PGT, Inc. Subsidiary to Acquire US Impact Systems

Business Dedicated to Commercial Market

NORTH VENICE, Fla., Sept. 06, 2016 (GLOBE NEWSWIRE) -- PGT, Inc. (NASDAQ:PGTI), the nation's leading manufacturer and supplier of residential impact-resistant windows and doors, has announced the development of a new wholly-owned subsidiary, CGI Commercial, and the acquisition of established fabricator of storefront window and door products, US Impact Systems (USI).

"As a market leader, we continuously seek out new opportunities to grow our market reach and better serve our customers. The formation of CGI Commercial and the acquisition of US Impact Systems will allow us to do exactly that," stated Jeff Jackson, PGTI President and Chief Operating Officer. "We welcome the USI employees to the PGTI family and look forward to working more closely with each of them."

CGI Commercial will operate under the PGTI family of brands as a subsidiary of CGI Windows & Doors. Other PGTI brands include PGT Custom Windows & Doors and WinDoor. The new subsidiary is dedicated to serving the commercial market and located in Miami, Florida.

The acquisition of US Impact Systems supports the Company's expansion into the commercial market adding capabilities such as fabricating and glazing window and door frames for commercial products.

"We are really excited about becoming part of PGTI," said Carlos Martinez, Vice President and General Manager of US Impact Systems. "Given our long history with PGT, its employees and products, this is a natural fit."

"We are thrilled to have the opportunity to expand our capabilities in the commercial market," commented Steve Dawson, Vice President and General Manager of CGI. "The US Impact team is made up of a strong leadership team and professional, highly-trained fabricators. We are looking forward to delivering products and services that will position us a leader in the commercial space."

ABOUT PGT INCORPORATED:

FORWARD-LOOKING STATEMENTS:

From time to time, we have made or will make forward-looking statements within the meaning of Section 21E of the Exchange Act. These statements do not relate strictly to historical or current facts. Forward-looking statements usually can be identified by the use of words such as "goal," "objective," "plan," "expect," "anticipate," "intend," "project," "believe," "estimate," "may," "could," or other words of similar meaning. Forward-looking statements provide our current expectations or forecasts of future events, results, circumstances or aspirations. Our disclosures in this report contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. We may also make forward-looking statements in our other documents filed or furnished with the Securities and Exchange Commission and in oral presentations. Forward-looking statements are based on assumptions and by their nature are subject to risks and uncertainties, many of which are outside of our control. Our actual results may differ materially from those set forth in our forward-looking statements. There is no assurance that any list of risks and uncertainties or risk factors is complete. Factors

that could cause actual results to differ materially from those described in our forward-looking statements include, but are not limited to:

- | Changes in new home starts and home remodeling trends
- | The economy in the U.S. generally or in Florida where the substantial portion of our sales are generated
- | Raw material prices, especially aluminum
- | Transportation costs
- | Level of indebtedness
- | Dependence on WinGuard and certain other branded product lines
- | Integration of acquisition(s)
- | Product liability and warranty claims
- | Federal and state regulations, and
- | Dependence on our manufacturing facilities

Any forward-looking statements made by us or on our behalf speak only as of the date they are made and we do not undertake any obligation to update any forward-looking statement to reflect the impact of subsequent events or circumstances. Before making any investment decision, you should carefully consider all risks and uncertainties disclosed in all our SEC filings, including our reports on Forms 8-K, 10-Q and 10-K and our registration statements under the Securities Act of 1933, as amended, all of which are accessible on the SEC's website at www.sec.gov and at <http://ir.pgtindustries.com/sec.cfm>.
