**ANNUAL MEETING OF SHAREHOLDERS
October 22, 2014**

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Newtek Business Services, Inc. (the "Company") for the Annual Meeting of Shareholders (the "Annual Meeting") to be held at the offices of the Company at 212 West 35th Street, 2nd floor, New York, NY 10001 on October 22, 2014 at 9:00 a.m., local time. The accompanying Notice of Annual Meeting and this Proxy Statement, together with the enclosed Proxy Card, are first being mailed to shareholders on or about September 22, 2014.

VOTING AND REVOCATION OF PROXIES

Proxies solicited by the Board of Directors of the Company will be voted in accordance with the direction given therein. If any other matters are properly brought before the Annual Meeting as to which proxies confer discretionary authority, the persons named in the proxy will vote the shares represented thereby on such matters as determined by a majority of the Board of Directors. The proxies solicited by the Board of Directors confer discretionary authority on the persons named therein to vote with respect to the election of any person as a director where the nominee is unable to serve or for good cause will not serve, with respect to matters incident to the conduct of the Annual Meeting and with respect to any other matter presented at the Annual Meeting if notice of such matter has not been delivered to the Company within a reasonable time before the date of this Proxy Statement. Proxies marked as abstentions will not be counted as votes cast. In addition, shares held in street name that have been designated by brokers on proxy cards as not voted ("broker non-votes") will not be counted as votes cast except with respect to the proposal relating to the ratification of the Company's independent registered accounting firm. Proxies marked as abstentions or as broker no votes, however, will be treated as shares present for purposes of determining whether a quorum is present.

How Do You Exercise Your Rights to Vote on the Proposals and Elect Directors?

You may vote using any of the following methods:

- **By Mail** – Shareholders of record may submit proxies by completing, signing and dating each proxy card received and returning it in the prepaid envelope. Sign your name exactly as it appears on the proxy. If you return your signed proxy but do not indicate your voting preferences, your shares will be voted on your behalf "FOR" the election of the nominees for director and "FOR" the ratification of the independent registered public accounting firm for 2014. Shareholders who hold shares beneficially in street name may provide voting instructions by mail by completing, signing and dating the voting instruction forms provided by their brokers, banks or other nominees.
- **By Telephone** – Shareholders of record may submit proxies by following the telephone voting instructions on each proxy card. Most shareholders who hold shares beneficially in street name may provide voting instructions by telephone by calling the number specified on the voting instruction form provided by their brokers, banks or nominees. Please check the voting instruction form for telephone voting availability. Please be aware that if you submit voting instructions by telephone, you may incur costs such as telephone access charges for which you will be responsible. The telephone voting facilities will close at 11:59 p.m., Eastern Daylight Time, the day before the meeting date.
- **By Internet** – Shareholders of record with internet access may submit proxies by following the internet voting instructions on their proxy cards. Most shareholders who hold shares beneficially in street name may provide voting instructions by accessing the website specified on the voting instruction form provided by

their brokers, banks or nominees. Please check the voting instruction form for internet voting availability. Please be aware that if you vote over the internet, you may incur costs such as internet access charges for which you will be responsible. The internet voting facilities will close at 11:59 p.m., Eastern Daylight Time, the day before the meeting date.

- **In Person at the Annual Meeting** – Shares held in your name as the shareholder of record may be voted at the Annual Meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, bank or nominee that holds your shares giving you the right to vote the shares. *Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy or voting instructions or vote by telephone or the internet so that your vote will be counted if you later decide not to attend the meeting .*

Shareholders who execute the enclosed proxy card retain the right to revoke such proxies at any time prior to voting. Unless so revoked, the shares represented by properly executed proxies will be voted at the Annual Meeting and all adjournments thereof. Proxies may be revoked at any time prior to exercise by written notice to the Secretary of the Company or by the filing of a properly executed, later-dated proxy. A proxy will not be voted if a shareholder attends the Annual Meeting and votes in person. The presence of a shareholder at the Annual Meeting alone will not revoke such shareholder's proxy.

VOTING SECURITIES

The securities which can be voted at the Annual Meeting consist of the Company's common shares, \$0.02 par value per share ("Common Shares"). Shareholders of record as of the close of business on September 8, 2014 (the "Record Date") are entitled to one vote for each Common Share then held on all matters. As of the Record Date, 37,807,106 Common Shares were issued and outstanding (excluding treasury shares which do not vote). The presence, in person or by proxy, of at least a majority of the total number of Common Shares outstanding and entitled to vote will be necessary to constitute a quorum at the Annual Meeting.

Persons and groups owning in excess of 5% of Company's Common Shares are required to file certain reports regarding such ownership with the Securities and Exchange Commission ("SEC") pursuant to the Securities Exchange Act of 1934, as amended (the "Exchange Act").

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The table below shows the number of our Common Shares beneficially owned as of the Record Date by:

- each person or group known by us to beneficially own more than 5% of our outstanding Common Shares;
- each director and nominee for director;
- each executive officer named in the Summary Compensation Table set forth in the "Executive Compensation" section; and
- all of our current directors and executive officers of the Company as a group.

The number of shares beneficially owned by each 5% holder, director or executive officer is determined by the rules of the SEC, and the information does not necessarily indicate beneficial ownership for any other purpose. Under such rules, beneficial ownership includes any shares over which the person or entity has sole or shared voting power or investment power and also any shares that the person or entity can acquire within 60 days of the Record Date through the exercise of any stock option or any other rights. For purposes of computing the percentage of outstanding Common Shares held by each person or entity, any shares that the person or entity has the right to acquire within 60 days after the Record Date are deemed to be outstanding with respect to such person or entity but are not deemed to be outstanding for the purpose of computing the percentage of ownership of any other person or entity. Unless otherwise indicated, each person or entity has sole investment and voting power (or shares such power with his or her spouse) over the shares set forth in the following table. The inclusion in the table below of any shares deemed beneficially owned does not constitute an admission of beneficial ownership of those shares. As of the Record Date there were 37,807,106 Common Shares issued and outstanding (excluding treasury shares which do not vote).

