PROXY STATEMENT

This proxy statement contains information relating to the annual meeting of NGP Capital Resources Company (“we,” “us” or “our”) to be held on Wednesday, May 14, 2008 beginning at 10:30 a.m., local time, at The Coronado Club, The Houston Room, 919 Milam, 5th Floor, Houston, Texas 77002, and at any postponements or adjournments thereof, and is furnished in connection with the solicitation of proxies by the Board of Directors to be voted at the annual meeting. This proxy statement and accompanying proxy card are first being mailed to stockholders on or about April 16, 2008.

We encourage you to vote your shares, either by voting in person at the meeting or by granting a proxy (i.e., authorizing someone to vote your shares). If you properly sign and date the accompanying proxy card, and we receive it in time for voting at the meeting, the persons named as proxies will vote your shares in the manner that you specify. **If you give no instructions on the proxy card, the shares covered by the proxy card will be voted FOR the election of the nominee as director and in the discretion of the persons named as proxies in connection with any other matter which may properly come before the meeting or any postponement or adjournment thereof.**

You may change your proxy instructions at any time prior to the vote at the annual meeting. You may accomplish this by submitting a properly executed, later-dated proxy, (which automatically revokes the earlier proxy instructions) or by attending the annual meeting and voting in person. Attendance at the annual meeting will not cause your previously granted proxy to be revoked unless you specifically so request.

Shares held directly in your name as the stockholder of record may be voted in person at the annual meeting. If you choose to do so, please bring the enclosed proxy card and proof of identification. Shares held beneficially in street name (that is, through a broker, bank, or other nominee) may be voted in person by you only if with respect to those shares, you obtain a signed proxy from the record holder (your broker, bank or other nominee is considered the stockholder of record) giving you the right to vote the shares. In addition, you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date.

If you receive more than one proxy or voting instruction card, it means your shares are registered differently or are in more than one account. Please provide voting instructions for all proxy and voting instruction cards you receive. We will announce preliminary voting results at the annual meeting and publish the final results in our quarterly report on Form 10-Q for the quarter ended June 30, 2008.

Cameras, recording devices, and other electronic devices will not be permitted at the meeting. Each stockholder may be asked to present valid identification.

Purpose of Meeting

At our annual meeting, stockholders will be asked to vote upon the election of one Class I director to serve until the 2011 annual meeting of stockholders and such other business which may properly come before the meeting or any postponement or adjournment thereof. In addition, our management will report on our performance during 2007 and respond to questions from stockholders.

Voting Securities

Only stockholders of record at the close of business on March 17, 2008, the record date for the meeting, are entitled to receive notice of and to participate in the annual meeting. If you were a stockholder of record on that

date, you will be entitled to vote all of the shares that you held on that date at the meeting or any postponements or adjournments thereof. There were 17,500,332 shares of our common stock outstanding on the Record Date. Each share of the common stock is entitled to one vote.

Quorum Required

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of stock outstanding on the Record Date will constitute a quorum. Shares held by a broker or other nominee for which the nominee has not received voting instructions from the record holder and does not have discretionary authority to vote the shares on certain proposals (which are considered ‘broker non-votes’ with respect to such proposals) will be treated as shares present for quorum purposes.

Vote Required

Election of Directors. The election of a director requires the vote of a majority of the shares of stock outstanding. Stockholders may not cumulate their votes. If you vote ‘Withhold Authority’ with respect to a nominee, your shares will not be voted with respect to the person indicated. Because directors are elected by a majority of the votes, votes to withhold authority and broker non-votes will have the effect of a vote against a nominee.

Other Items. For each other item, the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on the item will be required for approval. A properly executed proxy marked ‘Abstain’ with respect to any such matter will not be voted in favor of or against such matter, although it will be counted as voted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

Additional Solicitation. If there are not enough votes to approve the proposal at the meeting, the stockholders who are represented in person or by proxy may adjourn the meeting to permit the further solicitation of proxies. The persons named as proxies will vote proxies held by them for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

A stockholder vote may be taken on one of the proposals in this Proxy Statement prior to any such adjournment if there are sufficient votes for approval of such proposal.

Information Regarding This Solicitation

The proxies being solicited hereby are being solicited by our Board of Directors. The cost of soliciting proxies in the enclosed form will be paid by us. Our officers and regular employees and NGP Investment Advisor, LP, our manager, and NGP Administration, LLC, our administrators, may, but without compensation other than their regular compensation, solicit proxies by further mailing or personal conversations, or by telephone, telex, facsimile, or electronic means. Copies of solicitation material will be furnished to brokerage houses, fiduciaries and custodians to forward to beneficial owners of stock held in the name of such nominees. We will, upon request, reimburse brokerage firms and others for their responsible expenses in forwarding solicitation material to the beneficial owners of stock.

