PROXY STATEMENT  
FOR ANNUAL MEETING OF STOCKHOLDERS  
TO BE HELD ON APRIL 28, 2004

---

**Stock Split**

*In January 2004, the Board of Directors (the "Board") of Netflix, Inc. (the "Company" or "we") approved a two-for-one stock split in the form of a stock dividend on all outstanding shares of the Company's common stock. As a result of the stock split, the Company's stockholders received one additional share for each share of common stock. The additional shares of common stock were distributed on February 11, 2004. All common share and per-share amounts in the Proxy Statement have been retroactively adjusted to reflect the stock split.*

**INFORMATION CONCERNING SOLICITATION AND VOTING**

**General**

The enclosed proxy is solicited on behalf of the Company's Board for use at the Annual Meeting of Stockholders to be held on April 28, 2004, at 10:00 a.m. local time (the "Annual Meeting"), or at any adjournment or postponement of this meeting, for the purposes set forth in this Proxy Statement and in the accompanying Notice of Annual Meeting of Stockholders. The Annual Meeting will be held at the Hilton Hotel, located at 300 Almaden Blvd., San Jose, California 95110.

We intend to mail this Proxy Statement and accompanying proxy card to stockholders on or about March 23, 2004.

**Revocability of Proxies**

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to the Company's Secretary, at the address of the Company's executive offices noted above, written notice of revocation or a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not, by itself, revoke a proxy. Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to attend and vote in person at the Annual Meeting, you must obtain from the record holder a proxy issued in your name.

**Voting and Solicitation**

Only stockholders of record at the close of business on March 4, 2004, or the Record Date, will be entitled to notice of and to vote at the Annual Meeting. At the close of business on March 4, 2004, there were 51,474,441 shares of common stock outstanding and entitled to vote. Each holder of record of shares of common stock on that date will be entitled to one vote for each share held on all matters to be voted upon at the Annual Meeting.

Proxies properly executed, duly returned to the Company and not revoked will be voted in accordance with the specifications made. Where no specifications are given, such proxies will be voted "FOR" all nominees and "FOR" all other proposals described in this Proxy Statement. It is not expected that any matters other than those referred to in this Proxy Statement will be brought before the Annual Meeting. If, however, any matter not described in this Proxy Statement is properly presented for action at the Annual Meeting, the persons named as proxies in the enclosed form of proxy will have discretionary authority to vote according to their own discretion.

The required quorum for the transaction of business at the Annual Meeting is a majority of the votes eligible to be cast by holders of shares of common stock issued and outstanding on the Record Date. Shares that are voted

---

“FOR,” “AGAINST,” “WITHHELD” OR “ABSTAIN,” or the Votes Cast, are treated as being present at the Annual Meeting for purposes of establishing a quorum. An abstention will have the same effect as a vote against a proposal. Broker non-votes will be counted for purposes of determining the presence or absence of a quorum for the transaction of business, but, such non-votes will not be counted for purposes of determining the number of Votes Cast with respect to the particular proposal on which a broker has expressly not voted, except with respect to Proposal Three, for which such broker non-votes will be treated as a vote “AGAINST” Proposal Three. Thus, a broker non-vote will not affect the outcome of the voting on a particular proposal other than Proposal Three.

The cost of soliciting proxies will be borne by the Company. In addition to soliciting stockholders by mail and through its regular employees, the Company will request that banks and brokers and other persons representing beneficial owners of the shares forward the proxy solicitation material to such beneficial owners and the Company may reimburse these parties for their reasonable out-of-pocket costs. The Company may use the services of its officers, directors and others to solicit proxies, personally or by telephone, facsimile or electronic mail, without additional compensation.

### **Stockholder Proposals**

Proposals of stockholders that are intended to be presented at our 2005 Annual Meeting of Stockholders in the proxy materials for such meeting must comply with the requirements of SEC Rule 14a-8 and must be received by our Secretary no later than November 23, 2004, in order to be included in the Proxy Statement and proxy materials relating to our 2005 Annual Meeting of Stockholders. A stockholder proposal or a nomination for director that will not be included in our Proxy Statement and proxy, but that a stockholder intends to present in person at the meeting, must generally be submitted to our Secretary no earlier than December 29, 2004, and no later than January 28, 2005.

**PROPOSAL ONE**  
**ELECTION OF DIRECTORS**

**Nominees**

Three Class II directors are to be elected at the Annual Meeting. Unless otherwise instructed, the proxy holders will vote the proxies received by them for the three nominees named below, who are presently directors of the Company. If any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for the substitute nominee designated by the present Board to fill the vacancy. It is not expected that nominees will be unable or will decline to serve as a director. The term of office of each person elected as a director at this meeting will continue until the Annual Meeting of stockholders held in 2007 or until the director's successor has been duly elected or appointed and qualified, or until his earlier resignation or removal.