REQUIRED VOTE

Under “Proposal I—Election of Directors,” each director is required to be elected by a plurality of the votes cast at the annual meeting. Abstentions and shares not represented at the annual meeting will have no effect on the election of directors. Brokers are not entitled to vote on director elections, and thus broker non-votes are not treated as votes cast and will have no effect on the election of directors.

The matters described in “Proposal II—Ratification of Appointment of Independent Auditors” and “Proposal IV—Approval to Adjourn to Solicit Additional Votes” are required to be approved by the affirmative vote of the majority of shares voted in person or by proxy at the annual meeting. Abstentions and shares not represented at the annual meeting will have no effect on these proposals. Brokers may vote in their discretion on these proposals on behalf of clients who have not furnished voting instructions.

With respect to “Proposal III- Advisory Vote on Compensation of Named Executive Officers,” the affirmative vote of a majority of shares present and voted in person or by proxy at the annual meeting and entitled to vote on this matter will be taken as the consensus of shareholders on the compensation of our named executive officers. Voting for Proposal III is being conducted on an advisory basis and, therefore, the voting results will not be binding on the Company, the Board of Directors or the Compensation, Corporate Governance and Nominating Committee. Abstentions will have no effect on the voting for this proposal and brokers may not vote shares for which they have not received instructions.

The full Board of Directors currently consists of four directors all of whom serve for one year terms.

The nominees for election to the Board of Directors are the following four current directors:

David C. Beck

The election of all four directors will take place at the Annual Meeting, each of whom will serve until the Company's Annual Meeting in 2015 and until his successor is duly elected and qualified.

The Board of Directors recommends a vote "FOR" the nominees named below as directors of the Company.

Nominees for Election at the 2014 Annual Meeting:

The following is a brief summary of the background of each of our directors, which includes specific information about each director's experience, qualifications, attributes or skills that led the board to the conclusion that the individual is qualified to serve on our board, in light of our business and structure.

Mr. Kirschner has, since he co-founded MayerCap, LLC in 2003, been a Managing Member of the company. Prior to that, Mr. Mulia held senior management positions within General Electric's Financial Services Division, GE Capital Corporation ("GECC"), and from 1980 through 1993 he was responsible for developing new products and business initiatives in financial services. During his tenure at GECC Mr. Mulia was a principal in GEVEST, GECC's investment banking unit, where he headed syndication and led acquisition teams which acquired leasing companies with combined assets of \$3 billion including: TransAmerica Leasing, Chase Manhattan's leasing subsidiary and LeaseAmerica. Mr. Mulia has many years of experience with major financial companies working with smaller to mid-sized companies needing capital and debt. Mr. Sloane is the Chairman of the Board of Directors, Chief Executive Officer and President of the Company and has been an executive officer of each of the Company-sponsored certified capital companies for more than five years. From September 1993 through July 1995, Mr. Sloane was a Managing Director of Smith Barney, Inc. While there, he directed the Commercial and Residential Real Estate Securitization Unit, and he was national sales manager for institutional mortgage and asset backed securities sales. From August 1982 to September 1988 Mr. Sloane was a senior mortgage security salesman and trader for Bear Stearns, L.F. Rothschild, E.F. Hutton and Paine Webber. Mr. Sloane's broad business and financial experience and his knowledge of the Company's businesses has been of great value to the other members of the board.

The Board and Board Meetings

Newtek's Board of Directors and management are committed to responsible corporate governance to ensure that the Company is managed for the long-term benefit of its shareholders. To that end, the Board of Directors and management periodically review and update, as appropriate, the Company's corporate governance policies and practices. In doing so, the Board and management review published guidelines and recommendations of institutional shareholder organizations and current best practices of similarly situated public companies. The Board of Directors and management also regularly evaluate and, when appropriate, revise the Company's corporate governance policies and practices in accordance with the requirements of the Sarbanes-Oxley Act of 2002 and the rules and listing standards issued by the SEC and The NASDAQ ® Stock Market, Inc. ("NASDAQ") where the Company's Common Shares are listed and traded.

During the fiscal year ended December 31, 2013, the Board of Directors held a total of 7 meetings. Each director attended at least 75% of the total number of meetings of the Board of Directors and at least 75% of the meetings of all committees on which he served.

Corporate Governance Guidelines

The Company has adopted corporate governance guidelines titled "Governance Guidelines" which are available at the Investor Relations page of www.thesba.com. The Governance Guidelines are also available in print to any shareholder who requests them. These principles were adopted by the Board of Directors to best ensure that the Board is independent from management, that the Board adequately performs its function as the overseer of management and to help ensure that the interests of the Board and management align with the interests of the shareholders.

On an annual basis, each director and executive officer is obligated to complete a Directors' and Officers' Questionnaire which requires disclosure of any transactions with the Company in which the Director or executive officer, or any member of his or her immediate family, have a direct or indirect material interest.

Committees of the Board of Directors

The Board of Directors currently has two standing committees: the Audit Committee and the Compensation, Corporate Governance and Nominating Committee. Each member of these committees is independent as defined by applicable NASDAQ and SEC rules. Each of the committees has a written charter approved by the Board of Directors, which is available the Investor Relations page of on our website at www.thesba.com.

The Board of Directors' Audit Committee consists of Messrs. Beck as Chair, Mulia and Kirschner and operates pursuant to its written charter. The Audit Committee held 10 meetings during the year ended December 31, 2013. The Audit Committee is authorized to examine and approve the audit report prepared by the independent auditors of the Company, to review and select the independent auditors to be engaged by the Company, to review

the internal audit function and internal accounting controls and to review and approve conflict of interest or related party transactions and audit policies.

Director Beck, Chair of the Audit Committee, has been determined by the Board of Directors to be a “financial expert” and “independent” under applicable rules of the SEC and NASDAQ. In addition, the Board of Directors has determined that all members of the audit committee are “financially literate” as that term is defined by applicable NASDAQ and SEC rules.