Security Ownership of Certain Beneficial Owners and Management

As of the Record Date, to our knowledge, there were no persons that owned 25% or more of the outstanding voting securities, and no person would be deemed to control us, as such term is defined in the Investment Company Act of 1940 (the ‘1940 Act’).

Our directors are divided into two groups—interested directors and independent directors. Interested directors are “interested persons” of us, as defined in the 1940 Act.

Based on a review of filings with the Securities and Exchange Commission (“SEC”), we are aware of the following beneficial owners of more than 5% of the outstanding shares of our common stock: Williams, Jones & Associates, LLC, and Burgundy Asset Management Ltd.

The following table shows the amount of our common stock beneficially owned (unless otherwise indicated) as of March 14, 2008, by (1) any person known to us to be the beneficial owner of more than 5% of the outstanding shares of our common stock, (2) each of our directors and nominees for director, (3) our chief executive officer and certain other executive officers and (4) all directors and executive officers as a group. The number of shares beneficially owned by each entity, person, director, or executive officer is determined under the rules of the SEC and the information is not necessarily indicative of beneficial ownership for any other purpose. Under such rules, beneficial ownership includes any shares as to which the individual has the sole or shared voting power or investment power and also any shares that the individual has the right to acquire within 60 days of March 14, 2008, through the exercise of any stock option or other right. Unless otherwise indicated, each person has the sole investment and voting power, or shares such powers with his spouse, with respect to the shares set forth in the table.

Unless otherwise noted below, the address of each person listed in the table below is 1221 McKinney Street, Suite 2975, Houston, Texas 77010.

PROPOSAL I—ELECTION OF DIRECTORS

Our restated articles of incorporation provide that we will have five directors, which number may be increased or decreased by the Board pursuant to our bylaws. There are currently five directors, including three independent directors.

The Board is divided into three classes, which we refer to as Class I, Class II and Class III directors. The term of our Class I director, Mr. Edward W. Blessing, expires at the 2008 annual meeting of our stockholders, the terms of our Class II directors, Mr. David R. Albin and Mr. Lon C. Kile, expire at the 2009 annual meeting of our stockholders, and the terms of our Class III directors, Mr. Kenneth A. Hersh and Mr. James R. Latimer, III, expire at the 2010 annual meeting of our stockholders. At each annual meeting of stockholders, a class of directors is elected for a term expiring at the annual meeting in the third year following the year of election. Each director holds office until his successor is elected and qualified.

Mr. Edward W. Blessing has been nominated by the Board to stand for reelection at the meeting to hold office until the 2011 annual meeting of our stockholders. In the election of the director, you may vote “For” the nominee or your vote may be “Withheld” with respect to the nominee. If you sign your proxy card or broker voting instruction card with no further instructions, your shares will be voted in accordance with the recommendations of the Board. The nominee has consented to serve if elected. As of the mailing of these proxy materials, the Board knows of no reason why the nominee would be unable to serve as a director. If, at the time of the annual meeting, the nominee is unable or unwilling to serve as a director, it is intended that the persons named as proxies will vote to elect a substitute nominee designated by the Board.

The Board unanimously recommends that each stockholder vote “FOR” the election of Mr. Blessing as a Class I director. The affirmative vote of the holders of a majority of the shares of stock outstanding and entitled to vote thereon is required to elect a Class I director.

Certain information with respect to the Class I nominee for election at the meeting, as well as each of the other directors, is set forth below, including their names, ages, a brief description of their recent business experience, including present occupations and employment, certain directorships that each person holds, and the year in which each person became a director. Meetings of the Board of Directors and Committees

The Board provides overall guidance and supervision with respect to our operations and performs the various duties imposed on the directors of business development companies by the 1940 Act. Among other things, the Board supervises our management arrangements, the custodial arrangements with respect to portfolio securities, the selection of accountants, fidelity bonding, and transactions with affiliates. All actions taken by the Board are taken by majority vote unless a higher percentage is required by law or unless the 1940 Act or our restated articles of incorporation or bylaws require that the actions be approved by a majority of the directors who are not “interested persons” (as defined in the 1940 Act).

