Passcode: PTC

**Webcast:** [www.ptc.com/for/investors.htm](http://www.ptc.com/for/investors.htm)

**Replay:** The audio replay of this event will be archived for public replay until end of day on March 12<sup>th</sup>, 2017.  
Dial-in: 800-666-8984  
Passcode: 3180  
To access the replay via webcast, please visit [www.ptc.com/for/investors.htm](http://www.ptc.com/for/investors.htm).

Please note that statements made on the conference call and webcast are as of the date of the conference call and webcast and PTC does not assume any obligation to update any statements made live or to update the archived call. Matters discussed may include forward-looking statements about PTC's anticipated financial results and growth, growth strategies, competitive position, and the development of products and markets, which are based on current plans and assumptions. Actual results in future periods may differ materially from current expectations due to a number of risks and uncertainties, including those described from time to time in reports filed by PTC with the U.S. Securities and Exchange Commission, including PTC's most recent reports on Form 10-Q and Form 10-K.

### **About PTC**

[PTC](#) (NASDAQ: PTC) PTC has the most robust Internet of Things technology in the world. In 1986 we revolutionized digital 3D design, and in 1998 were first to market with Internet-based PLM. Now our leading IoT and AR platform and field-proven solutions bring together the physical and digital worlds to reinvent the way you create, operate, and service products. With PTC, global manufacturers and an ecosystem of partners and developers can capitalize on the promise of the IoT today and drive the future of innovation.