### **Consideration of Director Nominees**

#### *Stockholder Nominees*

Any stockholder nominations proposed for consideration by the Nominating Committee should include the nominee's name and qualifications for Board membership. In addition, they should be submitted within the time frame as specified under "Stockholder Proposals" above and addressed to: Netflix, Inc., 970 University Avenue, Los Gatos, California 95032, Attention: Secretary.

#### *Director Qualifications*

In discharging its responsibilities to nominate candidates for election to the Board, the Nominating Committee has not specified any minimum qualifications for serving on the Board. However, the Nominating Committee endeavors to evaluate, propose and approve candidates with business experience and personal skills in technology, finance, marketing, financial reporting and other areas that may be expected to contribute to an effective Board. The Nominating Committee seeks to assure that the Board is composed of individuals who have experience relevant to the needs of the Company and who have the highest professional and personal ethics, consistent with the Company's values and standards. Candidates should be committed to enhancing stockholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Each director must represent the interests of all stockholders.

#### *Identifying and Evaluating Nominees for Directors*

The Nominating Committee utilizes a variety of methods for identifying and evaluating nominees for director. Candidates may come to the attention of the Nominating Committee through current Board members, professional search firms, stockholders or other persons. These candidates are evaluated at regular or special meetings of the Nominating Committee, and may be considered at any point during the year. As described above, the Nominating Committee considers properly submitted stockholder nominations for candidates for the Board. Following verification of the stockholder status of persons proposing candidates, recommendations are aggregated and considered by the Nominating Committee. If any materials are provided by a stockholder in connection with the nomination of a director candidate, such materials are forwarded to the Nominating Committee. The Nominating Committee also reviews materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a stockholder.

## **PROPOSAL TWO**

### **RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS**

The Board has selected KPMG LLP as the Company's independent auditors for the year ending December 31, 2004. The Company is submitting its selection of independent auditors for ratification by the stockholders at the Annual Meeting. KPMG LLP has audited the Company's financial statements since 1998. The Company expects that representatives of KPMG LLP will be present at the Annual Meeting, will have an opportunity to make a statement if they wish and will be available to respond to appropriate questions.

The Company's Bylaws do not require that the stockholders ratify the selection of KPMG LLP as the Company's independent auditors. However, the Company is submitting the selection of KPMG LLP to stockholders for ratification as a matter of good corporate practice. If stockholders do not ratify the selection, the Audit Committee will reconsider whether to retain KPMG LLP. Even if the selection is ratified, the Board and the Audit Committee in their discretion may change the appointment at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

## **Principal Accountant Fees and Services**

During 2002 and 2003, fees for services provided by KPMG LLP were as follows (rounded to the nearest \$1,000):

### *Audit Fees*

The aggregate fees billed to the Company by KPMG LLP for the audit of the Company's annual financial statements and for the review of the financial statements included in the Company's quarterly reports on Form 10-Q totaled \$190,000 and \$377,000 in 2002 and 2003, respectively.

### *Audit-Related Fees*

The Company was not billed any fees for audit-related services in 2002 or 2003.

### *Tax Fees*

The aggregate fees billed to the Company by KPMG LLP for tax compliance, tax advice and tax planning services totaled \$188,000 and \$183,000 in 2002 and 2003, respectively.

---

*All Other Fees*

The aggregate fees billed by KPMG LLP for services rendered to the Company, other than the services described above, totaled \$689,000 and \$0 in 2002 and 2003, respectively. The 2002 fees were associated with the filing of the Company's registration statement on Form S-1.

The Audit Committee has determined that the rendering of non-audit services by KPMG LLP was compatible with maintaining their independence.

**Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors**

The Audit Committee pre-approves all audit and permissible non-audit services provided by the Company's independent auditors. These services may include audit services, audit-related services, tax and other services. Pre-approval is generally provided for up to one year, and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent auditors and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis. During 2002 and 2003, all services provided by KPMG LLP were pre-approved by the Audit Committee in accordance with this policy.

**Vote Required; Recommendation of the Board**

The affirmative vote of the majority of the Votes Cast is required for approval of this proposal.

**THE BOARD UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR THE YEAR ENDING DECEMBER 31, 2004.**

**PROPOSAL THREE**  
**AMENDMENT OF THE COMPANY'S CERTIFICATE OF INCORPORATION TO**  
**INCREASE AUTHORIZED SHARES**

The Board has adopted an amendment to the Company's Certificate of Incorporation to increase the number of shares of capital stock the Company is authorized to issue from 90,000,000 (80,000,000 shares of common stock and 10,000,000 shares of preferred stock), par value \$0.001, to 170,000,000 (160,000,000 shares of common stock and 10,000,000 shares of preferred stock), par value \$0.001.

