A live audio and/or webcast and subsequent archived replay of pSivida's presentation may be accessed via the Investors section of the Company's website under "Resources - Events & Presentations" at www.psivida.com. The replay will be available for 90 days after the event.

About pSivida Corp.

pSivida Corp. (www.psivida.com), headquartered in Watertown, MA, is a leader in the development of sustained release drug for eye diseases. pSivida has developed three of only four FDA-approved sustained-release treatments for back-of-the-eye diseases. The most recent, ILUVIEN®, a micro-insert for diabetic macular edema, licensed to Alimera Sciences, is currently sold in the US and three EU countries. Retisert®, an implant for posterior uveitis, is licensed to and sold by Bausch & Lomb. pSivida's lead product candidate, Durasert micro-insert for posterior segment uveitis being independently developed. Two pivotal Phase 3 studies achieved their primary efficacy endpoint at six months of follow-up with statistical significance. pSivida's pre-clinical development program is focused on using its core platform technology Durasert™ to deliver drugs and biologics to treat uveitis, wet age-related macular degeneration, osteoarthritis and other diseases.
