

Polypore International, Inc. to Present at Investor Conferences

CHARLOTTE, N.C., Jun 7, 2010 (GlobeNewswire via COMTEX News Network) -- Polypore International, Inc. (NYSE:PPO) today announced that it will be participating in two upcoming investor conferences in June.

The first will be the JPMorgan 5th Annual Diversified Industries Conference, which takes place in New York on June 8 -- 9, 2010. Polypore is scheduled to present at 1:45 p.m. ET on Wednesday, June 9, 2010.

The second conference, William Blair's 30th Annual Growth Stock Conference, takes place in Chicago on June 15 -- 17, 2010. Polypore's presentation is scheduled for 11:20 a.m. CT on Wednesday, June 16, 2010.

Each of the company's conference appearances will be available to investors via a live audio webcast. A link to the webcast can be found at the Investor Relations section under Events & Presentations of the company's website, <http://www.polypore.net>, and these events generally will be available for replay using that same link for 30 days. A copy of Polypore's June Investment Conference Presentation will also be available on the company's website beginning Monday evening, June 7, 2010.

About Polypore International, Inc.

Polypore International, Inc. is a global high technology filtration company specializing in microporous membranes. Polypore's flat sheet and hollow fiber membranes are used in specialized applications that require the removal or separation of various materials from liquids, primarily in the ultrafiltration and microfiltration markets. Based in Charlotte, NC, Polypore International, Inc. is a market leader with manufacturing facilities or sales offices in ten countries serving six continents. See www.polypore.net.