The Company’s Compensation, Corporate Governance and Nominating Committee consists of Messrs. Mulia, as Chair, Beck and Kirschner, all of whom are “non-employee directors” within the meaning of the SEC rules. The Compensation, Corporate Governance and Nominating Committee evaluates the compensation and benefits of the directors, officers and employees, recommends changes, and monitors and evaluates employee performance. The Compensation, Corporate Governance and Nominating Committee did not meet during the year ended December 31, 2013 as meetings were scheduled in late 2012 or early 2014 to address Compensation and bonus matters for the 2013 year. The Compensation, Corporate Governance and Nominating Committee is generally responsible for identifying corporate governance issues, creating corporate governance policies, identifying and recommending potential candidates for election to the Board and reviewing executive and director compensation and performance.

Director Independence

The Board of Directors is required by the Governance Guidelines to have a majority of members who meet the applicable independence requirements of the NASDAQ and any applicable rule or law. Each of the following non-employee directors is independent and has no relationship to the Company, except as a director and shareholder.

David C. Beck
Salvatore F. Mulia
Sam Kirschner

The Board of Directors has determined that each of its directors, with the exception of Mr. Sloane, qualifies as “independent” as defined by applicable NASDAQ and SEC rules. In making this determination, the Board has concluded that none of these members has a relationship which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. It is the policy of the Board of Directors to hold executive sessions of the independent directors meeting without management at regular intervals and as requested by a director. David C. Beck presides over these meetings of the independent directors. All members of the Board of Directors are encouraged to attend the Annual Meeting of Shareholders. In 2013, Mr. Sloane attended the Annual Meeting of shareholders and Mr. Kirschner, Mr. Beck and Mr. Mulia attended by telephone.

Leadership Structure

Mr. Sloane has served as Chairman and Chief Executive Officer since 1999 and as President since 2008. We continue to believe that our leadership structure is appropriate since Mr. Sloane has over 25 years of experience in our industry or related businesses, and under his leadership our management team has executed a strategy that has significantly improved our earnings growth, cash flow stability and competitiveness.

Board Risk Oversight

While management is responsible for identifying, assessing and managing risk, our Board is responsible for risk oversight with a focus on the most significant risks facing the company. The Board’s risk oversight includes, but is not limited to, the following risks:

- strategic;
- operational;
- compliance; and
- reputational.

At the end of each year, management and the Board jointly develop a list of major risks that the company prioritizes in the following year. In 2013 the Board focused on the following areas of risk:

- management compensation;
- determining Newtek's long-term growth;
- strategic and operational planning, including acquisitions and the evaluation of the Company's capital structure and long term debt financing; and
- legal and regulatory compliance.

The Board has delegated responsibility for the oversight of specific risks to Board committees. The Audit committee oversees risks associated with:

- the Company's financial statements and financial reporting;
- mergers and acquisitions;
- internal controls over financial reporting;
- credit and liquidity;
- information technology; and
- security and litigation issues.

The Compensation, Governance and Nominating committee considers the risks associated with:

- compensation policies and practices;
- management resources, structure, succession planning and management development;
- overall governance practices and the structure and leadership of the Board; and
- related person transactions and the code of conduct for all employees, officers and directors.

The Board is kept informed of each committee's risk oversight and any other activities deemed to engender risk via periodic reports from management and the committee chairs. Our Board recognizes the importance of risk oversight, and its role is consistent with the Board's leadership structure, the CEO and the senior management of the Company. Our senior management is responsible for assessing and managing risk exposure and the Board, and committees of the Board provide the oversight consistent with those efforts.

Director Nominations

In considering whether to recommend any particular candidate for inclusion in the Board of Directors' slate of recommended director nominees, the Compensation, Corporate Governance and Nominating Committee applies the criteria set forth in the Governance Guidelines. These criteria include the candidate's integrity, business acumen, knowledge of our business and industry, experience, diligence, absence of conflicts of interest and the ability to act in the interest of all shareholders. The committee does not assign specific weights to particular criteria, and no particular criterion is a prerequisite for each prospective nominee. We believe that the backgrounds and qualifications of our directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will best allow the Board to fulfill its responsibilities.

Shareholders may recommend individuals to the Compensation, Corporate Governance and Nominating Committee for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials. The recommendation should be sent to the Compensation, Corporate Governance and Nominating Committee, c/o Matthew G. Ash, Secretary, Newtek Business Services, Inc., 212 West 35th Street, 2nd Floor, New York, New York 10001. Assuming that appropriate biographical and background material has been provided on a timely basis, the committee will evaluate shareholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates recommended by our Board or others. If the Board of Directors determines to nominate a shareholder-recommended candidate and recommends his or her election, then his or her name will be included in the proposal for election for the next annual meeting.

Shareholders also have the right under our Bylaws to nominate director candidates, without any action or recommendation on the part of the Compensation, Corporate Governance and Nominating Committee or the Board, by following the procedures set forth under "Shareholder Proposals" in our proxy statement. Candidates nominated

by shareholders in accordance with the procedures set forth in our Bylaws may be included in our proxy statement and solicitation for the next annual meeting.

Compensation Committee Interlocks and Insider Participation

All members of the Compensation, Corporate Governance and Nominating Committee are independent directors, and none of them are present or past employees or paid officers of ours or any of our subsidiaries. No member of the Compensation, Corporate Governance and Nominating Committee has had any relationship with us requiring disclosure under Item 404 of Regulation S-K. None of our executive officers has served on the board or compensation committee (or other committee serving an equivalent function) of any other entity, one of whose executive officers has served on our Board or Compensation, Corporate Governance and Nominating Committee.

Our Code of Ethics

We have adopted a code of ethics, referred to as our Code of Conduct, which applies to all directors and employees, including the principal executive, financial and accounting officers. A copy of the Code of Conduct will be made available upon request directed to the executive offices of the Company and may be viewed on the Investor Relations page of on our web site www.thesba.com. In addition, we post on our website all disclosures that are required by law or NASDAQ listing standards concerning any amendments to, or waivers from, any provision of the Code. We also post on our website any amendments to, or waivers from, our Code of Conduct and Ethics that apply to our principal executive officer and principal financial and accounting officer.

