Angels on Call will debut Monday, December 11, 2006. Angels on Call is the first live daily morning talk show on the SIRIUS Stars channel. It will air live Monday - Friday from 8:00 - 11:00 am ET exclusively on SIRIUS Stars channel 102, the SIRIUS channel dedicated to fascinating people doing compelling radio, ranging from Barbara Walters to Richard Simmons, Senator Bill Bradley to Deepak Chopra, on whose show "Deepak Chopra's Wellness Radio" Mary has regularly appeared.

Angels on Call with Mary O will deliver inspiration, motivation, and practical tips to start the day. She will talk with listeners throughout every show, offering personal psychic readings. Mary O will make predictions for listeners' futures, as well as guide them through the personal issues and problems they face in the present.

Mary O, a lifelong New York resident, is a gifted psychic medium with a diverse following around the world. In 1992, Mary was diagnosed with relapsing and remitting multiple sclerosis (MS), which she now controls through diet and breakthrough medicine. Strangely enough, MS heightened her senses and made her abilities even more pronounced. Mary used the years she was housebound due to this illness as an opportunity to perfect her psychic talents and sharpen her ability to do readings over the phone. Today, thousands of people around the world rely on Mary's guidance.

"Mary O has an extraordinary psychic gift and the ability to translate and demonstrate this in a style that is inspirational, enriching, informative and perfect for radio," said Jeremy Coleman, Vice President of Talk and Entertainment Programming, SIRIUS Satellite Radio. "Angels on Call is an important addition to SIRIUS' lifestyle content, and further enhances our powerful lineup of exclusive talk programming."

"I've spent my whole life helping people understand and tune in with the psychic messages and signs that surround them," said Mary Occhino. "SIRIUS Satellite Radio is the ideal arena in which I can take my work to the next level and connect with a national audience of millions, and I am thrilled that I will have the opportunity to do so with Angels on Call."

Each day of the week, Angels on Call will focus on a specific theme:

**Medical Mondays:** The intuitive approach to listeners' current and future health issues

**Tumultuous Tuesdays:** Get a grip on personal crises

**Wondrous Wednesdays:** A celebration of miracles

**Beyond Thursdays:** Connect with relatives and friends from the "beyond," and how listeners can get beyond situations that are plaguing them in this lifetime

**Forever Fridays:** Life and all eternity

Mary was born in Brooklyn, New York and currently resides in New York City. Mary has appeared on many radio stations and television programs throughout the United States. She is the author of Sign of the Dove: MaryRose's Messages from the Other Side and Beyond These Four Walls: Diary of a Psychic Medium.
