

Safe Harbor Warning

During the course of this presentation, we may make projections or other forward-looking statements regarding future events or the future financial performance of the company. We wish to caution you that such statements are just predictions and that actual events or results may differ materially. We refer you to the documents the company files regularly with the Securities and Exchange Commission, specifically the company's most recent Form 10-K and Form 10-Q. These documents contain and identify important factors that could cause the actual results to differ materially from those contained in our projections or forward-looking statements.

Non-GAAP Information

In this presentation, we have included certain non-GAAP financial results with respect to some or all of the following items: revenue, gross margin, research and development and other operating expenses and operating income. Our non-GAAP results exclude, as applicable, the impact of stock-based compensation, amortization of acquisition-related intangibles, acquisition accounting for deferred revenue, acquisition-related adjustments and acquisition-related transaction costs. In each of our quarterly earnings press releases since March 31, 2006, we have included a reconciliation of our GAAP results to our non-GAAP results for the applicable periods and such press releases are available on our website at investor.ni.com. For periods prior to March 31, 2005, our non-GAAP results are the same as our GAAP results.