The Audit Committee or the Board of Directors reviews all potential related party transactions on an ongoing basis, and all such transactions must be approved by the Audit Committee or the Board of Directors. We have not adopted written procedures for review of, or standards for approval of, these transactions, but instead the Audit Committee or the Board of Directors intends to review such transactions on a case by case basis. In addition, the Compensation, Corporate Governance and Nominating Committee or the Board of Directors reviews and approves all compensation-related policies involving our directors and executive officers.

The Company pays gross residuals to an independent sales organization (“ISO”) controlled by a major shareholder and former president of the Company, Jeffrey G. Rubin. The ISO earns gross residual payments on the merchant processing revenue generated for the Company, and in turn pays commissions to its sales representatives as well as other operating expenses. Gross residuals paid by the Company to the ISO for the years ended December 13, 2013, 2012 and 2011 were approximately \$3,636,000, \$3,155,000 and \$1,649,000, respectively. We anticipate that Mr. Rubin and his related entities will continue to earn gross residual profits on the merchant processing revenue he generates for the Company in 2014.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and executive officers and persons who own more than 10% of a registered class of our equity securities, to file with the SEC and the NASDAQ initial reports of ownership and reports of changes in ownership of Common Shares of the Company. Officers, directors and greater than 10% shareholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

To the Company’s knowledge, based solely on Forms 3 and 4, and amendments to such forms, provided to the Company by its directors and executive officers and greater than 10% shareholders during 2013, all such required reports were timely filed.

The Board has adopted a plan for compensation of non-employee directors which gives effect to the time and effort required of each of them in the performance of their duties. The individuals who served as the Company's Chief Executive Officer, Chief Financial Officer and Chief Accounting Officer during 2013, as well as the other individuals included in the Summary Compensation Table below, are referred to below as the "named executive officers."

Compensation Philosophy and Objectives

All of our compensation programs are designed to attract and retain key employees and to motivate them to achieve, and reward them for achieving, superior performance. Different programs are geared to shorter- and longer-term performance, with the goal of increasing shareholder value over the long-term. Executive compensation programs impact all employees by setting general levels of compensation and helping to create an environment of goals, rewards and expectations. Because we believe the performance of every employee is important to our success, we are mindful of the effect of executive compensation and incentive programs on all of our employees.

We believe that the compensation of our executives should reflect their success as a management team, rather than just as individuals, in attaining key operating objectives, such as growth of sales, growth of operating earnings and earnings per share and growth or maintenance of market share and long-term competitive advantage, and ultimately, in attaining an increased market price for our stock. We believe that the performance of our executives in managing our Company, considered in light of general economic and specific company, industry and competitive conditions, should be the basis for determining their overall compensation. We also believe that their compensation should not be based on the short-term performance of our stock, whether favorable or unfavorable, but rather that the price of our stock will, in the long-term, reflect our operating performance and, ultimately, the management of the Company by our executives. We seek to have the long-term performance of our stock reflected in executive compensation through our equity incentive programs, including stock options and restricted stock awards.

Role of Executive Officers in Compensation Decisions

The Compensation, Corporate Governance and Nominating Committee (sometimes referred to in this Compensation Discussion and Analysis Section of the Proxy Statement as the "Committee") supervises the design and implementation of compensation policies for all executive officers (which include the named executive officers)

and overall incentive equity awards to all employees of the Company. Decisions regarding the non-equity compensation of executive officers, other than named executive officers, are made by the Chief Executive Officer within the compensation philosophy set by the Committee. Decisions regarding the non-equity compensation of named executive officers are made by the Chief Executive Officer and the Committee for consistency with the Company's compensation policies.

The Chief Executive Officer semi-annually reviews the performance of each member of the senior executive team, including named executive officers (other than himself whose performance is reviewed by the Committee). The conclusions reached and recommendations based on these reviews, including with respect to salary adjustments and annual award amounts, are then presented to the Committee by the Chief Executive Officer. The Committee will review and approve the recommendations for consistency with the Company's compensation policies.

Setting Executive Compensation

During the course of each fiscal year, it has been the practice of the Chief Executive Officer to review the history of all the elements of each executive officer's total compensation and the Chief Executive Officer may also compare the compensation of the executive officers with that of the executive officers in an appropriate market comparison group of companies with a capitalization similar to that of the Company. We seek to set compensation levels that are perceived as fair, internally and externally, and competitive with overall compensation levels at other companies in our industry, including larger companies from which we may want to recruit employees. However, the Company does not establish individual objectives in the range of comparative data for each individual or for each element of compensation. Typically, the Chief Executive Officer sets compensation with respect to the executive officers who report to him and presents it to the Committee for conformity with the Company's overall compensation policies. The named executive officers are not present at the time of these deliberations. The Committee then performs a similar review of the Chief Executive Officer's total compensation and makes compensation decisions with respect to such officer, who does not participate in that determination.

We choose to pay each element of compensation in order to attract and retain the necessary executive talent, reward annual performance and provide incentive for balanced focus on long-term strategic goals as well as short-term performance. The amount of each element of compensation is determined by or under the direction of our Committee, which uses the following factors to determine the amount of salary and other benefits to pay each named executive officer:

- performance against corporate and individual objectives for the year;
- difficulty of achieving desired results in the coming year;
- value of their unique skills and capabilities to support long-term performance;
- performance of their general management responsibilities; and
- contribution as a member of the executive management team.

We do not establish individual goals but focus on the overall profitable growth of our business.

Based on the foregoing objectives, we have structured the Company's annual and long-term incentive-based cash and non-cash executive compensation to motivate executives to achieve the business goals set by the Company and reward the executives for achieving such goals.

There is no pre-established policy or target for the allocation between either cash or non-cash compensation. Historically we have granted a majority of total compensation to executive officers in the form of cash compensation.

For the year ended December 31, 2013, the principal components of compensation for named executive officers were:

- base salary;
- performance-based incentive compensation based on the Company's and the executive's performance; and
- retirement and other benefits made available to all employees.

