custodian and accounting agent of the Fund.

Certain Relationships and Related Transactions.

The Fund has procedures in place for the review, approval and monitoring of transactions involving the Fund and certain persons related to the Fund. For example, the Fund has a Code of Ethics that generally prohibits, among others, any officer or director of the Fund from engaging in any transaction where there is a conflict between such individual's personal interest and the interests of the Fund. As a business development company, the 1940 Act also imposes regulatory restrictions on the Fund's ability to engage in certain related party transactions. However, the Fund is permitted to co-invest in certain portfolio companies with its affiliates to the extent consistent with applicable law or regulation and, if necessary, subject to specified conditions set forth in an exemptive order obtained from the SEC. The Fund received an exemptive order from the SEC that allows it to co-invest, subject to certain conditions, with certain affiliated private funds in first lien, second lien, mezzanine, structured debt and structured equity investments in small and middle market businesses and to undertake certain "follow-on" investments in companies in which the Fund has already co-invested pursuant to the order. The Adviser has formed the TTGA C-I LP & TTGA MMF LP funds, which were co-applicants for the granted exemptive relief. Those funds have not yet commenced operations as of the date hereof. No transactions have been effected pursuant to the exemptive order. As a matter of policy, our Board has required that any related-party transaction (as defined in Item 404 of Regulation S-K) must be subject to the advance consideration and approval of the Independent Directors, in accordance with applicable procedures set forth in Section 57(f) of the 1940 Act.

The principal equity owner of the Adviser is Mr. Tokarz, our Chairman. Our senior officers and Mr. Holtsberg have other financial interests in the Adviser (*i.e.*, based on the Adviser's performance). In addition, our officers and the officers and employees of the Adviser may serve as officers, directors or principals of entities that operate in the same or related line of business as we do or of investment funds managed by the Adviser or our affiliates. These related businesses currently include a private equity fund (the "PE Fund"), the establishment of which was authorized by our Board. As previously disclosed in our 10-K reports for the last three fiscal years, an indirect wholly-owned subsidiary of the Fund serves as the general partner and the Adviser serves as the portfolio manager of the PE Fund, and both entities receive a portion of the carried interest and management fees generated from the PE Fund. Our Board has approved a specific policy regarding the allocation of investment opportunities, which was set forth in the reports. Consistent with the Board-approved policy concerning the allocation of investment opportunities, the PE Fund received a priority allocation of all private equity investments that would otherwise have been non-diversified investments (investments that

represent more than 5% of the Company's total assets or more than 10% of the outstanding voting securities of an issuer) for the Company during the PE Fund's investment period, which ended on October 28, 2014.

Further, Mr. Tokarz is a co-founder of PPC Enterprises LLC ("PPC"), a registered investment adviser that provides advisory services to Series A of Public Pension Capital, LLC (the "PPC Fund"). As a result of this relationship and pursuant to a shared services arrangement with PPC, certain of PPC's principals and other PPC investment professionals may make themselves available, from time to time, to consult with the Adviser on investment matters relating to MVC or the PE Fund. In this connection, certain employees of PPC are "associated persons" of TTG Advisers when providing certain services on behalf of the Adviser and, in this capacity, are subject to its oversight and supervision. Likewise, the Adviser makes available to PPC certain investment professionals that are employed by the Adviser to provide services for PPC and the PPC Fund.

Section 16(a) Beneficial Ownership Reporting Compliance.

Section 16(a) of the 1934 Act, and Section 30(h) of the 1940 Act, taken together, require that the Directors, officers of the Fund and beneficial owners of more than 10% of the equity securities of the Fund (collectively, "Reporting Persons") file with the SEC reports of their beneficial ownership and changes in their beneficial ownership of the Fund's securities. Based solely on its review of the copies of such reports, the Fund believes that each of the Reporting Persons who was a Reporting Person during the fiscal year ended October 31, 2016 has complied with applicable filing requirements.

