

Corporate Governance Guidelines

Corporate Governance Guidelines of Targa Resources Partners LP (Adopted February 7, 2013)

Targa Resources Partners LP (the "Partnership") is a Delaware limited partnership whose primary governance document is its First Amended and Restated Agreement of Limited Partnership, as amended from time to time (the "Partnership Agreement"), to which all of its limited partners ("Unitholders") are parties. The Partnership Agreement vests management of the Partnership in the Partnership's general partner, Targa Resources GP LLC (the "General Partner"). Unitholders have limited participation in the management of the Partnership and do not select or elect the board of directors of the General Partner (the "Board"). The basic charter document for the General Partner is its Limited Liability Company Agreement (the "General Partner Agreement"), an agreement to which Targa GP Inc. (the "Member"), the sole member of the General Partner, is the only party. The General Partner Agreement provides that the General Partner will be managed by the Board. Pursuant to these agreements, the corporate governance of the General Partner is, in effect, the corporate governance of the Partnership. The New York Stock Exchange (the "NYSE") has recognized the distinctive characteristics of partnerships in the application of NYSE listing standards regarding "corporate" governance.

In light of the foregoing, the Board has adopted the governance guidelines set forth below. These guidelines set forth certain goals and expectations of the Board, but are not intended to bind the Board in any particular circumstance or to affect the Board's obligations or authority under the Partnership Agreement, the General Partner Agreement, stock exchange rules or applicable laws and regulations.

As used herein, the term "Partnership Group" means the General Partner, the Partnership and the Partnership's subsidiaries.

Board Composition

The General Partner Agreement describes the composition of the Board, and provides that the minimum number of directors shall be one. The Member may increase or decrease the number of directors constituting the Board by resolution. The Member or the Board may elect directors to serve on the Board.

Director Qualifications

Board Membership Criteria. The Board will have at least three directors who are independent as defined under the independence standards established by the Securities and Exchange Commission (the "SEC") and the NYSE.

Director Independence. The Board will affirmatively determine annually whether each member of the Audit Committee of the Board (the "Audit Committee") is independent. In order to determine whether a director qualifies as "independent," the Board will broadly consider all relevant facts and circumstances, and will apply the standards set forth in Section 303A.02 of the NYSE Listed Company Manual.

Service on Other Boards. No director should serve on so many other public or private company boards that his or her ability to devote the time and attention to duties to the Board would be compromised. Determination of the existence of such a situation would be subject to the discretion of the Board. Directors should advise the Chief Executive Officer in advance of accepting an invitation to serve on another public company's board. No member of the Audit Committee should simultaneously serve on more than two other public company audit committees.

Director Responsibilities

General. The function of the Board is to provide guidance to and controls on the activities of the Partnership, in the exercise of the business judgment of each individual director. In discharging that obligation, directors should be entitled to rely on the honesty and integrity of the senior management of the General Partner and the Partnership and their outside advisors and auditors.

Code of Conduct. Targa Resources Corp.'s ("Targa") Code of Conduct (the "Code") sets the standards of business conduct for all officers, employees, agents and representatives and members of the board of directors of Targa and its subsidiaries, including the General Partner and the Partnership. Members of the Board are expected to comply with the Code.

Attendance and Participation. Directors are expected to attend Board meetings and meetings of committees on which they serve, and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities. Information and data that are important to the Board's understanding of the business to be conducted at a Board or committee meeting should ordinarily be distributed in writing or electronically or otherwise made available to the directors in a reasonable amount of time before the meeting and directors should review these materials in advance of the meeting.

Separation of Offices of Chairman and CEO. The Board has no policy requiring either that the positions of the Chairman of the Board, if any, and of the Chief Executive Officer¹ be separate or that they be occupied by the same individual.

Board Meetings. The Board shall meet at least four times per year. Additional meetings may be scheduled as necessary or appropriate in light of circumstances. The Chief Executive Officer and the President of the General Partner will prepare an annual schedule of meetings for the Board and the standing committees.

Meeting Agendas. The Chief Executive Officer and the President of the General Partner will together establish the agenda for each Board meeting. Each Board member is free to suggest the inclusion of items on the agenda. The Board will review the Partnership Group's long term strategic plans and the principal issues that the Partnership Group will face in the future during at least one Board meeting each year.