During 2007, the Board met nine times and took action one time by written consent in lieu of meeting. Each director attended at least 75% of all meetings held by the Board or the committees of the Board on which he served. We have adopted a policy about directors’ attendance at the annual meeting of stockholders, which states that we expect our directors to attend the annual meetings of our stockholders.

The Board has four standing committees: an Audit Committee, a Nominating and Corporate Governance Committee, a Compensation Committee, and a Valuation Committee. The members of the Board of Directors on the date of this proxy statement and the committees of the Board on which they serve, are identified below.

There are no family relationships between any of the nominees or between any of the nominees and any of our executive officers.

Audit Committee . The functions of the Audit Committee are described below under the heading “Report of the Audit Committee.” The charter of the Audit Committee sets forth the responsibilities of the Audit Committee, which include selecting or retaining each year an independent registered public accounting firm (the “auditors”) to audit our accounts and records; reviewing and discussing with management and the auditors our annual audited financial statements, including disclosures made in management’s discussion and analysis, and recommending to the Board of Directors whether the audited financial statements should be included in our annual report on Form 10-K; reviewing and discussing with management and the auditors our quarterly financial statements prior to the filings of our quarterly reports on Form 10-Q; pre-approving the auditors’ engagement to render audit and/or permissible non-audit services; and evaluating the qualifications, performance and independence of the auditors.

Each member of the Audit Committee is independent within the meaning of SEC regulations and the Nasdaq Global Select Market qualitative listing requirements and is able to read and understand fundamental financial statements, including the statement of net assets, statement of operations, statement of changes in net assets, and cash flow statement. No member of the Audit Committee has participated in the preparation of the financial statements at any time during the past three years. Mr. Latimer, the chair of the Committee, is qualified as an audit committee financial expert within the meaning of SEC regulations and the Board has determined that he has past experience in finance or accounting that results in his financial sophistication within the meaning of the Nasdaq Global Select Market qualitative listing requirements. The charter of the Audit Committee is available on our website (www.ngpcrc.com). The Audit Committee met five times during 2007.

Compensation Committee. The function of the Compensation Committee is to review and approve the compensation of our investment advisor relative to performance pursuant to an investment advisory agreement dated November 9, 2004, or, if we cease to have a separate investment advisor and directly compensate our executive officers, the compensation of our Executive Officers relative to performance. The charter of the Compensation Committee is available on our website (www.ngpcrc.com). The Compensation Committee met two times during 2007. All members of the Committee are independent within the meaning of SEC regulations and the Nasdaq Global Select Market qualitative listing requirements.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is responsible for developing and implementing policies and practices relating to corporate governance. The Committee selects individuals for nomination to the Board of Directors. In addition, the Committee develops and reviews background information on candidates for the Board and makes recommendations to the Board regarding such candidates. The Committee also prepares and supervises the Board's annual review of director independence. The Committee also reviews and may make recommendations to the Board relating to those issues that pertain to the effectiveness of the Board in carrying out its responsibilities in governing us and overseeing our management. The charter of the Nominating and Corporate Governance Committee is available on our website (www.ngpcrc.com). The Committee met three times during 2007.

The Nominating and Corporate Governance Committee considers candidates for Board membership suggested by its members and other Board members, as well as management and stockholders. A stockholder who wishes to recommend a prospective nominee for the Board should notify our Secretary or any member of the Nominating and Corporate Governance Committee in writing in care of NGP Capital Resources Company, 1221 McKinney Street, Suite 2975, Houston, Texas 77010. To be considered by the Nominating and Corporate Governance Committee, stockholder nominations must be submitted before the fiscal year-end and must be accompanied by a description of the qualifications of the proposed candidate and a written statement from the proposed candidate that he or she is willing to be nominated and desires to serve if elected. The Committee will also consider whether to nominate any person nominated by a stockholder pursuant to the provisions of our bylaws relating to stockholder nominations as described in "*Additional Information—Advance Notice Procedures*," below. Nominees for director who are recommended by stockholders will be evaluated in the same manner as any other nominee for director.

Once the Nominating and Corporate Governance Committee has identified a prospective nominee, the Committee makes an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination is based on whatever information is provided to the Committee with the recommendation of the prospective candidate, as well as the Committee's own knowledge of the prospective candidate, which may be supplemented by inquiries to the person making the recommendation or others. The preliminary determination is based primarily on the need for additional Board members to fill vacancies or expand the size of the Board and the likelihood that the prospective nominee can satisfy the evaluation factors considered by the Committee. If the Committee determines, in consultation with the other Board members as appropriate, that additional consideration is warranted, it may gather additional information about the prospective nominee's background and experience. The Chairman of the Committee and the Chairman of the Board will then interview a qualified candidate. A qualified candidate is then invited to meet the remaining members of the Committee and the other directors. The Committee then determines, based on the background information and information obtained in interviews, whether to recommend to the Board that a candidate be nominated to the Board.

