## **Resources Global Professionals to Present at William Blair & Co. Global Services Growth Stock Conference**

**IRVINE, Calif., December 1, 2010** - Resources Global Professionals ("Resources"), a leading multinational provider of professional services and the operating subsidiary of Resources Connection, Inc. (NASDAQ: RECN), will present at the William Blair & Company Global Services Growth Stock Conference, Tuesday, December 7, 2010, in Scottsdale, Arizona.

At 8:50 a.m. MST on Tuesday, December 7, Resources' Executive Vice President and Chief Financial Officer Nate Franke (biographical details below), is scheduled to present. A webcast of the presentation will be available live through the Investor Relations section of the Resources website: <http://ir.resourcesglobal.com/events.cfm> and will be recorded and accessible 30 days.

This is the inaugural Global Services Growth Stock Conference hosted by William Blair & Company, a global investment firm that provides high-quality, in-depth research on growth companies, with a focus on small- and mid-cap stocks. Approximately 50 companies are expected to present.

### **Nate Franke, Executive Vice President & Chief Financial Officer**

With a background suited for dealing with today's increasingly complex regulatory environment, Mr. Franke joined Resources Global Professionals in 2007. As CFO, he is responsible for all financial aspects of Resources' operations, including financial reporting and investor relations. He oversees a business that generated \$499 million in revenue in fiscal 2010, employs more than 2,700 professionals globally, and has grown to more than 80 practice offices worldwide during the past 13 years.

Mr. Franke joined Resources after 22 years at Deloitte & Touche LLP, where, for 12 years, he served as an audit partner primarily working with publicly traded companies in the consumer and technology industries.

A member of the American Institute of Certified Public Accountants, he graduated from the University of California, Santa Barbara, and earned an MBA from the University of California, Irvine. He is also a part-time lecturer in financial reporting and analysis at the University of California, Irvine, Merage School of Business.
