## **PRA Group Announces Closing of \$345 Million Offering of Convertible Senior Notes Due 2023**

NORFOLK, Va., May 26, 2017 (GLOBE NEWSWIRE) -- PRA Group, Inc. (Nasdaq:PRAA), a global leader in acquiring and collecting nonperforming loans, today announced the closing of its previously announced offering of \$300 million aggregate principal amount of 3.50% convertible senior notes due 2023 (the "notes") in a private placement to persons reasonably believed to be qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"). In addition, PRA announced that the initial purchasers fully exercised their option to purchase an additional \$45 million in aggregate principal amount of the notes.

The net proceeds from the sale of the notes, including proceeds resulting from the exercise of the initial purchasers' option to purchase an additional \$45 million in aggregate principal amount of the notes, are approximately \$335.4 million, after deducting discounts, commissions and estimated offering expenses.

The notes are unsecured, senior obligations of PRA Group and pay interest semiannually at a rate of 3.50% per annum. The notes will mature on June 1, 2023, unless repurchased, redeemed or converted in accordance with their terms prior to such date. Prior to the close of business on the business day immediately preceding March 1, 2023, the notes will be convertible only upon the occurrence of specified events; on and after March 1, 2023, until the close of business on the scheduled trading day immediately preceding the maturity date, the notes will be convertible at any time.

The conversion rate for the notes is initially 21.6275 shares per \$1,000 principal amount of notes, which is equivalent to an initial conversion price of approximately \$46.24 per share of common stock, and is subject to adjustment in certain circumstances. The initial conversion price represents a premium of approximately 35.0% to the \$34.25 per share closing price of PRA Group's common stock on May 22, 2017, the date on which PRA Group entered into the agreement with the initial purchasers regarding the purchase of the notes. Upon conversion, the notes may be settled in cash, shares of PRA Group's common stock or any combination thereof, at PRA Group's election. The notes are redeemable, in whole or in part, at PRA Group's option at any time, and from time to time, on or after June 1, 2021, at a cash redemption price equal to the principal amount of the notes to be redeemed, plus accrued and unpaid interest, if any, but only if the last reported sale price per share of PRA Group's common stock exceeds 130% of the conversion price on each of at least 20 trading days (whether or not consecutive) during the 30 consecutive trading days ending on, and including, the trading day immediately before the date PRA Group sends the related redemption notice.