Base Salary

The Company provides named executive officers and other employees with base salary to compensate them for services rendered during the fiscal year. Executive base salaries continue to reflect our operating philosophy, our performance driven corporate culture and business direction, with each salary determined by the skills, experience and performance level of the individual executive, and the needs and resources of the Company. Base salaries are targeted to market levels based on reviews of published salary surveys and the closest related peer company compensation since we do not believe that Newtek has any peer companies. Base salary ranges for named executive officers are determined for each executive based on his or her position and responsibility by using market data from published salary surveys such as Equilar, and the Company generally attempts to fix each named executive officer's salary within the range. We believe that the Company's most direct competitors for executive talent are not necessarily restricted to those companies that are included in the peer company index used to compare shareholder returns, but encompass a broader group of companies engaged in the recruitment and retention of executive talent in competition with the Company.

During the review of base salaries for senior level executives, including the named executive officers, we primarily consider:

- an internal review of each executive's compensation both individually and relative to other executive officers;
- individual performance of the executive; and
- a review of the Company's revenue growth, net income and cash flow metrics relative to the Company's annual plan as established by the Board.

Salary levels are typically considered annually as part of the Company's performance review process as well as upon a promotion or other change in job responsibility. Merit based increases to salaries are based on the Chief Executive Officer's assessment of the individual's performance. Merit based increases to the salaries of named executive officers other than the Chief Executive Officer are recommended by the Chief Executive Officer and confirmed by the Committee and those for the Chief Executive officer are determined by the Committee.

Annual Bonus

Annual bonuses may be awarded to executive officers under the Company's cash bonus plan. The Company creates a bonus pool based on an annually determined percentage of the salaries of all employees which it accrues as an expense. Payments under the plan are based on the Company's overall performance as determined by the Chief Executive Officer and the Committee. The Committee determines any bonus for the Chief Executive Officer based on, among other things, a review of the Company's revenue growth, net income and cash flow relative to the Company's annual plans as established by the Board. The Chief Executive Officer in consultation with the Committee with respect to the named executive officers, or in consultation with the named executive officers and other senior level officers with respect to lower level employees, determines annual bonuses for other employees based on such employee's performance. Factors considered include the achievement of business plans, defined goals and performance relative to other companies of a similar size and business strategy. The mix and weighting of the factors vary, depending on the business segment and the executive's responsibilities. The level of achievement and overall contribution by the executive determines the level of bonus.

Equity-Based Compensation

From time to time, at the discretion of the Committee, the Company grants equity-based awards, such as stock options or restricted stock to the named executive officers and other employees to create a clear and strong alignment between compensation and shareholder return and to enable the named executive officers and other employees to develop and maintain a stock ownership position in the company that will vest over time and act as an incentive for the employee to remain with the Company. Restricted stock and options may be granted pursuant to the Company's 2003 Stock Incentive Plan or its 2010 Stock Incentive Plan. The Company's 2000 Incentive Stock and Deferred Compensation Plan remains in existence but no additional option awards may be made under it since 2010 in accordance with its terms. During the Company's early years of operation, through approximately 2005, we relied more frequently than at present on equity-based awards due to the limited resources available to the Company

to attract and retain qualified employees and executives. During that period the Company paid very little in the form of cash bonuses using instead equity-based awards. Currently, the cash flow of the Company permits a more balanced approach, allowing a combination of cash and equity awards to implement the Company's compensation policies.

Under applicable accounting rules, we are required to measure the value of equity awards based on the fair value of the award on the grant date. The cost is recognized in our statement of operations over the period during which an employee is required to provide service in exchange for the award, which is usually the vesting period.

Options are awarded at the average of the highest and lowest sale price of the Company's Common Shares on the NASDAQ market on the date of the grant (the "Market Value"). In certain limited circumstances, the Committee may grant options to an executive at an exercise price in excess of the Market Value of the Company's Common Shares on the grant date. The Committee has never granted options with an exercise price that is less than the Market Value of the Company's common shares on the grant date, nor has it granted options which are priced on a date other than the grant date.

Options granted by the Committee typically vest over the first two to five years of the ten-year option term, although in certain cases we have granted options that have vested immediately. Vesting rights cease upon termination of employment and vested options granted prior to 2008 may be exercised within one year of termination (other than termination for cause) and those granted in 2008 and subsequent which have vested have 90 days after termination in which to exercise. Prior to the exercise of an option, the holder has no rights as a shareholder with respect to the shares subject to such option, including voting rights and the right to receive dividends or dividend equivalents.

Upon a change of control, or if earlier, the execution of an agreement to effect a change of control, all options and restricted stock awards under the Company's 2000 Incentive Stock and Deferred Compensation Plan, its 2003 Stock Incentive Plan and its 2010 Stock Incentive Plan become fully vested and immediately exercisable, notwithstanding any other provision of the plan or any agreement.

Benefits and Perquisites

Our executives are generally not entitled to benefits that are not available to all of our employees. In this regard, it should be noted that we do not provide pension arrangements, post-retirement health coverage or similar benefits for our executives or employees. The Committee periodically reviews the levels of benefits provided to executive officers. The named executive officers participate in the Company's 401(k) savings plan and other benefit plans on the same basis as other similarly situated employees. The Company has adopted a match for the Company's 401(k) savings plan which consists of a discretionary match of 50% of the first 2% of employee contributions up to a maximum of 1% of the employee's compensation. At the Company's discretion the match may be in the form of cash or Company Common Shares. In 2013, a match of \$136,976 in Common Shares was approved and paid in March 2014.

