Vice President
National Interstate Corporation

GENERAL INFORMATION

This statement is furnished in connection with the solicitation of proxies for use at the Annual Meeting of Shareholders of National Interstate Corporation (“National Interstate” or the “Company”), to be held at 10:00 AM, Eastern time, on Friday, May 19, 2006, at 3250 Interstate Drive, Richfield, Ohio 44286, and at any adjournment thereof. This statement, the Company’s Annual Report to Shareholders for the fiscal year ended December 31, 2005 and the accompanying proxy will be sent to shareholders on or about April 20, 2006.

Record Date; Shares Outstanding

As of March 21, 2006, the record date for determining shareholders entitled to notice of and to vote at the meeting, the Company had approximately 19,114,200 shares of common stock deemed outstanding and eligible to vote, which excludes 2,510,000 shares owned by a Company subsidiary. Under Ohio law, shares held by subsidiaries are not entitled to vote and are therefore not considered to be outstanding for purposes of the meeting. Each share of outstanding common stock is entitled to one vote on each matter to be presented at the meeting. Abstentions (including instructions to withhold authority to vote for one or more nominees) and broker non-votes are counted for purposes of determining a quorum, but will have no effect on the outcome of any matter voted on at the meeting.

Cumulative Voting

Shareholders have cumulative voting rights in the election of directors and one vote per share on all other matters. Cumulative voting allows a shareholder to multiply the number of shares owned on the record date by the number of directors to be elected and to cast the total for one nominee or distribute the votes among the nominees, as the shareholder desires. Nominees who receive the greatest number of votes will be elected. In order to invoke cumulative voting, notice of cumulative voting must be given in writing to the Secretary of the Company not less than 48 hours before the Annual Meeting.

Proxies and Voting Procedures

Solicitation of proxies through the mail, in person and otherwise, is conducted by management at the direction of National Interstate’s Board of Directors, without additional compensation. National Interstate will pay all costs of soliciting proxies. In addition, National Interstate will request brokers and other custodians, nominees and fiduciaries to forward proxy-soliciting material to the beneficial owners of shares held of record by such persons at the Company’s expense.

Registered shareholders may vote by completing a proxy form and mailing it to the proxy tabulator, National City Bank. Shareholders whose shares are held in the name of a broker, bank or other nominee should refer to the proxy card or the information forwarded by such broker, bank or other nominee. To vote, shareholders should complete and sign the bottom portion of the proxy form and return only that portion to the proxy tabulator.

If a choice is specified on a properly executed proxy form, the shares will be voted accordingly. If a proxy form is signed without a preference indicated, those shares will be voted “FOR” the election of the four nominees proposed by the Board of Directors and “FOR” the ratification of Ernst & Young LLP as the Company’s independent registered public accounting firm. The authority solicited by this Proxy Statement includes discretionary authority to cumulate votes in the election of directors. If any other matters properly come before the meeting or any adjournment thereof, each properly executed proxy form will be voted in the discretion of the proxies named therein.

A shareholder may revoke a prior proxy by writing to our Secretary at the Company’s principal offices or by properly executing and delivering a proxy bearing a later date. In addition, persons attending the meeting in person may withdraw their proxies at the meeting and then vote in person.

With respect to Proposal No. 1, the four nominees who receive the greatest number of votes will be elected. Proposal No. 2 will be adopted only if it receives approval of majority vote of those shares cast at the meeting.

Adjournment and Other Matters

Approval of a motion for adjournment or other matters brought before the meeting requires the affirmative vote of a majority of the shares voting at the meeting. Management knows of no other matters to be presented at the meeting other than those stated in this document.

MATTERS TO BE CONSIDERED

Proposal No. 1 Elect Four Directors

The Board of Directors oversees the management of the Company on your behalf. The Board reviews the Company’s long-term strategic plans and exercises direct decision-making authority in key areas such as choosing the President, setting the scope of his authority to manage the Company’s business day-to-day, and evaluating management’s performance.

