About MundoFox:

MundoFox is a joint venture between Fox International Channels (FIC), News Corporation's international multi-media business, and RCN, the leading Latin American television network and production company belonging to Organizacion Ardila Lülle (OAL). Together, FIC and RCN currently reach over 1.2 billion households worldwide with primetime comedies, dramas and daytime series, as well as factual, sports and lifestyle programming. Additionally, both operate and program cable networks and twenty-four-hour global news channels. The new network, headquartered in Los Angeles, CA, will launch in August of 2012.

About NASDAQ OMX:

The inventor of the electronic exchange, The NASDAQ OMX Group, Inc., fuels economies and provides transformative technologies for the entire lifecycle of a trade - from risk management to trade to surveillance to clearing.