The perquisites we provided in fiscal 2013 are as follows. We paid the premiums on life insurance policies for and certain travel costs for Mr. Sloane the Chief Executive Officer in the amount of \$4,385

Compensation of the Chief Executive Officer

The Committee determined the compensation for Barry Sloane, Chairman, Chief Executive Officer and President for 2013. While recognizing the Chief Executive Officer's leadership in building a highly talented management team and in driving the Company forward, Mr. Sloane's salary was increased to \$400,000 in March 2013. Mr. Sloane earned a \$100,000 bonus for 2013 (paid in March 2014), a \$300,000 bonus earned in 2012 and paid in 2012 and a \$100,000 bonus earned in 2011 and paid in 2012. In addition Mr. Sloane received a grant of 75,000 Common Shares in 2013 which will vest in May 2016, and he received 400,000 Common Shares in 2011 that will vest in July 2014, with a value as of date of award of \$139,500 and \$680,000 respectively. The Committee has determined that this salary and bonus package is competitive with the labor market median for someone with his skills and talents and is reflective of the Company's current cash and financial position and the status of the Company's Common Shares. Mr. Sloane's base compensation had previously remained unchanged from 2005 through 2012.

Compensation of the Other Named Executive Officers

The Committee approved the 2013 compensation for Craig J. Brunet, Executive Vice President and Chief Information Officer, and Jennifer Eddelson, Executive Vice President and Chief Accounting Officer as recommended to it by the Chief Executive Officer.

Mr. Brunet's base salary was maintained at \$276,000 in 2013, 2012 and 2011. Mr. Brunet did not earn a cash bonus for 2013. In 2013 Mr. Brunet received an award of 10,000 Common Shares for services performed in 2012 which will vest in May 2016, valued at \$18,600 and a cash bonus of \$41,400 in 2012. In 2011, Mr. Brunet was awarded 50,000 Common Shares for services performed in 2010 which will vest in February 2015 valued at \$85,000 and did not receive a cash bonus.

Ms. Eddelson's base salary for 2013 and 2012 was \$240,000 and \$230,833, respectively, and \$92,500 from July 1, 2011 through December 31, 2011. Ms. Eddelson received a \$50,000 cash bonus for 2013 (paid in March 2014) and received 10,000 Common Shares which will vest in May 2016 valued at \$18,600, for services performed in 2012. In 2012 Ms. Eddelson received a cash bonus of \$50,000 and an award of 35,000 Common Shares for services performed in 2011 which vested in July 2014, valued at \$56,000. In 2011, Ms. Eddelson received a cash bonus of \$35,000 which was paid in 2012, and an award of 15,000 Common Shares for services performed in 2010 which vested in July 2014, valued at \$25,500.

Conclusion

Attracting and retaining talented and motivated management and employees is essential to creating long-term shareholder value. Offering a competitive, performance-based compensation program helps to achieve this objective by aligning the interests of the executive officers and other key employees with those of shareholders. We believe that the Company's 2013 compensation program met those objectives.

COMPENSATION RISK ASSESSMENT

Our Compensation, Corporate Governance and Nominating Committee aims to establish company-wide compensation policies and practices that reward contributions to long-term shareholder value and do not promote unnecessary or excessive risk-taking. In furtherance of this objective, the Committee conducted an assessment of our compensation arrangements, including those for our named executive officers. The assessment process included, among other things, a review of our (1) compensation philosophy, (2) compensation mix and (3) cash and equity-based incentive plans.

In its review, among other factors, the Committee considered the following:

- Our revenue model and our cash incentive plan encourage our employees to focus on creating a stable, predictable stream of revenue over multiple years, rather than focusing on current year revenue at the expense of succeeding years.
- The distribution of compensation among our core compensation elements has effectively balanced short-term performance and long-term performance.
- Our cash and equity-based incentive awards in conjunction with management efforts focus on both near-term and long-term goals.
- Our cash and equity-based incentive awards contain a range of performance levels and payouts, to discourage executives from taking risky actions to meet a single target with an all or nothing result of compensation or no compensation.
- Our executives are encouraged to hold a meaningful number of our Common Shares pursuant to our stock ownership policy.

Based upon this assessment, our Compensation, Corporate Governance and Nominating Committee believes that our company-wide compensation policies and practices do not create risks that are reasonably likely to have a material adverse effect on us.

COMPENSATION COMMITTEE REPORT

The Compensation, Corporate Governance and Nominating Committee of the Company has reviewed and discussed the foregoing Compensation Discussion and Analysis for fiscal 2013 required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation, Corporate Governance and Nominating Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

(5) These Common Shares, 35,000 awarded in 2012 for service performed in 2011, and 15,000 shares awarded in 2011 for services performed in 2010, shall vest on the earliest of the following to occur: (a) July 1, 2014; (b) a Change in Control (as defined in the plan) of the Company; or (c) His/her death or total disability.

OPTIONS EXERCISED AND STOCK VESTED

There were no stock options exercised nor restricted Common Shares vested during 2013 for the named executive officers.

Employment Agreements

The Company has entered into separate employment agreements with the following three executive officers:

- Barry Sloane, as Chairman, Chief Executive Officer and Secretary; and
- Craig J. Brunet, as Executive Vice President and Chief Information Officer; and
- Jennifer Eddelson, as Executive Vice President and Chief Accounting Officer

Barry Sloane, as Chairman and Chief Executive Officer, is responsible for implementing the policies adopted by the Company's Board of Directors.

Mr. Sloane's employment agreement provides for:

- a twelve month term through March 31, 2015 at an annual base salary of \$400,000;
- at least one annual salary review by the Board of Directors;
- participation in any discretionary bonus plan established for senior executives;
- retirement and medical plans, customary fringe benefits, vacation and sick leave; and
- \$2 million of split-dollar life insurance coverage.

Mr. Brunet's employment agreement provides for:

- a twelve month term through March 31, 2015 at an annual base salary of \$276,000;
- at least one annual salary review by the Board of Directors;
- participation in any discretionary bonus plan established for senior executives; and
- retirement and medical plans, customary fringe benefits, vacation and sick leave.

Ms. Eddelson's employment agreement provides for:

- a twelve month term through May 31, 2015 at an annual base salary of \$240,000;
- at least one annual salary review by the Board of Directors;
- participation in any discretionary bonus plan established for senior executives; and
- retirement and medical plans, customary fringe benefits, vacation and sick leave.