Our Board of Directors is currently comprised of eight directors divided into two classes. Each director serves for a two-year term, with Class II directors elected in even numbered years and Class I directors elected in odd numbered years. The term for our Class II directors expires at this year’s Annual Meeting of Shareholders. Keith A. Jensen, James C. Kennedy, Joel Schiavone and Alan R. Spachman are our current Class II directors. Theodore H. Elliott, Jr., Gary J. Gruber, Donald D. Larson and K. Brent Somers are our current Class I directors. As previously disclosed in the Company’s Current Report on Form 8-K dated February 7, 2006, Mr. Somers announced his intent to resign from the Board for personal reasons. Mr. Somers will serve until the meeting of the Board of Directors immediately following the Annual Meeting of Shareholders, at which time Mr. Joseph E. (Jeff) Consolino has been proposed by the Nominating/Governance Committee to be elected by the Board of Directors to fill the unexpired portion of Mr. Somers’ term. Mr. Consolino’s biographical information is included with that of the Class I directors on page 4 of this report.

Our Board of Directors has determined that three of our current eight directors, Mr. Elliott, Mr. Somers and Mr. Schiavone are “independent” in accordance with Nasdaq National Market listing standards and Securities and Exchange Commission regulations. The Board has determined that Mr. Consolino, if and when approved by the Board to succeed Mr. Somers, is also “independent” in accordance with Nasdaq National Market listing standards and Securities and Exchange Commission regulations. We are not required to have a majority of independent directors on our Board as would otherwise be required by the rules of the Nasdaq National Market because of the “controlled company” exemption from these rules that applies to companies where more than 50% of the shareholder voting power is held by an individual, a group or another company. As described elsewhere in this Proxy Statement, Great American Insurance Company holds approximately 53% of our voting power.

The Board of Directors, acting on the advice of its Nominating/Governance Committee, has nominated four individuals to hold office until the 2008 Annual Meeting of Shareholders and until their successors are elected and qualified. If any of the nominees should become unable to serve as a director, the proxies will be voted for any substitute nominee designated by the Board of Directors but, in any event, no proxy may be voted for more than four nominees. The four nominees who receive the greatest number of votes will be elected.

The nominees for election as Class II members of the Board of Directors are:

Keith A. Jensen

Since 1999, Mr. Schiavone has been the managing partner of several privately-held New Haven based real estate companies. Prior to that, Mr. Schiavone was the owner and chief executive officer of Schiavone Corporation, a holding company for a variety of investments. Mr. Schiavone is a member of the Audit and Nominating/Governance Committees.

Alan R. Spachman

Director since 1989

Mr. Spachman is our founder, and has served as President since 1989 and Chairman since 2004. From 1984 through 1988, Mr. Spachman was a senior vice president at Progressive Corporation, where he initiated its passenger transportation insurance business. In addition to his insurance experience, Mr. Spachman previously held various labor relations and human resource management positions with Collins and Aikman, Inc. and Frito-Lay, Inc. Mr. Spachman served on the Board of Directors of the United Motorcoach Association, a national trade association, for a term that expired in 2005.

The Board of Directors recommends that shareholders vote FOR the election of these four nominees as directors.

Below is information about our Class I directors:

Joseph E. (Jeff) Consolino

Prior to joining Validus in March, 2006, Mr. Consolino was a managing director in Merrill Lynch's Financial Institutions Group specializing in insurance company advisory and financing transactions. Mr. Consolino has worked on a broad range of investment banking assignments for insurance company clients since joining Merrill Lynch in 1998, and recently led the underwriting team for National Interstate's \$60 million initial public offering in January 2005. He serves as a Director on the Board of Overseers of the School of Risk Management, Insurance and Actuarial Science at St. John's University (formerly The College of Insurance). Mr. Consolino, if approved by the Board, will be a member of the Compensation Committee and Chair of the Audit Committee.