Meeting of Non-Management Directors. The non-management directors will meet in executive session without management participation at regularly scheduled executive sessions. The directors meeting in executive session do not constitute a committee of the Board and therefore shall not take action at such sessions, although the participating directors may make recommendations for consideration by the full Board. These meetings will be chaired by Mr. Peter Kagan or, alternatively, another director that the Board designates. If the non-management directors include directors who are not independent, the independent directors will meet separately in executive session not less than once a year.

Communication with the Public. Management, rather than the Board, should speak for the Partnership Group. At the request of management, individual Board members may, from time to time, meet or otherwise communicate with various constituencies that are involved with the Partnership Group.

Board Committees

General. Board committees will at all times include an Audit Committee and a Conflicts Committee. Each of the Audit Committee and the Conflicts Committee will have its own charter. The charters will set forth the purposes, goals and responsibilities of the committees.

Independent Advisors. The Board and each Committee of the Board shall have the authority, in their discretion and at the Partnership's expense, to retain such independent legal, financial or other advisors as they may deem necessary.

Other Committees. The Board may, from time to time, establish or maintain additional committees as necessary or appropriate. The members of all other committees will be selected based on the experience and skills of the potential members.

Committee Procedures. The chairman of each committee, in consultation with the committee members, will determine the frequency and length of the committee meetings consistent with any requirements set forth in the committee's charter. The chairman of each committee, in consultation with the appropriate members of the committee and management, will develop the committee's agenda. Each committee will keep the full Board apprised of its work, unless the circumstances otherwise warrant.

Director Access to Officers, Employees and Other Advisers.

Directors will have full and free access to officers and employees of the Partnership Group. Any meetings or contacts that a director wishes to initiate with an executive officer, the Chief Accounting Officer or the Assistant Secretary of the General Partner may be made directly by the director and any meetings or contacts with other employees will be arranged through the Chief Executive Officer, the President or the Chief Financial Officer of the General Partner. The directors will use their judgment to ensure that any such contact is not disruptive to the business operations of the Partnership Group. The Board also welcomes regular attendance at each Board meeting by executive officers of the General Partner. To the extent they consider it necessary and appropriate, directors also will have access to the Partnership Group's independent advisors using the same procedures for contact with other employees.

Director Compensation.

The Compensation Committee (the “Compensation Committee”) of Targa, the ultimate parent of the General Partner, shall review director compensation and make a recommendation to the Board regarding the form and amount of compensation for members of the Board. Directors who are employees of the Partnership Group shall not be separately compensated for their services as directors. The Partnership will reimburse all non-management directors for out-of-pocket expenses incurred in attending Board and committee meetings. The Board will consider that a director’s independence may be jeopardized if his compensation and perquisites exceed customary levels, if the Partnership Group makes substantial charitable contributions to organizations with which he is affiliated, or if the Partnership Group enters into consulting contracts with, or provides other indirect forms of compensation to, him or an organization with which he is affiliated.

Director Orientation and Continuing Education

Orientation Program. Each new director should participate in an orientation program, which should be conducted promptly after his or her initial election or appointment. This orientation will include presentations by senior management to familiarize new directors with the Partnership Group’s operations, its significant financial, accounting and risk management issues, its compliance programs, the Code, its principal officers, and its internal and independent auditors. Other directors are also welcome to attend any of these orientation programs.

Continuing Education. The Board believes it is appropriate for directors to have access to educational programs related to their duties as directors on an ongoing basis to enable them to better perform their duties and to recognize and deal appropriately with issues that arise. The Partnership Group will provide appropriate funding for any such program in which a director wishes to participate.

Chief Executive Officer Evaluation; Management Succession

CEO Evaluation. The Compensation Committee will annually review and approve corporate goals and objectives for Targa and the Partnership and evaluate the performance of the Chief Executive Officer in light of those goals and objectives.

CEO Succession. At least once each year, the Board will review Chief Executive Officer succession planning, including succession planning in the event of an emergency or the retirement of the Chief Executive Officer, and to identify plausible succession needs and scenarios. In addition, the Chief Executive Officer will share his evaluation of potential Chief Executive Officer successors identified within and outside the organization and his recommendations with respect to specific scenarios posed by the Board.

Other

Board Performance Evaluations. The Board will conduct an annual self-evaluation to determine whether it and its committees are functioning effectively.

Review of Guidelines. The Board will review these guidelines periodically, in light of the self-evaluation of the Board as well as regulatory developments.

Footnote

¹If there is no Chief Executive Officer, any references to Chief Executive Officer shall include the President or any such other person performing the functions of the chief executive officer.