The purpose of the amendment is to allow the Company to have a sufficient number of shares of authorized and unissued common stock which can be issued in connection with such corporate purposes as may, from time to time, be considered advisable by the Board. Having such shares available for issuance in the future will give the Company greater flexibility and will allow such shares to be issued as determined by the Board without the expense and delay of a special stockholders' meeting to approve such additional authorized capital stock. Such corporate purposes could include, without limitation: the issuance of shares in connection with stock splits or stock dividends, the issuance of shares upon exercise of options granted under the Company's various stock option plans or in connection with other employee benefit plans, the issuance of shares in connection with equity financings and the issuance of shares in connection with acquisitions.

The increase in authorized common stock will not have any immediate effect on the rights of existing stockholders. However, the Board will have the authority to issue authorized common stock without requiring future stockholder approval of such issuances, except as may be required by the Certificate of Incorporation and applicable law and regulations. To the extent that the additional authorized shares are issued in the future, they

---

will decrease the existing stockholders' percentage equity ownership and, depending upon the price at which they are issued as compared to the price paid by existing stockholders for their shares, could be dilutive to the Company's existing stockholders. The holders of common stock have no preemptive rights to subscribe for or purchase any additional shares of common stock that may be issued in the future.

The increase in the authorized number of shares of common stock and the subsequent issuance of such shares could have the effect of delaying or preventing a change in control of the Company without further action by the stockholders. Shares of authorized and unissued common stock could (within the limits imposed by applicable law) be issued in one or more transactions that would make a change in control of the Company more difficult, and therefore less likely. Any such issuance of additional stock could have the effect of diluting the earnings per share and book value per share of outstanding shares of common stock, and such additional shares could be used to dilute the stock ownership or voting rights of a person seeking to obtain control of the Company. The Board is not aware of any attempt to take control of the Company and has not presented this proposal with the intention that the increase in the authorized shares of common stock be used as a type of antitakeover device.

**Vote Required; Recommendation of the Board**

The affirmative vote of a majority of the Company's outstanding shares of common stock is required for approval of this proposal.

**THE BOARD UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE AMENDMENT OF THE COMPANY'S CERTIFICATE OF INCORPORATION TO INCREASE THE AUTHORIZED SHARES.**

**SECURITY OWNERSHIP OF  
CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth certain information known to the Company with respect to beneficial ownership of the common stock as of March 4, 2004 by (i) each stockholder that the Company knows is the beneficial owner of more than 5% of the common stock, (ii) each director and nominee for director, (iii) each of the executive officers named in the "Executive Compensation" section, and (iv) all executive officers and directors as a group. The Company has relied exclusively upon information provided to the Company by its directors and executive officers and copies of documents sent to the Company that have been filed with the Securities and Exchange Commission by others for purposes of determining the number of shares each person beneficially owns. Beneficial ownership is determined in accordance with the rules and regulations of the Securities and Exchange Commission and generally includes those persons who have voting or investment power with respect to the securities. Except as otherwise indicated, and subject to applicable community property laws, the persons named in the table have sole voting and investment power with respect to all shares of the Company's common stock beneficially owned by them. Shares of the Company's common stock subject to options or warrants that are exercisable within 60 days of March 4, 2004 are also deemed outstanding for purposes of calculating the percentage ownership of that person, and if applicable, the percentage ownership of executive officers and directors as a group, but are not treated as outstanding for the purpose of calculating the percentage ownership of any other person. Unless otherwise indicated, the address for each stockholder listed in the table below is c/o Netflix, Inc., 970 University Avenue, Los Gatos, CA 95032.

Beginning in the third quarter of 2003, the Company began granting employees, including the executive officers, fully vested stock options on a monthly basis. The following table sets forth information concerning stock option grants to the executive officers during 2003. The potential realizable value is calculated based on the term of the options, which is ten years, and assumed rates of stock appreciation of 5% and 10% compounded annually. Actual gains, if any, on stock option exercises will be dependent on the future performance of the Company's common stock.

## **Employment, Severance and Change-of-Control Arrangements**

In a change in control transaction, if the options under the Company's amended and restated 1997 Stock Plan are not assumed or substituted for, each outstanding option will fully vest and become immediately exercisable. In addition, if, within 12 months of a change of control, a holder of an option under the Company's amended and restated 1997 Stock Plan is terminated involuntarily other than for cause, the vesting schedule for such holder's option will accelerate with respect to an amount of shares equal to the number of shares that would otherwise vest over the following 12 months.

