Rambus to Present at Two Investor Conferences in November

SUNNYVALE, Calif.--(BUSINESS WIRE)-- Rambus Inc. (Nasdaq: RMBS) today announced that its executives will discuss the company's business and strategic outlook at two investor events in November.

Rahul Mathur, chief financial officer, will present at Bernstein's Technology Innovation Summit in New York on November 8, 2016 at 9:00 a.m. ET.

Dr. Ronald Black, president and chief executive officer, and Mathur will also present at NASDAQ's 35th Investor Program in London on November 29, 2016 at 3:00 p.m. GMT.

The presentations will be available through a webcast which can be accessed on the Rambus Investor Relations website at investor.rambus.com. A replay of each presentation will also be available on the website following the event.

About Rambus Inc.

Rambus creates innovative hardware and software technologies, driving advancements from the data center to the mobile edge. Our chips, customizable IP cores, architecture licenses, tools, software, services, training and innovations improve the competitive advantage of our customers. We collaborate with the industry, partnering with leading ASIC and SoC designers, foundries, IP developers, EDA companies and validation labs. Our products are integrated into tens of billions of devices and systems, powering and securing diverse applications, including Big Data, Internet of Things (IoT), mobile, consumer and media platforms. At Rambus, we are makers of better. For more information, visit www.rambus.com.
