On March 27, 2017, the Company filed an amendment (the "Form 10-K/A") to its Annual Report on Form 10-K for the year ended December 31, 2014. The Form 10-K/A included restated financial statements as of and for the year ended December 31, 2014. The Company is working diligently to complete its previously announced restatement of prior period financial statements, transition to a new independent registered public accounting firm and complete its 2015 and 2016 financial statements as well as its first quarter 2017 ("Q1 2017") financial statements, so that the Company will be in a position to bring its filings with the Securities and Exchange Commission ("SEC") up to date.

The Company will require additional time to complete its 2015 and 2016 financial statements and its unaudited Q1 2017 financial statements. The specific date of the filing of the Q1 2017 Quarterly Report is not yet known, but the Company currently does not expect to file the Q1 2017 Quarterly Report within the extension period of five calendar days provided under Rule 12b-25 of the Securities Exchange Act of 1934, as amended.
