Approved and Adopted
April 6, 2016

I. PURPOSE

The primary purpose of the Examining Committee is to act as audit committee and oversee (a) the accounting and financial reporting processes of the Bank, including the integrity of the financial statements and other financial information provided by the Bank to its stockholders, the public, any stock exchange and others; (b) the Bank's compliance with legal and regulatory requirements; (c) the independent registered public accounting firm's qualifications and independence; (d) the audit of the Bank's financial statements; (e) the performance of the Bank's internal audit function and independent registered public accounting firm; and (f) any other matters as shall be mandated under applicable laws, rules and regulations (including the Securities Exchange Act of 1934 and the rules promulgated thereunder, as amended (the "Exchange Act"), the listing standards of the Nasdaq Stock Market and FDIC Regulation § 363.5 (together, the "Applicable Requirements")).

Although the Examining Committee has the powers and responsibilities set forth in this Charter, the role of the Examining Committee is oversight. The members of the Examining Committee are not full-time employees of the Bank and may or may not be accountants or auditors by profession or experts in the fields of accounting or auditing and, in any event, do not serve in such capacity. Consequently, it is not the duty of the Examining Committee to conduct audits or to determine that the Bank's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and any Applicable Requirements. These are the responsibilities of management and the independent registered public accounting firm.

In fulfilling its duties and responsibilities hereunder, the Examining Committee will be entitled to reasonably rely on (a) the integrity of those persons within the Bank and of the professionals and experts (such as the Bank's independent registered public accounting firm) from which it receives information, (b) the accuracy of the financial and other information provided to the Examining Committee by such persons, professionals or experts and (c) representations made by the Bank's independent registered public accounting firm as to any services provided by such firm to the Bank.

II. ORGANIZATION

The Examining Committee shall consist of three or more directors, each of whom shall satisfy the independence, financial literacy and experience requirements of Rule 10A-3 of the Exchange Act and any other Applicable Requirements, subject to any cure periods permitted thereunder and provided that one director who does not satisfy the applicable independence requirements of the Nasdaq Stock Exchange may be appointed to and serve on the Examining Committee, subject to compliance with the requirements of Nasdaq Marketplace Rule 5605(c)(2)(B). At least one member of the Examining Committee shall be an audit committee financial expert, as such term is defined by the Securities and Exchange Commission pursuant to Section 407(d)(5)(ii) of Regulation S-K. Examining Committee members shall also satisfy any applicable independence requirements under the Bank's Code of Ethics.

The members of the Examining Committee shall be appointed by the Bank's Board of Directors (the "Board"). Members of the Examining Committee may be removed at any time by action of the Board. The Chairman of the Board shall recommend, and the members of the Examining Committee shall elect,

a chairperson by a vote of the majority of the full Examining Committee. The Examining Committee chairperson shall serve for a term of no more than five consecutive years as chair.

No member of the Examining Committee shall have participated in the preparation of the financial statements of the Bank or any current subsidiary at any time during the past three years.

The Committee may form and delegate authority to subcommittees when appropriate, provided that the subcommittees are composed entirely of directors who satisfy the applicable independence requirements of Examining Committee membership.

III. MEETINGS

The Examining Committee shall meet at least four times per year on a quarterly basis, or more frequently as circumstances require. Meetings shall be called by the chairperson of the Examining Committee or, if there is no chairperson, by a majority of the members of the Examining Committee. Meetings may be held telephonically or via similar communications equipment in accordance with the Bank's By-laws. As part of its job to foster open communication, the Examining Committee shall meet at least quarterly with management, the chief internal auditor and the independent registered public accounting firm in separate executive sessions to discuss any matters that the Examining Committee or each of these groups believe should be discussed privately. Committee actions may be taken by unanimous written consent.

IV. AUTHORITY AND RESPONSIBILITIES

In recognition of the fact that the independent registered public accounting firm is ultimately accountable to the Examining Committee, the Examining Committee shall (a) have the sole authority and responsibility to select, evaluate and, where appropriate, replace the independent registered public accounting firm (or to nominate the independent registered public accounting firm for stockholder approval), (b) approve all audit engagement fees and terms and all non-audit engagements with the independent registered public accounting firm and (c) perform such other duties and responsibilities set forth under the Exchange Act. by Section 10A of the Exchange Act and, in connection therewith, to approve all fees and other terms of engagement. The Examining Committee may delegate the authority to pre-approve audit and permitted non-audit services between meetings of the Examining Committee to a designated member of the Examining Committee, provided that the decisions made by such member are presented to the full Examining Committee for ratification at its next scheduled meeting. The Examining Committee shall also review and approve disclosures required to be included in Federal Deposit Insurance Corporation (“FDIC”) periodic reports filed under Section 13(a) of the Exchange Act, and the rules and regulations promulgated thereunder, as incorporated by cross-reference by § 335.101 of the FDIC Regulations, with respect to audit and non-audit services.
