**FOR IMMEDIATE RELEASE**

**August 24, 2009**

**Top Ten Children's Product Testing Questions Answered by PerkinElmer, an Industry Leader in Safety Testing.**

**WHAT:** PerkinElmer has created a webpage to answer frequently asked questions that children's products manufacturers and retailers have related to the Consumer Product Safety Improvement Act (CPSIA) and its new rules that have recently gone into effect.

**WHO:** The webpage has been created to help educate children's products manufacturers and retailers, as well as provide an additional resource for journalists covering product safety issues.

**WHEN:** The webpage is available as of August 20, 2009

**WHERE:** <http://las.perkinelmer.com/EcoAnalytix/ChildrensProductSafety.htm>

**WHY:** The webpage is intended to address frequently asked questions raised in industry discussions regarding CPSIA, as well as to demystify some of the more complex aspects of the legislation regarding product testing – all in an effort to alert children's product manufacturers, retailers and resellers of the new testing and compliance requirements.