Payments upon Change of Control

Mr. Sloane's employment agreement provides for a payment in the event of non-renewal of his employment in an amount equal to one and one half (1.5) times, or in the case of a change of control or termination other than for cause of the agreement an amount equal to two (2) times, the sum of (i) the executive's base salary in effect at the time of termination, plus (ii) the amount of any incentive compensation paid with respect to the immediately preceding fiscal year.

Mr. Brunet's and Ms. Eddelson's employment agreements provide for a payment in the case of termination other than for cause or in connection with a change in control of the agreement equal to one (1) times the sum of (i) the executive's base salary in effect at the time of termination, plus (ii) the amount of any incentive compensation paid with respect to the immediately preceding fiscal year. Mr. Brunet's employment agreement also provides for a payment in the case of non-renewal equal to one (1) times the sum of (i) the executive's base salary in effect at the time of termination, plus (ii) the amount of any incentive compensation paid with respect to the immediately preceding fiscal year.

Each employment agreement contains a non-competition provision that requires the employee to devote substantially his full business time and efforts to the performance of the employee's duties under the agreement.

The employee is not prohibited, however, from:

- serving on the boards of directors of, and holding offices or positions in, companies or organizations which, in the opinion of the Board of Directors, will not present conflicts of interest with the Company; or
- investing in any business dissimilar from the Company's or, solely as a passive or minority investor, in any business.

Under each of the employment agreements, the Company may terminate an employee's employment for "just cause" as defined in the agreement, and upon the termination, no severance benefits are available. If the employee voluntarily terminates his employment for "good reason" as defined in the agreement, or the employee's employment terminates during the term of the agreement due to death, disability, or retirement after age 62, the employee will be entitled to a continuation of his salary and benefits from the date of termination through the remaining term of the agreement. The employee is able to terminate voluntarily his agreement by providing 60 days written notice to the Board of Directors, in which case the employee is entitled to receive only his compensation, vested rights and benefits up to the date of termination.

Post Termination Payments

The table below reflects the amount of compensation that would be payable to the executive officers under existing arrangements if the hypothetical termination of employment events described above had occurred on December 31, 2013, given their compensation and service levels as of such date. All payments are payable by the Company in a lump sum unless otherwise noted.

These benefits are in addition to benefits available regardless of the occurrence of such an event, such as currently exercisable stock options, and benefits generally available to salaried employees, such as distributions under the Company's 401(k) plan, disability benefits, and accrued vacation pay. In addition, in connection with any termination of Mr. Sloane's employment, the Company may determine to enter into an agreement or to establish an arrangement providing additional benefits or amounts, or altering the terms of benefits described below, as the Compensation, Corporate Governance and Nominating Committee deems appropriate.

The actual amounts that would be paid upon Mr. Sloane's and Mr. Brunet's termination of employment can be determined only at the time of their separation from the Company.

Nonqualified Deferred Compensation

The Company did not have any nonqualified deferred compensation in the year ended December 31, 2013

<u>Name</u>	<u>Post Termination Payments</u>		<u>Termination without Cause</u>
	<u>Change in Control</u>	<u>Non-Renewal</u>	
Barry Sloane, CEO	\$1,079,000	\$829,250	\$1,079,000

Jennifer Eddelson, EVP, CAO	\$258,600	—	\$258,600

Pension Benefits

The Company had no obligation under pension benefit plans to the named executive officers as of December 31, 2013.

Tax and Accounting Implications

Deductibility of Executive Compensation

As part of its role, the Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code, which provides that the Company may not deduct compensation of more than \$1,000,000 that is paid to certain individuals. The Company believes that compensation paid by the Company is generally fully deductible for federal income tax purposes. However, in certain situations, the Committee may, in the future, approve compensation that will not meet these requirements in order to ensure competitive levels of total compensation for its executive officers.

Accounting for Stock-Based Compensation

Beginning on January 1, 2006, the Company began accounting for stock-based payments under its three incentive stock plans in accordance with the requirements of FASB Statement 123(R).

PROPOSAL II – RATIFICATION OF INDEPENDENT AUDITORS

The Audit Committee of the Board of directors has reappointed McGladrey LLP as our independent accountants to audit our consolidated financial statements for the fiscal year ending December 31, 2014, and the Audit Committee has asked that this selection be ratified by our shareholders.

Representatives of McGladrey LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

The ratification of the selection of McGladrey LLP as our independent accountants for the fiscal year ending December 31, 2014 will require the affirmative vote of the holders of a majority of the outstanding Common Shares voted at the Annual Meeting, in person or represented by proxy. In determining whether the proposal has received the requisite number of affirmative votes, broker non-votes will be voted as instructed by the broker. In the event this Proposal is not approved, the Audit Committee will take such fact into account in selecting the Company's independent accountants for the year ending December 31, 2014 but the Audit Committee is not bound by the outcome of the vote.

THE BOARD BELIEVES THAT A VOTE FOR THE PROPOSAL TO RATIFY THE APPOINTMENT OF THE INDEPENDENT ACCOUNTANTS AS DESCRIBED ABOVE IS IN THE BEST INTERESTS OF OUR SHAREHOLDERS AND RECOMMENDS A VOTE "FOR" SUCH PROPOSAL .

REPORT OF THE AUDIT COMMITTEE

The Board of Directors, through its Audit Committee, and in accordance with its written Charter, reviews the audit function, internal controls and financial statements of the Company. The Committee consists solely of directors who are not Company employees and are considered “independent” under applicable rules of the Securities and Exchange Commission and the NASDAQ Stock Market. In 2013, the Audit Committee convened 10 times to discuss with management and the independent auditors their respective accounting, auditing and financial reporting responsibilities with respect to the fiscal years 2013 and 2012.

