PCTEL to Present at the 18th Annual B. Riley & Co. Investor Conference

BLOOMINGDALE, Ill.--(BUSINESS WIRE)-- PCTEL, Inc. (Nasdaq:PCTI), a leader in **Performance Critical TELEcom** solutions, announced today that David Neumann, PCTEL's CEO, and John Schoen, Senior Vice President and CFO, will present at the 18th Annual B. Riley & Co. Investor Conference on Wednesday, May 24th, 2017 at the Loews Santa Monica Beach Hotel in Santa Monica, California. PCTEL's presentation is scheduled to begin at 4:00 p.m. PDT.

The presentation will be webcast live and will be archived for 90 days. The webcast can be accessed at <http://www.wsw.com/webcast/brileyco18/pcti>, or in the investor relations section of the company's website at www.pctel.com.

About PCTEL

PCTEL delivers **Performance Critical TELEcom** technology solutions to the wireless industry. We are the leading global supplier of antennas and wireless network testing solutions. [PCTEL Connected Solutions](#) designs and manufactures precision antennas. PCTEL antennas are deployed in small cells, enterprise Wi-Fi access points, fleet management and transit systems, and in equipment and devices for the Industrial Internet of Things (IIoT). [PCTEL RF Solutions](#) provides test tools and engineering services that improve the performance of wireless networks globally. Mobile operators, neutral hosts, and equipment manufacturers rely on PCTEL to analyze, design, and optimize next generation wireless networks.
