"I am delighted to welcome Daryl to the PGT Innovations family as a key member of our Executive leadership team," said Jeff Jackson, President, PGT Innovations. "Daryl's experience in operations, logistics, sales, and finance aligns perfectly with the leadership needs of our business. We look forward to Daryl's leadership and contribution to our customers, team members, and partners."

Mr. Hendricks has a proven track record of delivering results throughout his career. Prior to joining PGT Innovations, he served as the Senior Vice President Asset Management and Engineering for National Express Corporation. Mr. Hendricks earned a Bachelor of Business and Economics degree from the University of Delaware and a Master's of Business Administration from Wilmington University.

"I am very excited to be part of PGT Innovations and to help our teams deliver quality products with strong customer service support for our dealers, builders and architects," said Daryl Hendricks, newly appointed Senior Vice President of Operations. "I look forward to working alongside our customers and employees to ensure our collective success."

### About PGT Innovations

PGT Innovations, headquartered in North Venice, Florida, with over 2700 employees statewide, creates value through deep customer relationships, understanding the unstated needs of an industry, a drive to create the strongest, safest products on the market, and a commitment to always moving forward. The Company's trusted brands include CGI®, PGT Custom Windows & Doors®, and WinDoor®. PGT Innovations is the nation's largest manufacturer of impact-resistant windows and doors, holds the leadership position in its primary market, and is part of the S&P SmallCap 400 Index. ### Forward-Looking Statements

This press release may contain statements that constitute "forward-looking statements" as defined under federal securities laws of the United States. Generally, words such as "believe," "expect," "intend," "estimate," "anticipate," "project," "will" and similar expressions identify forward-looking statements, which are not historical in nature. These forward looking statements relate to, among other things: (i) the impact that our name change will have on the Company's profile, brand and performance; (ii) the impact the listing of our common stock on the NYSE will have on the Company's profile, brand, and performance; and (iii) the outcome of these and other changes the Company is making to expand its growth opportunities and increase shareholder value. Forward-looking statements are subject to certain risks and uncertainties that could cause

actual results to differ materially from the Company's historical experience and our present expectations or projections. These risks include, but are not limited to:

- | Changes in new home starts and home remodeling trends
- | The economy in the United States generally and in Florida, in particular, where the substantial portion of our sales are generated
- | Raw material prices, especially aluminum and vinyl
- | Transportation costs
- | Our level of indebtedness
- | Our dependence on our impact-resistant product lines
- | Our ability to successfully integrate acquisitions, such as our acquisitions of CGI® Windows & Doors Holdings, Inc. and WinDoor®, Inc.
- | Product liability and warranty claims
- | Federal and state regulations,
- | Our dependence on our manufacturing facilities; and
- | Other risks discussed in our Company's filings with the Securities and Exchange Commission, including our Annual Report on Form 10-K for the year ended January 2, 2016 and our subsequently filed quarterly reports on Form 10-Q, which are available from the SEC.

You should not place undue reliance on forward looking statements, which speak only as of the date they are made. The Company does not undertake any obligation to update any forward-looking statement to reflect the impact of subsequent events or circumstances.