Proposal No. 2 Ratification of the Company’s Independent Registered Public Accounting Firm

The Company’s Audit Committee Charter provides that the Audit Committee shall appoint annually a firm of independent registered public accountants to serve as auditors. In March 2006, the Audit Committee appointed Ernst & Young LLP to serve as auditors for the year ending December 31, 2006. Ernst & Young LLP (or its predecessor) has served as the Company’s independent auditors since the Company’s founding.

Although the Audit Committee has the sole authority to appoint auditors, it would like to know the opinion of shareholders regarding its appointment of Ernst & Young LLP as auditors for the year ending December 31, 2006. For this reason, shareholders are being asked to ratify this appointment. If the shareholders do not ratify the appointment, the audit committee will take that fact into consideration, but may, nevertheless, continue to retain Ernst & Young LLP. The Audit Committee may also engage a different registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company.

Audit Fees and Non-Audit Fees

The following table presents fees for professional audit services by Ernst & Young LLP for the audit of the Company’s annual financial statements for the years ended December 31, 2005 and December 31, 2004, and fees billed for other services rendered by them during these periods.

Tax fees(3)	10,000	8,500
All other fees(4)	1,601	—
Total	<u>\$630,073</u>	<u>\$933,712</u>

- (1) Ernst & Young LLP’s aggregate fees for services related to the audits of the GAAP financial statements, statutory insurance company audits, reviews of Securities and Exchange Commission filings and for quarterly reviews. The 2004 amount includes \$581,494 related to the Company’s initial public offering filing.
- (2) Ernst & Young LLP’s audit related services included services related to the Ohio Department of Insurance exam and services related to the adoption of Statement of Financial Accounting Standard 123(R) in 2005 and services related to the consent for Form S-8 filing fees in 2004.
- (3) Ernst & Young LLP’s tax fees included charges primarily related to the review of federal and state tax returns.
- (4) All other fees are related to an EYOnline subscription, which is used by the Company to conduct financial research.

Representatives of Ernst & Young LLP are expected to be at the meeting and will be given the opportunity to make a statement if they desire to do so. They will also be available to respond to appropriate questions from shareholders.

The Board of Directors recommends that shareholders vote FOR the ratification of the appointment of Ernst & Young LLP as National Interstate’s independent registered public accounting firm.

Section 16(a) Beneficial Ownership Reporting Compliance

Our common shares became registered pursuant to Section 12 of the Exchange Act in January 2005. As a result of such registration, Section 16(a) of the Exchange Act requires our directors, executive officers and the holders of more than 10% of our common stock to file reports with the Securities and Exchange Commission. Such reports include initial reports of ownership of our common shares and other equity securities on a Form 3 and reports of changes in such ownership on a Form 4 or Form 5. Executive officers, directors and 10% stockholders are required by Securities and Exchange Commission regulations to furnish us with copies of all Section 16(a) forms that they file.

Based on the Company's review of the copies of such forms it has received, the Company believes that all of its executive officers and directors complied with all filing requirements applicable to them with respect to transactions during fiscal year 2005 with three exceptions. Messrs. Michelson and Phillips each inadvertently filed a late Form 4 reporting stock options that had been granted to each by the Company's Compensation Committee. Mr. Raudins inadvertently filed a late Form 4 reporting a series of stock option exercises and sales.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board of Directors consists of four directors, Theodore H. Elliott, Jr., Keith A. Jensen, Donald D. Larson and K. Brent Somers, none of whom is an employee of National Interstate or any of its subsidiaries. The Committee's functions include reviewing and making recommendations to the Board of Directors with respect to the executive compensation program of National Interstate. The term "executive officers" currently includes the President and Chairman of the Board, the Executive Vice President and Chief Operating Officer, the Senior Vice President, the Vice President and Chief Investment Officer, the Vice President, Secretary and General Counsel and the Vice President and Chief Financial Officer. The Compensation Committee has the exclusive authority to approve bonuses and award salary adjustments, as well as grant awards under National Interstate's Long Term Incentive Plan to employees of National Interstate and its subsidiaries, including executive officers.

National Interstate's compensation policy for all executive officers, including the President, has three principal components: annual base salary, annual incentive bonuses and Long Term Incentive Plan awards.

