OSI Systems Receives \$20 Million Order to Provide Spare Parts for Cargo and Vehicle Inspection Systems

HAWTHORNE, Calif.--(BUSINESS WIRE)-- OSI Systems, Inc. (NASDAQ: OSIS) today announced that its Security division has received an order from a valued customer for \$20 million to provide spare parts to support Z-Backscatter® cargo and vehicle inspection (CVI) systems.

OSI Systems' Chairman and CEO, Deepak Chopra, commented, "We are excited to receive this order and support this customer's mission to provide security for people and critical infrastructure. This award was received on the final day of our fourth quarter and wrapped up a very strong quarter of Security division bookings."

About OSI Systems, Inc.

OSI Systems, Inc. is a vertically integrated designer and manufacturer of specialized electronic systems and components for critical applications in the homeland security, healthcare, defense and aerospace industries. We combine more than 40 years of electronics engineering and manufacturing experience with offices and production facilities in more than a dozen countries to implement a strategy of expansion into selective end product markets. Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements relate to OSI Systems' current expectations, beliefs, projections and similar expressions concerning matters that are not historical facts and are not guarantees of future performance. Forward-looking statements involve uncertainties, risks, assumptions and contingencies, many of which are outside OSI Systems' control that may cause actual results to differ materially from those described in or implied by any forward-looking statements. All forward-looking statements are based on currently available information and speak only as of the date on which they are made. OSI Systems assumes no obligation to update any forward-looking statement made in this press release that becomes untrue because of subsequent events, new information or otherwise, except to the extent it is required to do so in connection with its ongoing requirements under Federal securities laws. For a further discussion of factors that could cause OSI Systems' future results to differ materially from any forward-looking statements, see the section entitled "Risk Factors" in OSI Systems' Annual Report on Form 10-K for the year ended June 30, 2016 and other risks described therein and in documents filed by OSI Systems from time to time with the Securities and Exchange Commission.