In connection with the December 31, 2013 financial statements of the Company, the Audit Committee: (1) reviewed and discussed the audited and interim unaudited financial statements with management; (2) discussed with the auditors the matters required by the Statement on Auditing Standards No. 61, as amended (Codification of statements on Auditing Standards, AU 380) as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T; and (3) received and discussed with the auditors the matters required by Independence Standards Board Statement No. 1. In discharging these oversight responsibilities as to the audit process, the Committee obtained from the independent auditors a formal written statement describing all relationships between the auditor and the Company that might bear on the auditors’ independence and discussed with the auditors any relationships that may impact their objectivity and independence. Based upon these procedures and discussions with Company management, the Audit Committee considered whether it was necessary to exclude McGladrey LLP from performing any work for the Company separate and apart from auditing the Company’s financial statements. After a thorough analysis, the Audit Committee concluded that at this time there was no conflict that would jeopardize auditor independence and that it is satisfied as to the auditors’ independence. The committee also discussed with management and the independent auditors the quality and adequacy of the Company’s internal controls.

The Audit Committee, with and without management present, discussed and reviewed the results of the independent auditors’ examination of the financial statements. The Audit Committee reviewed the audited financial statements of the Company as of and for the fiscal year ended December 31, 2013, with management and the independent auditors. Based upon these reviews and the resulting discussions, the Audit Committee recommended to the Board that the Company’s audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2013, for filing with the Securities and Exchange Commission.

PROPOSAL III – ADVISORY VOTE ON COMPENSATION OF NAMED EXECUTIVE OFFICERS

Pursuant to the Securities and Exchange Commission rules adopted under the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”), we are conducting a shareholder advisory vote on the compensation paid to our named executive officers. Although the vote is advisory and is not binding on the Board, the Company or the Compensation, Corporate Governance and Nominating Committee, the Compensation, Corporate Governance and Nominating Committee will take into account the outcome of the vote when considering future executive compensation decisions.

This proposal, commonly referred to as a “say-on-pay” proposal, gives shareholders the opportunity to express their views on the compensation of our named executive officers and the executive compensation philosophy, policies and programs described in this proxy statement. We ask that you support the compensation of our named executive officers as disclosed under the heading “Executive Compensation”, including the “Compensation Discussion and Analysis” section and the accompanying compensation tables and related narrative disclosure.

As described in the Compensation Discussion and Analysis section, we seek to provide a compensation package that attracts and retains executive talent and to motivate them to achieve, and reward them for achieving, superior performance. We believe that our compensation program strikes the appropriate balance between utilizing responsible, measured pay practices and effectively incentivizing our named executive officers to dedicate themselves fully to value creation for our shareholders.

You are encouraged to read the detailed information under “Executive Compensation” beginning on page 9 of this proxy statement for additional details about our executive compensation programs.

The Board strongly endorses the Company’s executive compensation program and recommends that shareholders vote in favor of the following resolution:

RESOLVED, that the shareholders of Newtek Business Services, Inc. hereby approve on an advisory basis, the compensation paid to the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K to the Company’s Proxy Statement for the 2014 Annual Meeting of Shareholders, including the Compensation Discussion and Analysis compensation tables and narrative discussion.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE APPROVAL OF THE RESOLUTION RELATED TO COMPENSATION OF NAMED EXECUTIVE OFFICERS

PROPOSAL IV – APPROVAL TO ADJOURN TO SOLICIT ADDITIONAL VOTES

The Company’s shareholders may be asked to consider and act upon one or more adjournments of the Annual Meeting, if necessary or appropriate, to solicit additional proxies in favor of any or all of the other proposals set forth in this proxy statement.

If a quorum is not present at the Annual Meeting, the Company’s shareholders may be asked to vote on the proposal to adjourn the Annual Meeting to solicit additional proxies. If a quorum is present at the Annual Meeting, but there are not sufficient votes at the time of the Annual Meeting to approve one or more of the proposals, the Company’s shareholders may also be asked to vote on the proposal to adjourn the Annual Meeting to permit further solicitation of proxies in favor of the other proposals. However, a shareholder vote may be taken on one or more of the proposals in this proxy statement prior to any such adjournment if there are sufficient votes for approval on such proposal(s).

If the adjournment proposal is approved, and the Annual Meeting is adjourned, the Board will use the additional time to solicit additional proxies in favor of any of the proposals to be presented at the Annual Meeting, including the solicitation of proxies from shareholders that have previously voted against the relevant proposal. Among other things, approval of the adjournment proposal could mean that, even though the Company may have received proxies representing a sufficient number of votes against a proposal to defeat it, the Company’s management could present the adjournment proposal for a vote of the Company’s shareholders and thereby cause the Annual Meeting to be adjourned without a vote on the proposal and seek during that period to convince the holders of those Shares to change their votes to vote in favor of the proposal. Therefore, if a shareholder voted against any or all of the other proposals set forth in this proxy statement, then such shareholder may not want to vote for this adjournment proposal.

The Board believes that, if the number of the Company’s common shares voting in favor of any of the proposals presented at the Annual Meeting is insufficient to approve a proposal, it is in the best interests of the Company’s shareholders to enable the Board, for a limited period of time, to continue to seek to obtain a sufficient number of additional votes in favor of the proposal.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE APPROVAL OF THE RESOLUTION TO APPROVE AN ADJOURNMENT.

OTHER MATTERS

The Board of Directors is not aware of any business to come before the Annual Meeting other than those matters described above in this Proxy Statement and matters incident to the conduct of the Annual Meeting. Properly executed proxies in the accompanying form that have not been revoked confer discretionary authority on the persons named therein to vote at the direction of a majority of the Board of Directors on any other matters presented at the Annual Meeting. Under SEC rules, if a shareholder does not notify the Company within a reasonable time before the date of this Proxy Statement of such shareholder’s intent to present a proposal at the

Annual Meeting, the persons named in the accompanying proxy may exercise such discretionary voting authority if the proposal is raised at the Annual Meeting, without any discussion of the matter in this Proxy Statement.

Nothing in this paragraph shall be deemed to require the Company to include in its proxy statement and proxy relating to the 2015 Annual Meeting of Shareholders, or to consider and vote upon at any such meeting, any shareholder proposal which does not meet all of the requirements established by the Securities and Exchange Commission ("SEC") or the Company's Restated Certificate of Incorporation or Bylaws in effect at the time such proposal is received.