Compensation of Executive Officers Other Than the President

Before decisions were made regarding 2005 compensation for the executive officers, the Company's President made recommendations to the Committee, based on National Interstate's underwriting results for the preceding accident year and each executive's performance relative to his or her individual objectives. The Committee deliberated then formally approved the salary and bonus figures for the executive officers. The appropriate peer group analysis was performed to insure the reasonableness of the determinations. The compensation decisions for the executive officers discussed in this report conformed with recommendations made by the President and approved by the Committee.

Annual Base Salaries. The Compensation Committee approved annual base salaries for the executive officers that it considered appropriate for each officer's position and responsibilities. In February, the Committee approved the 2005 salaries for the executive officers, noting that the 2005 salary increases ranged from 4.0% to 5.3% over the prior year. In August, the Committee approved additional salary increases for Mr. Michelson and Mr. Phillips in recognition of their management promotions.

Annual Management Bonuses. As has been the case for more than ten years, the Compensation Committee, working with the President, administered the annual bonus program for 2005 for the executive officers. The annual bonus program makes a substantial portion of each executive officer's total compensation dependent on the Company's underwriting profit as well as on pre-established performance objectives specific to each executive officer. The bonuses paid in 2005 were based on accident year results for 2000 through 2004.

Under the management bonus program, the annual bonus pool is calculated based on underwriting performance measured on an accident year basis, adjusted annually, and paid over a five-year period. The bonus pool is shared among approximately thirty managers including the President and other executive officers. The participant must be employed by the Company when the bonus is paid in order to be entitled to receive such bonus awards. Each accident year bonus pool is calculated using a predetermined formula applied to the underwriting profit. The maximum bonus pool of \$2.3 million was achieved for the 2004 accident year using the formula that contains limits based on earned premium and combined ratio. Each participant has a bonus target expressed as a percentage of their salary. The President recommends to the Committee an allocation of the annual accident year bonus pool to the participants, considering the individual's bonus target and contributions relative to their individual performance objectives. For the 2004 accident year bonus pool, the Committee approved allocations ranging from 6.0% to 9.5% to executive officers, other than the President.

Long Term Incentive Plan Awards. Incentive awards, including stock options, represent an important part of National Interstate's performance-based compensation system. The Compensation Committee believes that

National Interstate shareholders' interests are well served by aligning National Interstate's executives' interests with those of its shareholders through the award of incentive compensation like stock options. The Committee has several alternatives under National Interstate's Long Term Incentive Plan and has historically chosen to grant stock options at an exercise price equal to the fair market value of common shares on the date of grant that vest, with some exceptions, over a five-year period at a rate of 20.0% per year. The Committee believes that these features provide the Company's executives with substantial incentive to maximize National Interstate's long-term success. In February 2005, effective upon completion of the initial public offering, the Committee granted an aggregate of 144,070 qualified stock options and 20,930 nonqualified stock options to certain executive officers other than the President. Since the public offering, the Committee in 2005 authorized for grant to certain executive officers other than the President an aggregate of 66,296 qualified stock options and 88,704 nonqualified stock options. All such options were granted in 2005 with the exception of 22,925 qualified stock options and 17,075 nonqualified stock options granted effective January 9, 2006 to Julie A. McGraw, Vice President and Chief Financial Officer.

Compensation of the President

The President's compensation is based on underwriting results for the previous accident year and his performance relative to his individual objectives. The Committee deliberated and then formally approved the President's 2005 salary noting that such salary represented a 2.6% increase over the salary that had been in effect for the prior year. The appropriate peer group analysis was performed to ensure the reasonableness of the determinations. In addition, the Committee administered the annual bonus program described above for 2005 for the President. The annual bonus program makes a substantial portion of the President's total compensation dependent on the Company's underwriting profit as well as on pre-established performance objectives. For the 2004 accident year bonus pool, the Committee approved an allocation of 18.0% of the bonus pool described above to the President. In 2005, the President received a bonus of \$364,133 that represented amounts awarded based on accident results for the accident years 2000-2004. In approving the new salary and bonus figures for the President, the Committee noted the outstanding underwriting results of the Company and the achievement by the President of both corporate and personal objectives.

