## Insight Recognized as HPE North America NSP Partner of the Year

### The award distinguishes Insight's outstanding performance in providing transformative networking solutions to businesses

TEMPE, Ariz., June 22, 2017 (GLOBE NEWSWIRE) -- Insight (NASDAQ:NSIT), a global technology solutions provider, announced it has been named the winner of the [HPE North America Network Service Provider \(NSP\) Partner of the Year 2017 award](#) for Hewlett Packard Enterprise. Awards were distributed during the North America Regional Session at the HPE Global Partner Summit in Las Vegas on Monday, June 5.

"The Insight and HPE story is really powerful. Our mutual clients are working hard to manage mobile and IoT, among other innovations, to engage customers and the workforce more effectively; and that means organizations need to implement a [full-service IT solution that scales](#) and runs smarter. Insight and HPE are helping our clients build future-ready environments to manage their technology ecosystem today, so their business can simultaneously be transforming for what's next," said Bob Kane, senior vice president of product management at Insight.

"The HPE and Insight partnership enables us to help our clients accelerate innovation and succeed in today's era of digital disruption," said Scott Dunsire, VP & GM North America Channels & SMB, HPE. "We congratulate Insight on winning HPE North America NSP Partner of Year and look forward to our continued work to deliver agile solutions that answer time-to-market and cost requirements."

The 2017 HPE Partner of the Year Awards recognize HPE business partners' outstanding performance and accomplishments that raise the standard for business excellence and customer satisfaction. Winners are chosen for their excellent financial performance and driving meaningful business results for Insight and HPE's shared customers.

[Insight's partnership with HPE technology](#) helps clients turn ideas into value. From traditional IT [environments](#) to cloud-enabled infrastructure, [Insight and HPE work together](#) to support organizations in every aspect of their transformation for the future of their business.