The Committee believes a prospective nominee for director should, at a minimum, satisfy the following standards and qualifications and evaluates prospective nominees accordingly:

- the ability of the prospective nominee to represent the interests of our stockholders;
- the prospective nominee's standards of integrity, commitment, and independence of thought and judgment;

- the prospective nominee’s ability to dedicate sufficient time, energy, and attention to the diligent performance of his or her duties, including the prospective nominee’s service on other public company boards; and
- the extent to which the prospective nominee contributes to the range of talent, skill, and expertise appropriate for the Board.

The Committee also considers such other relevant factors as it deems appropriate, including the current composition of the Board, the balance of management and independent directors, and the need for Audit Committee expertise. After completing this evaluation and interview, the Committee makes a recommendation to the full Board as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the Committee.

All of the members of the Committee are independent within the meaning of SEC regulations and the Nasdaq Global Select Market qualitative listing requirements. No member of the Committee is an “interested person” as defined in the 1940 Act.

Valuation Committee. The function of the Valuation Committee is to aid the Board in fair value pricing debt and equity securities that are not publicly traded or for which current market valuations are not readily available. The Committee met five times during in 2007.

Communications with the Board

We provide a means for our stockholders to communicate with the Board. At the direction of the Board, all mail received will be opened and screened for security purposes. The mail will then be logged in. All mail, other than trivial or obscene items, will be forwarded to the attention of the addressee. Trivial items will be delivered to the directors at the next scheduled Board meeting. Mail addressed to a particular director will be forwarded or delivered to that director. Mail addressed to “Outside Directors,” “Independent Directors,” or “Non-Management Directors” will be forwarded or delivered to the Independent Directors. Mail addressed to the “Board of Directors” will be forwarded or delivered to the Chairman of the Board. We are a Maryland corporation subject to the provisions of the Maryland General Corporation Law. Our day-to-day operations and requirements as to the place and time, conduct, and voting, at a meeting of stockholders are governed by our restated articles of incorporation and bylaws, the provisions of the Maryland General Corporation Law, and the provisions of the 1940 Act. A copy of the restated articles of incorporation and bylaws, corporate governance guidelines, and the charters of the Audit, Compensation, and Nominating and Corporate Governance Committees may be obtained by writing to the Corporate Secretary, 1221 McKinney Street, Suite 2975, Houston, Texas 77010.

Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics that applies to our principal executive officer, principal financial officer, principal accounting officer, and all employees, officers and directors. We have posted a copy of its code of ethics on our website (www.ngpcrc.com).

Independent Directors

The Board undertook its annual review of director independence in January 2008. During this review, the Board considered transactions and relationships between each director or any member of his immediate family and us. The Board also examined transactions and relationships between directors or their affiliates and members of our senior management or their affiliates. The purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent. As a result of this review, the Board affirmatively determined that all of the directors are independent of us and our management with the exception of David R. Albin and Kenneth A. Hersh. Messrs. Albin and Hersh are considered inside directors because of their employment as senior executives and owners of NGP Energy Capital Management, LLC, which is the sole limited partner of NGP Investment Advisor, LP, the manager.

COMPENSATION DISCUSSION AND ANALYSIS

Our executive officers do not receive any direct compensation from us. We do not currently have any employees and do not expect to have any employees. Services necessary for our business are provided by individuals who are employees of our manager, NGP Investment Advisor, LP (“NGPIA”), and our administrator, NGP Administration, LLC (“NGPA”), pursuant to the terms of our investment advisory agreement and our administration agreement. Each of our executive officers is an employee of NGPA. Our day-to-day investment operations are managed by our investment adviser. Most of the services necessary for the origination and administration of our investment portfolio are provided by investment professionals employed by NGPA. In addition, we reimburse NGPA for our allocable portion of expenses incurred by it in performing its obligations under the administration agreement, including our allocable portion of the cost of our officers and their respective staffs.

Under our investment advisory and management agreement, our investment adviser earned approximately \$6.9 million in fees for the year ended December 31, 2007. In addition, during 2007, we reimbursed NGPA approximately \$2.4 million in connection with our allocable portion of certain expenses under the administration agreement.