Directors' Compensation

Each director who is also our employee or an employee of American Financial Group, Inc. or Great American Insurance Company does not receive any compensation for serving as a director or committee member. Each independent director receives an annual retainer of \$20,000. The chairperson of the Audit Committee receives an additional \$7,500 annual retainer. If an independent director, the chairperson of the Compensation Committee receives an additional \$5,000 annual retainer and the chairperson of the Nominating/ Governance Committee receives an additional \$2,500 annual retainer. Independent directors receive \$1,500 for each Board and committee meeting attended in person and \$1,000 for each Board and committee meeting attended via telephone. The independent directors do not receive multiple fees if a committee meeting is held on the same day or within one day of a Board meeting. Independent directors are reimbursed for reasonable travel expenses incurred in connection with their services as directors. Our independent directors are eligible to receive awards, such as stock options and restricted stock under our Long Term Incentive Plan for their services as directors. Such grants will be determined by our Board of Directors upon recommendation from the Compensation Committee.

Certain Relationships and Related Transactions

We are party to several agreements with Great American Insurance Company, our largest shareholder, relating to reinsurance and underwriting. The terms of these agreements, as described below, were negotiated by National Interstate and Great American Insurance Company. We believe that the terms of these agreements are comparable to those that we could obtain from independent third parties. Additionally, we previously entered into an agreement with Great American Insurance Company and Alan Spachman, our Chairman and President, relating to registration rights and rights of first refusal to buy back their shares in certain circumstances. Our Board of Directors has approved the terms of these agreements. As described in Registration Rights Agreement and Right of First Refusal below, we have filed a registration statement on Form S-3 to register all of the common shares owned by Great American Insurance Company and Alan Spachman.

Reinsurance, Underwriting and Other Arrangements

Effective November 1, 1989, we became a party with Great American Insurance Company to an Underwriting Management Agreement pursuant to which we agreed to underwrite and service policies of insurance related to public commercial transportation and recreation vehicles for a fee. Currently, under the terms of the agreement, we pay Great American Insurance Company a fee based on a percentage ranging from 1.5% to 3.0% of written premiums. The written premiums totaled approximately \$9.3 million in 2005. During 2005, the fees we paid to Great American Insurance Company under this agreement were approximately \$0.1 million. Great American Insurance Company, its affiliated insurance companies and National Interstate are also parties to a Reinsurance Agreement dated November 1, 1989 pursuant to which we assume all of the risk and exposure on the policies we administer under the terms of the Underwriting Management Agreement. We anticipate that these agreements will remain in force under the same terms and conditions for the foreseeable future. However, pursuant to its terms, the Underwriting Management Agreement may be terminated without cause by either party from time to time and is terminable immediately (but not automatically) upon termination of the related reinsurance treaty or if we no longer employ Mr. Spachman. Additionally, Great American Insurance Company, or its parent American Financial Group, Inc., perform certain services for us without charge including, without limitation, actuarial and internal audit services. We believe, based on discussions with Great American Insurance Company, that these services will continue to be provided from the affiliated entity in the future.

Registration Rights Agreement and Right of First Refusal

Upon the completion of our initial public offering, we entered into an agreement with Great American Insurance Company and our Chairman and President, Alan Spachman, pursuant to which we granted each of them registration rights in exchange for our right of first refusal to buy back their shares in connection with certain proposed sales of their common shares. Our right of first refusal will be triggered by any gift, bequest,

