QuickLogic Corporation Announces Pricing of \$15.0 Million Public Offering of Common Stock

SUNNYVALE, CA -- (Marketwired) -- 03/23/17 -- QuickLogic Corporation (NASDAQ: QUIK) ("QUIK" or the "Company"), a developer of ultra-low power programmable sensor processing, embedded FPGA IP, display bridge and programmable logic solutions, today announced the pricing of its previously announced underwritten public offering of 10,000,000 shares of its common stock at a public offering price of \$1.50 per share. As part of the offering the Company granted the underwriters a 30-day option to purchase up to an additional 1,500,000 shares of its common stock on the same terms and conditions to cover over-allotments, if any. All shares of common stock to be sold in the offering were offered by the Company.

The Company expects to close the offering on or about March 28, 2017, subject to the satisfaction of customary closing conditions. The Company intends to use the net proceeds from the offering for working capital, to accelerate the development of next generation products and for general corporate purposes. The Company may also use a portion of the net proceeds to acquire and/or license technologies and acquire and/or invest in businesses when the opportunity arises; however, the Company currently has no commitments or agreements and is not involved in any negotiations with respect to any such transactions.

Craig-Hallum Capital Group is acting as the sole book-running manager for the proposed offering. The Benchmark Company is acting as a co-manager for the proposed offering.

A shelf registration statement on Form S-3 (File No. 333-215030) relating to the shares of common stock being offered has been declared effective by the Securities and Exchange Commission ("SEC"). This offering may only be made by means of a prospectus supplement and the accompanying prospectus. The preliminary prospectus supplement related to the offering was filed with the SEC on March 20, 2017. The final prospectus supplement and accompanying prospectus will be filed with the SEC and, when available, may be obtained by visiting EDGAR on the SEC's website at www.sec.gov; from Craig-Hallum Capital Group LLC, 222 South Ninth Street, Suite 350, Minneapolis, MN 55402, by telephone at 612-334-6300, or by email at prospectus@chlm.com.

This press release does not constitute an offer to sell or the solicitation of an offer to buy any securities in this offering. There shall not be any sale of these securities in any state or jurisdiction in which such offering, sale or solicitation would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

About QuickLogic

QuickLogic Corporation (NASDAQ: QUIK) enables OEMs to maximize battery life for highly differentiated, immersive user experiences with Smartphone, Wearable and IoT devices. QuickLogic delivers these benefits through industry leading ultra-low power customer programmable SoC semiconductor solutions, embedded software, and algorithms for always-on voice and sensor processing. The Company's embedded FPGA initiative also enables SoC designers to easily implement post production changes, and increase revenue by providing hardware programmability to their end customers. Safe Harbor Statement Under the Private Securities Litigation Reform Act of 1995

This press release contains statements that are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These include statements regarding, but not limited to, the anticipated closing of the offering and the expected uses of the proceeds from the offering. Forward-looking statements can be identified by the use of words such as "may," "will," "plan," "should," "expect," "anticipate," "estimate," "continue" or comparable terminology. Such forward-looking statements are inherently subject to certain risks, trends and uncertainties, including market conditions and future decisions regarding the Company's use of cash resources, many of which the Company cannot predict with accuracy and some of which the Company might not even anticipate, and involve factors that may cause actual results to differ materially from those projected or suggested. Readers are cautioned not to place undue reliance on these forward-looking statements and are advised to consider the factors listed above together with the additional factors under the heading "Disclosure Regarding Forward-Looking Statements" and "Risk Factors" in the Company's Annual Reports on Form 10-K, as may be supplemented or amended by the Company's Quarterly Reports on Form 10-Q. The Company assumes no obligation to update or supplement forward-looking statements that become untrue because of subsequent events, new information or otherwise.