Investment Advisory and Administration Agreements

We have entered into an investment advisory agreement with our manager, NGP Investment Advisor, LP, an administration agreement with the administrator, NGP Administration, LLC. Each of our executive officers, Messrs. Homier, Gardner and Plato are also officers of the manager and the administrator. In addition, two of our directors, Messrs. Hersh and Albin have direct and indirect ownership interests in the manager and the administrator.

Indemnity Agreements

We have entered into indemnity agreements with certain officers and directors which provide, among other things, that we will indemnify such officer or director, under the circumstances and to the extent provided for therein, for expenses, damages, judgments, fines, liabilities, losses, penalties, excise taxes and amounts paid in settlement he may be required to pay in actions or proceedings which he is or may be made a party by reason of his position as a director or officer, and otherwise to the fullest extent permitted under Maryland law and our Certificate of Incorporation and Bylaws. In addition, the investment advisory agreement provides that, absent willful misfeasance, bad faith or gross negligence in the performance of its duties or by reason of the reckless disregard of its duties and obligations, the manager, its partners and the managers' and its partners' respective officers, managers, partners, agents, employees, controlling persons, members and any other person or entity affiliated with it are entitled to indemnification from us for any damages, liabilities, costs and expenses (including reasonable attorneys' fees and amounts reasonably paid in settlement) arising out of or otherwise based upon any of the manager's duties or obligations under the investment advisory agreement or otherwise as our investment adviser.

Section 16(a) Beneficial Ownership Reporting Compliance

Under the federal securities laws, our directors, executive (and certain other) officers, and any persons holding more than ten percent of our common stock are required to report their ownership of our common stock and any changes in that ownership to us and the SEC. Specific due dates for these reports have been established by regulation and we are required to report in this proxy statement any failure to file by these dates in 2007. Based upon a review of filings with the SEC and written representations of our directors, officers and ten percent holders that no other reports were required, we believe that all of the directors and executive officers complied during 2007 with the reporting requirements of Section 16(a) of the Securities Exchange Act of 1934 and as of March 14, 2008, are current in their filings.

Information about the Audit Committee and the Principal Accountant

Report of the Audit Committee

The following report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other filing by us under the Securities Act of 1933, Securities Exchange Act of 1934, or the 1940 Act, except to the extent that we specifically incorporate this Report by reference therein.

The Audit Committee is responsible for the selection and engagement of our independent auditors; the review and pre-approval of both the audit and non-audit work of our independent public accountants; and the review of our compliance with regulations of the SEC and the Internal Revenue Service, and other related matters. We adopted an Audit Committee Charter on August 12, 2004. The full text of the Committee's charter is available on our website (www.ngpcrc.com).

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, including in respect of auditor independence. Members of the Committee rely without independent verification on the information provided to them and on representations made by management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of our financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are prepared in accordance with generally accepted accounting principles or that our auditors are in fact "independent."

The Committee schedules its meetings with a view to ensuring that it devotes appropriate attention to all of its duties. The Committee's meetings include, whenever appropriate, executive sessions with our independent auditor without the presence of management.

As part of its oversight of our financial statements, the Committee reviews and discusses with both management and our independent auditor all annual and quarterly financial statements prior to their issuance. During 2007, management advised the Committee that each set of financial statements reviewed had been prepared in accordance with generally accepted accounting principles, and reviewed significant accounting and disclosure issues with the Committee. These reviews included discussions with PricewaterhouseCoopers LLP of matters required to be disclosed pursuant to Statement of Auditing Standards No. 61 (*Communication with Audit and Finance Committees, as amended*) and 90 (*Audit Committee Communications*), including the quality of our accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The Committee also discussed with PricewaterhouseCoopers LLP matters relating to its independence, including a review of audit and non-audit fees and the written disclosure required by Independence Standards Board Standard No. 1 (*Independence Discussions with Audit Committee, as amended*).

Based on the review and discussions noted above, the Audit Committee recommended to the Board that the Board approve the inclusion of our audited financial statements for the year ended December 31, 2007, in our Annual Report on Form 10-K for the year ended December 31, 2007, for filing with the Securities and Exchange Commission.