sale, exchange, transfer, assignment or other disposition of all or any portion of the common shares owned, whether beneficially or of record, by either of Mr. Spachman or Great American Insurance Company, other than the transfer of shares (1) in a charitable gift or a bequest, without consideration, so long as the number of common shares transferred to one person or group of related persons as a result of such gift or bequest or series of related gifts or bequests is less than 10.0% of our total issued and outstanding common shares immediately prior to such gift, (2) pursuant to an underwriting agreement, a purchase agreement or similar arrangement to which we and Great American Insurance Company and/or Mr. Spachman are party relating to an underwritten public offering of our common shares, (3) in a public or privately negotiated sale, so long as, to the knowledge of the selling shareholder, each purchaser in such negotiated sale or series of negotiated sales, either alone or as a member of a group of related or affiliated purchasers, will not be the beneficial owner of 10.0% or more of our total issued and outstanding common shares immediately following such sale, (4) pursuant to a tender offer or exchange offer approved or recommended by at least two-thirds of our shareholders, or (5) to any trust or other entity, for financial planning or estate planning purposes, without consideration, the primary beneficiary of which is Mr. Spachman or his lineal descendants.

Effective on the one-year anniversary of the initial public offering, or February 2, 2006, we became obligated to file a shelf registration statement covering all common shares owned by Great American Insurance Company and Alan Spachman. We filed a registration statement on Form S-3 with the Securities and Exchange Commission on March 23, 2006, which became effective April 7, 2006.

As required by our agreement with Great American Insurance Company and Alan Spachman, we have agreed to pay all costs and expenses incurred relating to this shelf registration, which totaled approximately \$40,000. All other costs and expenses, such as costs of separate legal counsel, underwriters' or brokers' discounts, commissions and transfer taxes, or printing expenses and blue sky fees incurred through an underwritten shelf registration, would be borne by the selling shareholder. This agreement also contains customary terms and provisions with respect to, among other things, registration procedures and rights to indemnification in connection with the registration of the common shares on behalf of Great American Insurance Company or Alan Spachman.

COMMITTEES AND MEETINGS OF THE BOARD OF DIRECTORS

The Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating/Governance Committee.

Audit Committee. The Audit Committee performs the following functions, among others:

- selects our independent accountants;
- reviews the results and scope of the independent accountants' audit and the services provided by the independent accountants;
- reviews compliance with legal and regulatory requirements;
- evaluates our audit and internal control functions; and
- ensures the integrity of our financial statements.

The Audit Committee consists of three independent Directors, Mr. Elliott, Mr. Schiavone, and Mr. Somers, who serves as the chairperson of the Audit Committee. The Committee met seven times in 2005. Mr. Somers will serve until the meeting of the Board of Directors immediately following the Annual Meeting of Shareholders, at which time Mr. Joseph E. (Jeff) Consolino will be proposed to fill the unexpired portion of Mr. Somers' term, including serving as chairperson of the Audit Committee. Mr. Consolino's biographical information is included with that of the Class I directors on page 4 of this report. The Board of Directors has determined that all of the members of the Audit Committee (including Director-Nominee Mr. Consolino) are independent in accordance with Nasdaq National Market's listing standards and Securities and Exchange Commission regulations. Each member of the Audit Committee (including Director-Nominee Mr. Consolino) is able to read and understand fundamental financial statements, including our balance sheet, income statement and cash flows statements. The Board of Directors has determined that each of Mr. Somers and his proposed successor Mr. Consolino is an "audit committee financial expert" as that term is defined in Securities and Exchange Commission regulations. The Board of Directors has approved and adopted a written charter for the Audit Committee. We will provide a copy of the Audit Committee Charter to any investor free of charge upon written request.

Compensation Committee. The Compensation Committee performs the following functions, among others:

- administers our equity compensation programs, including our Long Term Incentive Plan;
- recommends and approves salaries and incentive compensation for our executive officers and managers;
- reviews corporate goals and objectives relative to executive compensation;
- evaluates our President's performance in light of corporate objectives; and
- sets our President's compensation based on the achievement of corporate objectives.