Exhibit A attached hereto identifies holders of more than 5% of the shares of the Fund's common stock as of September 1, 2017.

MVC CAPITAL, INC.
AMENDED AND RESTATED AUDIT COMMITTEE CHARTER

January 26, 2010

This charter sets forth the purpose, authority and responsibilities of the Audit Committee of the Board of Directors (the "Board") of MVC Capital, Inc. (the "Fund"), a Delaware corporation.

Purposes

The Audit Committee of the Board (the "Committee") has as its primary purposes:

(i) oversight responsibility with respect to: (a) the adequacy of the Fund's accounting and financial reporting processes, policies and practices; (b) the integrity of the Fund's financial statements and the independent audit thereof; (c) the adequacy of the Fund's overall system of internal controls and risk management processes (to the extent not separately evaluated and monitored by the full Board) and, as appropriate, the internal controls of certain service providers; (d) the Fund's compliance with certain legal and regulatory requirements; (e) determining the qualification and independence of the Fund's independent auditors; and (f) the Fund's internal audit function, if any; and

(ii) oversight of the preparation of any report required to be prepared by the Committee pursuant to the rules of the Securities and Exchange Commission ("SEC") for inclusion in the Fund's annual proxy statement with respect to the election of directors.

Authority

The Committee has been duly established by the Board and shall have the resources and authority appropriate to discharge its responsibilities, including the authority to retain counsel and other experts or consultants at the expense of the Fund. The Committee has the authority and responsibility to retain and terminate the Fund's independent auditors. In connection therewith, the Committee must evaluate the independence of the Fund's independent auditors and receive the auditors' specific representations as to their independence.

Composition and Term of Committee Members

The Committee shall be comprised of a minimum of three Directors of the Board. To be eligible to serve as a member of the Committee, a Director must be an "Independent Director", which term shall mean a Director who is not an "interested person," as defined in the Investment Company Act of 1940, as amended, of the Fund. The members of the Committee shall designate one member to serve as Chairman of the Committee.

Each member of the Committee shall serve until a successor is appointed.

The Board must determine whether: (i) the Committee has at least one member who is an "audit committee financial expert," ("ACFE") as such term is defined in the rules adopted under Section 407 of the Sarbanes-Oxley Act of 2002; (ii) the Committee has at least one member who possesses "accounting and financial management expertise" (as such term is described under the New York Stock Exchange Listing Requirements) which may be based on past employment expertise, professional certification in accounting

or other comparable experience or background that indicates an individual's financial sophistication; and (iii) each member of the Committee possesses sufficient "financial literacy," as required under the New York Stock Exchange Listing Requirements. The designation of a person as an ACFE is not intended to impose any greater responsibility or liability on that person than the responsibility and liability imposed on such person as a member of the Committee, nor does it decrease the duties and obligations of other Committee members or the Board.

Meetings

The Committee shall meet on a regular basis and no less frequently than quarterly. The Committee shall meet, at a minimum, within 90 days prior to the filing of each annual and quarterly report of the Fund on Forms 10-K and 10-Q, respectively. Periodically, the Committee shall meet to discuss with management the annual audited financial statements and quarterly financial statements, including the Fund's disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations." Periodically, the Committee should meet separately with each of management, any personnel responsible for the internal audit function and, if deemed necessary, the Fund's administrator and independent auditors to discuss any matters that the Committee or any of these persons or firms believe should be discussed privately. The Committee may request any officer or employee of the Fund, or the Fund's legal counsel (or counsel to the Independent Directors of the Board) or the Fund's independent auditors to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

Minutes of each meeting will be taken and circulated to all members of the Committee in a timely manner.

Any action of the Committee requires the vote of a majority of the Committee members present, whether in person or otherwise, at the meeting at which such action is considered. At any meeting of the Committee, (i) any two members of the Committee or (ii) one member of the Committee if this member is the Chairman of the Committee, shall constitute a quorum for the purpose of taking any action.