In April 1999, the Board awarded Barry McCarthy an option to purchase 220,000 shares of the Company's common stock pursuant to an offer letter. One-quarter of the shares underlying Mr. McCarthy's option vested in April 2000 and 1/48th of the total shares vested each month thereafter. All of the shares underlying this option were fully vested on April 14, 2003.

In April 1999, the Board awarded Thomas R. Dillon an option to purchase 150,000 shares of the Company's common stock pursuant to an offer letter. One-quarter of the shares underlying Mr. Dillon's option vested in March 2000 and 1/48th of the total shares vested each month thereafter. All of the shares underlying this option were fully vested on April 5, 2003. In the event that Mr. Dillon's employment is terminated by the Company other than for cause, Mr. Dillon will be entitled to severance of three months continued salary and benefits.

In March 2000, the Board awarded Leslie Kilgore an option to purchase 200,000 shares of our common stock pursuant to an offer letter. One-quarter of the shares underlying Ms. Kilgore's option would vest in March 2001 and 1/48th of the total shares would vest each month thereafter. In January 2001, Ms. Kilgore's options were repriced and the terms adjusted such that one-quarter of the shares underlying Ms. Kilgore's option vested in December 2000 and 1/48th of the total shares vested each month thereafter. All of the shares underlying Ms. Kilgore's option were fully vested on December 20, 2003. In the event that Ms. Kilgore's employment is terminated by the Company other than for cause, Ms. Kilgore will be entitled to severance of three months continued salary and benefits.

### **Code of Ethics**

The Company has adopted a Code of Ethics for its directors, officers and other employees. A copy of the Code of Ethics is available on the Company's Web site at <http://ir.netflix.com>.

### **Section 16(a) Beneficial Ownership Compliance**

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than 10% of a registered class of the Company's equity securities, to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of the Company's common stock and other equity securities of the Company. ## REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Compensation Committee of the Board includes two non-employee directors. The Compensation Committee reviews and approves salaries, bonuses and other benefits payable to the Company's executive officers.

Compensation Philosophy. The Company's executive pay programs are designed to maximize shareholder value over time. The Company strongly believes that executive compensation should be directly linked to continuous improvements in corporate performance and increases in stockholder value. In this regard, the Company has adopted the following guidelines for compensation decisions:

- Provide a competitive total compensation package that enables the Company to attract and retain key executive talent;
- Align all pay programs with the Company's annual and long-term business strategies and objectives; and
- Provide variable compensation opportunities that are directly linked to the performance of the Company and that link executive reward to stockholder return.

Components of Executive Compensation. The two key components of the Company's executive compensation program in 2003 were base salary and stock options. The Company considers the value of both base salary and stock options in determining total compensation for executive officers. In determining executive compensation, the Company considers a number of factors, including overall company performance, individual performance and comparative compensation data. The Company requires that a significant portion of overall compensation be in the form of stock options so as to link executive reward with stockholder return. In the third quarter of 2003, in connection with compensation reviews for all executive officers, the Company began utilizing a monthly option grant program. Under this program, executive officers receive on a monthly basis fully vested options granted at fair market value. The Company believes that such monthly option granting aligns executive compensation with the Company's long-term business strategies and links such compensation with stockholder return.

In addition to the stock option program, executives are eligible to participate in the Company's 2002 Employee Stock Purchase Plan. The Company did not award any performance bonuses to executive officers in 2003. Other elements of executive compensation include participation in company-wide medical and dental benefits and the ability to defer compensation pursuant to a 401(k) plan.

Chief Executive Officer Compensation. The Compensation Committee used the philosophy and components described above in setting the annual compensation for the CEO, Reed Hastings. In considering Mr. Hastings' salary, the Compensation Committee not only considered these items, but also took into consideration his existing ownership of the Company's common stock, his accomplishments in developing the business strategy for the Company, and his ability to attract and retain senior management.

Section 162(m) of the Internal Revenue Code. The Compensation Committee has considered the potential impact of Section 162(m) (the "Section") of the Internal Revenue Code adopted under the Federal Revenue Reconciliation Act of 1993. The Section disallows a tax deduction for any publicly held corporation for individual compensation exceeding \$1 million in any taxable year for any of the executive officers, other than compensation that is "performance-based." The Compensation Committee concluded that the Section should not reduce the tax deductions available to the Company and that no changes to the Company's compensation program were needed in this regard. However, the Compensation Committee may from time to time approve compensation that is not deductible under this Section.

Ongoing Review. The Compensation Committee will be evaluating the Company's compensation policies on an ongoing basis to determine whether they are appropriate to attract, retain and motivate key personnel. The Compensation Committee may determine accordingly that it is appropriate to increase salaries, award additional stock options or grants of restricted stock, adjust the methods of granting long-term incentives or provide other short-term or long-term compensation to the executive officers.