The Compensation Committee is comprised of the following four Directors, two of whom are independent: Mr. Elliott, Mr. Jensen, Mr. Larson and Mr. Somers. Mr. Somers will serve until the meeting of the Board of Directors immediately following the Annual Meeting of Shareholders, at which time Mr. Joseph E. (Jeff) Consolino will be proposed to fill the unexpired portion of Mr. Somers' term, including serving as a member of the Compensation Committee. Mr. Consolino's biographical information is included with that of the Class I directors on page 4 of this report. Mr. Larson serves as chairperson of the Compensation Committee. The Committee met one time in 2005 independent of the Board of Directors, and met on two occasions as part of the full Board of Directors agenda with respect to stock option matters.

Nominating/Governance Committee. The Nominating/Governance Committee performs the following functions, among others:

- develops criteria for Director selection;

- recommends to the full Board of Directors the Director-nominees to stand for election at Annual Meetings of Shareholders; and
- recommends to the Board of Directors our corporate governance principles.

The Nominating/Governance Committee is comprised of the following four Directors, one of whom is independent: Mr. Gruber, Mr. Kennedy, Mr. Larson and Mr. Schiavone. We are not required to have a majority of independent directors on our Nominating/Governance Committee as would otherwise be required by the rules of the Nasdaq National Market because of the “controlled company” exemption from these rules that applies to companies where more than 50% of the shareholder voting power is held by an individual, a group or another company. Mr. Kennedy serves as chairperson of the Nominating/Governance Committee. The Committee met once in 2005. The Committee recently met to conduct a search for a qualified candidate to replace Mr. Somers. After due deliberation, the Committee proposed Mr. Consolino to fill the unexpired portion of Mr. Somers’ term. Mr. Consolino’s biographical information is included with that of the Class I directors on page 4 of this report.

Director Attendance Policy

The Company expects its directors to attend the Annual Meeting of Shareholders. All of the Company’s directors attended at least 75.0% of the Board meetings and at least 75.0% of the committee meetings for the committees on which he served.

AUDIT COMMITTEE REPORT

The Audit Committee is comprised of three Directors, K. Brent Somers (Chairman), Theodore H. Elliott, Jr. and Joel Schiavone, each of whom is experienced with financial statements and has past accounting or related financial management experience. Each of the members of the Audit Committee is independent as defined by the Nasdaq National Market listing standards. The Board has determined that K. Brent Somers is an “audit committee financial expert” as defined under applicable Securities and Exchange Commission regulations.

The primary function of the Audit Committee is to assist the Board in fulfilling its oversight responsibilities by reviewing the financial information, which will be provided to shareholders and others, the systems of internal control which management has established, and the audit process.

Management is responsible for the Company’s internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company’s consolidated financial statements in accordance with standards of the Public Company Accounting Oversight Board (United States) and issuing a report thereon. The Committee’s responsibility is to monitor and oversee these processes. Additionally, the Audit Committee engages the Company’s independent accountants.

The Committee has met and held discussions with management and the independent accountants. Management represented to the Committee that the Company’s consolidated financial statements were prepared in accordance with U.S. generally accepted accounting principles, and the Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Committee discussed with the independent accountants the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees).

The Company’s independent accountants also provided to the Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and disclosures required by the Audit Committee Charter, and the Committee discussed with the independent accountants that firm’s independence. As part of its discussions, the Committee determined that Ernst & Young LLP was independent of the Company.

Based on the Committee’s discussions with management and the independent accountants and the Committee’s review of the representation of management and the report of the independent auditors to the Committee, the Committee recommended that the audited consolidated financial statements be included in the Company’s Annual Report on Form 10-K for the year ended December 31, 2005 filed with the Securities and Exchange Commission.

Members of the Audit Committee:

K. Brent Somers, Chairman
 Theodore H. Elliott, Jr.
 Joel Schiavone

Audit Committee Pre-Approval Policies

The Audit Committee has adopted policies that require its approval for any audit and non-audit services to be provided to the Company and its subsidiaries by the independent registered public accounting firm. The Audit Committee delegated authority to the Committee Chairman to approve certain non-audit services. Pursuant to these procedures and delegation of authority, the Audit Committee was informed of and approved all of the audit and other services described above. No services were provided with respect to the de minimus waiver process provided by rules of the Securities and Exchange Commission.