Relationship with Independent Accountants

The Audit Committee selected the accounting firm of PricewaterhouseCoopers LLP (“PWC”) to audit our financial statements for, and otherwise act as our independent accountants with respect to the fiscal year ending December 31, 2007. PWC is the largest accounting firm in the world and the largest auditor of investment companies. Given PWC’s experience and presence in the accounting profession and in our industry, the Audit Committee (composed entirely of independent directors) determined that it was not necessary to submit the selection of PWC as our auditor to our stockholders for ratification. If, in the future, the Board of Directors or the Audit Committee has any significant question as to PWC’s ability to serve as our auditor, the Audit Committee would either seek to engage another accounting firm or, if the committee nevertheless elects to retain PWC as our auditor, the Board would seek ratification of the selection of PWC by our stockholders.

Effective April 19, 2005, the Audit Committee dismissed KPMG LLP as its principal accountant and engaged PWC as its new independent auditors for the fiscal year ending December 31, 2005. After careful consideration, the Audit Committee determined that it was in our best interests and the best interests of our stockholders to select PWC to serve as our independent auditors for the fiscal year ending December 31, 2005. The Audit Committee based its decision, in part, upon PWC’s position as the largest accounting firm in the world and its considerable experience with investment companies.

KPMG LLP’s reports on our consolidated financial statements for the fiscal year ended December 31, 2004 did not contain an adverse opinion or disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope or accounting principles.

In connection with the audit of the company’s financial statements for the year ended December 31, 2004, there were no disagreements with KPMG LLP on any matters of accounting principles or practices, financial statement disclosure, or auditing scope and procedures which, if not resolved to the satisfaction of KPMG LLP, would have caused KPMG LLP to make reference to the matter in its report. There were no “reportable events” as that term is described in Item 304(a)(1)(v) of Regulation S-K.

Since the commencement of our operations on August 6, 2004 and through the date of our appointment of PWC, we did not consult with PWC regarding any of the matters or events set forth in Item 304(a)(2) of Regulation S-K. Since the commencement of our operations on August 6, 2004 through April 16, 2008, there have been no “reportable events” as described in Item 304(a)(1)(v) of Regulation S-K.

Representatives of PWC are expected to be present at the Annual Meeting, will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Audit Fees, Audit-Related Fees, Tax Fees and All Other Fees

The following table represents aggregate fees billed to us for the fiscal year ended December 31, 2007 by PWC, our principal accountant.

	Fiscal Year Ended	Fiscal Year Ended
	December 31, 2006	December 31, 2007
Audit Fees	291,050	318,700
Audit-related Fees	10,000	10,000
Tax Fees	34,850	73,800
All Other Fees	-0-	-0-

All of the audit-related and tax compliance consultation services were pre-approved by the Audit Committee. The Audit Committee has considered whether the provisions of non-audit services by PWC to us, our manager, and NGP Administration, LLC compatible with maintaining PWC’s independence in the conduct of its auditing functions. In connection with PWC’s audit of our financial statements for 2007, the Board pre-approved a fee of \$309,000.

There were no non-audit services billed by PWC to the manager or the administrator. In addition, PWC did not provide any non-audit services to any entity controlling, controlled by, or under common control with the manager.

The Audit Committee's procedure is to approve prior to commencement of the engagement or project all audit and permitted non-audit services (including the fees and terms thereof) to be performed by the independent auditor for us, for the manager on our behalf, and for any entity controlling, controlled by, or under common control with the manager on our behalf, subject to the de minimis exception for non-audit services set forth in Rule 2-01(c)(7)(i)(C) of Regulation S-X that are approved by the Audit Committee before completion of the audit. In pre-approving all audit services and permitted non-audit services provided by the independent auditor, the Audit Committee or a delegated member must consider whether the provision of the permitted non-audit services is compatible with maintaining the independence of, and its status as, our independent auditor.

Our portfolio companies may engage the independent auditor to perform audit and other services. We do not participate in the selection or appointment of the independent auditor by our portfolio companies.

Audit services include those typically associated with the annual audit such as evaluation of internal controls. Non-audit services include certain services that are audit-related such as consultations regarding financial accounting standards and reporting standards and tax services. Certain services may not be provided by the independent auditor to us without jeopardizing the auditor's independence. These services are deemed prohibited services and include certain management functions; human resources services; broker-dealer, investment adviser, or investment banking services; legal services; and expert services unrelated to the audit. Other services are conditionally prohibited and may be provided if the Audit Committee reasonably concludes that the results of the services will not be subject to audit procedures during an audit of our financial statements. These types of services include bookkeeping, financial information systems design and implementation, valuation services, and internal audit outsourcing services.

Audit services performed by PWC during the most recent fiscal year included examination of the our financial statements and review of filings with the SEC. PWC will prepare our tax returns for the year ended December 31, 2007.
