

California Compliance Statement

California Health and Safety Code This information is provided pursuant to the requirements of California Health & Safety Code §119402 (S.B. 1765), which requires certain pharmaceutical and medical device companies doing business in California to make available their program for compliance with applicable federal and state laws and industry standards regulating the marketing and promotion of their products.

Code of Ethics SenoRx incorporates the AdvaMed Code of Ethics as part of its Corporate Compliance Plan. Please [click here](#) to download SenoRx's Code of Ethics.pdf.

Corporate Compliance Program Please [click here](#) to download SenoRx's Corporate Compliance Program.pdf.

Code of Ethics on Interactions with Health Care Professionals Please [click here](#) to download SenoRx's policy on Code of Ethics on Interactions with Health Care Professionals.pdf.

As part of SenoRx's ongoing efforts in the area of compliance, we have developed a Comprehensive Compliance Program that is designed to comply with applicable federal and state laws and industry standards relating to the marketing and promotion of our products. To our knowledge as of the date of this declaration, SenoRx is in compliance with our Comprehensive Compliance Program, as described here, and with California Health & Safety Code sections 119400-119402.