NOMINATIONS AND SHAREHOLDER PROPOSALS

In accordance with the Company’s Amended and Restated Code of Regulations (the “Regulations”), the only director candidates eligible for election at a meeting of shareholders are candidates nominated by or at the direction of the Board of Directors and candidates nominated at the meeting by a shareholder who has complied with the procedures set forth in the Regulations. Shareholders will be afforded a reasonable opportunity at the meeting to nominate candidates for the office of director. However, the Regulations require that a shareholder wishing to nominate a director candidate must have first given the Secretary of the Company at least 60 days and not more than 90 days prior to the Annual Meeting date written notice setting forth or accompanied by (1) the name and residence of the shareholder and of each nominee specified in the notice, (2) a representation that the shareholder was a holder of record of the Company’s voting shares and intended to appear, in person or by proxy, at the meeting to nominate the persons specified in the notice and (3) the consent of each such nominee to serve as director if so elected.

Our proxy materials for the 2006 Annual Meeting of Shareholders will be mailed on or about April 20, 2006. The proxy form used by National Interstate for the Annual Meeting typically grants authority to the presiding officer to determine in his discretion whether business sought to be brought before any annual meeting or special meeting of the shareholders is properly presented at the meeting as to which adequate notice has not been received. In order for a notice to be deemed adequate for the 2007 Annual Meeting, it must be received by February 18, 2007. Additionally, a shareholder may submit a proposal for consideration at the 2006 Annual Meeting of Shareholders, but not for inclusion in next year’s Proxy Statement, if the shareholder gives timely written notice of such proposal in accordance with Section 8(c) of the Regulations. In general Section 8(c) provides that, to be timely, a shareholder’s notice must be delivered to National Interstate’s principal executive offices not less than 60 or more than 90 days prior to the Annual Meeting date.

Any shareholder who wishes to submit a proposal to be considered for inclusion in next year’s Proxy Statement should send the proposal to National Interstate, addressed to the Secretary, so that it is received on or before the close of business on the 120th calendar day prior to the mailing date for next year’s Annual Meeting or approximately December 22, 2006. We suggest that all proposals be sent by certified mail, return receipt requested.

Our proxies for the 2007 Annual Meeting of Shareholders will confer discretionary authority to vote on any matter if we do not receive timely written notice of such matter in accordance with Section 8(c). For business to be properly requested by a shareholder to be brought before the 2007 Annual Meeting of Shareholders, the shareholder must comply with all of the requirements of Section 8 (c), not just the timeliness requirements set forth above.

The Company's Nominating/Governance Committee is responsible for, among other things, establishing criteria for selecting new directors, identifying individuals qualified to be Board members as needed, and recommending to the Board director-nominees for the next Annual Meeting of Shareholders. The charter of the Nominating/Governance Committee is available at the Company's website, www.nationalinterstate.com. Nominees for directorship will be recommended by the Nominating/Governance Committee to the Board in accordance with the principles in its charter. When considering an individual candidate's suitability for the Board, the Nominating/Governance Committee will evaluate each individual on a case-by-case basis. Although the Committee does not prescribe minimum qualifications or standards for directors, candidates for Board membership should have the highest personal and professional integrity, demonstrated exceptional ability and judgment, and availability and willingness to take the time necessary to properly discharge the duties of a director. The Committee will make its determinations on whether to nominate an individual based on the Board's then-current needs, the merits of each such candidate and the qualifications of other available candidates. The Committee will have no obligation to respond to shareholders who propose candidates that it has determined not to nominate for election to the Board, but the Committee may do so in its sole discretion. The Committee evaluates each candidate utilizing the same criteria, whether such candidate was nominated by the Board or a shareholder.

The Nominating/Governance Committee did not seek, nor did it receive the recommendation of any of the director candidates named in this Proxy Statement from any shareholder, non-management director, executive officer or third-party search firm in connection with its own approval of such candidates. The Company has not paid any fee to a third party to assist it in identifying or evaluating nominees.
