### About Sapient

Sapient is a global services company that helps clients transform in the areas of business, marketing, and technology. The company operates three divisions that enable clients to gain a competitive advantage and succeed in an increasingly digital world. SapientNitro, Sapient Global Markets and Sapient Government Services fuse insight, creativity and technology to drive innovation and to help clients navigate complex business problems. Our approach is the subject of case studies used by MBA programs at Harvard and Yale. The company has operations in The Americas, Europe, and Asia-Pacific.
